This Constitution sets out

- how the Council operates; how decisions are taken; and who has the power to take which decisions
- the procedures, codes and protocols to be followed to ensure decisions are made efficiently, transparently and with accountability to local people

Some of these processes are required by law. Others are a matter for the Council to choose. In the case of any conflict between the Constitution and legislation, the legislation will prevail.

The Constitution is periodically updated to incorporate current legislation and to reflect any changes which the Council has decided to make.

1.2 Councillors

(a) Elections and terms of office

There are 48 councillors, who represent 24 wards. Each ward has two councillors.

Half the councillors are elected every other year, with elections in 2020, 2022 and so on. Following implementation of a boundary review by the Boundary Commission for England there will be an election for all Council seats in 2020. After that the Council will revert to elections for one Councillor per ward every two years.

Exceptionally, after the 2020 elections one councillor in each ward will serve for two years only and the other for four years.

Councillors serve for four years. They become councillors on the fourth day after being elected. Their term of office ends four years later, on the fourth day after the elections.

(b) Role of councillors

Councillors:

- set the Council's overall policies
- provide political leadership
- represent people in their wards – this may involve balancing different interests
- deal with casework for people in their wards
- go to Council and committee meetings
- work to improve Council services
- represent the Council on other bodies

(c) Rights and duties of councillors

The Council will give councillors the information and resources they need to do their jobs, as far as the law allows.

Councillors must obey the law and follow the Members' Code of Conduct (Part 22). They are guided by the Code on Councillor –Officer Relations (Part 23), the Planning Code of Practice (Part 24) and the ICT Acceptable Use Policy (Part 27).

(d) Councillors' allowances

Councillors can claim allowances (Part 26).

1.3 Council

(a) Role of Council (sometimes referred to as “full Council”)

Council is attended by all councillors. Some things can only be done by Council. These include:

- agreeing the Council’s overall budget and policies (which are known as the budget and policy framework (Part 5.2)
- changing the Constitution
- electing of the Leader in the year in which this is required
- appointing committees of Council
- confirming who will be Chief Executive, Chief Finance Officer and Monitoring Officer

Proposals that go against the budget or policy framework must normally be agreed by Council. But there is a procedure for urgent decisions outside the budget and policy framework (Part 16.4).

(b) Council Meetings

There are three types of Council meetings: annual meetings, ordinary meetings and special meetings (Part 11).

1.4 Leader and Cabinet

(a) Members of the Cabinet

The Cabinet is made up of the Leader, the Deputy Leader and up to eight other councillors. The Leader is appointed by Council. The Leader appoints the Deputy Leader and Cabinet members. The Leader may also wish to appoint a second, non-statutory Deputy Leader from among the eight Councillors. Members of the Cabinet cannot be Lord Mayor or Deputy Lord Mayor or a member of a scrutiny committee.

(b) Term of office of Cabinet members

Cabinet members hold office from when they are appointed by the Leader until:

- they are removed by the Leader
- they submit their written resignation from their Cabinet role to the Leader
- they stop being a councillor or
- they are disqualified from being a councillor

(c) Cabinet meetings

Cabinet meetings follow the Cabinet procedures (Part 12).

(d) Executive decisions

The Cabinet takes decisions collectively at Cabinet meetings. Some decisions are delegated to officers (Part 4).

Cabinet decisions must be consistent with the overall policies of Council (policy framework). They must also be within the budget set by Council.

(e) Key decisions

Some decisions that the Cabinet takes are key decisions (Part 15.14). When the Cabinet is going to take a key decision, it should be shown in the Forward Plan (Part 15.16).

(f) Role of the Leader

The Leader is responsible for:

- appointing and removing the Deputy Leader
- appointing and removing the non-statutory Deputy Leader
- appointing members to and removing members from the Cabinet
- allocating executive responsibilities
- appointing members to other executive positions such as the Future Oxfordshire Partnership and its advisory sub-groups

(g) Term of office of Leader

The Leader holds office from the date of appointment by Council for a term of up to four years or for such lesser period of time as the leader holds office as a councillor. The Leader's term of office will extend to the annual meeting of Council immediately following their normal date of retirement or failure to get re-elected and at that meeting another Leader will be appointed by Council and the former Leader's term of office will end.

(h) Deputy Leader

The Deputy Leader is appointed by the Leader. The Deputy Leader holds that office for as long as the Leader wants them to hold that position.

If the Leader is unable to act, the Deputy Leader may carry out the Leader's statutory functions (for example of appointing or removing Cabinet members) but does not assume the position of Leader. If the Leader ceases to be the Leader, the Deputy Leader also ceases to be the Deputy Leader and reverts to an ordinary Cabinet member.

(i) Non-statutory Deputy Leader

The non-statutory Deputy Leader is appointed by the Leader. The non-statutory Deputy Leader holds that office for as long as the Leader wants them to hold that position.

The non-statutory Deputy Leader does not hold a statutory role but will work on an equal basis with the statutory Deputy Leader as part of the Council's senior political leadership team.

If the Leader ceases to be the Leader, the non-statutory Deputy Leader also ceases to be the non-statutory Deputy Leader and reverts to an ordinary Cabinet member.

1.5 Other committees that take decisions

Other committees that take decisions include planning committees, committees to deal with licensing and regulation, committees to deal with officer appointments and dismissals and a standards committee. Part 7 describes their roles.

1.6 Scrutiny

(a) Scrutiny committees

The Council has one scrutiny committee.

The Council also appoints one member to the Oxfordshire Joint Health Overview and Scrutiny Committee and three members to the Future Oxfordshire Partnership Scrutiny Panel.

(b) Role of the Scrutiny Committee

The Scrutiny Committee scrutinises the Council's decisions and work (Part 8).

(c) Procedure at Scrutiny Committees

The Scrutiny Committee follows the scrutiny committee procedures (Part 13).

1.7 Lord Mayor and Deputy Lord Mayor

(a) Election of Lord Mayor and Deputy Lord Mayor.

The Lord Mayor and Deputy Lord Mayor are elected and appointed respectively by Council each year.

(b) Ceremonial role

The Lord Mayor represents the Council at civic and ceremonial events.

(c) Chairing Council

The Lord Mayor chairs Council. In chairing Council, the Lord Mayor will:

- promote the purpose of the Constitution (Part 2.3)
- interpret the Constitution
- get the business done efficiently but pay attention to the rights of all councillors and the interests of local people
- make Council a place for discussing the concerns of local people and holding the Cabinet to account
- encourage the public to take part in the Council's activities
- be the conscience of Council.

1.8 Council employees

Council employees are called Council officers. Officers give advice, act on the Council's decisions and run the Council's services. Some officers have a special duty to make sure the Council follows the law or uses its resources wisely (Part 9).

When employing and dismissing officers, the Council follows the employment rules (Part 20).

2. About the Constitution

- 2.1 Status of this Constitution
- 2.2 Interpreting the constitution
- 2.3 Purpose of the Constitution
- 2.4 Monitoring and reviewing the Constitution
- 2.5 Changing the Constitution
- 2.6 Changing governance arrangements
- 2.7 Suspending the Constitution
- 2.8 Publishing the Constitution

2.1 Status of this Constitution

The Council will follow this Constitution unless it conflicts with the law.

2.2 Interpreting the constitution

When the Constitution and the law allow the Council to do more than one thing, the Council will do what is closest to the purpose of the Constitution (2.3).

At Council meetings, the Lord Mayor's interpretation of the Constitution will be final. When interpreting the Constitution, the Lord Mayor will consider the purpose of the Constitution (2.3) and the advice of the Monitoring Officer.

If the Constitution has no procedures for a meeting, or if there is a gap in the procedures for a meeting, the Chair will decide what to do. This must be consistent with the purpose of the Constitution (2.3)

2.3 Purpose of the Constitution

The Constitution exists so that the Council can take its decisions and do its work effectively. It will help councillors to represent their wards and help the Council to:

- provide clear leadership for the city
- carry out proper consultation and take professional advice
- act openly except when there are strong reasons not to (Part 15)
- hold decision takers to account and make sure no one reviews their own decisions
- respect human rights
- act proportionately (European law defines this as doing no more than is necessary in a democratic society to achieve a legitimate aim).

2.4 Monitoring and reviewing the Constitution

The Monitoring Officer will monitor and review the Constitution and may recommend changes.

Where an annual review of the Constitution is undertaken, any changes recommended by the Monitoring Officer will be considered by a cross-party Constitution Working Group for recommendation to Council for adoption. The membership of the Constitution Working Group will be 8 members and adhere to political balance requirements. The Constitution Working Group will agree its own meeting dates and times and substitutes will be permitted.

Where changes are recommended for standalone issues, the Monitoring Officer will submit a report to Council setting out the recommended change(s) for agreement without convening a Constitution Working Group meeting.

2.5 Changing the Constitution

The Monitoring Officer can change the Constitution if it is to put right clerical mistakes or to make it follow the law. The Monitoring Officer can also change Part 4 (who carries out executive responsibilities) and Part 6 (roles of Cabinet members) to reflect the wishes of the Leader. The Monitoring Officer may also change Part 3 Annex 1 to reflect amendments agreed by Cabinet.

Any other changes must be agreed by Council after considering a report from the Monitoring Officer.

2.6 Changing governance arrangements

The Council may, by resolution, change the form of its executive arrangements or change to a different permitted model of governance. The Council may choose to hold a referendum in that event.

2.7 Suspending the Constitution

The Constitution can only be suspended where it says so (Part 11.26).

2.8 Publishing the Constitution

The Monitoring Officer will keep an up to date version of the Constitution and publish it on the Council's website. A paper copy for reference only will be made available and remain in the Council offices. Additional paper copies may be made available to members of the public for personal use in exchange for the payment of a fee.

3. Council responsibilities and executive responsibilities

- 3.2 Summary of Council responsibilities and executive responsibilities
- 3.3 Delegation of responsibilities

- 3.5 Interpreting the rules on delegation
- 3.6 Responsibilities are carried out on behalf of the Council
- 3.7 The Council's companies
- 3.8 Joint arrangements
- 3.9 Delegation to and from other local authorities

3.1 Council responsibilities and executive responsibilities

The law divides a Council's work into three categories:

- Council responsibilities – these must be the responsibility of Council.
- Executive responsibilities – these must be the responsibility of the Leader.
- Local choice responsibilities – it is up to individual Councils whether these are the responsibility of Council or the Leader.

Council responsibilities are listed in Part 5. Any responsibilities not listed in Part 5, including all local choice responsibilities, will be the Leader's responsibilities.

3.2 Summary of Council responsibilities and executive responsibilities

Council responsibilities	Executive responsibilities
the budget and policy framework regulatory work, for example planning and licensing elections and electoral registration collective terms and conditions other than pay all of the other matters in 5.8 to 5.15	everything else

3.3 Delegation of responsibilities

Council and the Leader delegate some of their responsibilities to committees, single members and officers. Details of this are in Part 4 and Part 5. Council and the Leader cannot delegate to each other.

3.4 How delegation works

(a) Delegation by Council and the Leader

Council and the Leader can at any time take back responsibilities they have delegated or decide to delegate them on certain conditions.

Council and the Leader can also decide to delegate further: responsibilities that the Leader has not already delegated can be delegated to a committee of the Cabinet or a single member or officer; responsibilities that Council has not already delegated can be delegated to a committee of Council or to officers.

(b) Officers' use of powers delegated to them by Council and the Leader

Officers do not have to use their delegated powers: they can ask the body that delegated to them to decide (except the Head of Planning Services will ask the Oxford City planning committees to decide on planning functions delegated from Council).

Officers who have had something delegated to them (and those officers who manage them) can authorise officers they line manage or other officers with the relevant skills and responsibilities to do it on their behalf (unless it was delegated on condition that they do it themselves) but will remain responsible and accountable for the exercise of the delegated function.

3.5 Interpreting the rules on delegation

When a responsibility is delegated in the Constitution, so is the authority to do anything necessary to carry it out (unless it was forbidden when the responsibility was delegated).

3.6 Responsibilities are carried out on behalf of the Council

Council responsibilities and executive responsibilities are carried out on behalf of the Council and in the Council's name.

3.7 The Council's companies

(a) Company objects

Where the Council uses the enabling legislation to create its own companies, either as the sole or as a joint owner, the broad terms of the objects of each Council company will be recorded in its Articles of Association, while its Shareholder Agreement will set out more detailed operational arrangements and the matters which are reserved for determination by the Council as the shareholder. In general, these reserved matters will be key structural and high-level strategic matters rather than the "day-to-day" business and operations of the company, which will be the responsibility of the company directors.

(b) Governance framework

Each Council-owned company is an independent legal entity which is entirely separate from the Council. The company will have its own identity and responsibilities, so cannot be treated as an internal department of the Council. A Council-owned company is required to comply with Company law, its Articles of Association and its Shareholder's Agreement. It is not governed by the Council's Constitution.

(c) Shareholding

The responsibility to represent the Council as shareholder of each company is an executive function. The Leader of the Council may therefore determine the nature of such representation, currently operated through a Shareholder and Joint Venture Group (see Part 3 Annex 1).

The Shareholder and Joint Venture Group will meet the company's directors and representatives at least twice annually to monitor the company's progress, decide any matters falling within its reserved matters, protect the Council's interests and investments in the company and determine the future direction of the company. The Council's Chief Finance Officer and Monitoring Officer will act as advisors to the Shareholder and Joint Venture Group. The Chief Executive or an Executive Director nominated by the Chief Executive will advise the Shareholder and Joint Venture Group on matters of policy.

The activities of the Shareholder and Joint Venture Group will be subject to consideration by the Council's Scrutiny Committee. The Shareholder and Joint Venture Group and Scrutiny may meet separately or simultaneously.

(d) Company Board of Directors

The appointment of directors to the Board of a Company is the responsibility of the shareholder(s). The directors hold a fiduciary duty to their company, but at the same time are also accountable to the shareholder(s), and as such owe duties to both the Council and the company.

(e) Boards of Joint Ventures

Appointments to Boards of Joint Ventures is the responsibility of the shareholder(s). Those appointed hold a fiduciary duty to the Joint Venture, but at the same time are also accountable to the shareholder(s), and as such owe duties to both the Council and the Joint Venture.

(f) Contracting

The Council and its companies may choose to contract with each other as separate entities - for example, the Council may appoint a company as its supplier of certain services, while a company may appoint the Council to supply its administrative services. Where the company meets the requirements of the "Teckal exemption" such contracts may be awarded without the need to comply with the full requirements of the Public Contract Regulations 2015 but the Council will need to ensure it meets its duties as a best value authority (Part 19.11). Where contracting takes place, the Council will have formal agreements in place with the company setting out the terms of the agreed service levels and a procedure for dispute resolution.

(g) Conflicts

As the Council and its companies are separate legal entities, care must be taken to ensure that conflicts of interest are avoided. When Council officers are asked to provide advice in a situation where the interests of the Council and the company are not entirely aligned, individual officers should be assigned to advise or represent one side or the other, but should not act for both. Officers in the senior management structure can authorise officers to undertake delegated functions (Part 4.4). Where an authorising officer has a conflict of interest another officer in the senior management structure, in consultation with the Head of Law and Governance and the Head of Financial Services, can authorise officers to undertake delegated functions as necessary.

Where a Council officer is on a Company Board of Directors or the Board of a Joint Venture and there is a conflict in the interests of each party, that officer may only take a decision in respect of one of the parties and must not take a decision for both.

3.8 Joint arrangements

Council may establish joint arrangements with one or more local authorities to exercise functions that are not executive functions in any of the participating authorities. Such arrangements may involve the appointment of a joint committee with these other local authorities and the delegation of functions to the joint committee.

The Leader may establish joint arrangements with one or more local authorities to exercise functions which are executive functions. Such arrangements may involve the appointment of joint committees with these other local authorities and the delegation of functions to the joint committee.

3.9 Delegation to and from other local authorities

- (a) Council may delegate non-executive functions to another local authority or, in certain circumstances where these are local choice responsibilities, the executive of another local authority.
- (b) The Leader may delegate executive functions to the executive of another local authority or, in certain circumstances where these are local choice responsibilities, another local authority.
- (c) The decision to accept a delegation of executive responsibilities from another local authority shall be reserved to Cabinet.

Annex 1 to Part 3: Council responsibilities and executive responsibilities

- (e) Whenever a Statutory Officer (Head of Paid Service, Monitoring Officer or Chief Finance Officer) is the subject of a disciplinary issue the Committee must consider whether it is necessary for an Independent Persons Panel to be established, to follow the procedure set out in Part 20.8 and Part 20.9 and:

The advice of the Independent Persons Panel may (but need not) be sought by the Investigation and Disciplinary Committee at any other point in an investigation of disciplinary process.

For the avoidance of doubt, the Panel may commission and have access to external legal and professional advice.

The Independent Persons Panel is an advisory committee appointed by the authority under section 102(4) of the Local Government Act 1972 for the purposes of advising the authority on matters relating to the dismissal of the Statutory Officers in accordance with Schedule 3 to The Local Authorities (Standing Orders) (England) Regulations 2001.

It shall be for the Monitoring Officer to invite the Council’s current Independent Persons (being those persons appointed to advise on Member conduct

complaints under the Localism Act 2011) and if necessary one or more of the Independent Persons of neighbouring authorities (following consultation with the Monitoring Officers of those authorities), to be considered for appointment to the Independent Persons Panel. It shall be for the Investigation and Disciplinary Committee to confirm appointments to the Independent Persons Panel.

The Panel will be appointed from those Independent Persons who have accepted an invitation to be considered for appointment, in accordance with the following priority order:

8.2 What powers does the Scrutiny Committee have?

8.3 Roles of the Scrutiny Committee

8.1 Areas of work of the Scrutiny Committee

Council has appointed one Scrutiny Committee

8.2 What powers does the Scrutiny Committee have?

The Scrutiny Committee can:

- Send reports and recommendations to the Cabinet or Council on anything the Council is responsible for or anything that affects the city or its people
- Consider decisions that have been called in and ask for them to be looked at again (Part 17.1)
- Monitor the Forward Plan and call for reports on items that are coming up
- Require senior officers (Part 9.1), and Cabinet members to attend meetings and answer questions (Part 13)
- Hold public inquiries
- Invite people to meetings and gather evidence from them
- Establish standing and ad hoc panels and review groups to do work and make recommendations. The membership of panels and review groups will be set by the Scrutiny Committee and can be drawn from all non-executive members but the chair will be accountable to the Scrutiny Committee.

8.3 Roles of the Scrutiny Committee

(a) Developing and reviewing policy

The Scrutiny Committee can:

- Help Council and the Cabinet to develop policy by studying issues in detail
- Carry out research and consultation on policy
- Consider and introduce schemes to involve the public in developing policy
- Work with national, regional and local organisations to promote the interest of local people.

(b) Holding the executive to account

The Scrutiny Committee can:

- Review the performance and decisions of the Cabinet, and Council officers (but not decisions on individual planning or licensing applications)

Constitution - Oxford City Council

- Review the Council's progress in achieving its policy aims and performance targets
- Review the performance of individual services
- Review executive decisions in respect of any companies wholly or partly owned by the Council and hold the shareholder to account for the performance of those companies.
- Ask Cabinet members, and senior officers (Part 9.1) questions about their decisions and performance – these may be questions about general performance or about particular decisions and projects.

(c) Managing the budgets for scrutiny

The Scrutiny Committee is responsible for any budgets it is given.

(d) Holding others to account

The Scrutiny Committee can hold other public service providers to account.

Scrutiny Committee Operating Principles 2023/24

Meeting Arrangements

1. At least 10 Committee meetings will be scheduled each year to match the Cabinet meeting cycle. This is to enable pre-decision scrutiny of decisions to be taken at the next Cabinet meeting.
2. All public addresses and councillor contributions will be directed through the Chair. Public addresses will be limited to five minutes each.
3. The Scrutiny Committee will hold the Cabinet and Senior Officers to account publicly at committee meetings.
4. The Chair will report regularly to Council on the work of the Scrutiny Committee. The Committee may also produce an annual report.

Standing Panels and Review Groups

5. The Scrutiny Committee will set Standing Panels and Review Groups each year to consider selected issues in more detail.
6. Standing Panels will hold meetings throughout the year, and consider quarterly performance reports, executive decisions and other issues within their remit.
7. Review Groups will be formed to undertake issue led and time bound 'task and finish' reviews of specific issues, before concluding their work with a report and recommendations, usually to the Cabinet.
8. Review Group and Standing Panel meetings will be held in public or private as the meeting business dictates. Review Group and Standing Panel meetings will be held virtually, unless there is a compelling need to hold an in-person meeting.
9. Standing Panel and Review Group Chairs will be accountable to the Scrutiny Committee and can be from any political group. Panel Chairs will be elected at the first meeting of the Committee in the municipal year. Review Group Chairs will be elected by the Committee when the groups are established.
10. Standing Panels will meet approximately 5 times each year. Review Groups will meet as often as is required for them to conclude their work. The Scrutiny Committee will oversee the work of Review Groups to ensure they do not overrun unduly.
11. The Scrutiny Committee will commission and scope the work of Standing Panels and Review Groups and therefore has final agreement on their recommendations. There may be occasions where this is not possible and standing panel reports will go directly to the Cabinet.
12. In any given year, the organisation ordinarily has capacity to support either:
 - a) 2 Standing Panels and 3 Review Groups; or
 - b) 3 Standing Panels and 2 Review Groups
13. No substitutions will be allowed on Standing Panels or Review Groups. This is to provide continuity of membership given the focused nature of their work.

14. Chairs of Standing Panels and Review Groups will report back to the Committee on progress and outcomes. They will also be invited to present their reports and recommendations to the Cabinet.
15. The quorum for standing panels and review groups shall be two councillors for panels of four, and three councillors for panels of six.

Political Balance

16. The Chair of the Scrutiny Committee must be a member of the opposition, and the Vice-Chair can be from any political group.
17. The membership of Standing Panels and Review Groups will be set by the Scrutiny Committee and drawn from all non-executive members. Group secretaries will be asked to nominate members to any such groups for agreement by the Committee.
18. Standing Panels and Review Groups are not required to reflect the Council's make up, but the Committee will use the following cross-party principle guide for appointment:

4 members: 1 Labour, 1 Lib Dem, 1 Green, 1 Oxford Socialist Independents
6 members: 2 Labour, 1 Lib Dem, 1 Green, 1 Oxford Socialist Independents, 1 Independent Group
19. Where a political group does not wish to take-up its allocation of a seat on a Standing Panel or Review Group, it will first be offered to political groups that would not normally have a seat allocation through the cross-party principle guide for appointment to Standing Panels and Review Groups – the seat will be offered to those political groups in priority order based on strongest entitlement to a seat as per political proportionality calculations. Should there be no take-up of the seat after offering to other political groups, the Committee will decide what to do.
20. Where two or more political groups have the same entitlement to a seat on a Standing Panel or Review Group as per political proportionality calculations, but where there are not enough available seats to allocate to all of those political groups, the Committee will decide what to do.

The Scrutiny Work Plan

21. The [Work Plan](#) will consist of a number of issues for consideration informed by consultation with all councillors and senior officers. Guidance criteria for prioritising work will be provided by the Scrutiny Officer, but the Committee is responsible for agreeing its Work Plan.
22. The Work Plan will be reviewed at every meeting and adjusted to reflect the wishes of the Committee and take account of changes to the [Forward Plan](#) of executive decisions.
23. Items will be taken forward as resources allow, and the Committee must provide officers with sufficient notice and guidance on what they are requesting to consider, mindful of the impact on resources and the constraints of the organisation. The Scrutiny Committee and its Panels will provide as much

notice as is possible when commissioning reports from council officers (minimum 8 weeks).

24. The management of the Work Plan will be with the whole Committee, with the Chair and Vice-Chair taking an organisational role between meetings.
25. Any councillor can put an item on the Scrutiny Committee agenda if they write to the Head of Law and Governance at least 10 working days before the meeting and the item is relevant to the Scrutiny Committee. All Councillor Calls for Action and Call-Ins will be considered at a public meeting of the Committee.
26. Members of the public can also suggest a topic for the Work Plan. Suggestions can be submitted in person or via email democraticservices@oxford.gov.uk.

Co-option

27. At the discretion of the Committee, residents and other specialists may be co-opted as non-voting members of the Committee, Standing Panels and Review Groups, as the subject matter dictates for a period ending no later than the day of the first meeting of the next council year. The Committee may discontinue an appointment at any time.

