## **Commercially sensitive information**

The private/ restricted access parts of this agenda contain commercially sensitive information relating to the Council's companies and joint ventures. The handling of confidential information is an important element in the relationship of trust that exists between members, officers and the public.

A mishandling of such information or its accidental or deliberate disclosure will damage that trust as well as possibly lead to formal proceedings being taken against the Council, individual members or officers.

The duty not to disclose information provided to a member in confidence is governed by the General Obligations under the Members' Code of Conduct contained in the Council's constitution (Paragraph 22.7).

## **Councillors declaring interests**

### **General duty**

You must declare any disclosable pecuniary interests when the meeting reaches the item on the agenda headed "Declarations of Interest" or as soon as it becomes apparent to you.

### **What is a disclosable pecuniary interest?**

Disclosable pecuniary interests relate to your\* employment; sponsorship (ie payment for expenses incurred by you in carrying out your duties as a councillor or towards your election expenses); contracts; land in the Council's area; licenses for land in the Council's area; corporate tenancies; and securities. These declarations must be recorded in each councillor's Register of Interests which is publicly available on the Council's website.

### **Declaring an interest**

Where any matter disclosed in your Register of Interests is being considered at a meeting, you must declare that you have an interest. You should also disclose the nature as well as the existence of the interest.

If you have a disclosable pecuniary interest, after having declared it at the meeting you must not participate in discussion or voting on the item and must withdraw from the meeting whilst the matter is discussed.

### **Members' Code of Conduct and public perception**

Even if you do not have a disclosable pecuniary interest in a matter, the Members' Code of Conduct says that a member "must serve only the public interest and must never improperly confer an advantage or disadvantage on any person including yourself" and that "you must not place yourself in situations where your honesty and integrity may be questioned". What this means is that the matter of interests must be viewed within the context of the Code as a whole and regard should continue to be paid to the perception of the public.

\*Disclosable pecuniary interests that must be declared are not only those of the member her or himself but also those member's spouse, civil partner or person they are living with as husband or wife or as if they were civil partners.

### Information about Oxford City Council companies

Information about each company is also available on the [Companies House](#) website.

#### 1. Oxford Direct Services (ODS)

ODS is the wholly owned trading arm of the Council. It is structured as two companies that work together to deliver cost-effective public and commercial services include building, waste & recycling, streetscene, parks & open spaces, highways & engineering, motor transport and pest control.

##### Companies:

- (i) **Oxford Direct Services Limited (ODSL)** (Company no.10719222 )  
a “Teckal” company\* which provides services directly to the Council; and
- (ii) **Oxford Direct Services Trading Limited (ODSTL)** Company no.10719214  
is a trading company which trades and competes for business in the wider city economy:

Oxford City Council is the sole shareholder in both companies and both are controlled by the same Board of Directors.

\*see para 5 for the definition of “Teckal”

#### 2. The Housing Group Oxford

Oxford City Housing Limited (OCHL) is the Council's wholly owned housing company which aims to increase housing supply in Oxford. OCHL has two wholly-owned subsidiaries and the three companies are known collectively as “The Housing Group”

The Housing Group benefits from “Teckal” status

##### **Oxford City Housing Limited – OCHL** (Company no.10212716)

This is the parent or holding company for the two subsidiaries (listed below) which were established for the purposes of:

- (i) Buying and selling of own real estate and
- (ii) Letting and operation of own or leased real estate
- (iii) Development of housing projects

##### **Oxford City Housing (Investment) Limited – OCH(I)L** (Company no.10370637)

The purposes include:

- (i) Buying and selling of own real estate and
- (ii) Letting and operation of own or leased real estate

The company primarily procures the social rented housing being delivered at the major new mixed-tenure development at Barton Park, required of housebuilders as part of the Section 106 Agreement entered into by Barton Park LLP (the joint venture between the City Council and Grosvenor Estates). This arrangement is planned to continue for both current and future phases and is anticipated to provide in total 354 social rented homes over a number of years. The homes are let and managed by the Council but ownership remains with the company. The rental stream services the loans taken out by the company from the Council's General Fund. Future activity would also potentially include forms of ownership of market rented housing.

### **Oxford City Housing (Development) Limited – OCH(D)L** (Company no.10370647)

The purpose is:

- (i) Development of housing projects

The company delivers mixed tenure housing developments which include the sale of affordable housing units to the Council. For each development scheme there is usually:

- Open market housing for sale
- a 50% affordable housing requirement (subject to scheme viability) in the negotiated S106 agreement and
- 'additionality' where the Council secures grant/subsidy to support the purchase of some or all of the open market housing on each scheme, to 'flip the tenure' to achieve additional affordable housing, where this represents value for money.

### **3. Oxford West End Development Ltd (OXWED)** (Company no.09957392)

OXWED is a joint venture development partnership company with Nuffield College created to enable the delivery of a major new mixed used development on the Oxpens site, a key site to the west of Oxford City Centre.

The Council and Nuffield College each have a 50% holding in OXWED and each can appoint three directors to the OXWED Board which takes some strategic and all operational decisions.

OXWED has different shareholder arrangements from the other Council Companies because most shareholder decisions must only be taken by jointly by the shareholders (the Council and Nuffield College).

### **4. Barton Oxford Limited Liability Partnership (LLP)** (Company no.OC368330)

Barton Oxford LLP is a joint venture development partnership of the Council and Grosvenor Developments Ltd created to enable the delivery of the major new development now known as Barton Park.

The structure and governance of an LLP is different from that of a Limited Company.

## **5. Definitions**

**Teckal status:** The Housing Group and ODS benefit from “Teckal” status allowing them to trade (contract for works, services or supply) with the Council and other “Teckal” companies wholly within the ownership of the Council, without having to go through a competitive tender process.

A “Teckal” company benefits from contracts for works, services or supply from its controlling Contracting Authority (the Council) without having to go through a competitive tender process and must meet these tests among others:

- the Council must exercise a control which is similar to that which it exercises over its own departments – this means it/they must exercise a decisive influence over both strategic objectives and significant decisions of the controlled company either itself or through another subsidiary; and
- more than 80% of the activities of the company must be carried out in the performance of tasks entrusted to it by the Council.
