ERRATA to Scrutiny Committee version of Appendix 1 of the Local Plan Committee Report

This errata note sets out changes between the Scrutiny version of the strikethrough Local Plan (Appendix 1 of the Local Plan Committee Report) and the updated electronic copy published with the Cabinet and Council papers.

Councillors are being asked on 8th June to adopt the submission version of the Local Plan[1] as amended by the Main Modifications appended to the Inspectors' report and shown in Appendix 3 of the committee report.

In acknowledgement that this can be hard to follow officers produced a strikethrough version of the plan showing the main modifications as well as some additional (minor) modifications (Appendix 1 of the committee report).

Since the Scrutiny committee papers were published officers noticed some small errors in the way the Main Modifications were transferred into the strikethrough version of the Plan. The electronic copy has been corrected for Cabinet and Council ahead of publication online. The table below shows the changes that have been made to the Scrutiny Committee version.
