Dear Anneliese

As Leader of the Council I am writing to inform you that at the meeting of 23 July, Oxford City Council agreed a motion as set out below. We would welcome your views and support.

The adopted motion in full is:

*Council resolved to adopt the following motion:*

*This Council notes that:*

- *More than 70% of Oxford residents voted to remain in the EU*
- *There are a large number of non-UK EU nationals living in Oxford who remained concerned at the impact of Brexit*
- *Full Council has passed several motions supporting the various benefits of EU membership*
- *A report commissioned by Scrutiny's Finance Panel shows a range of negative impacts that a 'bad' Brexit deal could have on Oxford's economy and the City Council's finances*
- *The recent warning by BMW (who are already building Minis in the Netherlands) that its manufacturing set-up would not be able to cope were Brexit to disrupt cross-border trade; concerns echoed by many other businesses*
- *Many residents and politicians from the City attended the march in London on 23 June 2018, the second anniversary of the EU referendum, in support of a People's Vote on the final Brexit deal.*

*This Council also notes that the recent 'Chequers Statement', issued on 6th July 2018 (and the closest indication yet of what a final deal might look like), has managed to alienate both Remainers and Brexiteers alike.*

*This Council therefore:*

- 1) *Wishes to formally add its voice to those calling for a public 'People's Vote' on the final Brexit deal*
- 2) *Agrees to liaise with the official 'People's Vote' campaign on ways in which it can help promote its petition*
- 3) *Agrees to write to its MPs expressing its views and asking them to support a People's Vote*

Yours sincerely

Cllr Susan Brown  
Leader of Oxford City Council
