14. MOTIONS ON NOTICE

(d) Boat Dwellers – Walton Well Road (Proposer – Councillor Dhall)

Motion adopted with the addition of the following words at the end of the Motion to that the final sentence reads as follows:-

“Council invites the Executive Board to resolve not to evict the boats from their moorings to this otherwise unused plot of land and invites, without prejudice, the boaters to apply for retrospective planning permission for these residential moorings”.

Council also agreed, for its part, that no eviction of the boaters should take place until the Executive Board had considered the matter. Council asked that an investigation into the procedures and processes that had been followed in this matter be conducted and that in general at eviction stage, Ward Councillors should be informed.
