## Statement of Licensing Policy

8. The Sub-Committee is referred to the Council's Statement of Licensing Policy\*. In particular, the following paragraphs have a bearing upon the application:

<b>Relevant Policy Matters</b>	<b>Sections</b>	<b>Policy</b>
<b>Prevention of Crime &amp; Disorder:</b>	7.5.16 to 7.5.19	PP10
<b>Prevention of Public Nuisance:</b>	7.3.6 to 7.3.8 7.3.10	LA4 LA5
<b>Licensing Hours:</b>	5.1.1 5.3.1 to 5.3.3	LH1 LH6

9. A number of changes have been made to the Licensing Act 2003 in recent times by the Police Reform and Social Responsibility Act 2011, the Live Music Act 2012 and the Deregulation of Schedule 1 of the 2003 Act.
10. The Authority's Statement of Licensing Policy has not yet been revised following the introduction of these changes, the above sections from the current Policy do not reflect these changes which include removing the "vicinity test" for interested parties and amending the wording of the 2003 Act so that conditions imposed on licences must now be "appropriate to the promotion of the Licensing Objectives" rather than "necessary".
11. A copy of the Statement of Licensing Policy may be obtained from the Council Offices or found online at: [www.oxford.gov.uk/licensing](http://www.oxford.gov.uk/licensing)

## Home Office Statutory Guidance

12. Members are also referred to the statutory guidance issued by the Home Office. Of particular relevance to this application are the following matters:

<b>Relevant Sections</b>	<b>Relevant Paragraphs</b>
<b>Prevention of Crime &amp; Disorder:</b>	2.1 to 2.5
<b>Prevention of Public Nuisance:</b>	2.14 to 2.20

13. A copy of the Home Office Statutory Guidance may be found online at: [www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003](http://www.gov.uk/government/publications/revised-guidance-issued-under-section-182-of-the-licensing-act-2003)

## Other Relevant Considerations

14. The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in Oxford) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the applicant and the rights of local residents. Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.

15. Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.
16. When considering any representations, only those issues relating to the four licensing objectives should be considered and appropriate weight given to the importance and relevance of each representation.
17. In making its decision, Members must also have regard to the Home Office statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy.
18. The Sub-Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:
  - a) Grant the licence in accordance with the application.**
  - b) Modify the conditions of the operating schedule by altering or omitting or adding to them.**
  - c) Exclude or restrict from the scope of the licence any of the licensable activities to which the application relates.**
  - d) Reject the whole of the application.**

The Sub-Committee may also grant the licence subject to different conditions for different parts of the premises or the different licensable activities.

19. Members are asked to note that they may not modify the conditions or reject whole or part of the application merely because they consider it desirable to do so. It must be appropriate to do so in order to promote the licensing objectives. Any such step must relate to a relevant representation made.
20. If Members grant the application, the details of the operating schedule will be incorporated into the licence as conditions. The licence will also be subject to certain mandatory conditions.
21. Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

Thames Valley Police have concerns about the impact this application will have on the licensing objectives and the policing of the City centre, and as such we wish to lodge our objections.

The neighbourhood Inspector and area Commander have both expressed the following observations which they wish to bring to the Licensing Committee's attention for consideration.

Both have cited that the busiest times for non domestic assault throughout the week in the city centre results from the night time economy (NTE) and is predominantly around the 01:00-04:00 window on Saturday and Sunday mornings.

We find that when the public have been consuming alcohol from about 19:00/20:00 onwards, it is key that there is a quick and effective dispersal at 02:30/03:00 from the city centre to minimise assault and disorder from alcohol consumption towards the end of the nights activities.

There are misconceptions around provision of late night refreshment vans/venues. There is often the statement that the food provided will help to 'absorb' alcohol in the blood of those that have been out enjoying the night time economy, and this in turn will reduced the intoxicated level of the individual in question, therefore making them less likely to be either the instigator or victim in a crime. This however is reliant on the effects taking hold at the time rather the in the hours afterwards it actually takes for food consumed to enter in to the blood stream. We have found over the years that these venues are in fact hot spots for disorder due to the fact that there are often large congregations of intoxicated members of the public vying for service quick all in close proximity to each other.