The convention is that the civic office holders i.e. the Lord Mayor, the Deputy Lord Mayor and the Sheriff will be selected for nomination to Council on the basis of cumulative length of service. Members of the Cabinet cannot service as Lord Mayor or Deputy Lord Mayor.

For each of the civic offices the Leader will offer the nomination, for the next municipal year, to the longest serving eligible councillor (based on cumulative service at the start of that municipal year) who has not held that particular office. Should that councillor decline the Leader will proceed to the next longest serving eligible councillor until the nomination is accepted.

Should there be two or more councillors with the same length of service the Leader will make offers in alphabetical order using last names.

The results of this process will be announced by the Leader at the February Council meeting or one as close to this as possible. In City Council election years the outcome will be checked before the Annual Council meeting and should any of the councillors selected no longer be members of Council the Leader will offer the nomination again based on the process already described above.

At the Annual Council meeting the Lord Mayor will be elected and the Deputy Lord Mayor and Sheriff will be appointed. The current Lord Mayor shall preside over the election of their successor unless they are ineligible to do so, in which case the current Deputy Lord Mayor shall preside. No councillor shall preside over their own election as Lord Mayor, Deputy Lord Mayor or Sheriff.

Members of the public who submit a question may withdraw it from consideration at the meeting, provided they notify democraticservices@oxford.gov.uk by 12noon on the day of the meeting that the question is due to be heard at. Before consideration of that item, Council will be informed that the question has been withdrawn, which will be reflected in the minutes.

(c) Number of questions

(d) Asking the question

The Lord Mayor will ask the questioner to ask their question. The member asked the question will answer it either orally at the meeting (speaking for a maximum of three minutes) or by referring to the availability of a written answer at the meeting. If the questioner or the councillor to whom the question is addressed is not present, the Chief Executive will have a reply sent with 10 working days. This will be copied to the councillor who would have been asked the question.

Questions and answers to questions cannot take longer than three minutes each unless the Lord Mayor agrees.

The total length of a question may be no longer than 200 words.

If a question is not taken because there is no time left, the Chief Executive will have a reply sent within 10 working days.

11.14 Rejecting addresses and questions

The Head of Law and Governance can reject a public address or question or a question on notice by a councillor, and the Lord Mayor can reject an address or question without notice, if:

- it is not about something the Council is responsible for or about something that directly affects people in the City or about a matter for decision at the meeting

- it requires the Council to make public exempt or confidential information (Part 15.4)

If an address or question is rejected by the Head of Law and Governance or the Lord Mayor reasons must be given.

11.15 Petitions to full Council

A petition containing at least 1,500 signatures will be debated at Council if the petition organiser makes a request for a debate in writing directly to the Head of Law and Governance. Debate on each petition is limited to 15 minutes in total. Any such petition must be debated individually and cannot be debated alongside any other item on the agenda.

Requests must be sent in writing, accompanied by the petition, to Head of Law and Governance at least 3 weeks prior to the Council meeting. Any petition presented as part of an address (11.12) directly to Council and that contains at least 1,500 signatures will not be debated at that meeting but at the next ordinary meeting.

Council will receive a report setting out the petition and the steps Council can take.

The petition organiser may address Council upon the petition for up to five minutes before the debate upon the petition at that next ordinary meeting.

If a Member wishes to put a substantive motion/recommendation on a petition they must let the Head of Law and Governance have that motion/recommendation by 10am on the working day before the Council meeting, indicating that the motion/recommendation is submitted in respect of a petition. These would then be published in the Council briefing note. Any such motion/recommendation on a petition will be considered as part of the debate on the petition and will not affect the rotation between the different political groups in relation to the order of Motions on Notice at each meeting. Any amendments to these would have to be with Committee and Members' Services by 11.00am on the day of the meeting.

Following debate on the petition, Council must pass a resolution agreeing the action it wishes to take.

11.16 Reports and questions about organisations on which the Council is represented

All councillors will be able to ask for a report to be given at Council by the council representative on a significant change or important event provided they make that request by 1.00 pm at least four working days before the meeting.

Members who are Council representatives on external bodies or chairs of council committees who consider that a significant decision or event has taken place, will

give notice to the Head of Law and Governance by 1.00 pm at least one clear working day before the meeting to present a written or oral report on the event or the significant decision and how it may influence future events.

Each ordinary meeting of Council shall receive a written report concerning the work of one of the partnerships upon which the Council is represented.

11.17 Reports by the Chair of the Scrutiny Committee

Each ordinary meeting of Council shall receive a written report from the Council's Scrutiny Committee on the work of the Committee. That report shall be included in the agenda of the meeting. The Chair of the Scrutiny Committee may report orally if there are matters arising from the work of the Committee that the Chair considers Council should know about without delay.

11.18 Motions on notice

(a) Giving notice of motions

Some motions may be moved without notice. These are listed at 11.19. For all other motions, with the exception of urgent cross-party motions, the full wording must be set out within the pro forma for motions supplied by officers and emailed by Group Leaders to democraticservices@oxford.gov.uk or received from Group Leaders by the Head of Law and Governance by 1.00 pm at least seven clear working days before the meeting. The Head of Law and Governance will review motions submitted after the submission deadline has passed and contact proposers by 5.00 pm at least seven clear working days before the meeting to confirm whether their motion is accepted or requires changes in order to comply with the provisions set out in the Constitution. Where changes are required, the Head of Law and Governance will provide advice on compliance to proposers and any changes must be emailed to democraticservices@oxford.gov.uk by 10.00 am at least six clear working days before the meeting. If the motion, incorporating the changes, complies with the Constitution it will be accepted; any changes received after 10.00 am at least six clear working days before the meeting will be rejected and the motion will not be listed on the agenda. Accepted motions will be reproduced on the agenda for the meeting.

Urgent cross-party motions supported in writing by all the Leaders of political groups on the Council may be submitted by 1.00 pm three working days before the Council meeting so that they may be circulated with the briefing note.

Councillors are strongly advised to engage with the relevant service areas well in advance of the submission deadline for motions, to ensure that the implications of a motion, if carried, can be determined.

(b) Topic of motions

Motions must be about things the Council is responsible for or something that directly affects people in the city. Where motions require some action on behalf of the Council, such actions must be clearly assigned.

(c) Length of motions

Motions must be limited to a maximum of 500 words.

(d) Listing motions on the agenda

Motions will appear on the agenda in an order that will rotate between the different political groups at each meeting. Subject to this rotation, motions will appear and be taken in the order they were received by the Head of Law and Governance:

- all cross party motions will be taken first:
- a cross-party motion is one supported in writing by all the leaders of the political groups on the Council
- a motion supported by fewer than all the political group leaders is not cross party and will be listed in the appropriate order for the proposer's group
- a single motion can be proposed and seconded by members of different political groups
- a single motion from an independent/ non-group councillor will be taken at the end of each 'cycle' of political groups' motions, listed in order of receipt

(e) Time limits

There is a time limit of 60 minutes for dealing with all motions but no time limit for dealing with each motion.

Where the time limit for dealing with motions has elapsed but Council is part way through debate on a motion, debate on that motion will conclude after the current speaker's time limit has elapsed and Council will immediately move to a vote on that motion unless the Council passes a motion to extend the time limit under 11.19(k).

(f) Amendments to motions (see also 11.20 (f))

Substantive amendments to motions must be submitted by 10.00 am on the working day before the Council meeting so that they may be circulated with the briefing note.

(g) Motion to remove the Leader

Any motion to remove the Leader and replace them with another Leader must be signed by no less than twelve councillors and emailed to democraticservices@oxford.gov.uk or received by the Head of Law and Governance by 1.00 pm at least seven clear working days before the meeting. This motion will be reproduced on the agenda for the meeting.

(h) Monitoring Officers' advice on motions

For motions to be effective they must be lawful and implementable.

The Monitoring Officer has a duty to ensure that the Council acts lawfully and properly and will review motions and motion amendments submitted by councillors prior to their publication to ensure they are consistent with these principles. If the Monitoring Officer has concerns that the publication or agreement of a motion or motion amendment submitted by a councillor would not be in the Council's interests, within these parameters, the Monitoring Officer will offer advice to the councillor who submitted the motion or motion amendment.

If the Monitoring Officer considers a motion or amendment to be unlawful, vexatious, defamatory, frivolous, offensive, beyond the powers and remit of the Council, related to employees or otherwise improper the Monitoring Officer will return it to the councillor who submitted it along with an explanation in writing about why it cannot be published in its current form.

The Monitoring Officer shall, if need be as a last resort, give a ruling as to whether the motion or amendment can be included on the agenda or briefing note circulated for the meeting.

(i) Implementation of any Council motion that has clear financial and/or resourcing implications will be subject to a report to the Cabinet setting out those implications.

The Lord Mayor can allow two or more amendments to be discussed together. But they must be voted on separately.

If any amendment is carried, the amended motion replaces the original motion. Any further amendments will be to the amended motion.

If any amendment is not carried, any further amendments will be to the original motion.

Where an amendment is submitted which the proposer of the original motion wishes to accept, they may change their own motion without notice to reflect the amendment, in accordance with the provisions set out in 11.20(h).

Where a minor technical or limited wording amendment is submitted, it will be debated and voted on immediately before debate on the motion or amendment to which it relates.

The same amendment cannot be moved twice.

(h) Councillor changing their own motion

A councillor can change a motion they have moved without notice if both the meeting and the seconder agree. The meeting will accept or reject the change without discussion by way of a vote.

The councillor can only make changes that could have been made as an amendment.

The councillor can only change their own motion to accept an amendment submitted and circulated with the briefing note, to propose a minor technical or limited wording amendment, or to make a minor spelling or grammatical amendment (see 11.20(f)).

(i) Right of reply

A councillor who moves a motion has a right to reply at the end of the debate, immediately before the vote.

If an amendment is moved, the councillor who moved the original motion has the right to reply at the end of the debate on the amendment immediately before the vote on the amendment but not before.

A councillor who moves an amendment has the right to reply immediately before the councillor who moved the original motion.

If an amendment to an amendment is moved, the councillor who moved the original amendment has the right to reply at the end of the debate on the

amendment to the amendment immediately before the vote on the amendment to the amendment but not before.

A councillor who moves an amendment to an amendment has the right to reply immediately before the councillor who moved the original amendment.

(j) Motions that can be moved during debate

When a motion is being debated, no other motions can be moved except for the following procedural motions:

- to withdraw a motion
- to go to next business (11.20(k))
- to move to a vote (11.20(k))
- to adjourn the meeting or debate (11.20 (k))
- to hold a meeting in private (when allowed under the access to information and key decision procedures (Part 15))
- to hear a councillor no further (11.24 (c))
- to exclude a councillor from the meeting (11.24 (d))

(k) Motions to end or postpone the debate

After a speaker has finished speaking any councillor can move to go to next business or propose to move to a vote or adjourn the debate or meeting. They must do this without comment.

If a motion to go to next business is seconded and the Lord Mayor thinks the meeting has discussed the item enough, the mover of the original motion will have the right of reply. Council will then vote on whether to go to next business. If Council agrees to go to next business, the original motion will not be voted on and will not become a resolution of Council. The original motion will not be included on the agenda of the next ordinary meeting unless resubmitted by the proposer in accordance with 11.18(a).

If a motion to move to a vote is seconded and the Lord Mayor thinks the meeting has discussed the item enough, Council will vote on whether to take the vote on the original motion. If Council decides to take the vote, the mover of the original motion will have the right to reply. Then Council will vote on the original motion without further debate.

If a motion to adjourn the debate or meeting is seconded and the Lord Mayor thinks it is not possible to give the item enough discussion at the current meeting, Council will vote on whether to adjourn. The mover of the original motion will not have the right of reply before this vote. If carried, the debate will be adjourned and the item included on the agenda of the next ordinary meeting and will be subject to usual time limits and political group rotations, unless withdrawn by the proposer.

(l) Points of order

A councillor can make a point of order at any time. The Lord Mayor will hear a point of order immediately. A point of order must be about the law or a Council procedure being broken. The councillor must say which law or procedure is

being broken and how. The Lord Mayor will consider the Monitoring Officer's advice when deciding on a point of order and the Lord Mayor's decision will be final.

(m) Points of personal explanation

A councillor can give a personal explanation at any time. This must be about something they have said in the past that they feel is now being misunderstood or misrepresented. The Lord Mayor will have the final say over what counts as a personal explanation.

11.21 Voting

(a) Majority

Unless the Constitution says otherwise, votes will be decided by a simple majority of councillors in their seats and voting.

(b) Lord Mayor's second or casting vote

If there is the same number of votes for and against, the Lord Mayor will have a casting vote.

(c) Method of voting

Votes can be:

- by the general agreement of the meeting, if there is no one against
- by show of hands
- named or recorded (11.21(d) and 11.21(e)).

(d) Named votes

Any ten councillors present at the meeting can ask for the minutes to name who voted for, who voted against and who abstained on a vote.

When Council is voting upon setting the Council's budget or setting the Council Tax a named vote must be taken. ¹

(e) Right to have individual vote recorded

1 Regulation 2 of the Local Authorities (Standing Orders) (England) (Amendment) Regulations 2014 provides that after any "budget decision meeting" the names of the persons who cast a vote for the decision or against the decision or who abstained from voting must be recorded. A "budget decision meeting" means a meeting of the relevant body at which it -

(i) makes a calculation (whether originally or by way of substitute) in accordance with any of sections 31A, 31B, 34 to 36A, 42A, 42B, 45 to 49, 52ZF, 52ZJ, of the Local Government Finance Act 1992; or

(ii) issues a precept under Chapter 4 of Part 1 of that Act, and includes a meeting where making the calculation or issuing the precept as the case may be was included as an item of business on the agenda for that meeting.

Any councillor can ask for the minutes to record whether they voted for or against or abstained on a vote. The request must be made immediately after the vote.

(f) Voting on appointments

If there are three or more candidates for a position and none has more than half the votes, the candidate with the fewest votes will be eliminated and a new vote taken. This will continue until one candidate has more than half the votes.

(g) Voting on reports where the recommendation is 'to note'

Where the recommendations of a report are for Council 'to note' its contents, there is no requirement for a proposer, seconder, or vote and Council may note the report via general assent.

11.22 Officers

Council will consider whether to exclude the public before discussing the conditions, supervision, dismissal or conduct of any officer or former officer.

11.23 Excluding the public

The public can only be excluded if it is under the access to information rules (Part 15) or if they are making a personal attack (11.12 (i)) or disrupting the meeting (11.23).

11.24 Councillors' behaviour

(a) Speaking at Council

When they speak at Council, councillors must address the Lord Mayor. Only one councillor may speak at any one time.

(b) Lord Mayor standing

If the Lord Mayor stands during a debate, any councillor who is speaking must stop speaking. The meeting must be silent.

(c) Councillor not to be heard further

If a councillor keeps on disrupting the meeting, the Lord Mayor can move that the councillor is not heard further. If seconded, the motion will be voted on without being discussed.

(d) Councillor to leave the meeting

If Council has voted not to hear a councillor further and the councillor continues to disrupt the meeting, the Lord Mayor can move that the councillor leaves the meeting or that the meeting is adjourned. If seconded, the motion will be voted on without being discussed.

(e) General disturbance

If a group of councillors are making it impossible for Council to do its business, the Lord Mayor can halt the meeting for as long as necessary.

11.25 Disruption by the public

(a) Disruption by an individual

If a member of the public is disrupting the meeting, the Lord Mayor will warn them. If they carry on disrupting the meeting, the Lord Mayor can halt the meeting until they leave.

(b) Clearing part of the meeting room

If there is a general disturbance in a part of a meeting room open to the public, the Lord Mayor can have the area cleared.

11.26 Suspending and changing the procedures in this section

(a) Suspending the procedures in this section

All the Council procedures in this section can be suspended except 11.8 (changing the order of business), 11.9 (b) (no minutes at annual or special meetings) and 11.20 (e) (right to have individual vote recorded). A procedure can be suspended if at least half of all councillors are present and there is a simple majority in favour. No notice is needed for a motion to suspend a procedure. Procedures can only be suspended until the end of the meeting.

(b) Changing the Council procedures in this section

Any motion to change the procedures in this section must be proposed and seconded. After this, it will not be discussed until the next ordinary meeting of Council.

Annex 1 to Part 11: Council procedures

Oxford City Council petitions scheme

We will treat something as a petition if it is identified as being a petition and if it is formally submitted to the relevant Head of Service or the Head of Law and Governance.

A petition containing at least 1,500 signatures will be debated at full Council if the petition organiser makes a request for a debate in writing directly to Head of Law and Governance, accompanied by the text of the petition and the list of signatures, and a link to the petition if relevant. Petitions run through petition sites must be formally submitted by the organiser at the end of the signature gathering period: simply setting the petition up on such a site does not constitute formal submission.

Petitions submitted to the Council must include:

- A clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take.
- The name and address and signature of any person supporting the petition. Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition. If the petition does not identify a petition organiser, we will not be able to respond to the petition.
- Petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be accepted and we will not take any action on these.
- In the period immediately before an election or referendum we may need to deal with your petition differently. If this is the case we will explain the reasons and discuss the revised timescale which will apply.
- The Council will consider all the specific actions it can potentially take on the issues highlighted in a petition and may take such action as is appropriate.
- If we can do what your petition asks for, we may confirm what action we have taken.
- If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, such as Council tax banding and non-domestic rates, other procedures apply. Further information on all these procedures can be obtained from the Head of Law and Governance or by telephoning 01865 252230.
- If we are not able to take action (for example if what the petition calls for conflicts with council policy; involves other partners or parties; is not within our control; is unaffordable, impractical or not legal; or conflicts with other priorities of the community), then we will tell you this. You can find more information on the services for which the council is responsible on our About Us page on our website.

Constitution - Oxford City Council

- If your petition is about something over which the Council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body or where possible will work with our partners to respond to your petition.
- If your petition is about something that a different Council or body or agency is responsible for we will tell you and ask you to send the petition to them.

12.9 Forward Plan

12.10 Councillors speaking at meetings

12.11 Councillors speaking on neighbourhood issues

12.12 Gaps in these procedures

12.1 Who carries out executive responsibilities within the Council?

Executive responsibilities are carried out by the Leader, the Cabinet or delegated to officers.

12.2 Date and place of meetings

The Cabinet meets on dates agreed by the Leader. Meetings are at the Town Hall or another place agreed by the Leader.

12.3 Quorum

The quorum is three. Substitutes are not allowed.

12.4 Vacancies on the Cabinet

A councillor can resign from the Cabinet by writing to the Head of Law and Governance. If a Cabinet member resigns from the Cabinet or stops being a councillor, the Leader may replace that Cabinet member and any replacement will become effective upon notification of the name of the new Cabinet member to the Head of Law and Governance.

12.5 How are decisions taken at Cabinet meeting?

Decisions are taken by a majority of members present and voting. If there is the same number of votes for and against, the chair can use a casting vote. Voting is by show of hands.

Any councillor can ask for the minutes to record whether they voted for, voted against or abstained on a vote. The request must be made immediately after the vote.

12.6 Who chairs Cabinet meetings?

The Leader will chair Cabinet meetings or appoint someone else to chair them.

If the Leader or the person they have appointed is absent, the Cabinet can appoint another Cabinet member to act as chair. If the Leader or the person they have appointed arrives part of the way through a meeting, the acting chair will finish the item they are on and hand over the chair.

12.7 Order of business

The order of business will be:

- (a) declarations of interest
- (b) addresses and questions by members of the public, 15 minutes in total.

Members of the public can submit questions in writing about any item for decision at the meeting. Questions, stating the relevant agenda item, must be received by the Head of Law and Governance by 9.30am two working days before the meeting (e.g. for a Thursday meeting, the deadline would be 9.30 am on the Tuesday). Questions can be submitted either by letter or by email (cabinet@oxford.gov.uk).

Answers to the questions will be provided in writing at the meeting; supplementary questions will not be allowed. If it is not possible to provide an answer at the meeting it will be included in the minutes that are published on the Council's website within 2 working days of the meeting.

The Chair has discretion in exceptional circumstances to agree that a submitted question or related statement (dealing with matters that appear on the agenda) can be asked verbally at the meeting. In these cases, the question and/or address is limited to 3 minutes, and will be answered verbally by the Chair or another Cabinet member or an officer of the Council. The text of any proposed address must be submitted within the same timescale as questions.

For this agenda item the Chair's decision is final.

- (c) councillor addresses on any item for decision on the Cabinet's agenda
- (d) councillor addresses on neighbourhood issues (10 minutes)
- (e) reports from the Scrutiny Committee

Cabinet will respond to Scrutiny reports within two months of the date of the Cabinet meeting unless the Chair of the Scrutiny Committee agrees otherwise.

- (f) items for decision, including reports from Cabinet members
- (g) items raised by Cabinet members.

Such items must be submitted within the same timescales as questions and will be for discussion only and not for a Cabinet decision. Any item which

requires a decision of the Cabinet will be the subject of a report to a future meeting of the Cabinet.

(h) minutes of the last meeting.

This procedure can be suspended if at least half of all the voting members are present and there is a simple majority in favour. It can only be suspended until the end of the meeting.

12.8 Who can put items on the Cabinet agenda?

The Chief Executive, Monitoring Officer or Chief Finance Officer can put an item on the agenda if it will help them carry out their duties in those roles. If the item is urgent, they can require a special meeting to consider it.

No one else can put items on the agenda.

12.9 Forward Plan

All matters on the Cabinet agenda must have appeared on the Forward Plan (Part 15.16)

12.10 Councillors speaking at meetings

Oxford City councillors may, when the chair agrees, address the Cabinet on an item for decision on the agenda (other than on the minutes). The member seeking to make an address must notify the Head of Law and Governance by 9.30am at least one working day before the meeting, stating the relevant agenda items. An address may last for no more than three minutes. If an address is made, the Cabinet member who has political responsibility for the item for decision may respond or the Cabinet will have regard to the points raised in reaching its decision.

12.11 Councillors speaking on neighbourhood issues

At each meeting 10 minutes is available for any City Councillor to raise local issues on behalf of communities directly with the Cabinet. The member seeking to make an address must notify the Head of Law and Governance by 9.30am at least one clear working day before the meeting, giving outline details of the issue. Priority will be given to those members who have not already addressed the Cabinet within the year and in the order received. Issues can only be raised once unless otherwise agreed by the Cabinet. The Cabinet's responsibility will be to hear the issue and respond at the meeting, if possible, or arrange a written response within 10 working days.

12.12 Gaps in these procedures

If there is a gap in these procedures, the chair of the Cabinet will decide what to do.

- 13.16 Guest speakers at Scrutiny Committee
- 13.17 Gaps in these procedures

13.1 Number of scrutiny committees

Council has appointed one Scrutiny Committee.

13.2 Membership of the Scrutiny Committee

(a) Members of the Scrutiny Committee

The Scrutiny Committee has twelve members. The number of members from each political group will be in proportion to its size.

Members of the Scrutiny Committee and their substitutes must be councillors but they cannot be members of the Cabinet.

(b) Conflicts of interest

Members of the Scrutiny Committee should not scrutinise decisions they have made but such occurrences will be rare because no member of the Cabinet can be a member of the Scrutiny Committee.

(c) Substitutes

Members of the Scrutiny Committee can send other councillors as substitutes. These will have the powers of an ordinary member of the committee.

Substitutions must be for a whole meeting. A councillor cannot take over from their substitute or hand over to them part of the way through. There is one exception to this: a member of the committee may not send a substitute to a meeting at which a scrutiny review is being conducted and which will continue to be conducted at a subsequent meeting.

If a councillor wants to send a substitute, they must tell the Head of Law and Governance the name of their substitute before the meeting.

Substitutes cannot appoint substitutes of their own. Substitutes cannot be members of the Cabinet. Substitutes cannot be appointed to attend meetings of a panel or review group established by the Committee.

(d) **Procedures when a Councillor resigns from the Scrutiny Committee**

A councillor can resign from a committee by writing to the Head of Law and Governance. A replacement member will be appointed at the next Council meeting.

(e) **Procedure when a Scrutiny Committee member stops being a councillor**

If a Scrutiny Committee member stops being a councillor, a replacement member will be appointed at the next Council meeting.

13.3 Co-opted members of the Scrutiny Committee

The Scrutiny Committee can appoint non-voting co-opted members to serve for a specific policy review or until the next annual Council.

