

FORWARD PLAN FOR THE PERIOD 1 FEBRUARY to 31 MAY 2007

The Forward Plan gives advance information about all "key decisions" the Executive Board, Area Committees or Council officers are expected to take over the forthcoming four-month period. A "key decision", except in special or urgent circumstances, cannot be taken unless it has appeared in the appropriate Forward Plan.

Key decisions

In financial terms, a "key decision" is one that is likely to result in the Council incurring expenditure or the making of savings that are significant with regard to the Council's budget for the related service or function.

The guidance figures for significant items in financial terms are £150,000 for General Fund or £200,000 for Housing Revenue Account. In more general terms, a "key decision" is one that is likely to be significant in terms of its effect on communities living in an area comprising two or more Wards in the Council's area.

Other decisions

Although it is not a statutory requirement, this Forward Plan also contains details of other matters likely to be considered by the Executive Board or other decision-makers, but which are not necessarily "key decisions". This includes prior consideration by the Executive Board of decisions that are to be taken by the Council.

Further information about the decision making process (including key decisions) can be found in the Council's Constitution, which can be inspected at the Council's offices or online at www.oxford.gov.uk
