Statement of Licensing Policy

7. The Sub-Committee is referred to the Council's Statement of Licensing Policy*. In particular, the following paragraphs have a bearing upon the application:

Relevant Policy Matters	Sections	Policy
Crime and Disorder:	7.3.10 7.5.1 to 7.5.2	LA5 PP1
Cumulative Impact:	3.2.1 to 3.2.5	GN19

8. A number of changes have been made to the Licensing Act 2003 in recent times by the Police Reform and Social Responsibility Act 2011, the Live Music Act 2012 and the Deregulation of Schedule 1 of the 2003 Act.
9. The Authority's Statement of Licensing Policy has not yet been revised following the introduction of these changes, the above sections from the current Policy do not reflect these changes which include removing the "vicinity test" for interested parties and amending the wording of the 2003 Act so that conditions imposed on licences must now be "appropriate to the promotion of the Licensing Objectives" rather than "necessary".
10. A copy of the Statement of Licensing Policy may be obtained from the Council Offices or found online at: www.oxford.gov.uk/licensing

Home Office Statutory Guidance

11. Members are also referred to the statutory guidance issued by the Home Office. Of particular relevance to this application are the following matters:

Relevant Sections	Relevant Paragraphs
Crime and Disorder:	2.1 to 2.5
Cumulative Impact:	13.30 to 13.39

12. A copy of the Home Office Statutory Guidance may be found online at: www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003

Cumulative Impact

13. Oxford City Council has adopted Special Saturation Policies in respect of the City Centre and East Oxford as detailed within the Statement of Licensing Policy.
14. The Special Saturation Policies were introduced following evidence brought by Thames Valley Police on the grounds of the cumulative impact of premises licensed for the sale of alcohol on the licensing objectives of preventing crime and disorder and preventing public nuisance within the defined areas.

15. The effect of adopting Special Saturation Policies is to create a rebuttable presumption that applications for new Premises Licences or Club Premises Certificates or material variations to these will normally be refused, if relevant representations to that effect are received, unless it can be demonstrated that the operation of the premises involved will not add significantly to the cumulative impact already being experienced on the licensing objectives of preventing crime and disorder and preventing public nuisance.

Other Relevant Considerations

16. The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in Oxford) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the applicant and the rights of local residents. Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.
17. Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.
18. When considering any representations, only those issues relating to the four licensing objectives should be considered and appropriate weight given to the importance and relevance of each representation.
19. In making its decision, Members must also have regard to the Home Office statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy.
20. The Sub-Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

a) Grant the licence in accordance with the application.

b) Modify the conditions of the operating schedule by altering or omitting or adding to them.

c) Exclude or restrict from the scope of the licence any of the licensable activities to which the application relates.

d) Reject the whole of the application.

The Sub-Committee may also grant the licence subject to different conditions for different parts of the premises or the different licensable activities.

21. Members are asked to note that they may not modify the conditions or reject whole or part of the application merely because they consider it desirable to do so. It must be appropriate to do so in order to promote the licensing objectives. Any such step must relate to a relevant representation made.

22. If Members grant the application, the details of the operating schedule will be incorporated into the licence as conditions. The licence will also be subject to certain mandatory conditions.
23. Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

Sirs

We understand this is a new application for an additional licensed premises within the established East Oxford SSP.

Although the application in it's self is not unreasonable, it does represent an expansion of the Saturation Policy and as such should be refused.

Any additional alcohol sales within the SSP represents a potential increase of ASB within the area.

Regards

David Colbeck
