## Statement of Licensing Policy

7. The Sub-Committee is referred to the Council's Statement of Licensing Policy\*. In particular, the following paragraphs have a bearing upon the application:

Relevant Policy Matters	Sections	Policy
<b>Prevention of Crime &amp; Disorder:</b>	7.5.1 to 7.5.2 8.3.1 to 8.7.2	PP1 OS7 to OS12
<b>Public Safety:</b>	8.2.1 to 8.2.2	OS2 to OS4

<b>Public Nuisance:</b>	7.3.1 to 7.3.10	LA4 to LA6
<b>Licensing Hours:</b>	5.1.1	LH3
	5.2.1	LH5
	5.3.1 to 5.3.3	LH6

8. A number of changes have been made to the Licensing Act 2003 in recent times by the Police Reform and Social Responsibility Act 2011, the Live Music Act 2012 and the Deregulation of Schedule 1 of the 2003 Act.
9. The Authority's Statement of Licensing Policy has not yet been revised following the introduction of these changes, the above sections from the current Policy do not reflect these changes which include removing the "vicinity test" for interested parties and amending the wording of the 2003 Act so that conditions imposed on licences must now be "appropriate to the promotion of the Licensing Objectives" rather than "necessary".
10. A copy of the Statement of Licensing Policy may be obtained from the Council Offices or found online at: [www.oxford.gov.uk/licensing](http://www.oxford.gov.uk/licensing)

### Home Office Statutory Guidance

11. Members are also referred to the statutory guidance issued by the Home Office. Of particular relevance to this application are the following matters:

<b>Relevant Sections</b>	<b>Relevant Paragraphs</b>
<b>Crime and Disorder:</b>	2.1 to 2.7
<b>Public Safety:</b>	2.8 to 2.17
<b>Public Nuisance:</b>	2.18 to 2.24

12. A copy of the Home Office Statutory Guidance may be found online at: [www.gov.uk/government/publications/reviced-guidance-issued-under-section-182-of-the-licensing-act-2003](http://www.gov.uk/government/publications/reviced-guidance-issued-under-section-182-of-the-licensing-act-2003)

### Other Relevant Considerations

13. The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in Oxford) and the Human Rights Act (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the applicant and the rights of local residents. Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.
14. Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.

15. When considering any representations, only those issues relating to the four licensing objectives should be considered and appropriate weight given to the importance and relevance of each representation.
16. In making its decision, Members must also have regard to the Home Office statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy.
17. The Sub-Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:
  - a) Grant the licence in accordance with the application.**
  - b) Modify the conditions of the operating schedule by altering or omitting or adding to them.**
  - c) Exclude or restrict from the scope of the licence any of the licensable activities to which the application relates.**
  - d) Reject the whole of the application.**

The Sub-Committee may also grant the licence subject to different conditions for different parts of the premises or the different licensable activities.

18. Members are asked to note that they may not modify the conditions or reject whole or part of the application merely because they consider it desirable to do so. It must be appropriate to do so in order to promote the licensing objectives. Any such step must relate to a relevant representation made.
19. If Members grant the application, the details of the operating schedule will be incorporated into the licence as conditions. The licence will also be subject to certain mandatory conditions.
20. Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)**

**We shall at all times seek to supply alcohol responsibly and promote the licensing objectives.**

**All staff shall be suitably trained for their role on induction and shall receive refresher training at regular intervals. Written training records shall be kept for all staff which shall be produced to authorised persons on request.**

**b) The prevention of crime and disorder**

**Any person entering the premises who appears to staff to be under the influence of non-prescription drugs shall be requested to leave the premises.**

**A premises daily register shall be kept at the premises. This register shall be maintained and kept for a rolling of 12 month period. This register shall record the name of the person responsible for the premises on each given day. The premises daily register shall record daily matters of note such as complaints made and incidents occurring at the premises. The premises daily register shall be readily available for inspection by an authorised person throughout the trading hours of the premises.**

**A properly specified and fully operational CCTV system shall installed, operated and maintained to a satisfactory standard. The system shall incorporate a camera covering each of the entrance doors and be capable of providing an image which is regarded as ‘identification standard’ of all persons entering and/or leaving the premises. All other areas of risk identified in the operational requirement shall have coverage appropriate to the risk.**

**The installation or upgrading of any CCTV system shall comply with current best practice. In addition the documentation listed below shall be included in a ‘system file’ which should be readily available for inspection by the relevant authority:**

