## **Assessment Sheet**

| Site Name:  | Barton Land (including regeneration of Barton and Northway estates)  |  |  |  |  |
|---|--|--|--|--|--|
| Local Authority Area:   | Oxford City Council  |  |  |  |  |
| Programme:  | NAHP<br>P&R  |  |  |  |  |
| Deliverability  | Short Term – 2010 - 2015<br>Site allocated in the emerging Oxford Core Strategy for<br>residential led mixed use scheme.   |  |  |  |  |
|   | Oxford City Council is the main landowner  |  |  |  |  |
| Strategic Linkages:   | Strategic – key element in New Growth Point delivery  Local – identified in the emerging Oxford Core Strategy.  Shared Themes – will act as a catalyst for regeneration for the neighbouring estates as well delivering affordable housing |  |  |  |  |
| Housing / Affordable Housing                                      | Total number of homes  | Circa 1,000                              |  |  |  |
|   | No. of Affordable Homes  | Circa 500                                |  |  |  |
|   | % of Affordable Homes  | Up to 50%                                |  |  |  |
|   | Tenure Split   | 80% social rent<br>20% intermediate rent |  |  |  |
| Economic Development /  | Construction Jobs  | tbc                                      |  |  |  |
| number of jobs  | Permanent Jobs   | tbc                                      |  |  |  |
|   | Apprenticeships tbc  No direct permanent employment floorspace to be provided.   |  |  |  |  |
| Transport / Green Transport<br>Proposals:                         | New bus and pedestrian/cycle bridge or other crossing of the A40 required to integrate the site with the existing community.  New and improved access for car traffic would also be required.  |  |  |  |  |
| Provision of Social Infrastructure:                               | New Primary School Health and Community facilities Indoor play area and open space   |  |  |  |  |
| Additionality:  | Intention to create an exemplar low carbon scheme.  Desire to achieve ode for sustainable homes level 6 (CSH6)  Improvement to existing allotments to reduce food miles  |  |  |  |  |
| Catalyst for development /  | Will act as a catalyst for regeneration for the neighbouring   |  |  |  |  |
| regeneration  | communities of Barton and Northway.  |  |  |  |  |
| Value for Money   | tbc  |  |  |  |  |
| Lead Responsibility - Authority<br>/Agency (identified contact) / | Oxford City Council HCA  |  |  |  |  |
| landowner (if known):   | Scottish & Southern Electricity  |  |  |  |  |

|   | The majority of the land is in Oxford City Council's ownership with the exception of the sub station and associated land which is owned by Scottish and Southern Electricity.   |   |  |  |  |
|---|---|---|--|--|--|
| Further Comments  | Work has been started on an Area Action Plan for the site.  Major work is being undertaken to set up a delivery vehicle in order to deliver the development in a timely way. Site is deliverable within the short term. |   |  |  |  |
| Key Risks (further detail provided in the attached risk matrix) | Sufficient funding for up front infrastructure to unlock the site not available   | Early discussions with HCA / County Council / Highways Agency |  |  |  |

## Notes:

## Potential Phasing of the Site:

| Housing<br>Type     | Number of<br>Housing Units | Year      |           |               |  |
|---------------------|----------------------------|-----------|-----------|---------------|--|
|                     |                            | 2010-2015 | 2015-2020 | 2020-2030     |  |
| Total<br>Homes      | 1,000                      | 350       | 650       | Site complete |  |
| Affordable<br>Homes | 500                        | 175       | 325       | Site complete |  |

|                          | Infrastructure   | Scheme<br>Costs                        | Committed<br>Funding             | Expected<br>Funding   | Potential<br>Shortfall |
