<b>Name of the Policy to be assessed:</b>  • Leisure Facility Review 2009/2013 • Sport & Physical Activity Strategy 2009/2014.  Fusion Lifestyle's 2012/13 Annual Service Plan for the management of the Council's leisure facilities.	<b>Is this a new or existing policy</b>  Existing		

**1. Briefly describe the aims, objectives and purpose of the policy**

The overriding objectives of the leisure management contract are:

- To develop world-class leisure facilities and to improve the value for money they offer;
- To reduce the overall subsidy for leisure services, prior to 2009 the subsidy per user was one of the most expensive in the country;
- The leisure management contract with Fusion Lifestyle will save the Council and local tax payers over £7m throughout the ten years of the contract and delivered a minimum £2.2m invested within the first three years of the contract;
- Alongside the benefits of a successful contract such as increased participation, an upward cycle of continued improvement, and an improved public realm, there is also a surplus share arrangement that encourages the Council to support Fusion Lifestyle to exceed their contractual financial targets and provide further leisure investment.

The quality and service standards are high and facilities will be accessible with diverse and with inclusive programmes.

- Charging at market rate for those that can afford and running a highly cost effective service so that a surplus is created to fund a progressive concessions programme.
- Central part of the Corporate Plan for 2012-2017

The vision for delivery of leisure facility provision is to:

- Continuously improve the service for all users
- Reduce the subsidy per user
- Have greater energy efficiency from the leisure facilities
- Provide modern world-class leisure facilities to enhance the quality of life for everyone.

It is Officers view that there is no significant impact to citizens, or group(s) of people disadvantaged by the leisure management providers' proposals for the 2012/2013 fees and charges.