13.4 Scrutiny Committee meetings

The Scrutiny Committee meets on dates set by Council. If it needs to have extra meetings, it sets the dates of these meetings itself.

The Head of Law and Governance or the Scrutiny Committee itself can decide to call a special meeting.

The Head of Law and Governance can be instructed to call a special meeting by the chair of the Scrutiny Committee or any four Councillors. The instruction must be in writing and must describe the business to be done.

The Head of Law and Governance will consult the chair about the time and place of a special meeting.

Special meetings will only deal with the business they have been called to deal with.

If a Scrutiny Committee has nothing to do at one of its fixed meetings, the Head of Law and Governance can cancel it after consulting the chair.

13.5 Quorum

The quorum for the Scrutiny Committee is four.

13.6 Chair and Vice Chair of Scrutiny Committee

(a) **Election of Chair and Vice Chair**

The Scrutiny Committee will elect a Chair and Vice Chair from among its voting members at the first meeting after annual Council. The chair of the Scrutiny Committee must be an opposition councillor.

(b) Resignation of Chair or Vice Chair

If a councillor wants to resign as Chair or Vice Chair, they must write to the Head of Law and Governance. A new Chair or Vice Chair will be elected at the Committee's next ordinary meeting.

13.7 Programme of work

The Scrutiny Committee sets its own programmes of work but must review anything it is asked to review by Council (13.8(c)).

13.8 Agenda

(a) Putting items on the agenda

Any councillor can put an item on the Scrutiny Committee agenda if they write to the Head of Law and Governance 10 working days before the meeting. The item must be relevant to the Scrutiny Committee.

(b) Speaking on agenda items

Any member of the public and any councillor who is not a member of the Scrutiny Committee can speak on an agenda item if the Chair agrees. The Chair will decide how long they can speak for.

(c) Requests for reviews from Council

The Scrutiny Committee must review anything Council asks it to review as soon as it can make space in its programme of work.

(d) Requests for reviews from the Cabinet

The Scrutiny Committee can (but does not have to) review things the Cabinet asks it to review.

13.9 Policy review and development

The Scrutiny Committee's role in developing the budget and policy framework is referred to in Part 16.2.

In areas that are not covered by the budget and policy framework, the Scrutiny Committee can suggest policies for the Cabinet to develop.

The Scrutiny Committee can hold inquiries and consider future policy. This may involve appointing advisers, inviting witnesses, making site visits, holding public meetings, commissioning research or doing anything else that is necessary.

13.10 Reports on scrutiny reviews

(a) Committee report

At the end of each policy review, the Scrutiny Committee will send a report to the Cabinet (if it is about executive responsibilities) or to Council (if it is about Council responsibilities).

(b) Minority report

For each policy review, there can be a minority report giving any dissenting views. The Cabinet or Council will consider the minority report at the same time as the committee report.

(c) Which report is the committee report and which is the minority one?

Each committee member can sign one report but no more than one. The report with the most signatures will be the committee report.

(d) Timing

Once a report reaches the Head of Law and Governance:

- The Cabinet must consider it at its next ordinary meeting if it is about executive responsibilities
- Council must consider it at its next ordinary meeting if it is about Council responsibilities.
- In each case if the next meeting is within seven clear working days of the report reaching the Head of Law and Governance then the report will go to the next meeting after that.

13.11 Arrangements for the Cabinet to comment on reports to Council

When the Scrutiny Committee sends a report to Council, the Head of Law and Governance will send a copy to each member of the Cabinet. Council must consider Cabinet member comments on anything that affects the budget and policy framework.

13.12 Scrutiny Committee members' rights to see documents

Scrutiny Committee members' rights to see document are set out in Part 15.11.

13.13 Duty of Cabinet members and officers to attend the Scrutiny Committees

(a) Duty to attend

The Scrutiny Committee can require members of the Cabinet and officers in the senior management structure (Part 9.1) to attend meetings and answer questions about:

- their performance

- decisions they were involved in
- the extent to which they have followed the budget and policy framework

The Scrutiny Committee can also require Cabinet Members and their advisors to attend and answer questions about shareholder decisions relating to companies wholly or partly owned by the Council and the performance of those companies.

(b) Procedure for attending

The Head of Law and Governance will tell the councillor or officer that they are required to attend, what it is about and whether they need to produce a report or provide papers.

The councillor or officer must be given reasonable time to compile information.

13.14 Whipping

Political groups should not pressure their members over how they speak or vote at Scrutiny Committee meetings.

13.15 Order of business at the Scrutiny Committee

The order of business will be:

- Election of Chair (at the first meeting after annual Council or after the post becomes vacant or if the Chair and Vice Chair are absent)
- Election of Vice Chair (at the first meeting after annual Council or after the post becomes vacant)
- Apologies for absence
- Declarations of interest
- Minutes of previous meeting
- Any decisions that have been called in
- Scrutiny work plan
- Cabinet responses to Scrutiny recommendations
- Anything else on the agenda
- Dates of future meetings

The Chair has the discretion to amend the order of the agenda items.

This order can be suspended if at least half of all the voting members are present and there is a simple majority in favour. It can only be suspended until the end of the meeting.

13.16 Guest speakers at Scrutiny Committee

Guest speakers should be treated with politeness and respect.

13.17 Gaps in these procedures

If there is a gap in these procedures, the Chair will decide what to do.

- General Purposes Licensing Committee
- General Purposes Licensing Casework Sub-Committee
- Licensing and Gambling Acts Committee
- Licensing and Gambling Acts Casework Sub-Committee
- Planning Review Committee
- Standards Committee

14.2 Appointment and membership of committees

Council is responsible for appointing and dissolving committees and for agreeing their membership and roles. Committees are responsible for appointing any sub-committees. Apart from the Licensing and Gambling Acts Committee and any sub-committees it appoints the number of members from each political group on

committees will be in proportion to the size of the group. When appointing to committees or sub-committees where political balance requirements apply, Council or the committee making the appointment will have regard to the nominations made by political groups and will only deviate from appointing those members in exceptional circumstances with reasons.

There must always be at least one scrutiny committee and a committee that carries out responsibilities under the Licensing Act 2003 and the Gambling Act 2005.

14.3 Quorums and substitutes

Committee	Size	Quorum	Substitutes
Appointments Committee	5 (including at least one member of the Cabinet)	3 (including at least one member of the Cabinet)	Permitted
Planning Review Committee	9	5	Permitted. Councillors should not sit or substitute unless they have undertaken compulsory planning and development control training (held every two years)

If quorum cannot be made 15 minutes after the advertised start of the meeting, the meeting is cancelled.

14.4 Vacancies on committee

(a) Procedure when a councillor resigns from a committee

A councillor can resign from a committee by writing to the Head of Law and Governance. A replacement will be appointed at the next Council meeting.

(b) Procedure when someone stops being a councillor

If someone stops being a councillor, any replacement committee member will be appointed at the next Council meeting.

14.5 Chair and Vice Chair

(a) Election of Chair and Vice Chair

The Chair and Vice Chair are elected each year at the first meeting of the committee after Annual Council.

The Chair and Vice Chair of all the committees must be councillors.

The Chair of the Audit and Governance Committee must not be a member of the Cabinet.

The voting procedure for the election of Chair (and in so far as the same principles apply, Vice Chair) is as follows:

- (i) Each voting member of the committee will be entitled to one vote.
- (ii) The Committee and Member Services Officer will invite nominations for Chair, which will need a proposer and seconder.
- (iii) Proposers and nominees may be invited to briefly address the committee on why they should be elected.
- (iv) Where there are one or two nominations, the Chair will be elected by a majority of those present and voting. Where there is one nomination, the nominee must be proposed and seconded but no vote is required; the Chair would be elected unopposed.
- (v) Where there are more than two nominations, votes will be taken for each nominee (each member can only vote for one candidate). If one nominee receives a majority of the votes from those members present and voting, then they will be elected as Chair. If not, then the candidate with the lowest number of votes will be eliminated and the committee will vote again (as before each voting members has one vote), until one nominee receives a majority of the votes from those members present and voting.
- (vi) In circumstances where there is a tie in the number of votes for nominees, lots will be drawn (or similar). This would also apply to members tied for elimination in circumstances where there are more than two nominees.
- (vii) Members can be nominated and elected as Chair in their absence in which case the Vice Chair will assume the chair for the meeting.

(b) If the Chair and Vice Chair are absent

If the Chair and Vice Chair are absent, a committee can elect another councillor to chair the meeting. If the Chair or Vice Chair arrives part of the way through the meeting, the acting chair will finish the agenda item they are on and hand over the Chair (unless the Chair or Vice-Chair has appointed a substitute) (14.7)

(c) Resigning as chair or vice chair

If a councillor wants to resign as Chair or Vice Chair, they must write to the Head of Law and Governance. A new chair or vice chair will be elected at the committee's next ordinary meeting.

14.6 Meetings of committees and sub-committees

(a) Cancelling or rescheduling a meeting

If a committee has insufficient business for one of its fixed meetings, the Head of Law and Governance can cancel or reschedule it after consulting the chair of the committee or sub-committee.

The Head of Law and Governance may cancel or reschedule a meeting in exceptional circumstances in consultation with the Chair, Group Leaders and the Chief Executive, if the agenda has not already been published. This is with the exception of Licensing and Gambling Acts Casework Sub-Committee, which may be cancelled where the agenda has been published, if the meeting is no longer required.

(b) Special meetings

The Head of Law and Governance or the Chief Executive can arrange a special meeting after consulting the chair of the committee or sub-committee.

Special meetings will only deal with the business they have been called to deal with.

15.1 Meetings affected by these procedures

The key decision procedures (15.14 to 15.19) apply to executive decisions.

The rest of the procedures in this section apply to Council, Cabinet and committee meetings.

15.2 Other rights to information

These procedures do not affect any other rights to information under the law and this Constitution.

15.3 Public's rights to attend meetings

The public can attend meetings, except when confidential or exempt information is being discussed (15.4). The public also have the right to record meetings that are held in public.

15.4 Exceptions to public's right to attend meetings

- (a) Confidential information – must meet in private

The meeting must be conducted in private when confidential information is likely to be discussed.

Confidential information is information that is prevented from being made public by court order or a government department that has provided the information.

(b) Exempt information – can meet in private

The meeting can be held in private when exempt information is likely to be discussed.

The Cabinet meeting can be held in private provided that 28 days' notice has been given of that meeting in the Forward Plan on the Council's website.

The notice must include a statement of the reasons for the meeting to be held in private.

Any representations made and the Council's response must be included in the agenda for the meeting.

If notice of a private meeting has not been given in the manner specified it can still take place providing:

- the Chair of the Scrutiny Committee (or the Lord Mayor or the Deputy Lord Mayor in their absence) agrees: and
- it is included in the Forward Plan at the earliest opportunity and reasons are given as to why the decision to be made in private cannot wait.

Where an officer makes an executive decision and the publication of that decision includes exempt information then it must be advertised in the same way.

(c) Information is exempt if it would not be in the public interest to publish it and it falls into one or more of the categories set out below identified in Schedule 12A to the Local Government Act 1972:

a. Information about individuals

- Information relating to any individual (paragraph 2, Schedule 12A, Local Government Act 1972)

- e. Information about legal action

 - (i) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - (ii) to make an order or direction under any enactment (paragraph 6)
- f. Information about action to deal with a crime
Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime (paragraph 7)

(d) Disorderly conduct – exclusion of members of the public

A member or members of the public can be excluded from the meeting in order to maintain orderly conduct or prevent misbehaviour.

15.5 Reports that are expected to be considered in private

If the Monitoring Officer expects that a report will be considered in private (15.4), it will not be made available to the public. It will be marked “not for publication” and will say what category of information is involved.

15.6 Notice of meetings

At least five clear working days before each meeting, the Council will post details of the meeting at the Town Hall and on the Council’s website subject to copies being made available to members of the decision-making body first.

15.7 Background papers

Each report will include a list of background papers if there are any. Background papers are papers that have been relied on when writing the report. They do not include published works or documents that contain exempt or confidential information (15.4). All background papers will be published on the Council’s website.

15.8 Access to meeting papers before a meeting

The agenda and reports will be available at the Town Hall at least five clear working days before a meeting subject to copies being made available to members of the decision making body first. If an item or report is added later, it will be made available as soon as it is added.

Copies of the agenda, reports and background papers will be available for public inspection. The agenda, reports and background papers will also be available on the Council's website at least five clear working days before a meeting. Members of the public may register for email alerts of the publication of an agenda and accompanying reports. They may also subscribe annually for paper copies subject to payment of a charge.

15.9 Access to meeting papers after a meeting

For six years after a meeting, the Council will make available:

- The agenda and reports
- The minutes (except for items that were considered in private because they were exempt or confidential). These will be made available within 10 working days of the meeting and, for executive decisions, they will record the reasons for the decision, any alternatives considered and any interests declared
- A summary of any business that was not open to the public if the minutes available to the public do not give a reasonable record.

For four years after the meeting the Council will make available the background papers to a report.

15.10 Summary of the public's rights

A summary of the public's rights to attend meetings and to inspect and copy documents will be available at the Town Hall.

15.11 Access to documents by members of the Scrutiny Committees

Members of the Scrutiny Committees have a right to copies of any documents seen or controlled by the Cabinet that are relevant to decisions taken by the Cabinet or key decisions taken by officers except for:

- Advice given by a political assistant
- Exempt or confidential information (unless it is relevant to something being scrutinised)
- Any draft of reports to be considered by the Cabinet.

15.12 Extra rights of access to information for councillors

Any councillor can look at any documents seen or controlled by the Cabinet that are relevant to:

- Decisions to be taken by the Cabinet in public
- Decisions taken by the Cabinet in private
- Key decisions taken by officers.

But this does not apply to:

- Information about individuals
- Information about the possible terms of a contract the Council is negotiating
- Labour relations information
- Information that could be considered legally privileged
- Information about action to deal with a crime
- Advice given by a political assistant
- Any document in draft form (except for draft documents approved by the Cabinet for consultation).

This right is additional to any other rights the councillor has.

Any councillor may attend private meetings of Cabinet.

15.13 Councillors' duty not to pass on confidential or exempt information

Councillors must not pass on exempt information that has not been made public or confidential information (15.4). If they do this, they may be breaking the Members' Code of Conduct (Part 22).

15.14 Key decisions

A key decision is an executive decision likely to:

- Have a significant effect on people living or working in a least two wards or
- Involve spending, income, or saving a significant amount – whether an amount is significant depends on the Council's total budget for the service involved. For this Council 'significant' in budgetary terms is:
 - a. Expenditure, income, or savings of £500,000 or greater in the context of the medium term financial strategy,
 - b. Contract awards with a value of £1,000,000 or greater
 - c. Acquiring or disposing of freeholds or leaseholds with a consideration or premium over £500,000 in the context of the medium term financial strategy except for disposals pursuant to right to buy legislation
 - d. Acquiring or disposing of leases with a rental value over £125,000 each year except statutory lease renewals under Part II of the Landlord & Tenant Act 1954.

15.15 Procedures before taking key decisions

When a key decision is taken, it must have been published in the Forward Plan (see 15.16) for a period of 28 days before the decision is taken unless it is urgent (15.17).

If a key decision is taken by the Cabinet or a single Cabinet Member, the report must say that it is a key decision.

15.16 The Forward Plan

(a) Period of Forward Plan

The Head of Law and Governance will prepare a Forward Plan at least every month. Each plan will start with the first day of the next month and cover at least four months.

(b) What is in the Forward Plan?

The Forward Plan will list:

- Any key decisions that are going to be taken.
- Any decisions that are going to be taken by the Cabinet
- Any decisions that are going to be taken by the Cabinet where the report, in whole or in part, will be taken in private

For each decision, it will say:

- What the decision is about
- Who will take the decision
- When the decision will be taken
- How to comment and when by

15.17 Urgent key decisions

If a key decision has not been included in the Forward Plan for 28 days, it can still be taken in exceptional circumstances if it is not practicable to put it in the plan and wait 28 days before the decision is taken.

Before taking a key decision that has not been included in the Forward Plan, the Head of Law and Governance must write to the Chair of the Scrutiny Committee (or each member of the committee if there is no chair) and make copies of the letter available to the public at the Council's offices and publish it on the Council's website.

The decision cannot normally be taken until five clear working days after the chair is told.

Where it is not reasonable or practicable to wait until five clear working days have elapsed to take the decision, the Head of Law and Governance must write to the Chair of the Scrutiny Committee (or the Lord Mayor where there is no chair) to obtain agreement that the making of the decision is urgent and cannot reasonably be deferred. As soon as possible after the authority to take the urgent key decision has been obtained the Head of Law and Governance shall make available to the public at the Council's offices and publish on the Council's website a notice saying why 28 days' notice has not been given.

At least once a year the Leader must report to the Council on the number and nature of key decisions taken under 15.17 (Urgent key decisions).

15.18 Reports to Council on decisions that were not in the Forward Plan

The Scrutiny Committee can require the Cabinet to report to Council if a decision has been taken that the committee considered should have been treated as a key decision, explaining the reasons for it and why the Cabinet considered the decision not to be key.

Normally the Cabinet will report to the next ordinary Council meeting. But if the next meeting is within seven days of the request for a report, the Cabinet will report to the next meeting after that.

At least once a year the Leader must report to the Council on the number and nature of key decisions taken under 15.17.

15.19 Key decisions taken by officers

When an officer takes a key decision, notice of it must be given in the Forward Plan as required in 15.15. The officer must produce a record of it as soon as possible. The record will then be published by Democratic Services and the deadline for call in will be within two working days of the decision being published. The record of the decision will include the reasons for the decision, any alternatives considered and any interest declared by any Cabinet member they have consulted. Information does not have to be made public under this rule if it is exempt or confidential (15.4).

15.20 Executive decisions taken by officers

When an officer takes an executive decision that is not a key decision they must as soon as possible afterwards produce a record of it. This will include the reasons for the decision, any alternative considered and any interest declared by any Cabinet member they have consulted. Information does not have to be made public under this rule if it is exempt or confidential (15.4). The record of the decision taken and any associated report must be available to the public and published on the Council's website.

- (c) The Cabinet's proposals will go to Council as soon as possible.
- (d) Council can:
 - Accept the Cabinet's proposals
 - Refer the proposals back to the Cabinet, or
 - Change the proposals, for example by adopting proposals of its own.
- (e) If Council accepts the Cabinet's proposals without any changes, the decision will come into force immediately.
- (f) If Council changes the Cabinet's proposals, it will be an in principle decision only.
- (g) The Leader will be given a copy of an in principle decision. The in principle decision will come into force unless the leader objects in writing to the Head of Law and Governance within five clear working days, giving reasons.
- (h) If the Leader object to an in principle decision, Council will meet again within 10 further working days. At the meeting, Council can accept the Cabinet's proposals or change them.

 - the Chair of the Scrutiny Committee agrees that the decision is urgent. (If the Chair of the Scrutiny Committee is absent, the Lord Mayor can agree that the decision is urgent. If the Lord Mayor is absent, the Deputy Lord Mayor can agree).
- (b) The record of the decision must say why it was not practicable to arrange a meeting of Council. It must also say that the Chair of the Scrutiny Committee (or Lord Mayor or Deputy Lord Mayor) agreed that the decision was urgent.
- (c) The decision taker must take a full report to the next ordinary Council meeting explaining the decision. This must say why the decision was taken, why it was urgent and why it was not practicable to arrange a meeting of Council. If the next meeting is within seven days of the decision being taken the decision taker will report to the next meeting after that.

17.4 How are decisions called in?

Decisions are called in by sending notice of call-in to the Head of Law and Governance or emailing it to the internal call-in mailbox. Councillors must confirm their support to a call-in individually for it to be valid; one email with the other individuals copied in is not sufficient.

All planning call-ins must be supported by relevant material planning considerations. If an executive decision is being called in because it is believed to be outside the budget and policy framework, the notice of call-in must say so.

When a decision is called in, the Head of Law and Governance will tell the officer or ward member or the chair of the body that took the decision, or in the case of call-in of a planning decision to be taken by the Head of Planning Services, the Head of Planning Services.

17.5 Where are decisions called in to?

(a) The table shows where decisions are called in to

The Oxford City Planning Committee or Planning Review Committee will decide the planning application.

17.7 What happens when a decision is called in to the Scrutiny Committee?

The Scrutiny Committee can decide to:

- support the decision, which can then be acted on immediately, or
- send the decision back with its comments to the Cabinet or ward member or officer, who will then take a final decision, or

 - send the decision back with its comments to the Cabinet or ward member or officer, who will then take a final decision.
- (c) If the decision is outside the budget or policy framework, it will go as a recommendation to Council, along with any comments from the Scrutiny Committee. Council can then:
- make the Cabinet reconsider the decision, or
 - change the budget or policy framework so that the decision is within it – the decision can then be acted on immediately.

17.9 Urgent decisions

A decision to be taken cannot be called in if the Chair of the Scrutiny Committee, upon being consulted, agrees that:

- the decision to be taken is both urgent and reasonable and
- the delay caused by the call-in process would not be in the interests of the Council or the public.

If the Chair of the Scrutiny Committee is not available, the Lord Mayor must agree that the decision to be taken is urgent and reasonable. If the Lord Mayor is not available, the Deputy Lord Mayor, Chief Executive or Monitoring Officer must agree.

(d) Responsibilities of Line Managers

Line managers must make sure their staff understand and follow these Rules and any procedures and associated guidance by the Head of Financial Services.

(e) Responsibilities of all Officers

Officers must be familiar with these Finance Rules and the Contract Rules and must understand how they affect their work. If any officer is unclear about these Rules, they must get advice before acting. They would normally get advice from their line manager but they can also talk to finance staff. Officers must ensure they are using the latest version of these Rules. This will always be the version in the Constitution available on the intranet. Officers must show the highest standards of financial probity. As well as following these Rules, they must use their common sense and judgement. The Council may take disciplinary action and/or legal action against anyone who breaks these rules.

18.2 Audit

(a) Internal Audit

In accordance with the Accounts and Audit Regulations for the time being in force the City Council is responsible for ensuring an 'adequate and effective system of internal audit'. The Head of Financial Services has responsibility for monitoring adherence to the Audit Plan. Audits will be carried out in accordance with guidelines issued by the Chartered Institute for Public Finance and Accountancy. At the commencement of the financial year the Audit and Governance Committee will approve an audit plan for that year. At each of its meetings the Audit and Governance Committee will receive an update report on the progress made in delivering the plan including progress on implementation of internal and external audit recommendations.

(b) External Audit

Auditors review the Council's financial and management systems and report annually to the Audit and Governance Committee on the adequacy of the Council's internal controls. Auditors have the right to inspect all records held by the Council.

The Council's auditors undertake an annual audit of the Council's Statement of Accounts. They also audit specified grant claims and report annually on the Council's governance framework and delivery of best value. Auditors have the right to inspect records and to ask for information and explanations. The Head of Financial Services has overall responsibility for liaising with the external auditors.

18.3 Non-compliance with these Rules

If officers suspect that these Rules have not been complied with, or they suspect fraud, corruption or poor value for money, they must tell their line manager (unless their line manager is involved). The Council's Whistle Blowing Policy (18.25) has guidance on what to do if a line manager is involved. If these Finance Rules or the Avoiding Bribery Fraud and Corruption Policy have been breached, the Head of Financial Services must be advised in writing by the line manager as soon as possible.

18.4 Information and records

The Head of Financial Services is responsible for the Council's accounting system, the form of accounts and its supporting financial records. The Head of Financial Services will ensure that accounting records are sufficient to comply with the Accounts and Audit Regulations for the time being in force.

18.5 VAT and Tax

The Head of Financial Services is responsible for keeping tax records, advising on tax, making tax payments, receiving tax credits and submitting tax returns. The Head of Financial Services will advise officers on the appropriate records to be maintained.

18.6 Insurance

The Head of Financial Services will be responsible for establishing adequate insurance cover for the Authority including the amount of excess and the extent to which self-insurance is undertaken.

18.7 Budget Setting

On an annual basis the Head of Financial Services shall submit to Council a programme of capital expenditure and estimates of revenue income and expenditure for Council services for at least the proceeding four years. Council will set a Council Tax for General Fund services and a weekly Council house rent for the ensuing year. The Audit and Governance Committee will set the Council Tax Base.

18.9 Estimates and Reserves – Robustness and Adequacy

It is the duty of the Head of Financial Services to report on the robustness of the estimates and the adequacy of reserves when the Council is considering its budget requirement and Council is required to have regard to this advice.