- **site plan showing position of cameras and their field of view**
- **code of practice**
- **performance specification e.g. storage capacity, image file size, IPS for each camera and purpose of each camera position**
- **operational requirement**
- **incident log**
- **maintenance records including weekly visual checks**

**The CCTV system shall incorporate a recording facility and all recordings shall be securely stored for a minimum of one calendar month. A system shall be in place to maintain the quality of the recorded image and a complete audit trail**

**maintained. The system shall comply with other essential legislation and all signs as required shall be clearly displayed. The system shall be maintained and fully operational throughout the hours that the premises is open for any licensable activity.**

**A staff member from the premises who can operate the CCTV system shall be on the premises at all times when the premises is open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested.**

**Persons shall be prevented from leaving the premises with alcohol supplied in open containers.**

### **c) Public safety**

**The maximum number of patrons allowed on the premises shall not exceed 90.**

**The designated premises supervisor/duty manager shall ensure that whenever disabled people are present adequate arrangements are made to enable their safe evacuation in the event of an emergency and that the disabled persons are made aware of these arrangements.**

**A full fire safety risk assessment shall be undertaken and reviewed regularly. Suitable fire drills shall be undertaken regularly.**

**Regular checks and maintenance shall be carried out on all equipment, electrical installations, emergency lighting, fire alarms and safety equipment.**

**Suitable beverages other than alcohol shall be equally available.**

**When requested staff shall telephone a taxi for customers from a reputable company.**

### **d) The prevention of public nuisance**

**Prominent, clear notices shall be displayed at each exit requesting that customers respect the needs of local residents and leave the premises and the area quietly.**

**Disposal of waste bottles into external receptacles where the noise will be audible to neighbouring properties shall not occur between 21:00 and 08:00.**

**The designated premises supervisor or a nominated representative shall receive and respond to complaints throughout the duration of the premises' opening hours. All complaints received shall be recorded in the premises daily register.**

e) The protection of children from harm

**A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification card such as a driving licence or passport.**

**All occasions when persons have been refused service shall be recorded in writing and kept at the premises for six months.**

**There shall be no unaccompanied children permitted on the premises.**

**No-one under the age of 18 shall be permitted on the premises after 21:00.**

From Genefer Clark, 21 Walton, Street, Oxford, OX1 2HQ

I wish to object to the late opening hours in the application from the Oxford Wine Cafe, 32 Little Clarendon Street, 14/04165/PREM.

In 5.1.1 of the Council's policy document, there is the statement regarding the 'rights of local residents to peace and quiet' which needs to be taken seriously by the Council as this application is an addition to the groups of licensed premises already in Walton Street and Little Clarendon Street.

Although the address is given as Little Clarendon Street, the premises are on Walton Street, a residential street. Walton Street acts like a canyon and noise reverberates along it as we know only too well from the revellers returning to the city centre from the many local licensed premises.

As the property has no inner courtyard or garden the 'No Smoking' ban will mean that people will congregate on the street blocking the pavement, causing disruption. The pavement is particularly narrow there, with heavy footfall, close to the pedestrian crossing & with cycles turning into the cycle lane in Little Clarendon Street, that corner is already dangerous. There is absolutely no room for outside tables, even if it were legal.

Smokers out on the street can also create noise and late night noise from them and customers leaving can be prevented by restricting the hours that are granted to this application.

Thank you.

Ref. 14/04165/PREM

From Mary Hossain, 24 Walton Street, Oxford OX12HQ

Dear Sir,

I write as a resident of 24 Walton Street, very close to the proposed Oxford Wine Cafe at the corner of Little Clarendon Street and Walton Street. I am concerned that this Wine Cafe will add considerably to the noise and disruption caused by people drinking in the area. As they walk home people make a lot of noise. This is a residential street and it is important that we should have peace and quiet to sleep at nights. The hours, especially on Friday and Saturday would extend far into the night. The Sunday to Thursday hours, 11.0 till 23.00 are late and the Friday and Saturday hours, from 11.0 till 1.0 are much too late for residents who expect to be able to sleep without disturbance from 10pm onwards. I see that on the notice in the window there is even a request for the cafe to remain open until 2.0am on New Year's Eve and St Patrick's Day. In addition I am worried that people will congregate on the pavement in order to smoke, producing yet more noise and congestion.

I regret that permission has been given for these premises to be used as a wine bar/cafe, when there are already so many such establishments, better situated in being further away from this residential area.

I strongly request that the application for these opening hours be rejected.

