

# FORWARD PLAN FOR THE PERIOD DECEMBER 2012 – MARCH 2013

The Forward Plan gives information about all executive decisions (including "key decisions") the City Executive Board and Single Board Members are expected to take over the forthcoming four-month period. It also contains information about all key decisions Council officers are expected to take over the forthcoming four-month period. A "key decision", except in special or urgent circumstances, cannot be taken unless it has appeared in the Forward Plan for 28 days before the key decision is made. The Forward Plan also contains information about matters that are likely to be taken in private.

#### **Key decisions**

A key decision as defined in Regulations means an executive decision which is likely:-

"(a) To result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council's budget for the service or function to which the decision relates; or

(b) To be significant in terms of its effects on communities living or working in an area comprising two or more wards in the council's area.

The guidance figures for significant items in financial terms as far as the City Council is concerned are £150,000 for General Fund or £200,000 for Housing Revenue Account.

#### **Private meetings**

Part or the whole or some or all of the items in this Forward Plan may be taken at a meeting not open in part or in whole to the press or public one of the grounds in the Local Government (Access to Information) (Variation) Order 2006

#### Making representations on matters or objections to taking matters in private

If you wish to make representations about any matter listed in the Forward Plan, or about taking any part of a matter in private then you must contact us at least 7 working days before the decision is due to be made. This can be done:-

# BEYOND THE LIFE OF THIS PLAN

## ITEM 39: CUSTOMER CONTACT STRATEGY

Oxford City Council has an aspiration to be a world-class city for everyone, delivering worldclass customer service. The Council's Customer Contact Strategy was originally agreed in October 2009. It has been revised following the successful implementation of the Customer Service Centre, Shared Contact Centre and the simultaneous development of the web. The strategy is focused on putting customers' needs at the forefront, improving customer service and joining up its work across all service areas, offering a consistent quality service across the most relevant access channels for our customers. The Customer Contact Strategy sets out where we are now, where we want to be in 2015 and what the key milestones are in our journey.

To ensure we deliver a relevant strategy for Oxford City Council, we have pulled together a strong picture of who our communities are, and used proven customer insight to inform how our customers can most easily access the services they need.
