FORWARD PLAN FOR THE PERIOD
JUNE - SEPTEMBER 2013

The Forward Plan gives information about all executive decisions (including "key decisions") the City Executive Board and Single Board Members are expected to take over the forthcoming four-month period. It also contains information about all key decisions Council officers are expected to take over the forthcoming four-month period. A "key decision", except in special or urgent circumstances, cannot be taken unless it has appeared in the Forward Plan for 28 days before the key decision is made. The Forward Plan also contains information about matters that are likely to be taken in private.

Key decisions

The guidance figures for significant items in financial terms as far as the City Council is concerned is £500,000.

Private meetings

Part or the whole or some or all of the items in this Forward Plan may be taken at a meeting not open in part or in whole to the press or public one of the grounds in the Local Government (Access to Information) (Variation) Order 2006.

ITEM 22: CUSTOMER CONTACT STRATEGY

Oxford City Council has an aspiration to be a world-class city for everyone, delivering world-class customer service. The Council’s Customer Contact Strategy was originally agreed in October 2009. It has been revised following the successful implementation of the Customer Service Centre, Shared Contact Centre and the simultaneous development of the web. The strategy is focused on putting customers’ needs at the forefront, improving customer service and joining up its work across all service areas, offering a consistent quality service across the most relevant access channels for our customers. The Customer Contact Strategy sets out where we are now, where we want to be in 2015 and what the key milestones are in our journey.

To ensure we deliver a relevant strategy for Oxford City Council, we have pulled together a strong picture of who our communities are, and used proven customer insight to inform how our customers can most easily access the services they need.

ITEM 23: 'OXFUTURES FUND' - ESTABLISHMENT APPROVAL

The EU-funded Oxfordshire Total Retrofit programme is funded work, led by the County Council, to create a special purpose financial vehicle to leverage investment for energy efficiency retrofit and renewable energy projects.

The strategic and financial consultants are carrying out scoping work during summer 2013 in order to meet a milestone agreed with the EU of 28th November 2013 to create the fund (e.g. to have the legal statutes in place).

Although the precise form of the fund, and hence the decision needed, is subject to the work of the consultants, approval to work with the County Council to establish a corporate entity to operate the fund may be needed.