18.10 Budgetary Control

On-going budget management and control is necessary to ensure that approved budgets are used only for their intended purpose and accounted for and reported correctly and that Council services are delivered within budget.

(a) General Principles of the Budgetary Control Framework

The following are the general principles:

- All budgets are assigned a Head of Service or Executive Director who are accountable for the control and management of that budget in accordance with these Rules and any financial procedures or guidance issued by the Head of Financial Services
- Heads of Service will report on their budget on a regular basis to the Head of Financial Services in a format and timeframe prescribed by the Head of Financial Services.
- The Head of Financial Services will validate the information provided by the Heads of Service and report periodically to relevant Officers and to the Cabinet on a quarterly basis. The report will include the projected outturn position, any associated risks and mitigating actions to be taken as well as the impact on future year budgets.
- The relevant Head of Service or Executive Director are the officers accountable for authorising the commitment of resources against the budget.

(b) Virement Rules – Revenue and Capital

A virement is an approved reallocation of resources between cost centres. The scheme of virement enables budget holders to manage their budgets with a degree of flexibility and therefore to provide an opportunity to optimise their use of resources according to changing needs.

All virements must be notified in writing to the Head of Financial Services in a form prescribed by the Head of Financial Services. Permanent virements are permitted following consultation and agreement with the Head of Financial Services.

Virements are permitted in accordance within the following parameters:

Virement	Limit	Agreement Required
Within Cost Centres	Unlimited	Head of Service subject to consultation with Head of Financial Services (Section 151 Officer)
Between Cost Centres	=< £250,000 that are in line with the Council's policy framework	Head of Financial Services (Section 151 Officer) in consultation with relevant Head of Service or Executive Director in the absence of a relevant Head of Service to ensure separation of duties
	>£250,000 =<£500,000 that are in line with the Council's policy framework	Cabinet
	> £500,000 or breach the Council's policy framework	Council

Council must agree any transfers between the General Fund and Housing Revenue Account.

Where an item of overspend of revenue spend cannot be covered from virement then following consultation with the Head of Financial Services (Section 151 Officer) a supplementary estimate may be sought from Council.

In the case of emergency the Chief Executive or her/his nominated representative in consultation with the Head of Financial Services or her/his nominated representative may approve additional expenditure, or virement over £250,000 providing approval is sought from the Cabinet or Council (depending on the amount involved) at the first opportunity following the additional expenditure or virement.

(c) Use of Reserves and Provisions

The Head of Financial Services shall establish reserves and provisions to meet known or estimated future liabilities.

The Head of Financial Services may move any sums in or out of reserves and provisions in order to meet the liabilities of the Council, subject to movements being clearly identified in the annual Statement of Accounts.

(d) The Head of Financial Services can approve single carry forward sums up to £10,000. Any single carry forward of over £10,000 must be approved by Cabinet.

18.11 Capital Strategy

The Head of Financial Services will prepare a Capital Strategy which:

- Will be reviewed annually by Cabinet
- Sets out the principles the Council will follow in its capital planning and management
- Outlines the methodology for inclusion of schemes within the Capital Programme
- Sets out the arrangement for management of capital schemes
- Indicates the capital schemes to be undertaken over the following four financial years and how those schemes will be funded.

18.12 Project Approval

Project Approval is the decision making process that determines whether or not to move ahead with an initiative. It applies to both revenue and capital programmes and projects (income and expenditure). Project approval must be obtained for programmes and projects in accordance with the following requirements. For capital programmes and projects, project approval must follow presentation to the Council's Development Board (officer group):

- Less than £185,000 – Head of Service or Executive Director
- £185,000 up to £500,000 – Executive Director or Head of Financial Services in consultation with the Head of Paid Service and Monitoring Officer (and the Head of Financial Services where the decision to approve is being made by an Executive Director)
- £500,000 and over – Cabinet

The decision-making process for capital programmes and projects is set out in the Capital Strategy, and will be updated annually by the Head of Financial Services and reported to the Cabinet for recommendation to Council for approval.

Project ideas may be added to the project pipeline at any time following the completion of a Project Proposal submitted to the Development Board.

Funding may be requested for programme or project ideas and proposals, of a capital nature, in order to carry out feasibility and or design stages to ensure the schemes are both feasible and to ascertain true costs for delivery. Allocation of any funding and approval of each of these stages within the agreed budget envelope is agreed by the relevant Executive Director.

For programmes and projects that proceed through feasibility, design and technical specification, a business case will need to be prepared prior to approval that includes:

- The aim of the programme or project and options for delivery
- Resource implications (internal and external)
- Legal, contractual and prudential borrowing code implications

- If the council is acting through an agent or partnership legal advice on whether it has the power to act in this way
- Any comments made during consultation and the Council's response
- The estimated amount and timing of any capital and revenue expenditure or income, any on-going effect on revenue, and whether this is included in the budget.

18.13 Monitoring of the Capital Programme

The Capital Programme is approved as part of the Council's annual budget setting process. Overall monitoring of the Capital Programme will be undertaken by the Development Board, which comprises Executive Directors and the Head of Financial Services (Section 151 Officer), Heads of Service (including the Monitoring Officer) and the Project Management Office. The monitoring will be carried out in conjunction with Project Sponsors and Project Managers. The Head of Financial Services will monitor on the financial spend against the approved Capital Programme and regularly report on this to the Development Board.

A Capital Programme monitoring report will be submitted by the Head of Financial Services to the Development Board as required, and to the Cabinet on a quarterly basis, setting out the projected outturn and progress of schemes including slippage, under and overspends together with any associated mitigating action.

Capital expenditure may only be incurred if:

- Budgetary provision has been made within the approved Capital Programme
- Project approval has been given in accordance with 18.12
- Corporate procurement processes have been complied with

Where it is anticipated that the budget for a capital project will be overspent against its approved budget the relevant Head of Service will be responsible for notifying the Head of Financial Services. Overspend up to £250,000 maybe accommodated by virement from other schemes or under-spending within the approved Capital Programme. The size of the project will be considered as part of this process. Where monies cannot be vired from other schemes or the overspend is in excess of £250,000 the projected overspend must be reported to the Cabinet and subsequently Council requesting a supplementary estimate if required.

Where a scheme is within the capital programme and it is not possible for it to progress in a particular year or where it is progressing faster than anticipated, the Head of Financial Services in conjunction with the Development Board can move the approved capital budget for a scheme between financial years across the Medium Term Financial Strategy providing that the overall budget for the scheme is not exceeded and capital financing resources are available to finance the scheme. Any schemes which remain uncommitted at the end of the financial year in which they were due to start will be reviewed as part of the annual budget process.

Where the Council has obtained external funding for a capital project or that project can be funded by virement, the Head of Financial Services may, subject to

it being included in the next available monitoring report, raise an additional budget head to facilitate timely project commencement.

- 19.29 Acquiring and disposing of land and buildings
- 19.30 Interpreting the contract rules

19.1 When do these rules apply?

These rules apply when the Council expects to give or receive money or payments in kind. They apply to both capital and revenue and cover contracts for goods, works or services.

Different rules apply to the acquisitions and disposal of land or buildings (19.26).

The Cabinet can waive any of these rules after considering a report from the relevant Head of Service giving reasons for the waiver and taking into consideration advice from the Head of Financial Services and the Head of Law and Governance. (But it must always comply with national and relevant procurement law).

These rules do not apply to the following arrangements:

- grant giving from the Council to another body – the rules for this are in the Council’s grants prospectus and grant agreement.
- where the Head of Financial Services agrees that there is no viable alternative supplier such as in relation to utility related works
- to services provided in house by the Council’s own employees. However, the Council must satisfy itself that the services provided represent best overall value and the council operates within the law.
- when the Council wishes to let a contract to a Council-owned company which holds “Teckal” status (19.11).

19.2 Other relevant guidance, rules and law

Attention should also be paid to:

- The Finance rules (Part 18)
- The Budget and Policy Framework procedures (Part 16)
- Who Carries out Executive Responsibilities? (Part 4) and Who Carries out Council Responsibilities? (Part 5)
- National, and relevant procurement law and guidance detailed in the Council’s Procurement Toolkit.
- Heads of Service must consider the corporate governance arrangements and legal issues when entering contracts and must ensure the risks are fully assessed.

19.3 Responsibility to follow these rules and relevant law

These rules apply to officers and anyone else managing or supervising contracts on behalf of the Council. Heads of Service must make sure their staff and any agents acting on behalf of the Council follow them.

The Council may take disciplinary and/or legal action against anyone who breaks these rules or the relevant national or procurement law.

19.4 Interests of councillors and officers in contracts

(a) Avoiding conflicts of interest

Councillors, officers and anyone acting for the Council must avoid conflicts of interest.

(b) Councillors’ interests

Councillors must follow the Members’ Code of Conduct (Part 22). In addition it is a criminal offence for a councillor not to declare a financial interest in a contract.

(c) Officers' interests

Officers must declare interests in existing and proposed contracts or suppliers. It is a criminal offence for an officer not to declare a financial interest in a contract. This does not apply to an officer's own contract of employment or their tenancy of a Council house.

The Head of Law and Governance will record officers' financial interests in a book that councillors can look at during office hours.

(d) Officer reports and advice

If an officer writes a report for a meeting on something they have an interest in, they must give a brief description of the interest in a separate paragraph at the beginning of the report.

If an officer advises Council or the Cabinet or a committee on something they have declared an interest in, they must make reference to their interest at the meeting.

19.5 Before a contract is agreed

Contracts can only be agreed if they comply with these contract rules and:

- They will help a service area to achieve its service plan
- The Council has the legal power to enter into the contract and relevant internal approval.
- There is a budget to fund the whole life of the contract.
- Relevant project approval has been granted (Part 18.12)
- The total contract value has been calculated (Part 19.6)
- It provides value for money over the life of the contract
- There is no existing contract in place which covers, for the whole organisation (a corporate contract), the procurement of a particular service or supplies
- Where the Head of Financial Services has approved an exemption from a corporate contract. An exemption will only be given when it is inappropriate to use a corporate contract: for example where that supplier is unable to provide the service.

19.6 Total contract value

The total contract value is the total amount (excluding VAT) that is expected to be paid to the supplier as a result of the contract award during the whole of the contract. It includes:

- the value of anything the Council is getting free of charge as part of the contract or which is charged on to a third party.
- any amount that could be paid by extending the contract (if there is a contractual right to extend it).
- If the length of a contract is unspecified, its total value will be calculated on the basis of the contract having a duration of 48 months.

A single contract must not be artificially split into smaller contracts to get around these contract rules or the law.

19.7 Sub-contracting

Where in a particular contract the supplier intends to appoint one or more sub-contractors to discharge some or all of its contractual obligations, the main supplier must be placed under an obligation to so inform the Council. The Council's Head of Financial Services shall consider whether in each case a collateral warranty from the sub-contractor in favour of the Council is required.

19.8 Format of Contracts

All contracts (whether bespoke or in an official purchase order format) must be in writing and must identify the terms and conditions that apply. Where a contract has a total value of less than £100k and no non-standard warranties are required, the contract may be in the form of an official purchase order.

Contracts with a total contract value over £150,000 must be sealed (Part 21.3). Contracts under £150,000 must be signed by two officers with operational responsibility – one of whom must be the relevant Director or Head of Service (or an officer authorised by them).

All contracts over £100,000 must be in a form approved by the Head of Law and Governance and where appropriate include the Council's standard contract terms. Any variation to the contract terms must be approved by the Procurement Team (in consultation, where appropriate, with the Head of Law and Governance).

Contracts over the Find a Tender Service (FTS) threshold (the replacement for the Official Journal of the European Union (OJEU)) must comply with relevant procurement law and guidance (and any amended FTS law and guidance).

19.9 Clauses that must be included in all contracts

Contracts must:

- say what is to be supplied or done, the timescale for performance and standards of performance required;
- state the payment arrangements and any arrangements for deductions and discounts. The payment arrangements must not allow for payment in advance of the provision of goods or services unless the Head of Financial Services agrees;
- state the period/duration of the contract;
- require suppliers to meet any standards set by the Head of Service and any appropriate British Standard;
- require suppliers to follow all appropriate codes of practice;
- require the supplier to hold appropriate insurance cover – the level of indemnity will be set by the Head of Service after assessing the risk and consulting with the Council's insurance officer if necessary. However this cover must include a minimum of £5 million public liability insurance, unless a lower level of cover has been agreed by the Head of Financial Services;

- seek a commitment from suppliers to pay their employees at least the Oxford Living Wage or the Living Wage Foundation rate: this includes (where appropriate) any employees engaged by a sub-contractor in fulfilling the contract;
- include any other conditions and terms that have been agreed; and
- All contracts of £25,000 and over must include a minimum 10% social value weighting where proportionate and relevant. If not considered the reason must be documented.

19.10 Contracts valued over the Find a Tender Service (FTS) threshold

Contracts over the FTS threshold must additionally include all the following clauses unless the Head of Law and Governance thinks they are inappropriate:

- (a) a clause allowing the Council to cancel the contract and recover any resulting losses from the supplier if it discovers that:
 - the supplier or its employees have given, offered or promised anything to influence how the Council awarded or managed the contract;
 - the supplier or its employees have committed an offence under the Bribery Act 2010, and
 - the supplier or its employees have given anything that Section 117(2) of the Local Government Act 1972 forbids officers from accepting.
- (b) a clause requiring the supplier to:
 - provide £5,000,000 employer liability insurance indemnity or any other level of cover recommended by the Head of Financial Services
 - provide £1,000,000 professional insurance or any other level of cover recommended by the Head of Financial Services
 - produce proof of insurance (for example copies of the insurance certificates) if the Head of Service thinks it necessary

- (d) a clause requiring the supplier to protect the health and safety of anyone affected by its work;
- (e) a clause requiring the supplier to comply with data protection laws and help the Council to comply with the Freedom of Information Act or Environmental Information Regulations;
- (f) a clause requiring the supplier to get the Council's permission before subcontracting or transferring any of the contract;
- (g) a clause giving the Council the right to end the contract if the supplier does not meet the Council's standards and timescales and to bill the supplier for:
 - the administrative costs of finding and appointing a new supplier, and

- any amount by which the new contract exceeds the old one.
- (h) if the Head of Service considers it necessary, a clause saying what damages must be paid if the supplier breaks the contract and explaining how the amount of damages was reached – the Head of Service will consult the Head of Law and Governance on the amount of the damages and what should trigger them;
- (i) a clause giving the Council the ability to exclude the supplier from applying for new contracts where there has been significant or persistent deficiencies in the performance of a significant requirement under a prior public contract;
- (j) where relevant and operationally possible, a clause requiring the supplier to fit side guards and appropriate side mirrors to vehicles over 3.5 tonnes to protect cyclists and pedestrians when driving to and from any site specified by the Council; and
- (k) a clause indicating that the Council is required to publish all new contracts on its website, and will do so in accordance with its obligations, subject to any operative exemptions, within the applicable local government transparency regulations.

- (m) incorporate net zero considerations and sustainability in tender documents and contract management

19.11 Commissioning Oxford Direct Services Limited for one off capital schemes

Oxford Direct Services Limited (ODSL) is a wholly owned council company and meets the requirements of Regulation 12(1) of the Public Contract Regulations 2015 (PCR 2015) commonly known as the “Teckal” exemption as follows:

- the Council is exercising a control over the company similar to that which it exercises over its own departments i.e. the Council demonstrably exercises a decisive influence over both strategic objectives and significant decisions of the company;
- more than 80% of the activities of the company are carried out in the performance of tasks entrusted to it by the Council;
- there is no direct private capital participation in ODSL – the company is wholly owned by the Council.

As such contracts may be awarded to ODSL without the need to comply with the full requirements of the PCR 2015.

Officers should follow the appropriate process below according to the value of the proposed contract when commissioning ODSL to undertake one off capital schemes and where required ensure that their actions and decisions are recorded by an officer executive decision:

- (a) Contracts below (<) £10,000

All work let to ODSL must have a detailed specification and be recorded in writing to ensure that proper records are kept.

(b) Contracts above (>) £10,000 up to or equal to £75,000

There should be a detailed specification and demonstration of a strong business need for the service or works provided by ODSL. The commissioning officer should be aware of the market price and conditions for such services and works. This can be shown by market quotes for the work (which may not be practical to obtain) or benchmarking information verified on a regular basis and retained for audit purposes. In letting each separate contract the officer is responsible for documenting this, retaining those records for audit purposes and ensuring compliance with the Duty of Best Value and the avoidance of illegal state aid. Large contracts to be awarded should not be artificially disaggregated to avoid compliance with these requirements.

(c) Contracts above (>) £75,000 up to or equal to £150,000:

For contracts in this range the same criteria as in 19.8 and 19.11(b) above should apply in addition the commissioning officer may obtain and use the services of a Quantity Surveyor (QS) (using a framework).

(d) Contracts above (>) £150,000 – up to or equal to £1,000,000:

A detailed specification and an appropriate contract holding ODSL to account is required.

The contract must be justifiable for state aid purposes as meeting the Market Economy Operator Principle (“MEOP”). The Economic transactions carried out by a public body do not confer an advantage on the other party, and therefore do not constitute illegal aid, if they are carried out in line with normal market conditions.

This can be shown by:

- (i) benchmarking the contractual terms and price being proposed against similar contractual offers made by third party contractors; and/or
- (ii) using the services of independent advisers commissioned by the Council such as an external QS to assess the commercial price or price range for the contract before the contract is let.

(e) Value of contract above (>) £1,000,000

A detailed specification is required.

The use of benchmarking of other market intelligence held by the client service is appropriate where it exists.

The use of external QS services is mandated.

A formal tender evaluation process should be followed with a Cabinet report written to support the decision to award the contract; the contract requirement is the same as in 19.8.

Should tendering and procurement of an alternative contractor need to be considered for any capital scheme, for whatever reason, including capability or capacity, this will need the approval of the Executive Director of Development, or their delegate.

19.12 Thresholds for quotes and tenders*

The Council is seeking to ensure that all purchases with a value of over £25,000 are undertaken through a single electronic tendering system (“the Corporate System”).

The Head of Financial Services will provide details of the Corporate System and any changes to it. Exemption from using the Corporate System can only be obtained with the written consent of the Head of Financial Services or an officer nominated by them.

Where quotes are obtained outside of the Corporate System these must be retained by the relevant Head of Service. Unsuccessful quotes may be disposed of after 12 months from the award of the contract; successful quotes and contract documentation must be retained for a period of 7 years from the end of the contract.

For all contracts over £100,000 a financial appraisal will be undertaken by the Head of Financial Services. The relevant Service Head must not commission any work from the supplier until the contract has been approved by the Head of Financial Services, and a named contract manager has been appointed.

Heads of Service must consider advertising in all cases and must advertise contract opportunities as indicated in the table below. If they do not intend to advertise as required they must seek an exemption before entering into a contract. Where contract opportunities are advertised, and the value exceeds £25,000, in addition to the Corporate System the opportunity must also be advertised on the Government's procurement portal, Contracts Finder.

Officers seeking quotations from potential suppliers for a contract shall (subject to the following provisions) comply with requirements set out in the table below.

Quotation and tender documentation must clearly specify the basis on which the most economically advantageous offer will be determined using a combination of cost and quality. Deviation from the Council's standard price: quality model requires the prior approval of the Head of Financial Services or an officer nominated by them.

For all quotes and tenders over the FTS threshold a Procurement Commencement Document (available from the Council's intranet) which evaluates options for the solution to be procured and route to market must be produced and approved by the Procurement team and the relevant Head of Service.

OCHL, OCH(D)L and/or OCH(I)L have the same financial thresholds as detailed below, but the process is led in accordance with a different Scheme of Delegation.

Total value of contract	Quotes or tendering	Advertisement required?	Process led by
< £10,000	Minimum one quote in writing, (local* if possible) alternatively an approved Framework may be used	No	Officer authorised by the relevant Head of Service
>=£10,000 <=£25,000	Obtain up to three written quotes (minimum two), attempt to seek at least one from a local* supplier alternatively an approved Framework may be used	Advertising should be considered and any contract of £25,000 and over must be placed on contracts finder in any event	Officer authorised by the relevant Head of Service

Total value of contract	Quotes or tendering	Advertisement required?	Process led by
>£25,000 <=£100,000	Obtain up to four written quotes (minimum three), Attempt to seek at least one from a local** supplier. Alternatively an approved Framework may be used	Yes, advertised on the corporate system and on contracts finder.	Authorised Procurement Practitioner or Procurement Team
>£100,000 < £213,477 including VAT (goods and services) >£100,000 < £5,336,937 including VAT (works)	Obtain up to six quotes (minimum four). Attempt to seek at least one from a local* supplier. Alternatively an approved Framework may be used.	Yes, advertised on the corporate system and on contracts finder	Authorised Procurement Practitioner or Procurement Team
>£213,477 including VAT (goods and services) £5,336,937 including VAT (works)	Invite tenders (procurement law and guidance must be followed for contracts over the FTS thresholds) – process conducted by Procurement Team	The corporate system	Procurement Team

If fewer than the requisite number of quotations is obtained it will be possible to proceed to award a contract if it can be demonstrated that competition has been sought. Award of a contract in such circumstances is delegated to:

- the relevant Head of Service up to a contract value of £100,000;
- the relevant Head of Service in consultation with the Head of Financial Services for contracts with a value above £100,000.

This does not remove the obligation to secure best value for money.

Where the option exists to Direct Award under a Framework, the rules of the framework allowing for direct award must be followed which should include as a minimum a full justification from the service area and sign off from the relevant Head of Service. The approval of the Head of Financial Services will also be required for contracts with a value of £100,000 and over.

*This will be the procurement limits as published from time to time by the Government

**suppliers that have an OX postcode

19.13 When is there no need to seek quotes or tenders?

An Approved Supplier List may only be created with the approval of the Head of Financial Services and in the following circumstances:

- where the services are not suitable or already available through an existing framework contract;
- the suppliers have been subject to a pre-qualification assessment by the Procurement Team; and
- there is no single contract with a value of more than £100,000.

An exemption to not seeking quotes or tenders may be given in the following circumstances:

(a) Emergencies

If there is an emergency or a disaster, the Chief Executive can approve contractual arrangements outside these rules after consulting the Head of Financial Services and/or Monitoring Officer. The Leader must be told as soon as possible.

(b) Where there is no overall economic benefit to the Council

An exemption may be granted where there is no overall economic benefit, for example where there is only one supplier or no competitive market exists

(c) Officers do not have to seek or obtain quotes for contracts with a value up to the FTS threshold where written exemption to waive the requirement to seek or obtain quotes has been given:

- by the Financial Accounting Manager or Management Accounting Manager and the relevant Head of Service for contracts up to £100,000;
- and by the Head of Financial Services, Monitoring Officer and the relevant Head of Service for contracts above £100,000 (only applicable where Sole Supplier status can be evidenced, in an emergency or where the minimum number of tenders have not been submitted through an open tender process).

(d) Where the Council wishes to let a contract to a company which it owns and which holds "Teckal" status (under s12(1) Public Contract Regulations 2015) there is no legal requirement for the Council to seek alternative quotes or tenders in accordance with these Contract Rules. This provision does not remove the need for the Council to ensure that by letting a contract to its "Teckal" company it is meeting its obligations as a best value authority under the Local Government Act 1999 and is compliant with State Aid legislation and any subsequent legislation. Each contract opportunity should be considered individually to ensure that the Council is achieving value for money for the public purse having taken into consideration the relevant market conditions and information.

(e) Where the provision is for a Subscription or Membership and alternative suppliers are not available.

(f) Where the Council is a member of a Consortium and making a payment towards the Service / Goods / Works being procured as part of the Consortium. The Council however should ensure that due diligence is undertaken and that value for

money is obtained (at least one consortium member should adhere to the PCR2015 if applicable).

- (g) Where grant funding incorporates direct instruction as to the supplier to be used.
- (h) When the Council opt into a National Scheme and the Supplier is assigned.

19.14 Exclusion Lists

The Public Contracts Regulations 2015 (regulation 57) provides the Council with the ability to exclude a supplier from bidding for future contract opportunities where one or more of the exclusion provisions apply.

Any exclusion list must be approved by the Head of Financial Services.

