Councillors declaring interests

General duty

You must declare any disclosable pecuniary interests when the meeting reaches the item on the agenda headed "Declarations of Interest" or as soon as it becomes apparent to you.

What is a disclosable pecuniary interest?

Disclosable pecuniary interests relate to your* employment; sponsorship (ie payment for expenses incurred by you in carrying out your duties as a councillor or towards your election expenses); contracts; land in the Council's area; licenses for land in the Council's area; corporate tenancies; and securities. These declarations must be recorded in each councillor's Register of Interests which is publicly available on the Council's website.

Declaring an interest

Where any matter disclosed in your Register of Interests is being considered at a meeting, you must declare that you have an interest. You should also disclose the nature as well as the existence of the interest. If you have a disclosable pecuniary interest, after having declared it at the meeting you must not participate in discussion or voting on the item and must withdraw from the meeting whilst the matter is discussed.

Members' Code of Conduct and public perception

Even if you do not have a disclosable pecuniary interest in a matter, the Members' Code of Conduct says that a member "must serve only the public interest and must never improperly confer an advantage or disadvantage on any person including yourself" and that "you must not place yourself in situations where your honesty and integrity may be questioned". The matter of interests must be viewed within the context of the Code as a whole and regard should continue to be paid to the perception of the public.

Members Code – Other Registrable Interests

Where a matter arises at a meeting which directly relates to the financial interest or wellbeing** of one of your Other Registrable Interests*** then you must declare an

interest. You must not participate in discussion or voting on the item and you must withdraw from the meeting whilst the matter is discussed.

Members Code – Non Registrable Interests

Where a matter arises at a meeting which ***directly relates*** to your financial interest or wellbeing (and does not fall under disclosable pecuniary interests), or the financial interest or wellbeing of a relative or close associate, you must declare the interest.

Where a matter arises at a meeting which affects your own financial interest or wellbeing, a financial interest or wellbeing of a relative or close associate or a financial interest or wellbeing of a body included under Other Registrable Interests, then you must declare the interest.

You must not take part in any discussion or vote on the matter and must not remain in the room, if you answer in the affirmative to this test:

“Where a matter affects the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest You may speak on the matter only if members of the public are also allowed to speak at the meeting.”

Otherwise, you may stay in the room, take part in the discussion and vote.

*Disclosable pecuniary interests that must be declared are not only those of the member her or himself but also those member’s spouse, civil partner or person they are living with as husband or wife or as if they were civil partners.

** Wellbeing can be described as a condition of contentedness, healthiness and happiness; anything that could be said to affect a person’s quality of life, either positively or negatively, is likely to affect their wellbeing.

*** Other Registrable Interests: a) any unpaid directorships b) any Body of which you are a member or are in a position of general control or management and to which you are nominated or appointed by your authority c) any Body (i) exercising functions of a public nature (ii) directed to charitable purposes or (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union) of which you are a member or in a position of general control or management.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy

Comments:	<p>08/03/2023 5:05 PM This is a residential area where people live closely to one another in small terraced housing. Even as things stand there is a need for everyone to be respectful of each other's space, noise, disturbance at night time - and especially in summer time when people sleep with open windows.</p> <p>It is a mixed community including older people as well as young children and it seems unfair on them to expose them to (almost) daily live music and recorded music, that continues into the night hours.</p>

Subject: Berkshire House Abingdon Road/Hawthorn Leisure

To the north of the Berkshire are a shop, café, chemist shop and a building site where the former Victoria Hotel is situated: however in Vicarage Road and Abingdon Road to the south there is family housing.

At present we are disturbed by customers arriving at and leaving the pub in the evenings in particular by slamming car doors and gratuitous revving of motorbikes. [REDACTED]

We would oppose any extension of the opening hours which have already increased in recent times. It would be preferable to co-ordinate closing and opening times with the other two pubs in Abingdon Road so that people cannot come to continue drinking at the Berkshire when other places have closed. We also oppose the proposal to allow children on the premises beyond 21.00. This would not seem desirable for the children concerned or for the neighbourhood as we are already disturbed in warm weather by children playing late in the garden or on the pavement forecourt.

