Dear Members

## **Audit Progress Report 2014-15**

We are pleased to attach our Audit Progress Report.

The purpose of this report is to provide the Audit and Governance Committee with an overview of the timetable we are proposing for your 2014-15 audit and to ensure our audit is aligned with the Committee's expectations.

Our audit will be undertaken in accordance with the requirements of the Audit Commission Act 1998, the Code of Audit Practice, the Audit Commission Standing Guidance, auditing standards and other professional requirements.

We provided our Audit Fee Letter to the Chief Executive and the Audit and Governance Committee in April 2014.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audit.

Yours faithfully

## 2. Timetable

### Audit and Governance Committee Timeline

We have set out below a timetable showing the key stages of the audit, including the value for money work and the whole of government accounts, and the deliverables we have agreed to provide to you through the 2014-15 and 2015-16 Audit and Governance Committee cycle.

We will provide formal reports to the Audit and Governance Committee throughout our audit process as outlined below. Where required, we will issue an Interim Report, summarising the findings from our audit at that stage. From time to time matters may arise that require immediate communication with the Audit and Governance Committee and we will discuss them with the Audit and Governance Committee Chair as appropriate.

Following the conclusion of our audit we will prepare an Annual Audit Letter in order to communicate to the Council and external stakeholders, including members of the public, the key issues arising from our work.