This is compounded by the fact that these locations are often unable to deploy the types of tactics the pubs/bars and clubs can to manage their drunken customs and these venues we find are exceptionally vulnerable to the types of assault and disorder common to the night time economy. This then means conditions to help promote the licensing objectives such as door staff, CCTV etc are either financially or operationally impractical. The result is the venue will be heavily reliant on Thames Valley Police. Indeed within section M of the application (steps to promote the licensing objectives), the applicant has made reference to city centre CCTV cameras nearby. However these are often engaged with monitoring the night club on George street, and the operators will be manning cameras in our main hot spots. Also reliance has been put on police officers to prevent public nuisance, again at the times proposed Thames Valley Police officers will be managing current hotspots of Corn Market street and Park End Street.

We actively try to encourage the existing closing times of the pubs/clubs/bars and late night refreshment vans as the most effective way of maintaining Oxford as a safe and pleasant place to live and go out in. Currently the centre tends to be clear and quiet by approximately 04:00, which then sees a noticeable drop in offending.

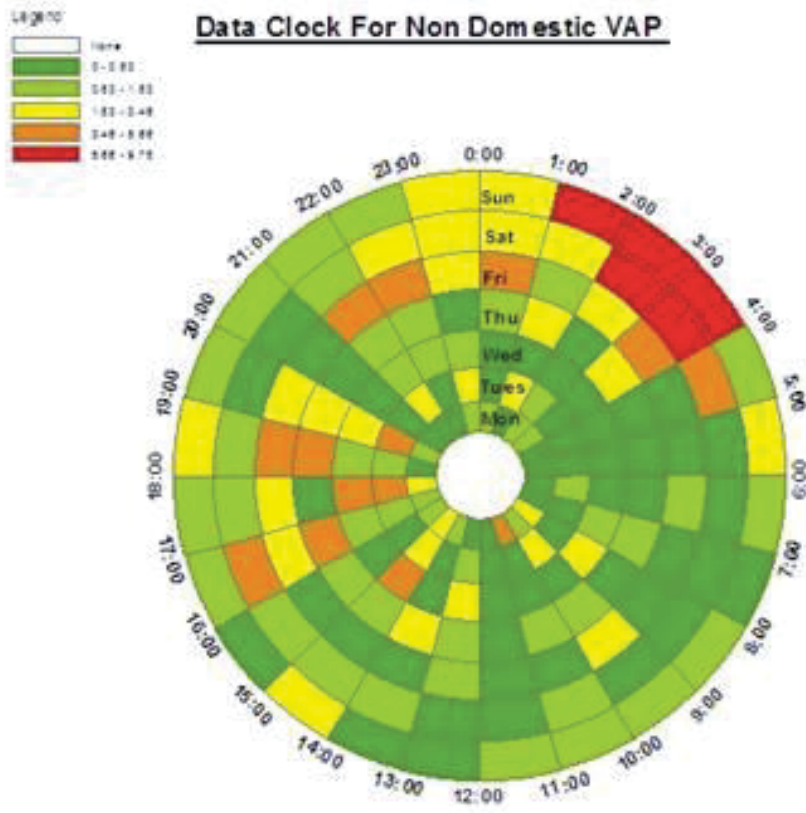

Our concern is a 04:00 closure will cause there to be a later retention of the public whilst the last orders of food are made up and people remain in the immediate vicinity to consume it in an area of the City where currently issues are relatively minimal, although it should also be noted that this application will have wider effects than just the immediate area of George street as patrons will disperse to transport hubs such as Queen street, Cornmarket etc.

The city centre has a thriving and dynamic night time economy. But this is only achieved through a delicate balancing act to ensure that licensable activities do not impact on the tranquillity and peace of the area.

It is an unfortunate fact that these venues have to manage the fallout from the bars and clubs of the city centre. However whilst members of the public, some of whom will be in varying levels of intoxication are at the site and its immediate vicinity the venue is responsible for managing them and ensuring no conflict with the licensing objectives. Thames Valley Police unfortunately do not believe there is further scope to accommodate yet further increases in LNR activities in such a location and we are not convinced that the venue has demonstrated it is in a position to manage its patrons and promote the licensing objectives. We therefore request the sub-committee see fit to reject the application.