19.15 Tendering of contracts over the Find a Tender Service (FTS) threshold

If the total contract value is over the FTS threshold tenders must be sought (subject to 19.11). Tenders can also be sought for lower contract values. Tenders will be sought in accordance with the requirements of and the best practice as specified by the Public Contract Regulations 2015. If the contract value is over the FTS threshold the procurement team will advise of the various options available and which would be the best course of action and would assist with the tender process. Paragraphs 19.15, 19.16 and 19.17 set out the principal tendering methods but alternative methods including e-tendering may be used provided that they are compliant with the UK Public Contracts Regulations and the Head of Financial Services has given their express agreement. Paragraphs 19.20, 19.21, 19.22 and 19.23 apply to all tenders.

19.16 Open Tendering

(a) The Council will:

Issue a call for competition via advertisement on the Council's Corporate System and the Government's procurement portal (Contracts Finder).

If the total contract value is above the relevant FTS threshold the notice will also be placed in the Find a Tender Service – the notice will need to comply with Procurement Directives.

(b) The notice will:

- say what the contract is for
- describe how to express interest in tendering
- give the deadline and arrangement for receipt of tenders
- The notice must be published at least 14 days before the deadline for tenders. If the total contract value is above the FTS threshold, the UK Public Contract Regulations must be followed. These require the notice to be published in the Find a Tender Service at least 30 days before the deadline for tenders based on the tenders being submitted electronically.

19.17 Restricted tendering

(a) A restricted tender process can only be used for contracts valued above the FTS threshold.

Expressions of interest will be sought via advertisement on the Council's Corporate System, the Government's procurement portal (Contracts Finder) and the Find a Tender Service (FTS).

A short list of bidders will be invited to tender based on their financial and technical capability to deliver the contract or through the provision of a self-declaration certificate together with any additional information required to demonstrate their capability to fulfil a contract.

The shortlist will be selected by the appointed tender evaluation team and will be approved by the relevant Service Head and Head of Financial Services. It should include at least five individuals or organisations who expressed an interest in tendering. If fewer than five individuals or organisations are considered suitable by the Service Head then all of those suitable should be considered.

(b) The advertisement notice will:

- say what the contract is for
- describe how to express interest in tendering
- give the deadline for tender
- The UK Public Contract Regulations require the notice to be published in the Find a Tender Service for at least 30 days based on the tender being submitted electronically. The full tender documentation must be published at the time of placing the advert.

19.18 Negotiated tendering

There are specific cases and circumstances laid down in the UK Public Contract Regulations 2015 where it is permissible to award a contract by a negotiated procedure such as the negotiated procedure without prior publication, or competitive procedure with negotiation. The use of these procedures is subject to the approval of the Head of Financial Services and the Monitoring Officer.

19.19 Other Procurement Procedures

The following procedures can be used for individual contracts if the Head of Financial Services and the relevant Head of Service agrees:

(a) Competitive dialogue

These procedures can be used for complex contracts. It allows the Council, through dialogue with providers, to develop the optimum contract valuation.

(b) Framework agreements

These are arrangements between the Council or another body such as a purchasing consortium and suppliers that sets the terms and conditions for any call-off contracts that might be awarded from the framework. Framework agreements are for a set period and should not normally be for a period of more than four years although call-off contracts can be let for a longer period.

(c) Electronic Auction

eAuctions are electronic auctions where suppliers bid against each other to offer the lowest price. They are open to any supplier that meets certain conditions and include all tenders that meet the specification.

(d) Public auction

This can be used for buying or selling land and property.

(e) Purchasing consortiums

Purchasing consortiums must be able to show that they comply with the UK Public Contract Regulations.

(f) Innovation Partnership

This can only be used if there is a requirement to procure goods, services or works which are currently unavailable to the market and is to only be used to appoint a specialist organisation to innovate to deliver a new requirement.

19.20 Submitting a tender

(a) Every tender must include a declaration that the tenderer has not:

- told anyone except the Council the amount of the tender
- changed the amount of the tender as part of an agreement with anyone
- lobbied councillors or officers about the tender.

(b) Tenders over £25,000 must be submitted via the Corporate System or the electronic system that was used to invite tenders.

19.21 Council's Handling of Tenders Received through the Corporate System

(a) Each tender received via the Corporate System is automatically date and time stamped. The tender cannot be accessed until after the tender deadline.

(b) If a tender includes a condition that was not in the tender documents and accepting the condition would give the tenderer an unfair advantage over other tenderers, the tenderer must remove the condition or withdraw the tender.

19.22 Accepting quotes and tenders

(a) Total contract value less than £150,000

The Head of Service may accept the most economically advantageous quote or tender if the Council is the buyer, or the highest if the Council is the seller, as long as:

- there is budget provision included in the Council's capital or revenue budget
- project approval has been obtained at the start of the project
- any key decisions have been included in the Forward Plan
- any organisation the Council is acting as agent for agrees.

(b) Total contract value is over £150,000 but less than £500,000

The Head of Financial Services or an Executive Director may accept the most economically advantageous tender if the Council is the buyer, or the highest if the Council is the seller, as long as:

- there is budget provision in the Council's capital or revenue budget
 - project approval has been obtained at the start of the project
 - any key decisions have been included in the Forward Plan
 - any organisation the Council is acting as agent for agrees
 - the Head of Financial Services and the Monitoring Officer have been consulted.
- (c) Total contract value £500,000 or over where the Council is the seller. Tenders of £500,000 or over must be the subject of a written report to the Cabinet.
- (d) Total contract value is over £500,000 but less than £1,000,000 where the Council is the buyer

The Head of Financial Services or an Executive Director may accept the most economically advantageous tender, as long as:

- there is budget provision in the Council's capital or revenue budget
 - project approval has been obtained at the start of the project
 - any key decisions have been included in the forward plan
 - any organisation the Council is acting as agent for agrees
 - the Head of Financial Services, the Monitoring Officer, the Chief Executive and the relevant Cabinet Member have been consulted
- (e) Total contract value £1,000,000 or over where the Council is the buyer

Tenders of £1,000,000 or over must be the subject of a written report to the Cabinet unless the Cabinet has already delegated authority in relation to the tender.

The relevant Head of Service will be responsible for ensuring the publication of Executive Decisions taken by them or in their name.

19.23 Letters of intent

A letter of intent is provided by an employer to a contractor; here the employer indicates an intention to enter into a formal contract for the works described and asks the contractor to start some work before formal contracts are agreed.

In most circumstances, parties should not contract on the basis of a letter of intent and should avoid starting work on site under one. Letters of Intent which are used or drafted inappropriately have the potential to create future contractual difficulties and possibly even establish a contract when none was intended; both of which can have significant financial consequences.

There may however be limited circumstances in which letters of intent can be a useful tool if drafted appropriately. This could be if items which have long lead in times where orders may reasonably need to be made before a formal contract can be finalised or completed.

Letters of intent should, as a minimum, include the following:

- A clear statement that the letter of intent is an interim agreement and that it will be superseded by the formal contract, with the type of contract stated

- Set out when and what works are to commence, along with details of any conditions that may need to be satisfied before works start, for example, clearance of planning conditions or the requirement for some form of performance bond
- A clear financial limit on the value of works/amount the employer is prepared to pay under the terms of the letter of intent
- Set out any and all restrictions on site access, working hours or methods
- State what the contractor will be paid if the letter of intent is terminated or if a formal contract is not completed.

In all cases letters of intent must:

- Not be used as a means to circumvent proper contractual or procurement arrangements
- Be authorised by the relevant Executive Director in consultation with the Head of Law and Governance and the Head of Financial Services

19.24 Copies of contracts and register of contracts

(a) Keeping copies of old contracts

If the total contract value is over £5,000 and is in written form (bespoke, not an official purchase order), the Head of Financial Services will keep the contract in a secure place:

- for a least seven years from its end date if it was signed;
- for a least 13 years from its end date if it was sealed,
- however the Head of Service who invited the contract will be responsible for managing it.

(b) Keeping a register of contracts

The Head of Financial Services will keep a central register of contracts over £5,000.

All Service Heads are required to provide the original of all signed written (bespoke) contracts over £5,000 to the Head of Financial Services.

(c) What will the register record?

For each contract, the register will record details as required under the Transparency Code for Local Government and will be published on the Council's website.

(d) Register of certified contracts

The Monitoring Officer will keep a register of all certificates issued under the Local Government (Contracts) Act 1997.

19.25 Contract Management

All contracts shall have an appointed officer responsible for managing the contract.

- Contract Managers will be responsible for:
- ensuring that service expectations are met or exceeded;
- managing the performance of the supplier;
- ensuring that the procurement team have a copy of the contract (if the value is over £100,000); and
- maintaining a risk register, where required.

Contract Managers shall promptly seek advice from the Procurement team on significant or persistent performance issues.

19.26 Legal claims relating to contracts

Claims by suppliers will be considered promptly by the Head of Service. Heads of Service must consult the Head of Law and Governance before agreeing to anything that could make the Council liable for more than £5,000 or unable to collect damages of more than £5,000.

19.27 Varying contracts

Contracts can only be varied when the contract allows and by a written instruction from the Head of Service or an officer they have appointed to manage the contract. Where such a variation would have a material impact on the nature of the contract or would materially alter its risk profile, advice must be sought and received from both Law and Governance and the Procurement team before such variation is put into effect.

Where the contract provides for an extension, the Head of Service may exercise the option to extend the contract up to the specified maximum period if satisfied that the extension of the contract represents best value.

Variations must not break any of the contract rules, the UK Public Contract Regulations 2015, or any terms of the contract.

Variations to contract must be submitted in writing with acceptance confirmed by all parties to the contract, and appended to the signed original copy of the contract.

A contract or framework may change without re-advertisement in the Find a Tender Service (FTS) where:

- minor changes that do not affect its nature and not exceed the relevant FTS threshold and not exceed 10% for goods/services or 15% for works of the initial contract value;
- additional goods, services or works that have become necessary where a change of supplier would not be practicable (for economic, technical or interoperability reasons) or involve substantial inconvenience/duplication of costs up to 50% of the initial contract value; and
- the change was unforeseeable and does not affect the nature of the contract or exceed 50% of the initial contract value.
- In the case of the second and third bullet points, the Council must publish a notice of modification of a contract during its term in the Find a Tender Service.

19.28 Acquiring the use of assets through contracts

- (a) This rule applies to
- Lease arrangements
 - Hire of assets
 - Rental agreements
 - Contracts where the supplier uses assets to provide services to the Council; these may be explicit in the contract or implied due to the service being provided
- (b) Assets acquired or the use of assets acquired through contracts must be approved by the Head of Financial Services. (Part 18.15(d))
- (c) As a minimum the following information relating to the assets under or in the contract must be obtained during the procurement process to inform the decision by the Head of Financial Services:
- Contract start date
 - Contract end date
 - Option to purchase details
 - Rental amount
 - Initial one off payments
 - Payment dates and frequency
 - Details of payment penalties
 - Total capital element
 - Total interest element
 - Interest rate charged
 - Useful economic life of asset
 - Break clause details
 - Profile of lease payments (fixed and variable)
 - Details of how future potential rentals will increase and on what basis
 - Whether rentals are fixed or index linked
 - Details of non-lease components included in the rental
 - Details of any service elements
 - Residual value
 - Information on return condition of asset
 - Any notice period

19.29 Acquiring and disposing of land and buildings

- (a) This rule applies to acquisitions and disposal of:

- freeholds or leaseholds with a consideration or premium over £500,000 (except for disposals pursuant to right to buy legislation)
 - easements with a value over £500,000 and/or rental value over £125,000 each year
 - leases with a rental value over £125,000 per annum (except statutory lease renewals under Part II of the Landlord & Tenant Act 1954)
 - freeholds and leases for less than best consideration except when the acquisition or disposal is made:
 - under a legal duty; or
 - under a confirmed compulsory purchase order; or
 - under a scheme that has already been agreed by the Cabinet for acquiring or disposing of more than one piece of land or more than one building.
- (b) Before any formal commitment is made to dispose of land the local ward member must be consulted.
- (c) Tenders for acquisition or disposal of property are not required to be submitted through the Corporate System but must be held securely until after the tender deadline and opened after the deadline by two Officers nominated by Executive Director for Development or the Head of Corporate Property or an externally appointed agent.
- (d) After a provisional agreement has been reached on an acquisition or disposal with the interested external party, a report covering the terms of the disposal or acquisition and how the land or buildings will be used should be submitted to either the Cabinet or for an Officer Executive Decision as appropriate. In respect of disposals any report must cover the following as appropriate:
- the Council's present or most recent use of the land or buildings;
 - other uses the Council could make of the land or buildings
 - other uses a buyer could make of the land or buildings;
 - the estimated value of the land or buildings;
 - how the land or buildings will be disposed of; and
 - why any disposal is for less than best consideration and whether consent is needed from the Secretary of State.
- (e) Where the acquisition or disposal of a freehold or leasehold has a consideration or premium up to £500,000 or a lease has a rental value up to £125,000 per annum authorisation must be given by the relevant Head of Service and the Head of Law and Governance.
- (f) Acquisition and disposal of land and buildings (including easements) must have the relevant project approval and authorisation. Acquisitions and disposals are subject to key decision procedures.
- (g) The documentation in relation to the acquisition or disposal of land and buildings will be executed by (or on behalf of) the Head of Law and Governance.

19.30 Interpreting the contract rules

Questions about the contract rules and any related guidance will be dealt with by the Head of Financial Services or the Head of Law and Governance.

Where the Council proposes to appoint the Head of Paid Service, the Appointments Committee will oversee the arrangements for filling the vacancy. The Committee shall include at least one member of the Cabinet in its membership. The Head of Paid Service is appointed by Council on the recommendation of the Appointments Committee.

- (i) The name of the person to whom the Appointments Committee wishes to make the offer;
- (ii) Any other particulars relevant to the appointment which the Appointments Committee has notified; and
- (iii) The period within which any objections to the making of the offer are to be made by the Leader on behalf of the Cabinet to the Head of Law and Governance

An offer of appointment must wait until:

- (i) The Leader has within the period specified in the notice under subparagraph (iii) above, notified the Head of Law and Governance that neither the Leader nor any other member of the Cabinet has any objection to the making of the offer;
- (ii) The Head of Law and Governance has notified the Appointments committee that no objection has been received by them within that period from the Leader; or
- (iii) The Appointments Committee is satisfied that any objection received from the Leader within that period is not material or is not well-founded. Where necessary, the advice of the Head of Law and Governance shall be sought.

Where following the above procedure there are no objections to the proposed appointment or any objections are not up-held, the Appointments Committee will recommend that person for appointment to the next meeting of the Council or at a specially convened meeting of the Council. If the Council approve the recommendation, then a formal offer of appointment can be made.

Where following the interviews the Appointments Committee is of the view that there is no suitable candidate, it will re-advertise the post.

Where the Council does not approve the recommendation of the Appointments Committee, it shall indicate how it wishes to proceed.

20.5 Designating the role of Chief Finance Officer and Monitoring Officer

The roles of Chief Finance Officer (Head of Financial Services) and Monitoring Officer (Head of Law and Governance) will be designated by Council.

20.6 Appointing other Chief Officers and Deputy Chief Officers

Before an offer of appointment is made by the appointor to:

- a statutory chief officer within the meaning of section 2(6) of the Local Government and Housing Act 1989, which for the Council means the Head of Financial Services;
- a non-statutory chief officer within the meaning of section 2(7) of the Local Government and Housing Act 1989, which for the Council includes Assistant Chief Executives, Executive Directors, Project Directors, Monitoring Officer¹ and posts that report directly to the Chief Executive; or
- a deputy chief officer within the meaning of section 2(8) of the Local Government and Housing Act 1989 which means those posts that report to a statutory or non-statutory chief officer and for the Council includes Heads of Service and some of its service managers;

the appointor must notify the Head of Law and Governance who it wants to appoint and anything else that the appointor considers is relevant to the appointment.

The Head of Law and Governance must notify every member of the Cabinet of:

- (i) The name of the person to whom the appointor wishes to make the offer;
- (ii) Any other particulars relevant to the appointment which the appointor has notified to the Head of Law and Governance; and
- (iii) The period within which any objections to the making of the offer are to be made by the Leader on behalf of the Cabinet to the Head of Law and Governance

An offer of appointment must wait until:

- (i) The Leader has, within the period specified in the notice under subparagraph (iii) above, notified the Head of Law and Governance that neither the Leader nor any other member of the Cabinet has any objection to the making of the offer;
- (ii) The Head of Law and Governance has notified the appointor that no objection has been received by them within that period from the Leader; or
- (iii) The appointor is satisfied that any objection received from the Leader within that period is not material or is not well-founded. Where necessary, the advice of the Head of Law and Governance shall be sought.

20.7 Dismissing the Chief Executive and Statutory Officers

¹ The Monitoring Officer by virtue of Section 5 of the Local Government and Housing Act 1989.

The Investigation and Disciplinary Committee will be responsible for proposals to dismiss the Chief Executive, Monitoring Officer and Chief Finance Officer.

Any disciplinary action short of dismissal, including a decision to suspend, against the Chief Executive, Monitoring Officer or Chief Finance Officer (“the Statutory Officers”) will be the responsibility of the Investigation and Disciplinary Committee.

Any dismissal of one of the Statutory Officers must be approved by Council, following a decision of the Investigation and Disciplinary Committee and consideration by the Independent Persons Panel.

Notice of dismissal of one of the Statutory Officers must not be given until the Investigation and Disciplinary Committee has notified the Head of Law and Governance that it wishes to dismiss the officer and any other particulars which the Investigation and Disciplinary Committee considers are relevant to the dismissal.

The Head of Law and Governance must notify every member of the Cabinet of:

- (i) The fact that the Investigation and Disciplinary Committee wishes to dismiss the officer;
- (ii) Any other particulars relevant to the dismissal which the Investigation and Disciplinary Committee has notified to the Head of Law and Governance; and
- (iii) The period within which any objections to the making of the dismissal are to be made by the Leader on behalf of the Cabinet to the Head of Law and Governance

And either:

- (i) The Leader has, within the period specified in the notice under subparagraph (iii) above, notified the Head of Law and Governance that neither the Leader nor any other member of the Cabinet has any objection to the making of the dismissal;
- (ii) The Head of Law and Governance has notified the Investigation and Disciplinary Committee that no objection has been received by them within that period from the Leader; or
- (iii) The Investigation and Disciplinary Committee is satisfied that any objection received from the Leader within that period is not material or is not well-founded.

Where following the above procedure there are no objections to the proposed dismissal or the objections are not upheld, the Investigation and Disciplinary Committee will follow the procedure set out in paragraph 20.8 below to recommend the dismissal to a meeting of the Council.

20.8 Procedure for proposed disciplinary action against a Statutory Officer involving dismissal

This procedure applies if the Investigation and Disciplinary Committee proposes disciplinary action involving the dismissal of the Head of Paid Service, Head of Financial Services or Monitoring Officer.

- (a) Where this procedure applies, the Investigation and Disciplinary Committee will provide the Independent Persons Panel with the information and any other matters provided to members of the Cabinet and any other particulars relevant to the dismissal that the Investigation and Disciplinary Committee considers appropriate or that the Panel may reasonably require. The Investigation and Disciplinary Committee may invite the Independent Persons Panel to attend any disciplinary or capability hearing.
- (b) The Independent Persons Panel will meet to consider what, if any, advice, views or recommendations to give to the Council.
- (c) The Council may pay remuneration, allowances or fees to an Independent Person appointed to the Panel as it thinks appropriate having due regard to the level of fees payable to that Independent Person in their role as Independent Person under the Localism Act 2011 .
- (d) Council will not meet to consider whether or not to approve the proposal of the Investigation and Disciplinary Committee to dismiss the officer until a period of at least 20 working days has elapsed from the appointment of the Independent Persons Panel.
- (e) Before Council takes a vote at a meeting on whether or not to approve such a dismissal, it must take into account, in particular:
 - (i) any advice, views or recommendations of the Independent Persons Panel;
 - (ii) the conclusions of any investigation into the proposed dismissal; and
 - (iii) any representations from the Statutory Officer.
- (f) If the Council approves the recommendation of the Investigation and Disciplinary Committee, then notice of dismissal can be issued. Where the Council does not approve the recommendation, it shall indicate how it wishes to proceed.

The requirements of the Local Authorities (Standing Orders)(England) Regulations 2001 as amended will be followed.

20.9 Procedure for Investigation and Disciplinary Committee

(a) Fact Finding and Investigation

It will be in the interests of all parties that the proceedings be conducted expeditiously and fairly.

In considering any complaint/allegations made the Committee may:

- make such enquiries of the Statutory Officer or any other person as it considers appropriate
- request additional information, explanations or documents from any person
- invite or receive representations from any person.

The Committee having carried out such steps as it considers appropriate and having heard representations from the Statutory Officer or his/ her adviser/representative will decide whether the issues:

- require no further formal action, or
- should be referred to an Independent Investigator (“an II”)

In considering whether the threshold in deciding to appoint an II has been met the Committee will assess whether:

- if the allegations are proved it would be such as to lead to the dismissal or other action which would be recorded on the officer’s personnel file
- there is evidence in support of the allegation/issue sufficient to require further investigation.

In deciding whether the threshold for the appointment of an II has been reached the Committee may carry out such preliminary investigations as it considers appropriate or necessary or authorise officers to do so. This will be solely for the purpose of establishing whether or not the threshold for appointing an II to carry out an investigation has been met.

Before deciding to appoint an II or suspend a Statutory Officer the Committee will invite representations from the Statutory Officer unless it is impracticable to do so.

The Statutory Officer will have the right to be accompanied at the Committee meeting.

(b) Receiving the Independent Investigator’s Report/ Hearing

The Committee should receive any report produced by an II in relation to a Statutory Officer within one month of the receipt of the report by the Council. The Statutory Officer will have the right to attend and be accompanied at the committee meeting which considers the II’s report.

The Committee will consider the II’s report and invite representations from the Statutory Officer and/or his/her adviser/representative. The Committee may impose disciplinary sanctions as set out in the Council’s disciplinary procedures, the JNC Terms and Conditions Handbook for Chief Officers and the JNC Terms and Conditions Handbook for Chief Executives. In conducting any hearing the Committee will have regard to the model disciplinary procedure in the JNC handbook for Chief Executives.

(c) Decision

If the Committee decides that the Statutory Officer should be dismissed the Council will consider the Committee’s recommendation of dismissal.

Prior to consideration by Council the Independent Persons Panel will consider the matter and the Head of Law and Governance will give all members of the Cabinet the opportunity to raise any objections prior to the decision as set out above.

If a Statutory Officer has been suspended for a period of two months (or in the case of a decision to suspend taken under any appropriate urgency

provisions) then the Committee will review that suspension. The Committee will continue to review any continuing suspension every 2 months. In carrying out any such review the Committee will consider any representations made by the II and the Statutory Officer and/or his or her adviser/representative.

For the avoidance of doubt, if a Statutory Officer chooses to retain professional advice and/or representation at or in respect of any meeting of or hearing before the Committee, then the Statutory Officer in question will be responsible for the cost of that advice or representation.

20.10 Dismissing other chief officers and deputy chief officers

The Investigation and Disciplinary Committee will be responsible for proposals to dismiss the Assistant Chief Executives and Executive Directors.

Notice of dismissal may not be given by the dismissor to:

- a statutory chief officer within the meaning of section 2(6) of the Local Government and Housing Act 1989;
- a non-statutory chief officer within the meaning of section 2(7) of the Local Government and Housing Act 1989 which for the Council includes Assistant Chief Executives, Executive Directors, Project Directors and other posts that report directly to the Chief Executive; or
- a deputy chief officer within the meaning of section 2(8) of the Local Government and Housing Act 1989 which means those posts that report to a statutory or non-statutory chief officer and for the Council includes Heads of Service and some of its service managers;

until the dismissor has notified the Head of Law and Governance who it wants to dismiss and anything else that the dismissor considers is relevant to the dismissal.

The Head of Law and Governance must notify every member of the Cabinet of:

- (i) The name of the person whom the dismissor wishes to dismiss;
- (ii) Any other particulars relevant to the dismissal which the dismissor has notified to the Head of Law and Governance; and
- (iii) The period within which any objections to the making of the dismissal are to be made by the Leader on behalf of the Cabinet to the Head of Law and Governance

And either:

- (i) The Leader has, within the period specified in the notice under subparagraph (iii) above, notified the Head of Law and Governance that neither the Leader nor any other member of the Cabinet has any objection to the making of the dismissal;
- (ii) The Head of Law and Governance has notified the dismissor that no objection has been received by them within that period from the Leader; or
- (iii) The dismissor is satisfied that any objection received from the Leader within that period is not material or is not well-founded.