Yours faithfully  
Mary Hossain

**To the Licensing Panel**

I'm writing to object to the above application on behalf of the people I represent in Walton Street and the rest of Jericho.

I know that the Oxford Wine Company is a reputable local business, that targets somewhat older and quieter drinkers, but I nevertheless have some concerns, because of possible noise disturbance from inebriated departing patrons after 11.15 or 11.30 pm on Fridays and Saturdays. This is already a problem in Walton Street and Jericho and we do not wish to see it exacerbated. If a licence is granted, I would therefore like to see the hours restricted to 11 pm every night, so that neighbours (including all the students sleeping immediately above these premises) have more chance of getting to sleep at a reasonable hour.

I am also worried about public safety, because there seems to be nowhere safe for smokers to go. The pavements on both sides of this corner premise are far too narrow to accommodate pairs or groups of people standing and smoking outside: there is already a big problem of people stepping off the pavement and into the path of cyclists coming round the corner and heading east up Little Clarendon Street. I suggest that the applicants need to designate an area away from the public highway (including the footways) for their smoking customers. This would presumably require negotiation with other landowners. Please do not grant a licence until you have seen a binding legal agreement to this effect.

Regards

I am writing to register my objection to the proposed change of licensing application to the use of premises 32 Little Clarendon Street Oxford Oxfordshire OX1 2HU.

There would be a new level of antisocial behaviour. Pubwatch, other pub landlords and the police regularly campaign against such behaviour.

As a local independent bar owner, Jericho is already over subscribed with pubs and bars, there are currently 14 in Jericho, this is not including restaurants that supply alcohol. Changing the use of this premises will bring in new competition and would compromise existing small businesses.

The premises is also located on the corner of Little Clarendon Street and Walton Street, a busy T junction at Jericho, the footpath is tight around the premises and during the opening hours, customers would come out and smoke outside the premises, this will lead to overcrowding the area when members of the public uses the pathway and zebra crossing, furthermore there are not barrier beside the footpath to prevent people from falling/tipping onto the road due overcrowding of the area or when drunk.

In view of the above, I would urge the Licensing Authority to refuse the application. Thank you for your time.

Sincerely,  
Hagan Tong

I'm writing this directly to your email address rather than trying to do it online as I've only just had my attention drawn to this very concerning proposal and the deadline apparently is tomorrow. I want to object very strongly to this application on the grounds that it contravenes each of the 4 licensing objectives:

- 1. the prevention of crime and disorder**
- 2. public safety**
- 3. prevention of public nuisance**
- 4. the protection of children from harm**

Jericho is saturated with opportunities to consume alcohol and this additional wine bar on a busy corner, with a narrow pavement, so that yet more alcohol can be consumed beyond the time when food is served will inevitably have adverse effects on public safety, on the prevention of public nuisance, on prevention of crime and disorder and potentially put children at risk. There are quite literally dozens of wine bars, restaurants and cafes - not to mention an off-license and 4 other supermarkets of various sizes selling alcohol - within less than 100 metres of this proposed addition. Like many of us, I was very disappointed when the very pretty row of independent shops was replaced by yet another corporate supermarket. Now we are to have yet another retail opportunity for drinkers to disturb what was once our peace.

This is a residential area. It will be bad enough to have yet another superfluous wine bar, but I am appalled at your proposal to extend the hours beyond 11 pm on Fridays, Saturdays, New Year's Eve and St Patrick's Day. It is also wholly unreasonable to suggest the late closing hour of 11 pm on every single Sunday.

Already we have sad groups of smoking addicts loitering outside the existing wine bar on the corner of Walton Street and Walton Crescent. Already pedestrians are regularly forced onto the road to avoid them (including young children, mothers with pushchairs, toddlers desperately trying to keep hold of a parent's hand). Now you are suggesting we must put up with yet more drunken customers spilling out onto the pavement at all hours, yet more noise pollution. We already have to endure sounds of not always happy revelry on summer nights if we're sitting in our gardens – and the next day, the pools of vomit are getting more regular even before this proposed addition.

Providing yet another opportunity to consume alcohol in Walton Street can only exacerbate the risks of increased crime and disorder. With 2 wine bars directly opposite each other – each with their own bouncer? – our quiet residential corner is being relentlessly commercialised without any consideration for the community that lives here.

Apparently staff will help customers to order taxis from a reputable firm. Lines of waiting taxis will pose an even greater hazard to cyclists and pedestrians as well as other cars – has any thought at all been given to the proximity of the zebra crossing and the narrowness of both Walton Street and Little Clarendon Street? Will the waiting taxis be spewing out fumes and revving up in Walton Crescent?

