

DELEGATED DECISIONS OF THE BOARD MEMBER, CITY DEVELOPMENT

Thursday 10 November 2011

COUNCILLORS PRESENT: Councillors Cook.

OFFICERS PRESENT: Graham Bourton (Head of Direct Services) and William Reed (Law and Governance)

7. DECLARATIONS OF INTEREST

No declarations of interest were made at the meeting.

8. PUBLIC ADDRESSES

No public addresses were made at the meeting.

9. COUNCILLOR ADDRESSES

With the agreement of the Board Member, Councillor Rundle addressed the meeting on the matter of a nil charge in the early evening in the run up to Christmas at the Old High Street, Headington off-street car park.

The Head of Direct Services said that such a concession would result in income foregone and he was uncertain that the pay-and-display machines were capable of accommodating the variation in charge. Councillor Rundle responded by saying that he envisaged an informal arrangement applying.

The Board Member said that he was not inclined to agree to Councillor Rundle's request at this meeting. He suggested that the councillor raise the matter at the City Executive Board meeting on 7th December when the Board would consider a report reviewing off-street car parks charges.

10. PARK AND RIDE CAR PARKS - EVENING CHARGES

The Head of Direct Services submitted a report (previously circulated, now appended) concerning the introduction of a nil charge in the evenings and overnight at the Pear Tree, Red Bridge and Seacourt park and ride car parks.

Resolved to approve the reduction of the charge at the Pear Tree, Red Bridge and Seacourt park and ride car parks from £1.50 to nil between 6.30 pm and 5.00 am.

The meeting started at 4.30 pm and ended at 4.45 pm
