## Status of our reports

The Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission explains the respective responsibilities of auditors and of the audited body. Reports prepared by appointed auditors are addressed to non-executive directors/members or officers. They are prepared for the sole use of the audited body. Auditors accept no responsibility to:

- any director/member or officer in their individual capacity; or
  - any third party.
-

---

# Introduction

- 1 Our principal objective as the Council's appointed auditor is to carry out an audit which meets the Audit Commission's Code of Audit Practice. This report sets out the progress we have made in delivering the work set out in our 2008/09 and 2009/10 audit plans.
- 2 Our audit plans set out our proposed plan of work and is based on the Audit Commission's risk-based approach to audit planning. It reflects:
  - Audit and inspection work specified by the Audit Commission;
  - Current national risks relevant to your local circumstances; and
  - Your local risks and improvement priorities.

---

## Our responsibilities

- 3 In carrying out audit work, we comply with the statutory requirements governing it, in particular the:
  - Audit Commission Act 1998
  - Local Government Act 1999 (best value inspection and audit); and
  - Code of Audit Practice (the Code).
- 4 Our audit is also planned to be consistent with the Commission's Strategic Plan.
- 5 The new Audit Commission Code came into effect from April 2005 and has been developed on the basis of the Commission's model of public audit, which defines auditors' responsibilities in relation to:
  - the audited body's financial statements and its statement of internal control; and
  - whether the audited body has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

---

## Reporting

- 6 The Audit Commission, as part of its planning process, will produce a risk-based audit plan, which is tailored to the individual circumstances of the Council and meets the requirements of the Code of Audit Practice. This will include a use of resources programme which takes account of Audit Commission national requirements and local projects arising from our risk based planning.
- 7 The draft Audit Plan will be discussed and agreed with the Council's Chief Executive and Head of Performance, Policy and Communications. The Chief Executive will circulate to other members of the management team for comment prior to presentation to the Council's Audit and Governance Committee

- 8 Executive Directors will nominate a lead officer and operational manager for each project in the agreed Audit Plan. Lead officers will be required to agree the scope of the project, agree the final report and recommendations and ensure these are implemented in accordance with the agreed action plan.
- 9 The Audit Commission will report progress on each project to the Council's Audit and Governance Committee as part of the regular progress report.
- 10 Draft and final reports will be sent to lead officers for comment/observation. The lead officer must respond to the Audit Commission, and where appropriate complete an accompanying action plan, within two weeks of receipt.
- 11 Final audit reports will be reported to the Council's Chief Executive, the Lead Executive Director and the Head of Policy, Performance and Communications to reporting to the Audit and Governance Committee.
- 12 A summary of the key findings for each project will be reported in the Annual Audit Letter.
