### **137. COVERED MARKET STRATEGY**

The Regeneration and Major Projects Team Manager submitted a report (previously circulated, now appended). The Board also had before it a Scrutiny report (previously circulated, now appended). Councillor Campbell and Fooks addressed the meeting. In summary they referred to the need for a clear positioning of the Council in respect of its responsibility for the Covered Market and that this should be made clear in the Asset Management Strategy; that a market manager should be appointed as soon as possible and work should then commence as a priority with the traders to develop the Covered Market for the future and to improve trust between the traders and the Council; and that the physical development of the Covered Market on the Market Street frontage was important.

Resolved to:-

- (1) Note the consultants' recommendations and the responses to the public consultation on the consultants' report;

### **138. TOWN HALL STRATEGY**

The Head of Human Resources and Facilities submitted a report (previously circulated, now appended). With the agreement of the Chair, Councillor Hollick as member for the Ward in which The Town Hall was located addressed the meeting. Councillor Fooks also addressed the meeting with the Chair's agreement.

In summary, Councillor Hollick referred to the unavailability of the Town Hall toilets when the Town Hall was closed on a Sunday because no events were taking place; that there needed to be transparency in terms of community interest group status (paragraph 5.8 of the report refers); that the average annual percentage increase figures in Appendix 1 to the report were, in his view, understated; and that the Town Hall staff restructure, as he saw it, had caused stress and anxiety to the staff involved. Councillor Fooks referred to the viability of the Town Hall café and also to the Town Hall staff restructure.

In response the Leader said that the Town Hall could not be open simply to keep the toilet facility available when otherwise there were no activities in the Town Hall; that in terms of fees and charges increases, the Council's proposed charges compared favourably with competitors as set out in paragraph 5.4; and that there would be member oversight of the use of Town Hall accommodation by community interest group. As to the Town Hall staff restructure, this was a separate issue. It had been carried out under the Council's change management policy agreed by Council (in other words Council had agreed a policy within which restructures were carried out by officers).

Resolved to:-

- (1) Note progress on the operational plan and the commissioning of an options appraisal for future utilisation of the Town Hall;
- (2) Agree the proposed opening times as set out in Section 4 of the report;
- (3) Agree the charging arrangements set out in Section 5 of the report and that those charges be incorporated into Appendix 7 of the main Budget report considered at minute 133;
- (4) Agree the changes to the budgeted income as set out in the table in Section 6 of the report.

Resolved that the Council enter into an agreement with Oxfordshire County Council whereby a rent of £20,000 per annum is agreed in respect of the review due on December 2011, and that the earlier outstanding reviews are not pursued by the City Council on the basis that the County Council for its part will not activate the annual rolling break, and will be committed to operating the waste recycling centre for a period of five years from the date of the agreement, unless an alternative site approved by the City Council is located and made operational.

#### **142. EDUCATIONAL ATTAINMENT PROGRAMME - PROGRESS**

The Head of Policy, Culture and Communications submitted a report (previously circulated, now appended). The Board also had before it a Scrutiny report (previously circulated, now appended). With the agreement of the Chair, Councillor Campbell addressed the meeting. In summary he expressed concern at the large turnover of staff at schools participating in the programme; that

comparison with schools in other local authority areas was important; and he commented on the KRM and 'digitally excluded' programmes.

In response on staff turnover, the Leader said that this was not untypical of schools.
