NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

I wish to object to the licensing application made by Gorillas Technologies Ltd to sell alcohol from 8am to midnight seven days a week from premises at 78-81 Magdalen Road. I am a resident of Magdalen Road.

This is a residential quiet area, and part of the St Mary's LTN plans. Allowing alcohol to be sold to leave the premises between 08.00 and 00.00 seven days a week will lead to anti-social behaviour. No other shop within the neighbourhood sells alcohol to leave the premises this early in the morning and late in the evening. The premises will act as a target for criminal behaviour as large quantities of alcohol stock will be stored on-site.

Residents, including children, will be subjected to increased volumes of traffic and associated danger - this application seems to contradict the principles of the St Mary's LTN which is being consulted on. Lights and noise from the premises will cause a public nuisance.

I am copying my Councillors Wolff and Jarvis to ensure that they are aware of this licensing application and understand the concerns of the residents of Magdalen Road.

Subject: objection to licensing application - Magdalen Road

Dear Sirs,

I wish to object to the licensing application made for 79-81 Magdalen Road, OX4 1RF as a risk to public safety and entirely inappropriate to the local retail and residential area. I live very close to the property at no 79 Magdalen Road and have young children at the local schools. Given the areas long-standing reputation for drink and drugs we already see alcoholics and addicts staggering past the house at all hours and know to keep clear of the occasionally abusive and frequently erratic regulars. To grant a new, longer, licence on a road where I believe two shops already sell alcohol, in addition to the six pubs/licensed restaurants, is excessive and will encourage anti-social behaviour in the local area, particularly one that would see sales and increased traffic literally taking place longer than the hours my entire family are awake, let alone every time my son's being walked to and from Comper school.

The area is one working hard to build a positive reputation and local people/businesses have driven this, with renowned restaurants and shops recognised well beyond the city's boundary. This will undo much of that work, using a premises that could instead be used to further enhance Magdalen Road rather than drive crime and disorder in an area that already suffers from it. My children have grown up knowing to watch out for broken glass on the streets and being steered away from individuals because of the alcohol problems in the area. This will only worsen matters, while the company applying is listed on companies house as a German-based technology company - hardly one that seems to be appropriate for a local retail environment. Even if it is merely part of a large chain looking to develop nationally and drive sales through an app, this will only be bad for residents when such things inevitably involve undercutting the established shops. There is likely to be a low traffic zone imposed on the area which is deliberately intended to reduce the volume on our street while a delivery service based here only will add to the problem and has no need of being centrally located in a residential area.

Thank you,

Tom

Subject: Objection to licensing application - Gorillas Technologies Ltd

Dear Sirs,

I understand that a licensing application has been made by Gorillas Technologies Ltd for 79-81 Magdalen Road, OX4 1RG and I wish to object to this license on the grounds of public safety.

Magdalen Road is a well-used street by pedestrians. Not only does it link Iffley and Cowley Road, it is also one of the main walking routes used by families between Comper Foundation Stage School and SS Mary and John. During school drop off and pick-up many children are using this road and I am therefore very concerned about the risk to public safety with delivery vehicles increasing the traffic.

In an area which is already being considered for a low-traffic zone, the extended hours of business from 8am-midnight, 7 days a week feels completely at odds and excessive on what is a predominately residential street. Having a business actively working during these times - there will be associated noise and lights from the property will directly and negatively affect the quality of home and family life for a number of households around the property.

Thank you for your consideration,
Fiona

Dear Sir/Madam,

As a resident of Magdalen Road, I wish to object to the licensing application made by Gorillas Technologies Ltd to sell alcohol from 8am to midnight seven days a week from premises at 78-81 Magdalen Road on the grounds of public nuisance.

This is a residential street and vehicles running deliveries until midnight (presumably with vehicles returning well after midnight) will cause noise at antisocial hours. It would be more appropriate to run this kind of business from an industrial estate or other, less residential, area of the city. There are surely plenty of more suitable and accessible places to choose from.

Further, the increased volume of traffic is totally out of keeping with the principles of the St Mary's LTN. Although this is still in the consultation phase, it seems contradictory to give approval to a business which will increase the flow of traffic at a time when plans to reduce traffic in the neighbourhood are being considered. In the interests of public safety and protecting children from harm, it is vital that traffic flow is kept to a minimum.

I am copying Councillor Jarvis and Councillor Wolff so they are aware of our concerns.

Yours faithfully,

Olivia Reed

Comments

Protection of children from harm

There are many local residents with young children. Alcohol is known to disinhibit people's behaviour, both sexually and socially. We believe that the day and evening long access to alcohol would significantly increase risk to local young residents

Increase in traffic

This is a predominantly residential area. The increase in traffic resulting from a business premises supplying alcohol as a delivery and collection service over very long opening hours would cause a seriously disruptive situation in an already busy road.

Parking

Parking is very limited, and the illegal parking already happening around the area would be significantly increased. It is already frequently very difficult for us to access our off road parking space because of short term illegal parking done by people shopping at Best Buys shop.

Noise

Noise of people and traffic using the premises, in particular late into the evening, will create a public nuisance.

Public safety

People accessing and buying alcohol are likely to consume it close to the premises and cause significant public nuisance. Including possible violence.

Despoiling of local private premises

Access to our premises is through a sheltered porch which is likely to be used as a public lavatory by late night users due to the local alcohol availability. Local front gardens are also likely to be similarly used.

Yours faithfully

Dr Aidan Macfarlane

Good afternoon,
We wish to make the following representation against the above licensing application as follows:

Comment details

Commentator type: neighbours

Stance: neighbour objects to the licensing application

Reasons for comment: Crime and disorder
Protection for children from harm
Public nuisance
Public safety

Comments: residential quiet area- allowing alcohol to be sold to leave the premises this late will lead to noise and anti-social behaviour-no other shop within the same area sells alcohol to leave the premises this early in the morning and late in the evening. The premises will act as a target for thieves as large quantities of alcohol stock will be stored on-site. Residents including children will be subjected to increased volumes of traffic and associated danger. Lights and noise from the premises will cause a public nuisance.

Subject: Alcohol Distribution Centre in Magdalen Road

Having recently read the change of usage plan for 79-81 Magdalen Road, Oxford OX4 from which ORAC previously operated, I wish to object to the new proposal:

'To sell and deliver alcohol from 8am to midnight seven days a week' from these premises.

As a resident of this road, in a house which lies almost opposite this building, I feel strongly that permission granted for such a project would be highly detrimental to what is becoming a wonderful community area. Although an avid wine drinker myself, I feel that this business would have severely negative impacts on what is currently a diverse and uniquely special part of Oxford in which to live - an area in which different ethnicities, different professionals, students, unemployed and those in sheltered accommodation live harmoniously together. My reasons for this objection are the following:

- It will do nothing towards developing the growth of community spirit- of huge importance to any residential area
- It will potentially increase traffic flow (delivery vans/lorries as well as customers) hugely in a road which is already highly overused
- It will put a massive strain on parking in a road where off-street parking is already notoriously difficult
- It will incur noise levels late into the evening **every single** evening
- It will potentially be a pull for criminals/rowdy students as a result of its contents
- It will impact on young families growing up in this area

I would not normally feel compelled to write to you, but in this instance I hope you will seriously consider the points that I am trying to make in this email before willingly granting permission to what could then become an entrenched and unwelcome part of our neighbourhood.

Sincerely,

SJ Amos (, Magdalen Road)