Jericho does NOT need another wine bar. Please at the very least rethink the opening hours.

Yours sincerely

Penelope & Oliver Ormerod

**14/04165/PREM I Premises Licence I I 32 Little Clarendon Street Oxford Oxfordshire OX1 2HU**

This application has an adverse effect on the promotion of at least 3 of the 4 licensing objectives, i.e. public safety, prevention of public nuisance and prevention of crime and disorder. The use of a premise that is located on a busy corner, with a narrow pavement, right beside a zebra crossing for the consumption of alcohol beyond the time when food is served, contravenes all the above objectives. The extended hours beyond 11 pm on Fridays, Saturdays, New Year's Eve and St Patrick's Day are unreasonable in a residential area, as is the late closing hour of 11 pm on Sundays, particularly in an area that is already well-served with restaurants, cafes and wine bars - four of which are within 50 yards of the Oxford Wine Cafe.

Customers will have to congregate outside the wine bar to smoke in Walton Street, Little Clarendon Street or on the corner of the two streets. This will force pedestrians (including families with young children) to step onto the road to avoid them - the road has zigzag lines adjacent to the zebra crossing, and is heavily used by cyclists and cars. Customers who are unfamiliar with the local area will not appreciate that cyclists are permitted to turn into Little Clarendon Street, against the one-way system for vehicles which goes from east to west - this poses an additional danger, both for cyclists and pedestrians. The fact that one of the entrance doors is positioned at that very corner simply exacerbates the danger and risk of public nuisance. We assume that tables and chairs will not be permitted to be placed/used outside the building in either street. Is this correct? Regardless, in the summer, the doors of the premises are likely to be left open and customers spill out onto the pavement, which means that the noise pollution will be an even greater problem for the local residents.

In relation to the risk of crime and disorder, there is no mention of the wine bar having a 'bouncer' or security guard in place, unlike the existing wine bar directly opposite. We note that staff will help customers to order taxis from a reputable firm - which is commendable - however, because of the proximity of the zebra crossing and the narrowness of both roads, the waiting taxis are likely to pose an additional hazard to other motorists, cyclists and pedestrians - as this is already a busy intersection of two busy roads.

Given all the above, we would suggest that (a) not having the additional door at the corner between Little Clarendon Street and Walton Street (there is already a fire exit onto Walton Street), and (b) closing by 11 pm each night and earlier on Sundays, would reduce these risks and inevitable noise.

**Comments:** 6:18 PM on 12 Jan 2015 This objection is made on behalf of the St John Street area Residents' Association which represents the interests of residents of Wellington Square, St John Street and Beaumont Buildings.

The premises are beneath substantial student residential accommodation at the quiet end of Little Clarendon Street which otherwise has no late night activity. Opposite at 30 and 32 Walton Street there are already two bars. The late night opening hours will cause a public nuisance.

The food preparation and service provision is very small and will close 2, 4 or 5 hours before closing time of the drinking establishment. Live music will add to the public nuisance.

The proposal makes no provision for amenities or facilities for

- any smokers' external area. The obvious place is on Little Clarendon Street next to the entrance to the residential above.

- waste, fumes, empty bottles or kegs.

- the boarded up shop front next to the Co-op.

While I am glad that a local company is taking over this site, can we please think about the local residents who like to be in bed by 11pm on a Friday and Saturday night, and don't want to be woken by yet more people wandering home drunk after this time. I think midnight would be more appropriate than a 1am finish at the weekends.

Dear Sir,

OBJECTION TO LICENSE

On behalf of the Jericho Community Association I wish to object to the application by the Oxford Wine Café (Jericho) Ltd. For a license to sell alcohol at 32 Little Clarendon Street, Oxford.

The Association believe that the granting of a license for this prominent and large property will result in a substantial reduction in the quality of amenity to the residential area of Jericho in unruly and anti-social activity by customers of this establishment over the extended period of operation requested by the applicant.

There has been a substantial increase in the number of licensed outlets in Walton Street in recent years and a corresponding reduction in the quality of the surrounding residential area caused by anti-social behaviour generated from customers of the various licensed premises.

The Association believes that this situation will only be aggravated by granting a license to this prominent property. We request the application under Section 17 of the Licensing Act, 2003, be refused.

Yours faithfully,

Paul Hornby,

Dear Oxford City Council

My wife and I fully support the new Oxford Wine Café plans for 32 Little Clarendon Street, Oxford.