20.11 Appointing political assistants

Appointments of political assistants will follow the wishes of the respective political group.

20.12 Councillors not to be involved in appointing or dismissing other officers

Councillors will not be involved in appointing or dismissing anyone except as set out above. The members of the Cabinet will be consulted in relation to the appointment or dismissal of chief officers and deputy chief officers as set out above. Other officers are appointed and dismissed by their Head of Service. The delegated powers in relation to the appointment and dismissal of staff are set out in Part 5.15.

All officers except political assistants must be appointed on merit.

Councillors may be invited to observe disciplinary appeal hearings against dismissal.

20.13 Recruitment and selection procedure

All appointments must follow the Council's recruitment and selection procedure.

20.14 Relationships with councillors and officers

Candidates must disclose on their application form whether they are related to any councillor or officer or any councillor or officer's partner as their partner, parent, child, stepchild, adopted child, grandparent, grandchild, brother, sister, uncle, aunt, niece or nephew.

If a candidate declares a relationship with a councillor or officer or their partner, their appointment must be approved by the appropriate head of service. (If they have declared a relationship with the head of service or their partner, it must be approved by the appropriate director).

20.15 Lobbying

Councillors and officers must not lobby for or against candidates. The Council will disqualify candidates who lobby councillors or officers or get other people to lobby them. Candidates will be warned about this in the recruitment literature.

20.16 Employee Code of Conduct

All officers must adhere to the Employee Code of Conduct.

21. Legal rules

21.1 Legal officers

21.2 Signing of documents

21.3 Common Seal of the Council

21.1 Legal officers

The Head of Law and Governance can take any legal action necessary to carry out the Council's decisions or protect its interests. This will include:

- to prosecute, defend, make application, serve any notice or appear on behalf of the Council in any court, tribunal or hearing on any criminal, civil or other matter (including appeals);
- to settle any proceedings;
- to instruct external legal advisors;
- to institute legal proceedings under any local byelaws or orders within the Council's area; and
- to lodge objections to any proposal affecting the Council's interests.

21.2 Signing of documents

When the Council takes legal action, documents will be signed in the name of the Head of Law and Governance, unless:

The law allows someone else to sign them and

The Head of Law and Governance has given that person permission to sign them.

21.3 Common Seal of the Council

The common seal of the Council will be kept by the Head of Law and Governance. It will be attested by the Head of Law and Governance or a senior officer nominated by her or him.

The Council will keep a book recording when the common seal is used. The book will be signed by the officer who attests the seal.

The Council chooses not to make Tree Preservation Orders under seal. They are signed and then issued.

22. Members' Code of Conduct

22.1 The Members' Code of Conduct

22.2 Does the code apply when Councillors represent the Council on another body?

22.3 Social Media

22.4 Intimidation

22.5 Declaring Interests

22.6 Members' code of conduct and public perception

22.7 Sensitive information

22.1 The Members' Code of Conduct

The Council adopted a code of conduct for members at the full Council meeting on 21 March 2022. The code as adopted is annexed to this section of the Constitution (Annex 1). Any complaints made in relation to this code will be considered by the Monitoring Officer in accordance with the Council's Code of Conduct Complaint Handling Arrangements (Annex 2).

22.2 Does the code apply when Councillors represent the Council on another body?

When Councillors are representing the Council on another body, they must follow the code unless it conflicts with a legal duty of the other body.

22.3 Social Media

The Council has agreed a Social Media Protocol to provide guidance to Councillors on the use of social media. The protocol is annexed to this section of the Constitution (Annex 3).

22.4 Intimidation

Councillors must not intimidate or try to intimidate anyone who is likely to:

- complain about the code being broken or
- act as a witness in relation to an investigation of a breach of the Code.
- be involved in dealing with a complaint.

22.5 Declaring Interests

(a) What interests must Councillors declare?

Councillors must declare the interests the members' code of conduct requires them to declare. The code requires councillors to declare disclosable pecuniary interests.

(b) What is a disclosable pecuniary interest?

Disclosable pecuniary interests relate to a councillor's employment; sponsorship (ie. payment for expenses incurred by the councillor in carrying out their duties as a councillor or towards their election expenses); contracts; land in the Council's area; licences for land in the Council's area; and corporate tenancies; and securities. These declarations must be recorded in each Councillor's Register of Interests which is publicly available on the Council's website. Disclosable pecuniary interests that must be declared are not only those of the councillor her or himself but also those of the councillor's spouse, civil partner or person they are living with as husband or wife or as if they were civil partners.

(c) When must a member register a disclosable pecuniary interest?

- Within 28 days of taking office as a councillor
- For interests not shown on the register, within 28 days of declaring that interest at a meeting

(d) Declaring an interest

Where any matter disclosed in a councillor's Register of Interest is being considered at a meeting, the councillor must declare that they have an interest. The councillor should also disclose the nature as well as the existence of the interest.

If the councillor has a disclosable pecuniary interest, after having declared it at the meeting they must not participate in discussion or voting on the item and must withdraw from the meeting whilst the matter is discussed.

(e) Dispensation

The Council may grant general dispensations applicable to all Councillors. The standards committee may grant dispensation to speak or vote on a matter at a meeting where a Councillor has a disclosable pecuniary interest. The Monitoring Officer has delegated authority to grant individual dispensations (Part 9.4(g)). But unless dispensation has been granted the provisions of (d) above apply.

Under section 33 of the Localism Act 2011 the following dispensations were granted for four years from 1 October 2022:

- Determining an allowance (including special responsibility allowances), travelling expense, payment or indemnity given to Members
- Housing: where the Member (or spouse or partner) holds a tenancy or lease with the Council as long as the matter does not relate to the particular tenancy or lease of the Member (their spouse or partner);
- Housing Benefit: where the Councillor (or spouse or partner) receives housing benefit;
- Any Ceremonial Honours given to Members;
- Setting the Council Tax or a precept under the Local Government and Finance Act 1992 (or any subsequent legislation); and

- Setting a Local Council Tax Reduction Scheme or Local scheme for the payment of business rates (including eligibility for rebates and reductions) for the purposes of the Local Government Finance Act 2012 (or any subsequent legislation).

22.6 Members' code of conduct and public perception

Even if a councillor does not have a disclosable pecuniary interest in a matter, the members' code of conduct says that a member "must serve only the public interest and must never improperly confer an advantage or disadvantage on any person including yourself" and that a member "must not place yourself in situations where your honest and integrity may be questioned". What this means is that the matter of interests must be viewed within the context of the Code as a whole and regard should continue to be paid to the perception of the public.

22.7 Sensitive information

Information about a Councillor's interests is sensitive if making it public would be likely to create a serious risk of violence or intimidation to the Councillor or someone they live with. Councillors do not have to include information in the register of interests if the Monitoring Officer agrees that it is sensitive. If a Councillor finds out that the information has stopped being sensitive, they must tell the Monitoring Officer within 28 days and ask for it to be included in the register.

Oxfordshire Councils' Councillor Code of Conduct 2022

February 2022

1.0 Introduction

The Council has a duty to promote and maintain high standards of conduct by members and co-opted members of the Council, and formally adopt a code of conduct, in accordance with the *Localism Act 2011*.

2.0 Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of the Councillor and in Local Government.

3.0 Definitions

For the purposes of this Code of Conduct, a "Councillor" means a member or co-opted member of the local authority. A "co-opted member" is defined in the *Localism Act 2011 Section 27(4)* as "a person who is not a member of the authority but who

- 3.1 is a member of any committee or sub-committee of the authority, or;
- 3.2 is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

4.0 General Principles of Councillor Conduct

Everyone in public office and all who serve the public or deliver public services, including Councillors and local authority officers, should uphold the Seven Principles of Public Life, also known as the Nolan Principles, (see Appendix A).

Building on these principles of selflessness, objectivity, accountability, openness, honesty and integrity and leadership, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in Councillors, on all occasions a Councillor shall:

- act with integrity and honesty
- act lawfully
- treat all persons fairly and with respect; and
- lead by example and act in a way that secures public confidence in the role of Councillor.
- impartially exercise their responsibilities in the interests of the local community

- not improperly seek to confer an advantage, or disadvantage, on any person
- avoid conflicts of interest
- exercise reasonable care and diligence; and
- ensure that public resources are used prudently in accordance with the local authority's requirements and in the public interest.

These general principles have been incorporated into the obligations of the Code of Conduct as set out below.

5.0 Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor;

The Code applies to all forms of communication and interaction, including at face-to-face meetings, at online or telephone meetings, in written communication, in verbal communication, in non-verbal communication and in electronic and social media communication, posts, statements and comments.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

6.0 Standards of Councillor Conduct

This section sets out the obligations (in bold below), which are the minimum standards of conduct required of a Councillor. Should a Councillor's conduct fall short of these standards, a complaint may be made against them, which may result in action being taken.

Guidance is also included below each obligation to help explain the reasons for the obligations and how they should be followed.

6.1 Respect

A Councillor:

- 6.1.1 Shall treat everyone, including other Councillors and members of the public with respect.**
- 6.1.2 Shall treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

Respect means politeness and courtesy in behaviour, speech, and in the written word.

Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, you have a right to expect respectful behaviour from everyone. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the relevant social media provider and/or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

6.2 Bullying, Harassment and Discrimination

A Councillor:

6.2.1 Shall not bully any person.

6.2.2 Shall not harass any person.

6.2.3 Shall promote equalities and not discriminate against any person.

Bullying is offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Legislation places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

6.3 Impartiality of Officers of the Council

A Councillor:

6.3.1 Shall not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral, (other than political assistants where applicable). They should not be coerced or persuaded to act in a way that would undermine their neutrality. A Councillor may question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, a Councillor must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

6.4 Confidentiality and access to information

A Councillor:

- 6.4.1 Shall not disclose information either given to them in confidence by anyone or acquired by them which they believe, or ought reasonably to be aware, is of a confidential nature, unless**
- i. They have received the consent of a person authorised to give it; or**
 - ii. They are required by law to do so; or**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is reasonable and in the public interest; and also made in good faith and in compliance with the reasonable requirements of the local authority and consultation with the Monitoring Officer has taken place prior to its release.**
- 6.4.2 Shall not improperly use knowledge gained solely as a result of their role as a Councillor for the advancement of themselves, their friends, family members, employer or business interests.**
- 6.4.3 Shall not prevent anyone from getting information that they are entitled to by law.**
- 6.4.4 When making decisions on behalf of, or as part of, the Council shall have due regard to any professional advice provided by the Council's Officers.**

6.5 Disrepute

A Councillor:

- 6.5.1 Shall not bring their role or local authority into disrepute.**

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions.

6.6 Use of position

A Councillor:

6.6.1 Shall not use, or attempt to use, their position improperly to the advantage or disadvantage of anyone.

A Councillor should not take advantage of opportunities, responsibilities and privileges to further their own or others' private interests or to disadvantage anyone unfairly.

6.7 Local authority Resources and Facilities

A Councillor:

6.7.1 Shall not misuse council resources.

6.7.2 Shall, when using the resources of the local authority or authorising their use by others, act in accordance with the local authority's requirements; and ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which they have been elected or appointed.

A Councillor may be provided with resources and facilities by the local authority to assist them in carrying out their duties as a Councillor. Examples may include office support, stationery, equipment such as phones, computers and transport and access and use of local authority buildings and rooms.

6.8 Compliance with the Code of Conduct

A Councillor:

6.8.1 Shall undertake Code of Conduct training as required by the local authority.

6.8.2 Shall cooperate with any Code of Conduct assessment, investigation, hearing and/or determination.

6.8.3 Shall not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

6.8.4 Shall comply with any sanction imposed on them following a finding that they have breached the Code of Conduct.

It is extremely important for a Councillor to demonstrate high standards, to have your actions open to scrutiny and not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with the Monitoring Officer.

7.0 Registering and Declaring Interests

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know

early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

7.1 Disclosable Pecuniary Interests

A Councillor must, within 28 days of taking office as a member or co-opted member, notify the Council's Monitoring Officer of any disclosable pecuniary interest as defined by regulations made by the Secretary of State (see Appendix B), where the pecuniary interest is yours, your spouse's or civil partner's, or is the pecuniary interest of somebody with whom you are living with as a husband or wife, or as if you were civil partners. Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You must disclose the interest at any meeting of the Council at which you are present, where you have a disclosable interest in any matter being considered and where the matter is not a 'sensitive interest'. If it is a 'sensitive interest', you must disclose the fact that you have an interest but do not have to disclose the nature of it. (A sensitive interest is an interest which, in the opinion of the Monitoring Officer, if disclosed, could lead to the Councillor, or a person connected with them, being subjected to violence or intimidation.) You are personally responsible for deciding whether or not you should disclose an interest in a meeting.

Following any disclosure of an interest not on the Council's register, or the subject of pending notification, you must notify the Monitoring Officer of the interest within 28 days beginning with the date of disclosure.

Unless dispensation has been granted, by the Monitoring Officer, you may not participate in any discussion of, or vote on, or discharge any function related to any matter in which you have a disclosable pecuniary interest. You must withdraw from the room or chamber when the meeting discusses and votes on the matter.

Where you have a disclosable pecuniary interest on a matter to be considered or being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

You must ensure that your register of interests is kept up to date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Appendix B is a criminal offence under the Localism Act 2011.

7.2 Other Registerable Interests

You must also register your other registerable interests with the Monitoring Officer within 28 days of taking office and ensure these are kept up to date by notifying any changes within 28 days.

Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in Appendix C), you must

disclose the interest. Wellbeing can be described as a condition of contentedness, healthiness and happiness; anything that could be said to affect a person's quality of life, either positively or negatively, is likely to affect their wellbeing. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where you have an Other Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

7.3 Non-Registerable Interests

Where a matter arises at a meeting which **directly relates** to your financial interest or wellbeing (and does not fall under disclosable pecuniary interests at 7.1 above), or the financial interest or wellbeing of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a sensitive interest you do not have to disclose the nature of the interest.

Where a matter arises at a meeting which **affects** your own financial interest or wellbeing, a financial interest or wellbeing of a relative or close associate or a financial interest or wellbeing of a body included under Other Registrable Interests as set out at 7.2 above and appendix C you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied:

Where a matter affects the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Where you have a Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

8.0 Gifts and Hospitality

A Councillor:

- 8.1 **Shall not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**

- 8.2 Shall register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 8.3 Shall register with the Monitoring Officer any significant gift or hospitality that they have been offered but have refused to accept.**

The presumption should always be not to accept significant gifts or hospitality but there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered.

You do not need to register gifts and hospitality which are not related to your role as a Councillor.

It is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor.

Appendices

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Procedure for dealing with code of conduct complaints against councillors

1. The Code of Conduct

The Localism Act 2011 requires all local authorities to adopt a code of conduct setting out the standards of behaviour expected from local councillors.

Oxford City Council has adopted a code of conduct for members, which is available for inspection on the [council's website](#) and on request from the Monitoring Officer: standards@oxford.gov.uk.

Each of the parish councils in Oxford may adopt their own Code of Conduct and a copy of their Code of Conduct should be found on the relevant parish council website.

The Localism Act 2011 also requires local authorities to have in place "arrangements" under which allegations that an elected or co-opted member of the district or parish council has failed to comply with the relevant Code of Conduct can be investigated and decisions made on such allegations.

These arrangements set out:

1. how to make a complaint about the conduct of an elected or co-opted member of Oxford City Council or of the following parish councils: Blackbird Leys PC; Old Marston PC; Littlemore PC; Risinghurst & Sandhills PC
2. how the Council will deal with such complaints

Decisions reached by the Monitoring Officer under this complaints process will be reported to the next scheduled meeting of the Standards Committee for noting.

2. Making a complaint

Complaints must be submitted in writing to Oxford City Council's Monitoring Officer using the [Code of Conduct complaint form](#). When complete, your form should be sent to the Monitoring Officer by post or email (preferred).

By post: Monitoring Officer (SA 3.8), Oxford City Council St Aldate's Chambers, 109-113 St Aldates, Oxford, OX1 1DS

Email: standards@oxford.gov.uk

The Monitoring Officer will not normally consider a complaint unless it is in writing and a complaint form has been received. This is to ensure that all of the relevant information is provided and, where necessary, consent to share information has been obtained so that the complaint can be processed.

If you do not have access to the internet or have difficulty completing the form please contact 01865 252402 for assistance.

Where a complaint is made against more than one councillor, a separate complaint form must be completed in respect of each councillor.

If you are making the complaint on behalf of a number of individuals, please nominate one person as the single point of contact to whom all correspondence will be addressed.

3. The complaint process

The Monitoring Officer will acknowledge receipt of the complaint within 5 working days.

The Monitoring Officer is entitled to dismiss the complaint at the outset if:

- the Subject Councillor is no longer a councillor;
- the complaint is made anonymously;
- the same, or substantially the same issue has been the subject of a previous Code of Conduct allegation and there is nothing further to be gained;
- the complaint is essentially against the action of the council as a whole and cannot properly be directed against individual councillor(s);
- the complaint does not relate to the conduct of a councillor and is a service complaint or other matter;
- the complaint is against an officer of the Council.

If the complaint identifies criminal conduct (including a failure to register disclosable pecuniary interests) or breach of other regulations by any person, the Monitoring Officer will refer the complaint to the police or other regulatory agencies. No further action will be taken in relation to such complaints until any related criminal/regulatory investigation, proceedings or processes have been concluded.

Anonymous complaints will not normally be investigated, unless there is clear public interest in doing so and the Monitoring Officer considers that a fair investigation can be carried out.

Requests from Complainants for the Monitoring Officer to withhold their identity, so that they remain anonymous to the Subject Councillor, are not ordinarily granted. The Monitoring Officer has to balance the right of the Subject Councillor to properly understand the complaint against them and respond to it, with the rights of the Complainant. This normally means that the Subject Councillor will need to be told who is making the complaint.

All parties are encouraged to respond promptly to any correspondence in relation to the complaint. All parties will be kept updated as to how the complaint is progressing. If at any stage in the complaint process the Complainant fails to respond, the complaint may be treated as withdrawn; if

the Subject Councillor fails to respond, the complaint will be determined on the basis of the information available.

4. Will the complaint be investigated?

The Monitoring Officer will review every complaint received and, after consultation with an Independent Person (either in person or electronically), take a decision as to the following:

- That no further action should be taken
- Refer the complaint for local resolution (which might involve an apology or training or some other form of mediation)
- Refer the complaint for investigation

This is known as the Assessment stage and its purpose is to establish if there are valid grounds to investigate the complaint. At this stage there is no consideration or decision about whether or not there has been a breach of the Code of Conduct.

When reviewing Code of Conduct complaints the Monitoring Officer, in consultation with an Independent Person(s), will have regard to the following assessment criteria:

Adequate information	<p>The Monitoring Officer must be satisfied that there is sufficient information available at the “initial test and assessment stage” to decide whether the complaint should be referred for investigation or other action.</p> <p>The Monitoring Officer may provide other information which is readily available and which may assist in the consideration of the complaint “initial test and assessment stage”. This may include details of attendees at events, copies of agendas, reports and minutes of meetings or copies of the Members’ entry in the Register of Members’ Interests. It will not include conducting interviews with witnesses.</p> <p>If insufficient information is available, the Monitoring Officer will not normally refer the complaint for investigation or other action.</p>
Official capacity	The Monitoring Officer must be satisfied that that the

	Subject Member was acting in an official capacity.
Timescale	The Monitoring Officer will take into account when the events subject to the complaint took place and will not normally investigate or pursue other action if the events occurred more than 6 months prior to the complaint being submitted other than in exceptional circumstances, such as where the conduct relates to a pattern of behaviour which has recently been repeated.
Seriousness	The Monitoring Officer will not normally refer a matter for investigation or other action if it is considered trivial, malicious, vexatious, politically motivated ¹ or tit-for-tat. Where the complaint appears to relate to the “rough and tumble of political debate” and pertains to conduct between Members or Members and co-opted Members rather than between Members and the public or officers, in most instances no further action will be taken.
Public interest	Consideration will be given as to whether the public interest ² would be served by referring a complaint for investigation or other action. <ul style="list-style-type: none"> • the public interest would not normally be served where, for instance, a member has died, resigned or is seriously ill. • If the complaint has already been the subject of an investigation or other action relating to the Code of Conduct or the subject of an investigation by other regulatory authorities, it is unlikely that it will be referred for investigation or other action unless it is evident that the public interest will be served by further action being taken. • If the complaint relates to a former Member of Oxford City Council or one of the parish councils within the city boundary who is now a Member of another authority the Monitoring Officer may refer the matter to that authority for consideration.
Multiple Complaints	A single event may give rise to similar complaints from a number of complainants. Where possible these complaints will be considered by the Monitoring Officer at the same time. Each complaint will, however, be determined separately. If an investigation is deemed to be appropriate the Monitoring Officer may decide that, in the interests of efficiency, only one complaint should go forward for investigation, with the other complainants being treated as potential witnesses in that investigation.

Before reaching a decision the Monitoring Officer may request further information from the Complainant and the Subject Councillor or obtain

¹ If something is politically motivated, it is carried out in the interests of a particular government or political party or individual

² used when talking about people's rights to know the facts about a particular situation

information which is readily available such as minutes of Council meetings. If the complaint relates to a Parish Councillor the Monitoring Officer may consult the Parish Council. This will extend the timescale for dealing with the complaint.

The Monitoring Officer may seek to resolve the complaint informally, without the need for a formal investigation. If the Subject Councillor makes a reasonable offer to settle the complaint informally, but the Complainant is not willing to accept that offer, the Monitoring Officer will take account of this in deciding whether the complaint merits formal investigation.

The Monitoring Officer will normally reach an assessment within 20 working days of receipt of the complaint, however, in some instances this may take longer.

If the Monitoring Officer decides not to investigate the complaint he/she will explain why. That will be the end of the matter.

5. How is the investigation conducted?

If the Monitoring Officer decides that a complaint merits investigation, he/she will appoint an Investigating Officer, who may be another officer of the Council, an officer of another authority or an external investigator.

The Investigating Officer will usually need to speak to the Complainant to discuss the complaint and may need to see relevant documents or interview other witnesses. The Complainant will be able to suggest what documents and which witnesses the Investigating Officer should consider seeing.

The Investigating Officer will also normally see the Subject Councillor and provide them with the same opportunity to identify sources of evidence and witnesses.

At the end of his/her investigation, the Investigating Officer will produce a draft report and send it, in confidence, to the Complainant and to the Subject Councillor, for comment.

The Investigating Officer will consider any comments the Complainant and/or the Subject Councillor make before sending the final report to the Monitoring Officer.

6. What happens if the Investigating Officer concludes that there is no evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and, if he/she is satisfied with the quality of the investigation undertaken and that the Investigating Officer's report is sufficient, the Monitoring Officer will write to the Complainant and to the Subject Councillor, confirming that he/she is satisfied that no further action is required. A copy of the Investigating Officer's

final report will be provided to the Subject Councillor at that time. If the case concerns a Parish councillor he/she will also send a copy to the Parish Council concerned. That will be the end of the matter.

If the Monitoring Officer is not satisfied that the investigation has been conducted properly, he/she may ask the Investigating Officer to reconsider his/her report.

In considering the Investigating Officer's report, the Monitoring Officer may consult with an Independent Person(s) if he/she considers it appropriate to do so.

The Monitoring Officer may consider that there are "learning points" which should be shared with the Subject Councillor or the Standards Committee.

7. What happens if the Investigating Officer concludes that there is evidence of a failure to comply with the Code of Conduct?

The Monitoring Officer will review the Investigating Officer's report and after consulting an Independent Person(s) will then either seek local resolution or send the matter for local hearing before the Standards Committee.

Local Resolution

If the Monitoring Officer thinks that the complaint can reasonably be resolved without the need for a hearing he/she will consult with an Independent Person(s) and with the Complainant and seek to agree a fair resolution. It is important though that any resolution also helps to ensure higher standards of conduct for the future. Possible local resolutions may include the Subject Councillor accepting that his/her conduct was unacceptable and offering an apology. If the Subject Councillor complies with the suggested resolution, the Monitoring Officer will report the outcome to the Standards Committee (and, where relevant, to the Parish Council for information), but will take no further action. That will be the end of the matter.