Re the provision of facilities for dancing and music; this is a relatively small pub where amplified music unless strictly sound limited can easily cause a disturbance for neighbours. Setting up loudspeakers in the garden or in front of the building is even more intrusive.

These proposals by Hawthorn Leisure are inappropriate for a residential neighbourhood where people have the right to a reasonable night's sleep before a day at work, at school, or being alert to deal with whatever the day may bring. We would therefore wish to register our opposition.

Public Nuisance

I am concerned too that if the pub were allowed extended licensing hours and to have music and dancing till midnight and early hours of the morning, the noise emanating from them will make life unbearable for me. On the nights when they have had music in the summer, it was impossible to hear my own music or go to bed with the thumping. I am also concerned about the fact that when the customers leave the pub late in the early hours, the noise of car door slamming and the chatter of departing people, while to be expected, will be very discombobulating.

From experience, I can say that the publican does not have the ability to ensure his clientele conduct themselves with due consideration for other users of the neighbourhood.

Kind regards

Dear Licensing Team,

It is 10 pm on Wednesday, 8 March, and I have just received this message several times while trying to submit a comment on this licensing application:

23/00661/PREM | Premises Licence | Open for Consultation | Berkshire House 200 Abingdon Road Oxford OX1 4RA

I would be very grateful if you could receive my comment and get it to the right place by the deadline! I am registered with the system.

With many thanks, Jane

Here is the text of the comment:

We are a residential neighbourhood with young children, not a city-centre entertainment district. I object strongly to the Berkshire's request to increase opening/music hours and start sale of alcohol from 9am. These changes will aggravate the considerable **public nuisance** already endured by residents, compromise **public safety**, and **cause harm to children**. More alcohol means more public urination, street arguments, [REDACTED]. A recent example (Sat. 25 Feb 2023): very loud music until 1230am (violating current licence); thudding bass heard clearly over TV & music in our house all evening. For the next hour, 1230-130, constant talking, shouting, car doors slamming, engines revving up and down Vicarage Road. It is a narrow road [REDACTED] with bedroom windows directly above the pavement: street noise is loud and clear. At 115am, jolted awake by the roar of multiple motorcycles leaving. This is our reality on big nights at the pub. Street drama & car movement can continue for several hours after closing, until 2am. If the pub is allowed to operate fully until 1am, noise nuisance will persist until 3am, compromising sleep even further. Noise nuisance intensifies in warmer weather from open windows and the beer garden. We can put up with it when it's 'only' Saturday night (although many people work early on Sunday—priests/vicars, medical workers, etc.). But for it to be possible **every night of the week** is an unacceptable infringement of the right of residents to enjoy their property in peace. The noise nuisance compromises sleep and increases stress hormones, harming mental & physical health. Children are harmed by noise nuisance on school nights preventing sleep. I strongly urge that the proposed extension of hours for selling alcohol, playing music, and providing dancing facilities, be rejected. In addition, I urge that publicised maximum decibel levels be set for music, with robust enforcement.

Comments:	25/02/2023 6:12 PM I am generally supportive of the Berkshire and have not had much problem with noise since they've taken over, but I do not think a neighbourhood venue should have such extended hours.

It reads that the application is only for indoor music, but I am concerned that live music indoors in the summer with open windows or doors will be too loud and would like to see the license state an enforceable, residential friendly dB limit. I trust should such a disturbance occur, I could speak to the current owners with reasonable results, but should the pub change hands, it is not sure that I could.

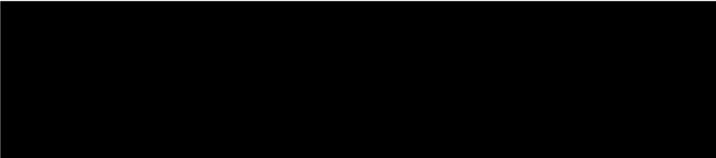

[REDACTED]
[REDACTED] that I am not particularly up for dealing with late night noise. I would also like to take this moment to point out that not having an out-of-hours noise complaint service is a frustrating and effectively permits anti-social behaviour. This should either be reinstated or handled by the police.

R.E. Hawthorn Leisure Limited applicatn. for
extended licensing hours for the Berkshire pub,
200 Abingdon Road, OXFORD, OX1 4RA.

