

## **Communities and Partnership Scrutiny Committee**

### **Work programme debate outcomes**

#### **General Principles**

After consultation with back-bench councillors the committee has decided this year to run its programme through a series of themes. Each theme will be led by a small group of councillors.

At least half of the available committee meetings will be organised around “select committee principles” with lead members working with officers to determine lines of inquiry and attendees. Co-option around themes will be considered to enhance the expertise and views of the committee

A Housing Standing Panel has been set to bring together all housing issues and therefore mirror the organisation of the Council. A tenant representative has been invited to be part of this Panel

The programme remains flexible and open to reorganisation by committee. A complete review will be undertaken by the Chair and Vice-Chair in January 2012
