RECOMMENDATIONS OF AREA COMMITTEES

Central South and West Area Committee – 8 November 2005

101. LEISURE AND PARKS ISSUES

Resolved: -

- (1) to ask the Built Environmental Business Manager to ensure that priority is given by the member of staff concerned to work to create the footpath;
- (2) to ASK the Executive Board to consider making funds available to allow repairs to be carried out, as a matter of urgency, to the towpath on the vicinity of the Grandpont Nature Reserve;
- (3) to place on record the Committee's appreciation for the work done over recent months by staff in the Parks Service.

(Steve Smith (Built Environment Business Unit) has been asked to prepare a report to a future meeting of the Board on recommendation (2).)
