Introduction and background

1. Each member of Council will (subject to the budget being approved annually by Council) be allocated an amount of money to spend in their ward (Ward Member Budgets). If the ward member changes during the year without their full allocations being designated (including any allocations carried forwards from a previous year), the replacement ward member will be able to allocate the remaining balance.

2. The Ward Member Budget allocation may be spent only if it would benefit the economic, social or environmental well-being in relation to the member's own ward. Members may pool budgets across adjoining wards to benefit a wider area. The allocation can be spent on community projects benefitting groups or communities living or working in the ward such as:
 - a. Improving, refurbishing or cleaning up parts of the local area
 - b. Purchasing new street furniture or signage (having regard to any future servicing or maintenance requirements)
 - c. Supporting local groups, events or newsletters
3. The rules surrounding Ward Member Spend can be found at part 4.7 of the Constitution.

Reasons for the decision

Councillor Arshad has submitted a request for £200 for the payment to Integrate Community CIC. The funding will support The Barn Nightingale Avenue to continue to run Breakfast at the Barn.

The Councillor notes 'Support for the Breakfast in the Barn to continue operating. I have provided funding since it began from the HSF, but this ran out recently and our next pot of funding 'Crisis and Resilience Fund' will probably not be available for several months - late September/October, leaving some grassroot projects in a difficult spot. The Breakfast in the Barn has become an integral part of the Leys community - whilst we explore long term sustainability, including requesting a small charge, it would be beneficial if you are collectively able to support this with your ward funding in the interim. On average the weekly project provides a breakfast for approximately 40 individuals. As you know for many it is a place to socialise and meet the local community as well as enjoy a hot breakfast.

Alternative Options Considered

4. The Ward Member spend could not be approved; however, the application has been reviewed by the relevant consultees and fits with the scheme as set out within the Constitution.

Implications of Local Government Reorganisation

5. This decision has no direct implications relating to the upcoming Local Government Reorganisation.
6. A future funding model for members to apply to fund projects within their wards would be a decision for the new unitary authority covering Oxford.

Equalities Impact

7. The impact on equalities has been considered by the Ward Member before the application was submitted. Officers have reviewed the application, and any potential impacts have been considered before the final decision was taken.

NOTES

The law¹ requires the Council to record executive and non-executive decisions taken by officers under delegated powers and to publish them on the Council's website.

These requirements apply to decisions that would have been taken by Council or the Cabinet if delegated powers had not been given to an officer:

- under an express delegation granted at a meeting of Cabinet, Council or a Committee.
- in accordance with Part 4.4 of the Constitution as follows:
 - Awarding a contract where authority has been specifically delegated to officers by Cabinet or a Cabinet Member (regardless of value)
 - Acquiring or disposing of freeholds or leaseholds granting new leaseholds (excluding assignments and rent reviews) where authority has been specifically delegated to officers by Cabinet or a Cabinet Member (regardless of value)
 - Making a regulatory order which affects a number of people, for example a Public Space Protection Order or a Parking Place Order
 - Where the effect of a decision is to grant a licence or permission or it affects the rights of citizens
 - Discharging any other express delegation from Cabinet or a Cabinet Member a committee or Council
 - Any Ward Member Budget and Community Infrastructure Levy application under 4.7 Ward Member decisions.

These requirements **do not** apply to:

- planning and licencing matters where there are established arrangements for recording decisions: or
- decisions which are purely administrative or operational in nature

All other officer decisions should be recorded on an officer decision form but do not need to be published. They must though be stored so as to ensure that they are not lost should an officer leave the authority.

Key or Non Key Decision

A key decision is an executive decision which is likely to:

- Have a significant effect on people living or working in a least two wards or
- Involve spending, income, or saving a significant amount – whether an amount is significant depends on the Council's total budget for the service involved. For this Council 'significant' in budgetary terms is:
 - Expenditure, income, or savings of £750,000 or greater in the context of the medium term financial strategy,
 - Acquiring or disposing of freeholds with a consideration over £500,000 in the context of the medium term financial strategy except for disposals pursuant to right to buy legislation
 - Acquiring or disposing of leaseholds where either the rental value is in excess of £250,000 per annum and/or the premium is £750,000 except for statutory lease renewals under Part 2 of the Landlord and Tenant Act 1954 and disposals pursuant to right to buy legislation and disposals pursuant to right to buy legislation.
 - Acquiring or disposing of easements with a value over £750,000 and/or rental value over £250,000 each year

A key decision can only be taken and recorded here if notice of it has been published on the Forward Plan for at least 28 clear days. Key decisions taken by officers may be "called in" by any four councillors or the Chair of the Scrutiny Committee within two days of the notice of decision being published.