Dear Sir/Madam,

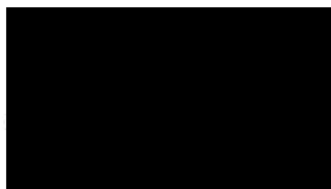

With respect to the application for late licensing at the Berkshire pub on the Abingdon Road, we live three doors away, as the pub is on the corner of Vicarage Road. Even now, without the extended licensing hours, the pub sometimes has disco nights that last until around 11pm. The music can be very clearly heard from our house, as well as drunken people screaming and shouting as they come onto the pavement regularly during the night in order to smoke their cigarettes. We have an 8 year old son with autism and ADHD, and it is important that he gets his sleep. These parties have disrupted his sleep.

For the health of our son and not to disturb the neighbourhood, we would like to object to the granting of a late night licence to the Berkshire pub.

Yours sincerely,

ALEX JACOTTET

Comments:	04/03/2023 11:35 AM This is a family area which already has significant social problems, especially the dealing of drugs openly on the streets. The proposed licencing will make this problem worse. I already feel unwilling to let my children go out alone due to the threatening environment of criminals dealing drugs on our street and don't want anything else to attract more of an illicit night time economy to the area. This will also early lead to more antisocial behaviour and night time noise which is not appropriate for an area with a high concentration of young families.

Comments:	08/03/2023 3:14 PM I want to object very strongly to this application's request to extend opening/music hours. This is a residential street which is generally very quiet, even though we have Air B and Bs and student housing in multiple occupancy. The only regular disturbance is from the pub, on Fridays and at weekends, with thumping of music in the evenings which gets worse in the spring and summer as the windows are opened, and with loud conversations in the street and bike revving after closing time. All this will be pushed later and will cause further disturbance to families with young children plus any of us who might hope to get to sleep at a reasonable hour. And there are some nearby who have to get up early for work on Sunday. For all this late-night disturbance to be possible any night of the week really would be intolerable. There is no likelihood that loud music will be turned down in volume at any hour before closing time. So I urge you to reject the proposed extension of hours for selling alcohol, and providing live and recorded music and dancing. In this residential area it would be more appropriate if maximum decibel levels could be set for music, and enforced.

Comments: 23/02/2023 5:57 PM I do not wish my comments to be made public. Thank you.

I was concerned to learn of the proposed extension to the Berkshires's licensing hours and live music hours in an area which is predominantly residential. Already if returning on a Saturday evening I have been concerned at the [REDACTED] number of people milling around outside, particularly later in an evening when some of the clients have had more than a couple of drinks. This becomes a risk to public safety and particularly to single women like myself. I am particularly concerned at the proposal to start the serving of alcohol at 9am in the morning, and the extension of the hours of music into the early hours of the morning.

Subject: Comments on licensing application 23/00661/PREM
Date: 23 February 2023 09:53:46

Good morning,

I am writing to submit comments on licensing application 23/00661/PREM, for The Berkshire pub at 200 Abingdon Road. I wish my comments to be treated anonymously, so I am submitting them via email rather than using the comments form on the web.

I live in close proximity to this business, and am concerned about some of the changes being proposed and the impact they will have on local residents. New Hinksey, particularly Vicarage Road, Lake Street, that section of the Abingdon Road, and the surrounding streets, is a very quiet residential area. Apart from The Berkshire, AkiPort and the pharmacy, there are no shops in the area, nor other entertainment venues. The residents are largely families; many with young children. I outline my concerns about the proposed changes in relation objectives below.

Prevention of crime and disorder: the extension of hours for service of alcohol, playing of live and recorded music, and new provision for dancing, is likely to lead to an increase in disorder outside the venue and in the nearby streets, particularly because the increased provision of alcohol is likely to lead to antisocial behaviour from people who are intoxicated.

Promotion of public safety and protection of children from harm: again, for the reasons given above, I am concerned about risk to public safety for residents, especially those with young children, due to antisocial behaviour from those who are intoxicated. Particularly because the extension of the licence into morning hours will mean there's further risk when children are outside.

