## Statement of Licensing Policy

8. The Sub-Committee is referred to the Council's Statement of Licensing Policy. In particular, the following paragraphs have a bearing upon the application:

Relevant Policy Matters	Sections	Policy
<b>Crime and Disorder:</b>	8.3.1	OS7
	8.4.1 to 8.4.4	OS8
	8.5.1 to 8.5.3	OS9
	8.6.1 to 8.6.3	OS10
<b>Public Nuisance:</b>	7.3.1 to 7.3.10	LA2 to LA4
<b>Cumulative Impact:</b>	3.1.1 to 3.2.5	GN19
<b>Licensing Hours:</b>	5.1.1	LH1 to LH3
	5.3.1 to 5.4.2	LH6 to LH7

9. A copy of the Statement of Licensing Policy may be obtained from the Council Offices or found online at:  
[https://www.oxford.gov.uk/downloads/file/1303/statement\\_of\\_licensing\\_policy](https://www.oxford.gov.uk/downloads/file/1303/statement_of_licensing_policy)

### Home Office Statutory Guidance

10. Members are also referred to the statutory guidance issued by the Home Office. Of particular relevance to this application are the following matters:

<b>Relevant Sections</b>	<b>Relevant Paragraphs</b>
<b>Crime and Disorder:</b>	2.1 to 2.5
<b>Public Nuisance:</b>	2.14 to 2.20
<b>Cumulative Impact:</b>	13.30 to 13.39

11. A copy of the Home Office Statutory Guidance may be found online at:  
[www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003](http://www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003)

### Cumulative Impact

12. Oxford City Council has adopted Special Saturation Policies in respect of the City Centre and East Oxford as detailed within the Statement of Licensing Policy.
13. The Special Saturation Policies were introduced following evidence brought by Thames Valley Police on the grounds of the cumulative impact of premises licensed for the sale of alcohol on the licensing objectives of preventing crime and disorder and preventing public nuisance within the defined areas.
14. The effect of adopting Special Saturation Policies is to create a rebuttable presumption that applications for new Premises Licences or Club Premises Certificates or material variations to these will normally be refused, if relevant representations to that effect are received, unless it can be demonstrated that the operation of the premises involved will not add significantly to the cumulative impact already being experienced on the licensing objectives of preventing crime and disorder and preventing public nuisance.

### Other Relevant Considerations

15. The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in Oxford) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the applicant and the rights of local residents. Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.

16. Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.
17. When considering any representations, only those issues relating to the four licensing objectives should be considered and appropriate weight given to the importance and relevance of each representation.
18. In making its decision, Members must also have regard to the Home Office statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy.
19. The Sub-Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

**a) Grant the licence in accordance with the application.**

**b) Modify the conditions of the operating schedule by altering or omitting or adding to them.**

**c) Exclude or restrict from the scope of the licence any of the licensable activities to which the application relates.**

**d) Reject the whole of the application.**

The Sub-Committee may also grant the licence subject to different conditions for different parts of the premises or the different licensable activities.

20. Members are asked to note that they may not modify the conditions or reject whole or part of the application merely because they consider it desirable to do so. It must be appropriate to do so in order to promote the licensing objectives. Any such step must relate to a relevant representation made.
21. If Members grant the application, the details of the operating schedule will be incorporated into the licence as conditions. The licence will also be subject to certain mandatory conditions.
22. Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

I have read the conditions and I gather that outside entertainment will not be allowed, although it appears in the application?

I would still like to object to the application, because I fear that neighbours will be disturbed by outdoor alcohol and refreshments, especially on the 15 nights when an extension has been requested.

I represent many of the city centre residents whose sleep is already disturbed very often. Another late night source of noise would add to this.  
My grounds are the public nuisance that would be caused by this late night noise.

There is one more point concerning public nuisance. Please ensure that if permission is given for any aspects of this application a condition is added that there is to be no outdoor heating, e.g. patio heaters.

