

## Extract from the minutes of the City Executive Board held on 4<sup>th</sup> July 2012

### **11. INTRODUCTION OF ALTERNATIVELY FUELLED VEHICLES TO THE COUNCIL FLEET**

The Head of Direct Services submitted a report (previously circulated, now appended).

Resolved to:-

- (1) Approve the use of more electrically driven vehicles in the council's vehicle fleet, where viable and cost effective;
- (2) RECOMMEND Council to include the additional budget highlighted in paragraph 9 in the Council's capital programme, funded from the savings in running expenses over the life of the asset (as shown in Table 3 of the report) as part of the spend to save initiative.