Prevention of public nuisance: this is the greatest area of concern. The extension of service of alcohol is likely to lead to increase noise outside the venue and in the surrounding streets of people leaving the pub and wandering around outside, and as this is such a quiet residential area, with many families with young children going to bed early, increased noise will have a particular impact on those living nearby.

I am also concerned about noise levels from the venue itself in view of the extension of hours for live and recorded music and dancing. Residential properties in the area are geographically very close to the venue, and I can attest from experience to how loud the music from the venue is in surrounding homes, even with windows closed. The bass from the music being played makes floors in nearby houses shake. Any extension of hours for these activities is only going to increase these problems.

[REDACTED]

Thank you for taking my comments into consideration and for treating them anonymously.

I do not want my details to be made public and I cannot see how to ensure that on the online form. It is not clear how to protect my identity from the people running the pub. I am therefore emailing my objections.

I want to make 4 licensing objectives:

[REDACTED]

Public nuisance: the noise from the pub garden is particularly bad in the summer when windows are open. Noise would be even worse with longer licensing hours. We have been kept awake by it. They are not at all considerate. When we have had people in our own garden for a meal the noise from the pub garden disturbs the peace.

Protection of children from harm: they will be disturbed by the noise. The events last summer were very noisy with music and some **terrible** singing (live music).

[REDACTED]

But this is a residential area with families, working residents and the elderly who do not want the noise of a city centre venue.

In the application they want children to be permitted to stay after 9pm which is again a Mediterranean thing, but at the detriment of local families who do not keep their children up late.

Kind regards

Subject: Objection to licensing application 23/00661/PREM

Dear Sir/Madam

I would like to register my objections to the licensing changes requested by the Berkshire Arms, 23/00661/PREM. Please redact my details.

Public Nuisance:

The noise from music in the pub can be heard clearly in adjacent houses even when doors and windows are closed and is significantly worse in warmer months. There is no acoustic protection from the pub garden which backs onto neighbouring houses and the street so noise nuisance created by music and by people in the pub garden and gathering outside the front of the pub (where there are tables) carries far. It is unrealistic that doors to the pub garden or the entrance door to the Abingdon Road will remain closed as people will come and go with drinks and to smoke outside. The nuisance and disturbance from an additional music and dancing license during the working week, running until midnight, is unacceptable as is the extension of the alcohol license which will only increase the noise levels and nuisance caused by people drinking for longer and later as they leave the pub. I fully understand and respect the need for this business to be successful but this licence application will increase this noise and nuisance during weekdays in a quiet residential area.

Public Safety

[REDACTED] Extending opening hours with the sale of alcohol from 9am until 12.30 at weekends presents a risk for public safety and public nuisance as it will encourage more drinking and lead to potential issues with drunken behaviour. Underage drinking will become easier if there is no requirement for staff to check the ID of those who appear under 18 and this will attract underage drinkers to the pub who can remain unchallenged drinking alcohol, all day at weekends.

Many thanks

I am writing to express my concerns regarding the licensing request out forward by the Berkshire to be able to sell alcohol and play loud music later into the night. I live on [REDACTED] and from our bedrooms we can hear the music from the Berkshire. We have small children and especially in the summer the noise is already a disturbance. I therefore oppose their request and would urge the council to not approve the sale of alcohol and the playing of loud music until any later than what it is now.

I would like for my name to be withheld as I am a neighbour and customer of the Berkshire.

Comments: 25/02/2023 4:03 PM The current applicants have consistently demonstrated a commitment to the area. They are motivated to continue providing hospitality and services which benefit those living locally. Without their ongoing investment there is a real possibility that the established provisions could be lost permanently. As such I think it is essential that the local community in turn supports them in their endeavour.

The music always finishes at 9pm and there has never been even a suggestion of any disorderly behaviour from any of the customers. Music culture should be encouraged in Oxford given the closure of so many venues, and therefore the erosion of the city's individual culture. This is especially true when the management at the Berkshire have been so responsible in running a space which has never had a complaint for anti-social behaviour.</p> <p>The change to the licensing hours will give the management an opportunity to book more family orientated events (weddings christenings etc). This will hopefully increase their turnover and allow them to continue to serve their local community which they do brilliantly.</p>