Aside from the effect that these have on global warming, they are highly likely to prolong the time that patrons spend in the outdoor area, which could add to any noise nuisance experienced by people who live nearby.

Dear Sirs

**Application 16/01708  
West End Ventures Ltd**

I am writing to register my objection in respect of the above application regarding an extension to the licensing hours of the Lighthouse public house.

The basis for this opposition is that granting the extension for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Residents in this area already suffer noise nuisance and antisocial behaviour in the early hours of the morning caused by the patrons of the various nightclubs and late night drinking bars in the vicinity. Granting the extension to the licensing hours as set out in the application would provide yet a further potential source of noise nuisance and antisocial behaviour.

The Lighthouse has an outside terrace overlooking Castle Mill Stream which faces towards our residential area. Noise from the terrace will easily carry in our direction, notwithstanding any other disturbances by customers entering and leaving the premises in the early hours.

In view of the above, I would urge the Licensing Authority to refuse the application.

**Re: Licensing Application 16/011708/PREM VARIATION**

**The Lighthouse, 1 Park End Street**

My wife, Nancy Hood, and I are writing to object to the application of West End ventures to extend its licence at *The Lighthouse* for Film, Live Music, Recorded Music, Late Night Refreshments, and Sale of Alcohol, *both indoors and outdoors*, on Monday to Thursday from 11.00pm until 12.30am; on Friday and Saturday from midnight to 1.30am; and on Sunday from 10.30 pm to 12.30am. Persons would have to leave the premises by half an hour after the licensed hour – namely 2.00am on Saturday and Sunday mornings, and on other nights 1.00am the following morning.

Our flat at The Stream Edge is directly opposite the former *Warehouse*, a short distance over Castle Mill Stream, and we are therefore close to Park End Street and *The Lighthouse*.

The crowd noise in Park End Street is already intolerable, especially on Friday and Saturday nights, beginning around 11pm and continuing until after 3.30 am, when all the clubs have been closed. There are frequently excited and intoxicated people hanging around in the street in animated loud conversation and often very loud shouting and screaming.

To allow people to emerge up to two hours later (2.00 am) than at present from a public house is likely to add to the noise and disorder, however hard the managers of *The Lighthouse* might try to control dispersal of their clients after closing time.

Furthermore, we are concerned that drinking alcohol, and playing music (that is not clear in the application), will be allowed on the terrace overlooking Castle Mill Stream until the early hours of the morning. If music is being played indoors, sound will inevitably be heard outside when people move through the doors to and from the terrace.

We draw the attention of the Licensing Authority to the fact that Planning Regulations do not permit the use after 9.00pm of the stream-side terrace outside the former *Warehouse* (42-43 Park End Street), which is only a short distance East of *The Lighthouse*. The Licensing Committee also made it a condition of the licence for *Warehouse* that no doors from the club should be opened on to the terrace after 11pm.

In addition, the conditions of the Licence for *las Iguanas*, which is adjacent to The Stream Edge, states (Annex 2 (10)) 'There is to be no use of the outside area of the premises for any

licensable activity or consumption of alcohol after 23.00 hours'. Late night refreshment on Thursdays to Saturdays between the hours of 11.00pm and 2.30am can be provided only indoors. Any live music must be provided indoors and all doors windows closed, other than for access and egress, when regulated entertainment is taking place. Live music and dance is only permitted until 11.00pm. In our views the extension of use of the *Lighthouse* terrace for the consumption of alcohol and food until 12.30am or 1.30 am would be inconsistent with the licensing policy already established at *Las Iguanas*.

Thus, in our opinion, allowing the extension of the licence at *The Lighthouse* until the early hours of the morning, including the use of the terrace for drinking and serving of refreshment outside during the proposed extended hours, would be likely to exacerbate the existing public nuisance created by late night/early morning consumption of alcohol in the establishments on Park End Street. This would affect our quality of life as residents at the Stream Edge.