Local Hearing Panel

If the complaint is not resolved through local resolution then the Monitoring Officer will refer the Investigating Officer's report to the Standards Committee which will convene a Local Hearing Panel to determine whether or not the Code of Conduct was breached.

The Local Hearing Panel will comprise a minimum of three elected members of the Standards Committee plus an Independent Person. The Monitoring Officer will select the membership of each Local Hearing Panel.

This is not a Court process but, in order to be fair to everyone, formalities are followed so that a proper decision can be reached.

The procedure to be followed is detailed at Annex 3.

The Local Hearing Panel may conclude that the Subject Councillor did not fail to comply with the Code of Conduct, and so dismiss the complaint. That will be an end to the matter.

8. What action can the Local Hearing Panel of the Standards Committee take when a Councillor has failed to comply with the Code of Conduct?

If the Local Hearing Panel concludes that the Subject Councillor did fail to comply with the Code of Conduct, the Chair will inform the Subject Councillor of this finding and the Panel will then consider what action, if any, it should take as a result of the failure to comply with the Code of Conduct. In doing this, the Panel will give the Subject Councillor an opportunity to make representations and will consult the Independent Person(s).

The Local Hearing Panel may:

- Censure or reprimand the Subject Councillor;
- Recommend to the Subject Councillor's group leader (or in the case of un-grouped members, recommend to Council) that he/she be removed from any or all Committee or Sub-Committees of the Council;
- Recommend to the Leader of the Council that the Subject Councillor be removed from the City Executive Board, or removed from particular portfolio responsibilities;
- Recommend to Council that the Subject Councillor be replaced as Executive Leader;
- Instruct the Monitoring Officer to, or recommend that a Parish Council, arrange training for the Subject Councillor.
- Publish its findings in respect of the Subject Councillor's conduct;
- Report its findings to Council, or to a Parish Council, for information;

The Local Hearing Panel has no power to suspend or disqualify the member or to withdraw or suspend allowances or restrict access to or use of Council facilities.

Within 10 working days the Monitoring Officer will prepare a formal decision notice, in consultation with the Chair of the Local Hearing Panel, and send a copy to the Complainant, to the Subject Councillor (and to the Parish Council if appropriate).

The decision notice will be published as part of the minutes of the Local Hearing Panel meeting and will be placed on the Council's website unless the Monitoring Officer determines that it should remain confidential or it contains exempt information.

9. Timescales

The timescales quoted below are indicative. They are not guaranteed and are included here to illustrate the likely duration of the complaints process. Actual timescales may be significantly shorter or longer depending on the complexity and content of the complaint.

Stage in complaints process	Indicative timescales
Acknowledge receipt of complaint or dismissal of invalid complaints	within 5 working days of receipt of complaint
Assessment stage decision	Issued to Subject Councillor and Complainant within 25 working days of receipt of complaint
Investigation	A formal investigation normally takes around 8 - 12 weeks from the appointment of an appropriate investigator
Local Hearing Panel	within 25 working days of receipt of the final investigation report – which includes: <ul style="list-style-type: none"> • 10 working days to prepare hearing papers and hold any pre-hearing meetings • 10 working days for Subject Councillor to submit a response to the Investigator's report and hearing papers • 5 working days for agenda publication
Local Hearing Panel decision	Issued to Subject Councillor and Complainant and published within 10 working days of the Local Hearing Panel meeting

10. Appeals

There is no right of appeal for the Complainant or for the Subject Councillor against a decision of the Monitoring Officer or of the Standards Committee.

However, the Monitoring Officer reports these decisions to the Council's Standards Committee so there is oversight of how these matters are dealt with.

11. Document Retention

The documentation relating to a complaint will be retained for 6 years from the conclusion of the complaint, irrespective of the outcome of the complaint. Minutes of the Standards Committee will be retained in the same way as the minutes of other council decision making bodies.

12. Revision of these arrangements

The Council may by resolution agree to amend these arrangements. The Standards Committee, on the advice of the Monitoring Officer, may depart from these arrangements where it is necessary to do so in order to secure the effective and fair consideration of any matter.

Social media protocol for councillors

Introduction

This protocol is intended to provide general guidance and to promote greater clarity on the use of social media¹ by Oxford City councillors in both their elected and personal roles.

The use of social media poses some risks to the Council's reputation. These risks need to be managed. This protocol aims to ensure that:

- Councillors, and through them the Council, are not exposed to legal risks as a result of social media use
- the reputation of the Councillors, and through them the Council, is not damaged as a result of social media use

Social media evolves rapidly, with new sites and features launching regularly. As such, this protocol does not go into detail about how to operate different social media applications.

Different roles and blurred identities

Using social media often blurs the line between personal and official communications.

Anyone reading social media posts will not necessarily recognise when a councillor is speaking as a private individual or as an elected councillor, regardless of whether or not the post comes from a “councillor” profile.

“since the judgement of whether you are perceived to be acting as a councillor will be taken by someone else, it’s safest to assume that any online activity can be linked to your official role.”²

Similarly anyone reading social media posts will also not necessarily recognise whether the post is from an individual councillor or as a spokesperson on behalf of the Council. It is recommended that councillors add a statement along the following lines to their social media profile:

“The views I express here are mine and do not necessarily reflect the views of the council.”

Social media protocol and the Code of Conduct

When using social media in an official capacity, councillors should be aware that they will be bound by the [Code of Conduct](#). In particular, this includes (but is not limited to) the following principles:

¹ Social media means websites and applications that enable users to create and share their own content directly or to participate in social networking. Channels include, but not limited to, Facebook, Twitter, Instagram, LinkedIn, NextDoor, TikTok and YouTube.

² Local Government Group - Connected Councillors: A guide to using social media to support local leadership. P24

- Treating others with respect
- Complying with equality laws
- Not bullying or intimidating
- Not bringing the council into disrepute
- Not disclosing confidential information

Councillors serving on regulatory committees such as planning or licensing should also be mindful of the rules relating to bias and pre-determination and should be careful not to post anything on social media that might suggest that they did not have an open mind about any matter that they may be involved in determining. Any views aired on social media could be used as evidence of making a decision in advance of hearing all relevant information. The Council's decision could then be open to challenge and could be invalidated.

Responsibilities

The consequences of misusing social media can include negative publicity, regulatory attention and confidentiality and copyright concerns.

Councillors are personally responsible for the content they post on any form of social media and will need to be aware of the laws that apply to published (posted) material. This includes (but is not limited to):

- Data protection: do not post personal data of other people, including photographs, without their express permission to do so;
- Defamation: is a spoken or written expression which is deemed to harm the reputation of an individual and proved to be false;
- Copyright: do not post information or images/videos without permission;
- Harassment: it is an offence to pursue a campaign repeatedly against a person that is likely to cause alarm, harassment or distress;
- Incitement: it is an offence to incite any criminal act;
- Discrimination and 'protected characteristics': it is an offence to discriminate against anyone based on protected characteristics ([as defined in the Equality Act 2010](#));
- Malicious and obscene communications: it is an offence to post malicious or obscene communications.
- Reporting restrictions and contempt of court: there might be a legal reporting restriction on a court case. There are also rules about what any member of the public can publish which might be in contempt of court. Once somebody has been arrested or civil proceedings have started, they are protected by law from the publication of information which might mean that their trial cannot take place fairly.

Councillors should contact the Council's communications team before responding to any contact from journalists about social media posts made in an official capacity.

Councillors should not use social media on council computer equipment or digital devices to make political statements or to canvass votes; particular care should be taken during the pre-election period.

Councillors should be familiar with the following documents:

- [Oxford City Council data protection policy](#) and the [statement on the Council website](#).
- [ICT Acceptable Use Policy \(see Constitution chapter 27\)](#)
- [Code on Councillor – Officer relations \(see Constitution chapter 23\)](#)
- [Safeguarding Children, Young People and Adults with Care and Support Needs Policy & Procedures](#)

Using social media at Council meetings

Councillors should use social media sparingly, discreetly and with common sense at meetings, considering the impression this presents to others. Councillors should be mindful that regulatory committees such as planning or licensing require the councillor to alert officers to any lobbying material they have received. This would be difficult if it arrives via social media and is read by the councillor during the course of a meeting.

It is important for councillors to show that sufficient attention is being given to the discussion at the meeting. If councillors are perceived to have made a decision without having properly listened to the debate it could lead to the relevant decision coming under challenge. It could also result in code of conduct complaints of a failure to treat others with respect or of bringing the Council into disrepute.

Best practice

Set the tone

Set the tone for online conversations by being polite, accurate and transparent. Encourage constructive criticism and deliberation.

Be responsive

Remember it's a conversation. People expect to interact and to receive responses to their questions. Social media is a place to be social.

Allow disagreement

Treat differences of opinion with respect, engage in the discussion and be wary about deleting opposing views. Be mindful of "trolling"³ and avoid being drawn in to unnecessary or unproductive arguments.

Deal with inappropriate comments

Take prompt action to remove any inappropriate or offensive comments and explain the reason that this was done. If you are uncertain about this then please contact the communications team or refer to *Oxford City Council's social media moderation policy*.

Safeguarding

Councillors have a responsibility to report any concerns about other site users.

³ Trolling as it relates to the internet, is the deliberate act of making random unsolicited and/or controversial comments on various internet forums with the intent of provoking readers into displaying emotional responses whether amusement or a specific gain

Admit mistakes

Acknowledge and correct any mistakes. Do not just delete them. Do not alter previous posts without indicating that there has been a change.

Pause before publishing

A hastily posted blog post or tweet will probably have already been read or duplicated in places on the web before it can be deleted or amended. Remember that if you wouldn't want it officially recorded in notes from a meeting or reprinted in a newspaper article, then do not post it online.

Think about following / friending

Some constituents may be uncomfortable if a councillor begins following them or sends them a friend request. Consider waiting to be followed or friended first. Online relationships with council employees need to be treated with caution. Whilst some online relationships may be valid both parties need to be sure not to compromise the impartial and professional relationship that is important between councillors and colleagues.

Protection and security

Sharing background information, such as information about family or personal interests, may be useful in helping establish a relationship with social media audiences but revealing certain details might increase the risk of identity theft or pose a security risk.

Make use of stringent privacy settings to prevent your personal social media posts being accessed by the press or public. Read the terms of service of any social media site accessed to understand their confidentiality/privacy settings.

- 23.16 Responsibility for this code

23.1 Status of this code

This code seeks to offer guidance on some of the issues, which most commonly arise in relation to the relationships between councillors and officers.

This code is partly a statement of current practice and convention. In some respects, however, it seeks to promote greater clarity and certainty. In particular, it will cover expectations of behaviour as between councillors and officers.

This code gives guidance only but it may be taken into account if there is a complaint about a councillor or an officer. Councillors are obliged to observe the Members' Code of Conduct (Part 22). Any complaints received in relation to alleged breaches of the Members' Code of Conduct will be considered initially by the Monitoring Officer. Officers are also obliged to comply with a code of conduct. Any complaints received about an officer's behaviour or conduct will be considered by the relevant managers.

23.2 Roles of councillors and officers

Officers and councillors both serve the public but they have different roles.

Officers are employees of the Council and are politically neutral. Their role is to advise councillors and implement the policies of the Council to the best of their abilities. Councillors are elected office holders and will often belong to a political party. They are obliged to exercise their own judgement in respect of matters before them but may also legitimately pursue party political objectives.

Employees are answerable to the Chief Executive, not to individual councillors (whatever office they hold), but there should be good communication between senior officers and councillors with special responsibility for their area of work. Officers must not take instructions from individual members.

23.3 Expectations

What councillors can expect from officers:

- A commitment to the authority as a whole, not to any political group
- A working partnership
- An understanding of and support for respective roles, workloads and pressures
- Timely responses to enquiries and complaints in accordance with agreed standards ([23.67](#))
- Professional advice, not influenced by political views or preference
- Regular up-to-date information on matters that can be reasonably considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold
- Awareness and sensitivity to the political environment
- Respect and courtesy
- Training and development in order to carry out their roles effectively
- Not to have personal issues raised with them by officers outside the agreed procedures
- Officers should not try to persuade individual councillors to make a decision in their personal favour or raise things to do with their employment with individual councillors. Nor should they approach individual councillors with allegations about other officers. They should use the Council's grievance, whistle blowing and disciplinary procedures instead
- Compliance with the relevant code of conduct for officers

What officers can expect from councillors:

- A working partnership;
- An understanding of and support for respective roles, workloads and pressures;
- Political direction and leadership;
- Respect and courtesy;
- Councillors should generally restrict their discussion on strategic or significant issues to more senior officers (that is directors, heads of service or team leaders);
- Councillors should normally make appointments before visiting officers and should try to avoid frequent unscheduled interruptions;

- Councillors should not pressure officers to work outside their normal hours or to do anything they are not allowed to do or that is not part of their normal work;
- Not to be subject to bullying or harassment. Councillors should have regard to the seniority and experience of officers in determining what are reasonable requests? Councillors with special responsibilities should be particularly aware of this;
- Councillors should not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly;
- Councillors should not make detrimental remarks about individual officers during public meetings;
- Councillors should at all times comply with the Members' Code of Conduct.

23.4 Limitations on behaviour

The distinct roles of councillors and officers necessarily impose limitations upon behaviour. By way of illustration and not as an exclusive list:

Close personal relationships between individual councillors and officers can confuse the separate roles and get in the way of the proper discharge of the authority's functions, not least in creating the perception in others that a particular councillor or officer may secure advantageous treatment. Personal relationships should be avoided. Where they do exist they should be notified to the Chief Executive.

The need to maintain the separate roles means that there are limits to the matters on which councillors may seek the advice of officers, both in relation to personal matters and party political issues;

Relationships with particular individuals or party groups should not be such as to create public suspicion that an employee favours that councillor or group above others.

23.5 Complaints about councillors or officers

If an officer feels a councillor is not treating them with politeness and respect, they should consider talking to the councillor directly. If they do not feel they can talk to the councillor or talking to the councillor does not help, they should talk to their line manager, Head of Service or Director immediately who will inform the Monitoring Officer. The Monitoring Officer will talk to the councillor or the Leader of their political group and may also tell other senior officers. The officer will be told the outcome. Officers may also make a complaint alleging a breach of the Members' Code of Conduct.

If a councillor feels an officer is not treating them with politeness and respect, they should consider talking to the officer directly. If they do not feel they can talk to the officer or talking to the officer does not help, they should talk to the officer's line manager, Head of Service or Director immediately. If the problem continues the

manager approached will consider whether to use the Council's disciplinary procedures.

23.6 Politeness and respect

Councillors and officers should show each other politeness and respect. Councillors have the right to challenge officers' reports or actions, but they should:

- avoid personal and/or public attacks; and
- ensure their criticism is fair and constructive.

Officers should not publicly criticise Council decisions even if they do not personally agree with those decisions.

23.7 Councillors' enquiries

Officers should answer councillors' enquiries, in whatever form, within five working days. If that is not possible, they should send a holding reply.

Councillors should contact a more senior officer in the event that a response is not received within this time. The Chief Executive may be asked to resolve any issues arising from unreasonable delays in responding to councillors' enquiries.

23.8 Information and advice

(a) Requests for written information

Councillors should be provided with adequate information about services or functions which they may be called upon to make decisions on or scrutinise the decisions of others about, or which affect their constituents. In the normal course of events, this information will be made routinely available by officers in the form of reports, departmental plans etc. Before any information is provided to councillors consideration must be given to any data protection issues and whether the relevant consent has been sought from data subjects. Members are encouraged to make use of existing sources of information wherever possible.

Written information supplied to a councillor regarding the implications of current Council policies or containing statistical information about Council services shall be copied to the relevant Cabinet member.

The Leader of the Council or leader of any political group may request the Chief Executive or the relevant director, or other designated officer to prepare reports on matters relating to the authority for consideration by the group. Such requests must be reasonable and should not seek confidential information in relation for instance to casework or personal details of applicants for services. Wherever possible, but subject to any overriding data protection or other legal requirements, such requests will be met. However if the officer considers that the cost of providing the information, or the nature of the request is unreasonable, the request will be referred to the Chief Executive for determination, where necessary in consultation with the Leaders of the political groups.

Officer reports to political groups should be limited to a statement of material facts and identification of options and the merits and demerits of such options for the authority. Reports should not deal with any political implications of the matter or any option and officers should not make any recommendation to a political group.

(b) “Briefings”

In order for them to discharge their responsibilities Cabinet members will be briefed by senior officers (directors, heads of service or team leaders) on service issues, proposals and policy development either on an ad hoc or a regular basis, in accordance with the requirements of the councillor involved.

Other political groups may also have nominated portfolio leads and, if those leads so request, the relevant senior officers will make themselves available to meet with them to brief them on service issues.

The content of these informal briefing sessions shall remain confidential as between officers and the political group concerned.

(c) “News” items

When an event or development occurs in the city which has or will have a significant impact on the Council or city residents, the Chief Executive will ensure that the Leaders of all political groups are informed as soon as possible.

(d) Ward councillors

Senior officers should ensure that ward councillors are given information relevant to their ward on a regular basis. As well as letting ward councillors know when there has been a significant incident in their ward, ward councillors should be routinely notified about the following types of issue:

- Public consultation events affecting their wards
- Proposed changes to services sited within their wards
- Proposed anti-social dispersal orders

Ward councillors should be invited by officers to public events, such as openings, festivals etc., in their wards regardless of political affiliation.

The Communications Team will advise group leaders of any ‘photo shoot’ that it has organised in connection with a significant event. The team will aim to give 48 hours’ notice of any photo shoot it has organised to the group leaders.

If officers organise a public meeting, about a specific ward issue all the councillors for that ward should be invited and given as much notice as possible.

If officers undertake consultation about specific ward issues they should consult the councillors for that ward at the start of the consultation.

Ward councillors should be told in advance about anything which particularly affects their ward and which is potentially controversial.

(e) Officer attendance at political group meetings

The Leader of the Council or leader of any political group may ask the Chief Executive or relevant director to give or arrange a private briefing for the party group on a matter of relevance to the Council.

Any briefings offered to or requested by a party group will be offered to the other party groups.

No officer of the Council should attend any political group meeting which includes non-Council members.

Decisions taken by political groups are not Council or Executive decisions and political groups do not have any delegated authority to make formally binding decisions. Officers should not take instructions from political groups.

(f) Advice for councillors with special responsibilities

The Lord Mayor, Cabinet members and committee chairs can ask the Chief Executive, directors and heads of service for extra background information and advice on different courses of action.

Although these councillors have additional responsibilities and different relationships because of their more frequent contact with officers, these councillors must still respect the impartiality of officers. This includes not asking them to undertake work of a party political nature, or to do anything which would prejudice that impartiality.

The leaders of minority political groups can ask the Chief Executive or directors or heads of service for background information or more details about items coming to the next meeting of a committee or the Cabinet. The appropriate chair or Cabinet member will be entitled to receive the same information.

Political group leaders can ask for advice on presenting their budget in a correct and accurate form. This will be given in confidence.

23.9 Councillors' briefings on agendas and reports

(a) Briefings on agendas

Directors and heads of service will give briefings on Council, Cabinet and committee agendas to the Leader and Deputy Leader and committee chairs and vice chairs.

(b) Consultation on agendas

The Leader will be consulted on agendas for the Cabinet. Committee chairs will be consulted on agendas for their committees.

(c) Requests for reports

Instructions for reports to come to the Cabinet or committees can only come from the Leader, the Cabinet, a Cabinet member in respect of the Cabinet and a committee or a committee chair in respect of committees.

Whilst Cabinet members have political responsibility for drawing up proposals for consideration or for the agenda for a forthcoming meeting, it must be

recognised that in some situations an officer will be under a professional duty to submit a report. Similarly, senior officers will always be fully responsible for the contents of any report submitted in his/her name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. Any issues arising between a Cabinet member and a senior officer in this respect should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

23.10 Restrictions on officers' political activities

Most senior officers and some other officers are politically restricted. These officers cannot be councillors or MPs and cannot say, publish or do anything in their private capacity that seems intended to affect public support for a political party or candidate.

The Head of Business Improvement keeps a list of politically restricted posts. Any council officer in their official capacity must not publish things that seem intended to affect support for a political group on the Council.

No one can be both an officer and a councillor on the same Council.

23.11 Support services to councillors and political groups

Support services should only be used for Council business. They should never be used for private purposes, for party political or campaigning activity.

23.12 Correspondence

(a) Between councillors and officers

If emails or letters between officers and councillors are copied to someone else, they should say so. Blind copies should not be sent.

Councillors should not forward information received from an officer to a constituent or member of the public if that information is expressed to be confidential.

(b) Letters on behalf of the Council

Letters on behalf of the Council will normally be sent by officers rather than councillors. The Leader and committee chairs may write some letters on behalf of the Council, for example representations to government ministers.

These should be copied to the Cabinet or the appropriate committee. Councillors must never send letters that create obligations or give instructions on behalf of the Council.

23.13 Media releases and publicity

Local authorities are accountable to the population they serve. Accountability requires local understanding. This will be promoted by the Council publicly explaining its objectives and policies. In recent years all local authorities have increasingly used publicity to keep the public informed and to encourage public participation. Every Council needs to tell the public about the services it provides,

however, publicity is a sensitive matter in any political environment because of the impact it can have.

Oxford City Council is a local authority in a high profile city and it attracts a lot of media attention. All of the Council's media contact will be professionally managed to meet the communication needs of the Council and of the media by the Council's Communications Team. The purpose of the team is to advise and support councillors and officers and to maintain and improve the Council's corporate reputation by leading the development, implementation and delivery of an effective media relations service for the Council.

The media is a channel for communicating with Oxford City Council's many varied stakeholders and has a strong influence over how people view the Council and its services. It is therefore crucial that media communications are managed effectively and with due regard for the legal restrictions that the whole Council, led by the media office, must work under and be clear about.

Underpinning all aspects of this protocol is the general principle, enshrined in legislation that the Council will not publish material which in whole or in part appears to be designed to affect public support for a political party.

(a) The Legal Position

Publicity issued by a local authority is subject to a number of constraints imposed by Section 75 of the Representation of the People Act 1983, section 2 of the Local Government Act 1986 (as amended) and the Code of Recommended Practice on Local Authority Publicity issued in 2011 under section 4 of that Act.

Section 75 of the Representation of the People Act 1983 makes it a criminal offence for the Council to incur any expense with a view to promoting the election of a candidate on account of:

- circulars, publications and advertisements;
- otherwise presenting the candidate or his views;
- disparaging another candidate.

The overarching principle contained in section 2 of the Local Government Act 1986 is that no publicity must be issued by a local authority which "appears to be designed to affect support for a particular political party". As well as refraining from issuing such material itself, a local authority must not give anyone else financial assistance to publish such material.

In seeking to adhere to this principle, account will be taken of the content and style of the material, the time when it is issued and whether or not it refers to a particular party or person identified with it, or whether it promotes or opposes a point of view that is politically controversial.

The Communications Team will advise all councillors on media relations but it cannot support councillors on media relations in respect of views which do not reflect council policies or which affect public support for a political party or the promotion of individual councillors.

(b) Media enquiries

Officers must refer all media enquiries to the Communications Team and must co-operate promptly with requests for information from the team.

(c) When to issue media releases

The Communications Team will be guided by the Leader, Cabinet member or committee chair on whether to issue a media release before or after a meeting. The Communications Team will advise these councillors on when a media release would be appropriate, taking into account any recommendations made by directors or heads of service. If there is a disagreement about what a media release should say, the Chief Executive will decide.

(d) Content of media releases

Quotes on behalf of the Council for media purposes would normally come from Cabinet members or the Leader of the Council. The content of such quotes or press releases will be cleared in advance with the councillors concerned. The Leader, Cabinet members, committee chairs, the Lord Mayor, the Deputy Lord Mayor or the Sheriff will normally speak on behalf of the Council for their area of responsibility. Ward councillors may be quoted on matters that they have significantly influenced. Any quotes from officers must be either factual or consistent with Council policy.

When a media release is issued after a meeting, it must be about things discussed at the meeting. Media releases issued before a meeting should contain factual information only.