We always visit Little Clarendon Street and feel that the addition of a wine bar would be a great asset to the area. The area should be one for bars and restaurants in my opinion, especially for high end premises such as this.

We know the Oxford Wine Café in Summertown very well and they have a great reputation.

Dear Sir/Madam,

I recently read in the Oxford Times that the License for the Oxford Wine Cafe in Jericho has been put on hold.

I would like to assure you that this business will be a bonus to Jericho. I am a local, and visit regularly The Oxford Wine Cafe in Summertown.

This cafe is not like typical bar. It is quite and is great for discreet business meetings, gentle chats and meeting friends. I am a single 51 yr old female, and this is the only place I have ever been where I feel comfortable on my own. This cafe attracts a discerning type of customer which is very different from the Customer who would go to Raouls and the other bars. This cafe serves good quality wine and coffee, it does not attract noisy youth what so ever.

I think it would be great as an alternative place to the existing bars which I don't go to. It will attract an older more discerning professional clientele and fill the a gap for a quieter customer.

I look forward to it opening as soon as possible as I find the current bars to noisy.

With kind regards

Dear Sirs

There has been some comment in the local press regarding the application from the Oxford Wine Company to site a new wine bar on the corner of Little Clarendon Street and Walton Street. I would like to support that application.

I think a wine bar at the upper end of the market would greatly enhance the area and make a welcome contrast with the cocktail bars nearby, as well as providing employment opportunities and increasing footfall for other local retailers.

The Oxford Wine Company already has an establishment in Summertown, and so already has a proven track record for providing well managed premises where people can meet in civilized surroundings for a glass of wine, or cup of coffee. It has filled a significant gap in the market, and will do so again for Jericho.

Yours faithfully

Dear Sirs

I have been a regular customer of the Oxford Wine Cafe in Summertown for some 18 months since the acquisition of the premises by the Oxford Wine Company and understand that they want to bring their exceptional offer to 32 Little Clarendon St in Jericho.

Having lived and run a business in Oxford since 1978, I am satisfied that their proposition for the opening of a similar operation in Jericho will be of an immense benefit to that neighbourhood and community.

Their Wine Cafe in Summertown has become a meeting place for local living and working people alike. Many writers, designers, academics and students spend their time there online working with a peaceful ambience and melodic background music whilst consuming a wide selection of fine tea, coffee, juices and extensive list of fine wines all at reasonable prices.

Their fresh food offer; including a cheese, fish or charcuterie plate with homemade breads is delightful, tasty and quick. So too, their selection of paninis, pastries and sandwiches all prepped to order in their limited kitchen space are remarkable.

Now in my mid-sixties, I used to visit the local bars, Raouls and the Duke of Cambridge that appeal to a younger evening clientèle, whereas the Wine Cafe will appeal to a more mature discerning customer after visiting cinemas, theatres or restaurants in the area.

The Wine Cafe regularly organise wine tasting evenings with qualified speakers, a varied live weekly jazz evening with renowned musicians from far afield and even a senior summer tennis tournament for the regulars!

With all of this proposed in their application for a licence, I think the Wine Cafe will certainly enhance the locality and in my opinion provide a much needed facility to Jericho in particular and Oxford more generally and should be granted.

Yours sincerely,

Philip Weatherburn

Ref 14/04165/PREM LICENCE APPLICATION Oxford Wine Cafe, 32 Little Clarendon Street, Oxford, OX1 2HU

I have enjoyed worked for 15 years in an office very close to this premises, and would love to move to live in this area in the future.

My colleagues and I find this a really delightful area of the city with a lovely range of shops, bars restaurants, cafes, sandwich and coffee shops, which we enjoy and use frequently.

One thing that is missing is somewhere to get a decent glass of wine, with or without a meal, after work, or at weekends. So it would be wonderful if the excellent Summertown wine cafe were to move there. It would fit very well with other individualistic, locally founded, quality businesses close by (such as the Natural Bread Company, the Albion bookshop, Mumus ice cream and cafe, and the japanese dumpling shop) which together improve the character of the area, and attract a clientele of all ages.

I dont think this would be at all like adding another bar right opposite to Raoul's, Love Jericho etc, (as stated by Cllr Pressel, in the Oxford Times today, 8/1/14). A wine cafe would attract a much wider (and quieter) clientele than the two or three cocktail bars in the area. It would be well used in the daytime as well as evening, for coffee and light lunches.

I fully endorse this licensing application.