Yours faithfully

**Subject: The Lighthouse Park End Street -application for extension of hours**

We are instructed by Thirst bar in Park End Street to make a representation against this application in the basis of the prevention of crime and disorder and the prevention of nuisance

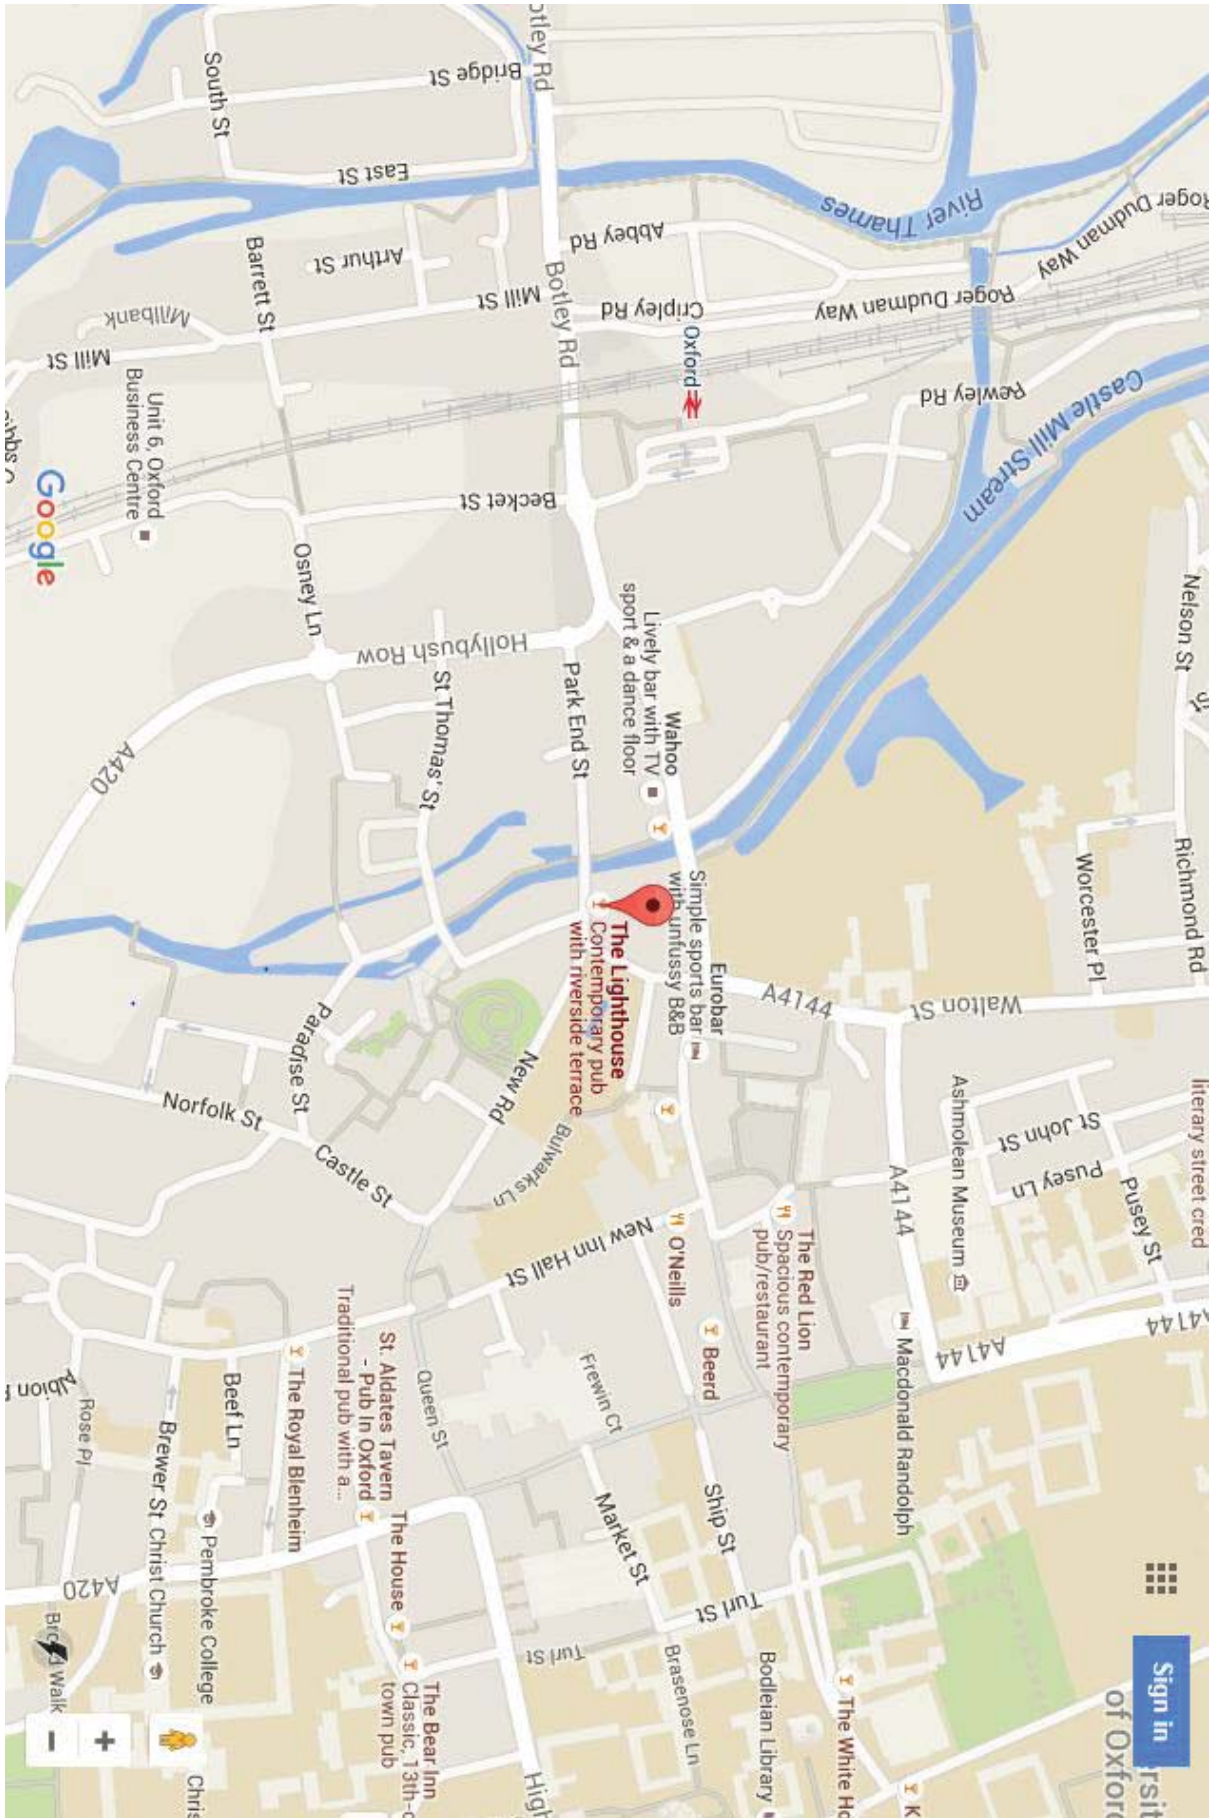

These premises are located in the Special Saturation Area and our clients are concerned that any additional hours granted within the area will only add to the difficult situations which are already encountered by our clients who operate within this area.

Our clients have direct experience of the problems which face both operators and the enforcement agencies in this area and they do not wish to see the existing scarce police and council resources stretched even further by additional trading hours being granted to another operator. Our clients have no doubt that the grant of this application will have a direct impact on the ability of the enforcement authorities and indeed our clients' own door staff, to control troublesome behavior.
