The Committee made the following points.

Information on Council website

- Clearer pre-application guidance on website required for applicants and what free advice is available especially for householders.
- Clear explanation on what is included as permitted development and what requires planning permission

Consultation methods –

- Review how it could be expanded to notify public
- Discuss consultation options with consultation officers beforehand
- Link the Statement of Community Involvement with Council's Engagement Strategy

Governance and training –

- Could the Planning Review Committee's responsibilities be extended to include a strategic planning role? They could then deal with issues such as Roger Dudman Way.
- Running a members briefing on planning enforcement would be helpful.

The Committee resolved to NOTE the action plan.
