Decision title:	Use of Preventing Homelessness Grant funds – Women’s Hub
Decision date:	20 September 2021
Source of delegation: State how the decision was delegated. Was it an express delegation made at a meeting or a general delegation under the Council’s Constitution?	Delegated by Cabinet on 10 March 2021 – Allocation of Preventing Homelessness Grant 2021/22
What decision was made? Explain briefly – include financial details of any income or expenditure relating directly to this decision. Please indicate whether information is exempt / confidential.	To award Aspire (Oxford) Ltd £5,000 for the establishment and running costs of a Women’s Hub, to provide gender specific support to women experiencing, at risk of, and recovering from homelessness. Aspire are working with The Gatehouse and the Lived Experience Advisory Forum to develop this service.
Purpose: What does the decision deliver or achieve?	The award will help to address the limited gender specific support for women in homelessness services in the city. This was a gap identified by the Crisis funded report from last year which looked at how homelessness in Oxfordshire should be addressed. The report can be accessed here: https://www.crisis.org.uk/ending-homelessness/homelessness-knowledge-hub/housing-models-and-access/oxfordshire-feasibility-study/
Reasons: Please provide the reasons for the decision.	At the time of drafting the Cabinet report, £135,798 was left unallocated due to the uncertainties around what provision might be required in respect of the progress of the pandemic. The report delegates authority to the Interim Director of Housing in conjunction with the Portfolio Holder to agree revisions to the programme within the overall budget.
Decision made by: Name and title of officer within the senior management structure	Paul Leo – Interim Director of Housing 
Other options considered: List any alternatives that were available to the decision taker and why they were rejected	The only alternative option is to not take forward the development of the hub. Delivering improved gender specific homelessness services to women is a

- under a general delegation (where responsibility is delegated in the Constitution) and the effect of the decision is to:
 - grant a permission or licence;
 - affect the rights of an individual;
 - award a contract or incur expenditure with a value in excess of £10,000;
 - award a contract with a value in excess of £10,000 but less than £1,000,000;
 - acquire or dispose of freeholds or leaseholds with a consideration or premium in excess of £10,000 but less than £500,000;
 - grant to new tenants or dispose of leases with a rental value in excess of £10,000 but less than £125,000 (this excludes assignments, holding over and rent reviews);
 - grant 'project approval' for projects in excess of £10,000 but less than £500,000;
 - make a regulatory order which affects a number of people, for example a Public Space Protection Order or a Parking Place Order;

These requirements **do not** apply to:

- planning and licencing matters where there are established arrangements for recording decisions: or
- decisions which are purely administrative or operational in nature

Officers making such decisions must complete a written statement containing details of the decision taken. A copy of this decision notice must be retained by the relevant service for at least 6 years and any background papers for 4 years.