The principle of executive decision-making and accountability will be strongly reflected in the Council's media liaison arrangements. In particular:

- Media statements on executive decisions will be made by the appropriate Cabinet member (or their substitute), the Leader of the Council or issued on behalf of the entire Cabinet
- Interviews on executive decisions will only be given by the appropriate Cabinet member, their substitute or the Leader
- The Executive will be given relevant support and advice to enable them to play a proactive role in presenting issues to the media, explain their work and manage controversial issues covered by the media
- Where the Communications Team is asked to draft press releases or letters on behalf of the Executive, such releases/letters will be of a factual nature

Although officers will not be allowed to comment to the media on Executive decisions they may continue to speak to the media within the following parameters:

- Where they have been specifically asked to speak to the media by the Leader, Cabinet, relevant Cabinet member or chair of Scrutiny Committee or relevant scrutiny panel

- On matters of clarification with reference to officer reports submitted for consideration to Executive, Scrutiny, Council or to regulatory committees
- To explain the operational detail of decisions and policies they are implementing
- On issues pertaining to the exercise of professional judgement

The work of regulatory bodies and committees (such as planning or licensing) will be publicised in consultation with relevant chairs and lead officers.

(e) Notification of media releases

All councillors will receive notification of all press releases made on behalf of the Council by the Communications Team. Media releases which are embargoed will be sent to all councillors at the time that the embargo is lifted.

(f) Publicity in the run-up to elections

The period between the notice of an election and the election itself should preclude proactive publicity in all its forms of candidates and other politicians involved directly in the election. Publicity should not deal with controversial issues or report views, proposals or recommendations in such a way that identifies them with individual councillors or groups of councillors. However, it is acceptable for the authority to respond in appropriate circumstances to events and legitimate service enquiries provided that their answers are factual and not party political. Councillors holding key political positions should be able to comment in an emergency or where there is a genuine need for a councillor level response to an important event outside the authority's control. Proactive events arranged in this period should not involve councillors likely to be standing for election.

(g) Invitations to media events which are of key significance to the City of Oxford or the Council

Representatives of each political group will be invited to all media events involving councillors which are of key significance to the City of Oxford or the Council. The Communications Team will liaise with the Leader, Cabinet member or committee chair when setting up such media events involving councillors. This will not apply to marketing or campaign work.

(h) Media releases by political groups and individual councillors

When individual councillors or spokespeople for political groups issue media releases, they must make it clear that they are not issuing them on behalf of the Council. Whilst it is legitimate for the Council to publicise local issues, the Council will not involve itself in any publicity which 'personalises' such issues and thereby appears to be designed to affect public support for a political party.

Publicity about individual councillors may include the contact details, the position they hold in the Council (for example, Cabinet member or Chair of Scrutiny Committee), and their responsibilities. Publicity may also include information about individual councillors' proposals, decisions and

recommendations only where this is relevant to their position and responsibilities within the Council. All such publicity should be objective and explanatory, and whilst it may acknowledge the part played by individual councillors as holders of particular positions in the Council, personalisation of issues or personal image making should be avoided.

Publicity should not be, or liable to misrepresentation as being, party political. Whilst it may be appropriate to describe policies put forward by an individual councillor which are relevant to her/his position and responsibilities within the Council, and to put forward her/his justification in defence of them, this should not be done in party political terms, using political slogans or directly attacking policies and opinions of other parties, groups or individuals.

(i) Scrutiny

The work of the Scrutiny Committee is an important and integral part of the political arrangements of the Council for the purposes of media liaison. In particular:

- Media statements and interviews on scrutiny matters will be made by the convenor of the relevant scrutiny panel or their substitute in consultation with the Chair of the Scrutiny Committee or, if appropriate, by the Chair of the Scrutiny Committee.
- Members of scrutiny panels and the Chair of the Scrutiny Committee will be offered relevant support and advice to enable them to play a proactive role in presenting issues to the media and explain their work.
- Where a minority report is released by a member or members of a scrutiny panel, media statements will be made in consultation with the Chair of the Scrutiny Committee and will be the responsibility of those issuing the report.
- Where the Communications Team is asked to draft press releases/letters on behalf of scrutiny, such releases/letters will be of a factual nature and will contain nothing that could be construed as politically motivated or biased.
- All official scrutiny press releases will be issued by the Communications Team in the standard format.

23.14 The Council as an employer

(a) Fairness in employment

Councillors should not take part in a recruitment process where any of the candidates are friends, relatives, partners or other people they live with. Nor should they have any role in disciplinary action or grievances involving these people.

Councillors should not try to influence appointments (except as members of the Appointments Committee or when appointing a political assistant). Nor should they help any particular candidate by giving them information that the other candidates could not get.

Councillors should not discriminate unfairly against officers and should judge candidates for employment or other rewards on merit.

Councillors should not take part in a recruitment process without having undertaken appropriate training.

Councillors may choose to write personal references for members of staff if requested, but are under no obligation to do so, and should be clear that this is not the employer's reference.

(b) Grievances and disciplinary procedures

Councillors should not try to influence the handling of any grievance. Councillors can report their concerns about an officer's performance or behaviour to a line manager. But they should not try to influence any disciplinary procedure (except as members of the Disciplinary Committee for the Chief Executive, Assistant Chief Executives, Executive Directors and Heads of Service).

Councillors serving on the Disciplinary Committee for the Chief Executive, Assistant Chief Executive, Executive Directors and Heads of Service must base their decisions on the facts and in accordance with the Council's employment obligations. They should not be influenced by party political or personal factors.

Councillors should not take part in any disciplinary process without having undertaken appropriate training.

(c) Accountability and confidentiality

Councillors are accountable for the decisions they make as employers but they should keep individual employment matters confidential.

23.15 Gifts and Hospitality

(a) The arrangements for gifts and hospitality are set out in Appendix 1 of the Employee Code of Conduct. The Code forms part of each employees' contract of employment. If officers are offered a gift or hospitality (called 'gift' from here on) they must notify their Head of Service using iTrent. Officers must seek approval from their Head of Service if they feel the need to accept the gift or endorsement from their Head of Service if they decline the gift. Approval or endorsement must be sought in this way using iTrent.

(b) There is a voluntary gifts and hospitality disclosure scheme for members for gifts with a minimum value of at least £50. Any councillor who wishes to disclose the offer of a gift should notify the Committee and Member Services Manager.

23.16 Responsibility for this code

The Monitoring Officer has overall responsibility for this code and will periodically review how the code is working.

24. Planning Code of Practice

- 24.1 What does this code apply to?
- 24.2 Training for Councillors
- 24.3 Preparation of planning policy documents – public meetings

- 24.22 Complaints and record keeping
- 24.23 Responsibility for this code
- 24.24 Procedure for dealing with planning applications at Oxford City Planning Committee and Planning Review Committee

24.1 What does this code apply to?

This code applies to all planning decisions, whether they are taken by officers, the Oxford City Planning Committee or the planning review committee. It also applies to the preparation of the Local Plan and other planning policy documents.

24.2 Training for Councillors

Councillors are required to attend training and updating sessions on planning issues every two years (election years) and will be told about any changes to the law or the Council's procedures.

24.3 Preparation of planning policy documents – public meetings

At public meetings councillors should be careful to be neutral and to listen to all points of view. They should take care to express themselves with respect to all present including officers. They should never say anything that could be taken to mean they have already made up their mind before an application is determined.

24.4 Councillors' interests in planning applications

(a) Registering and declaring interests

The members' Code of Conduct requires councillors to register interests. (Part 22.4)

(b) Declaring interests

Part 22.4(d) states what councillors must do if they have an interest in an item.

All matter of interests must be viewed within the context of the members' Code of Conduct as a whole and regard given to the perception of the public. If members have concerns about a potential interest, they should seek advice from the Monitoring Officer.

(c) Avoiding perception of bias

Councillors must listen to the advice of the Monitoring Officer if they may be perceived as having made up their minds in advance or having closed their minds to opposing viewpoints.

If a member is a Cabinet member or represents the Council on an outside body and the Council or the outside body is the applicant then particular care should be taken by the member to avoid the perception of bias.

If a member is a member of the Shareholder and Joint Venture Group or is otherwise responsible for acting as shareholder or owner of the Council's companies and joint ventures they must not determine planning applications submitted by those companies and joint ventures. The member can choose to speak during the public speaking slot at a Planning Committee or Planning Review Committee meeting but they must notify the chair of their intentions before the meeting begins and must not participate in discussion or voting on the item and must withdraw from the meeting whilst the matter is debated.

24.5 Gifts and Hospitality

Councillors and officers should avoid receiving gifts or hospitality from anyone involved with a planning application. If gifts or hospitality are unavoidable, they should be kept to the minimum.

Officers should declare offers of gifts or hospitality in the Council's hospitality register as soon as possible, whether they accept them or not. The record of gifts and hospitality will be reviewed annually by the Monitoring Officer.

24.6 Need for councillors to make up their minds at committee

When a planning application comes to committee, councillors must weigh up all the relevant facts and make their decision at the meeting. They must not have already decided how to vote.

This means that councillors need to be careful about anything they say before the committee meeting. Although they can start to form a view, they should never say anything that could give the impression they have already made up their minds. Councillors should not sign letters or petitions that support or oppose an application.

24.7 When councillors go public

If a councillor has publicly supported a particular outcome, it will be very difficult for them to appear to make up their mind at committee and they should not participate in the debate or vote. If a councillor believes they have pre-determined an application, they should make this clear at the beginning of the meeting and leave the committee table for that item. In such a situation the councillor may address the meeting as a ward member in the public speaking slot (Part 24.17).

This is not the same as the need to declare a disclosable pecuniary interest. That is a separate requirement of the members' Code of Conduct (Part 22.4).

24.8 Lobbying

(a) Lobbying by councillors

Councillors should not lobby each other on planning applications. Nor should they put pressure on officers to make a particular recommendation or do anything which compromises, or is likely to compromise, the officers' impartiality or professional integrity.

(b) Lobbying of councillors

When they are lobbied, councillors should be careful not to say anything that could give the impression they have already made up their mind. They should stick to advising on procedures and suggesting that the person writes to the Head of Planning Services with their views in order that the comments may be reflected in the officer's report.

If councillors do express an opinion to objectors or supporters, they should make it clear that they will only be in a position to take a final decision after having heard all the relevant arguments and taken into account all relevant material planning consideration at committee.

24.9 Whipping

Political groups must not whip planning decisions. Councillors must use their individual judgement when deciding how to vote.

24.10 Planning applications by Councillors and officers

(a) Officers not to act as agents

Officers must not act as agents for planning applications to the Council.

(b) Council's handling of applications

If a councillor or an officer or any relation of theirs puts in a planning application to the Council, they must declare their relationship on the application form and not be involved in deciding it or try to influence it improperly. The same goes for applications where a councillor is the agent.

If a councillor is the applicant or the agent, they are likely to have a disclosable pecuniary interest under the members' Code of Conduct and should take no part in the determination of the application.

The Head of Planning Services will tell the Monitoring Officer about any applications by Councillors or officers and any applications where a Councillor is the agent. These applications will always be decided by the planning committee, or if called in, the planning review committee, not by the Head of Planning and Sustainable Development. The committee report should be able to say that the Monitoring Officer confirms the application has not had any special treatment.

24.11 Planning applications by the Council

Applications by the Council will not get special treatment. They will be subject to the same rules as other applications. The Council will decide them on planning grounds and will not take in to account how it could gain from giving or refusing permission.

The only exception to this is applications for prior approval under identified permitted development rights (see 5.3(b)) which have a 42 day deadline for the local planning authority to oppose. If incorporating a prior approval application to the committee structure takes longer than 42 days for the application to be determined, then this will result in the development being allowed to proceed by default regardless of what the committee decides. In those circumstances the Head of Planning Services will determine the application.

24.12 Discussions before an application is decided

The following applies to discussions with an applicant before an application is put in or before it is decided. These include discussions over the phone, as well as meetings:

- It should be made clear at the start that the discussion will not bind the Council.
- Anyone taking part in the discussion should make it clear whether they are likely to be the decision taker.
- Advice should be unbiased and consistent. It should be based on the local development framework and relevant facts.
- A note should be made of any meeting, which will be included on the application file.
- If the applicant so requests a follow-up letter should be sent, confirming what has been discussed.
- At least two officers should attend any meetings that are likely to be contentious.

- If councillors have a meeting, they should take a planning officer with them. Meetings involving councillors or officers should be recorded on the application file.
- Councillors should not approach applicants to try to achieve planning gain or get a planning application changed.
- Councillors should never say anything that would give the impression that they have already made up their minds in relation the matter.

24.13 Public meetings

At public meetings councillors should be careful to be neutral and to listen to all points of view. They should never say anything that could be taken to mean they have already made up their mind.

24.14 Members' informal briefings

For complex and/or major applications or pre-application enquiries about forthcoming applications, where there are difficult or technical issues such as viability to consider, it may be appropriate to hold informal briefings for members before an application is submitted to the Council or before an application comes before a committee for formal consideration and determination.

The Head of Planning Services will decide whether an informal briefing is considered to be necessary in any case.

Such a practice is acceptable provided the following guidelines are adhered to:

- Members should understand that an informal briefing is not the committee meeting and therefore no decisions will be taken at the briefing.
- The informal briefing is essentially a fact finding exercise to allow members to understand more about the proposal before an application is submitted to the Council or before formal consideration of the scheme at committee.
- Members can ask questions about the scope of the proposal and about any issues they do not understand but it is not a forum for debate or for stating opinions about the development and certainly not for members to declare how they will vote at the formal meeting.
- Whilst Members can begin to form views about the scheme and certain aspects of it, it is important at this stage for members not to form firm views or to decide how they will vote at the committee meeting. If they do so, they will not be able to take part in the committee consideration and determination of the application as they will be deemed to have pre-determined the application and will have closed their minds.
- The meeting is not a public meeting and therefore members of the public, the press and, in the case of informal briefings which are considering specific applications as opposed to pre-application enquiries, the applicant will not be present. It will also only be appropriate for Members who are likely to sit on the determining committee, their substitutes and ward members to be present.

- If an informal briefing is being held about a pre-application enquiry, the Head of Planning Services will decide whether it would be appropriate to invite the applicant to the first part of the briefing in order to present the proposals to members. After the presentation, a question and answer session can take place so that members can seek clarification of any issues arising. The applicant will then leave the briefing to enable further questioning of officers to take place to aid clarification or to seek further information.
- A record will be kept of the fact that the meeting took place and who attended the meeting but formal minutes or notes of the meeting will not be made or published as this is not a formal committee meeting and no decisions will have been taken.
- Although attendance by members will be encouraged, non-attendance at informal briefings will not prevent their subsequent participation in deciding an application when it comes before a committee.

24.15 Site visits

A site visit by a planning committee is only likely to be necessary if:

- the impact of the proposed development is difficult to visualise from the plans and any supporting material, including photographs taken by officers

or

- issues relevant to the determination of the application can only be properly understood by seeing the site.

In considering a planning application the planning officers will decide whether a site visit by members is necessary, based on the above criteria, and if so will arrange the site visit. An individual member of the relevant planning committee can make a request for a site visit but it is the officers who will make the decision. If members of the relevant planning committee ask for a site visit at a committee meeting then the committee will decide.

When a site visit is requested by a member of the relevant planning committee justification for visiting the site should be judged on the criteria above.

The reasons why the site visit is requested will be recorded and kept on the file.

Site visits will only be attended by members of the relevant committee and supporting officers. Other people such as applicants, owners or members of the public will not be invited to attend site visits. Applicants or owners will only be present if they are required to give access to a site. Applicants or owners present must not be directly engaged by councillors and all councillor questions must be addressed to the accompanying officer.

Councillors should not seek or accept representations, either as a committee or as individual members, during the visit. Councillors should not comment on the application and will not take any decisions during a site visit but may ask questions of the officer or seek clarification, particularly about the layout of the site or the development and its surroundings, but not in relation to the merits of the application.

Beyond attendance, no formal notes will be recorded of a site visit. Members of the planning committee or the planning review committee who do not attend a site visit are not precluded from taking part in the determination of the planning application to which it relates. A site visit is not a meeting of the committee and no decision may be made upon the application at a site visit.

If a member does make a site visit on their own then they should only do so from publicly accessible land.

24.16 Officers' reports to committee

Reports should cover all the relevant points, including:

- material considerations
- relevant parts of the development plan
- the relevant planning history of the site.
- Reports should have a recommendation and a technical/professional assessment that clearly justifies it.

If the recommendation is contrary to the development plan clear reasons must be given identifying the material considerations justifying that development plan departure.

Oral reports should be rare and carefully minuted.

24.17 Committee members speaking in the public speaking slot

Committee members can choose to speak during the public speaking slot but they must notify the chair of their intentions before the meeting begins. They cannot participate in determining the application. Once the matter has been concluded, the member can re-join the committee.

24.18 Members of the public passing messages to committee members during the meeting

Messages should never be passed to individual committee members once the meeting has started. If there is a brief adjournment during the meeting, Councillors should not communicate with members of the public during this time as this gives the impression that they might be being influenced.

24.19 Determining an application

Committee members can only determine an application if they have been present throughout the whole presentation and debate. Members that arrive late or leave the room during the deliberation of an application can sit at the committee table but cannot participate in the debate or vote on the application.

When an application is considered over two meetings, only members that attend both meetings can vote on the application.

24.20 Planning conditions added at the meeting

When councillors suggest planning conditions that were not in the report, their wording should be settled and drafted prior to the relevant decision being made, conditions are an integral part of a grant of permission and should be imposed only where lawful and compliant with national policy. Members should receive advice from officers on whether the conditions suggested are compliant with government policy.

24.21 Decisions that depart from the development plan or officers' recommendations

If the officers recommend making a decision contrary to the development plan, they should give full reasons in the report.

If a committee is considering voting against the officers' recommendations, officers should be asked to explain any effect it might have.

If a committee goes against the officers' recommendation, it must be for planning reasons and these must be clear and convincing. The personal circumstances of the applicant are rarely enough. The reason must be established prior to the motion being voted on. A detailed minute of the reasons should be made and placed on the application file.

The wording of planning conditions to be imposed or the wording of reasons for refusal should be settled before the vote is taken.

24.22 Complaints and record keeping

The Council has a complaints procedure, which is on the website.

To make complaints easy to investigate, records need to be complete and accurate. Every planning file should contain an account of events from beginning to end. It is important to record reasons for decisions, especially when they are taken by officers and there is no committee report.

The Head of Planning Services will monitor the quality of the Council's planning records.

24.23 Responsibility for this code

The Head of Planning Services and the Monitoring Officer have overall responsibility for this code. They will review how the code is working.

Annex 1 to Part 24:

Procedure for dealing with planning applications at Oxford City Planning Committee and Planning Review Committee

Planning controls the development and use of land in the public interest. Applications must be determined in accordance with the Council's adopted policies, unless material planning considerations indicate otherwise. The Committee must be conducted in an orderly, fair and impartial manner. Advice on bias, predetermination and declarations of interests is available from the Monitoring Officer.

The following minimum standards of practice will be followed:

1. All members of the Committee will have pre-read the officers' report. Committee members are also encouraged to view any supporting material and to visit the site if they feel that would be helpful. (In accordance with the guidance at 24.15 of the Planning Code of Practice).
2. At the meeting the Chair may draw attention to this procedure. The Chair will also explain who is entitled to vote.
3. The sequence for each application discussed at Committee shall be as follows:
 - (a) the planning officer will introduce it with a short presentation;
 - (b) any objectors may speak for up to 5 minutes in total;
 - (c) any supporters may speak for up to 5 minutes in total;
 - (d) speaking times may be extended by the Chair, provided that equal time is given to both sides. Any non-voting City Councillors and/or Parish and County Councillors who may wish to speak for or against the application will have to do so as part of the two 5-minute slots mentioned above;
 - (e) voting members of the Committee may raise questions (which shall be directed via the Chair to the lead officer presenting the application, who may pass them to other relevant officers and/or other speakers); and
 - (f) voting members will debate and determine the application.
4. In determining an application Committee members should not:
 - (a) rely on considerations which are not material planning considerations in law;
 - (b) question the personal integrity or professionalism of officers in public;
 - (c) proceed to a vote if minded to determine an application against officer's recommendation until the reasons for overturning the officer's recommendation have been formulated including the reasons for refusal or the wording of any planning conditions; or
 - (d) seek to re-design, or negotiate amendments to, an application. The Committee must determine applications as they stand and may impose appropriate conditions.

5. Public requests to speak

Members of the public wishing to speak must notify the Committee and Member Services Officer by noon on the working day before the meeting, giving their name, the application/agenda item they wish to speak on and whether they are objecting to or supporting the application. Notifications can be made via e-mail or telephone, to the Committee and Member Services Officer (whose details are on the front of the Committee agenda).

6. Written statements from the public

Any written statement that members of the public or Councillors wish to be considered should be sent to the planning officer by noon two working days before the day of the meeting. The planning officer will report these at the meeting. Material received from the public at the meeting will not be accepted or circulated, as Councillors are unable to give proper consideration to the new information and officers may not be able to check for accuracy or provide considered advice on any material consideration arising. Any such material will not be displayed or shown at the meeting.

7. Exhibiting model and displays at the meeting

Applicants or members of the public can exhibit models or displays of photos and/or pictures at the meeting or a room provided for that purpose as long as they notify the Committee and Member Services Officer of their intention by 12noon, two working days before the start of the meeting so that members can be notified.

Applicants or members of the public are not permitted to exhibit photos and/or pictures in any electronic format.

8. Recording meetings

Members of the public and press can record the proceedings of any public meeting of the Council. If you do wish to record the meeting, please notify the Committee and Member Services Officer prior to the meeting so that they can inform the Chair and direct you to the best place to record. You are not allowed to disturb the meeting and the Chair will stop the meeting if they feel a recording is disruptive.

The Council asks those recording the meeting:

Not to edit the recording in a way that could lead to misinterpretation of the proceedings. This includes not editing an image or views expressed in a way that may ridicule, or show a lack of respect towards those being recorded.

To avoid recording members of the public present unless they are addressing the meeting.

9. Meeting Etiquette

All representations should be heard in silence and without interruption. The Chair will not permit disruptive behaviour. Members of the public are reminded that if the meeting is not allowed to proceed in an orderly manner then the Chair will withdraw the opportunity to address the Committee. The Committee is a meeting held in public, not a public meeting.

- 25.16 How to respond to a whistleblowing concern – Flow chart

25.1 Introduction

In this Policy 'Whistleblowing' means the reporting by staff of suspected misconduct, illegal acts or failure to act within the Council.

The aim of this Policy is to encourage employees and others who have serious concerns about any aspects of the Council's work to come forward and voice those concerns.

This Policy intends to:

- Encourage staff to report suspected wrongdoing as soon as possible, in the knowledge that their concerns will be taken seriously and investigated as appropriate, and that their confidentiality will be respected, as far as possible.
- Encourage and enable staff to raise concerns within the Council rather than ignoring a problem or blowing the whistle externally.
- Provide staff with guidance as to how to raise those concerns.
- Reassure staff that they should be able to raise genuine concerns without fear of reprisals, victimisation, subsequent discrimination, disadvantage or dismissal, even if they turn out to be mistaken, provided the disclosure is made in the public interest.

The Council is committed to conducting business with honesty and integrity, and expects all staff to maintain high standards of conduct, in accordance with the Council's Employee Code of Conduct. However, all organisations face the risk of

things going wrong from time to time, or of unknowingly harbouring illegal or unethical conduct. A culture of openness and accountability is essential in order to prevent such situations occurring or to address them when they do occur

Staff are often the first to realise that there may be something seriously wrong within an organisation. It is not disloyal to colleagues or the Council to speak up. The Council is committed to achieving the highest possible standards of service and the highest possible ethical standards in public life and in all of its practices. To help achieve these standards it encourages freedom of speech.

25.2 What is Whistleblowing

Any serious concerns that staff have about service provision or the conduct of officers of the Council, or others acting on behalf of the Council, that make them feel uncomfortable in terms of known standards, are not in keeping with the Constitution or Council policies, fall below established standards of practice or are improper behaviour, should be reported.

This may relate to:

- Criminal activity;
- Miscarriages of justice;
- Racial, sexual, disability or other discrimination;
- Danger to health and safety;
- Damage to the environment;
- Failure to comply with any legal, or professional, obligation or regulatory requirements;
- Unauthorised use of public funds or other assets;
- Bribery;
- Financial fraud or mismanagement;
- Negligence;
- Breach of our internal policies and procedures, including the Council's Employee Code of Conduct;
- Conduct likely to damage our reputation;
- Unauthorised disclosure of confidential information;
- The deliberate concealment of any of the above matters.

A whistleblower is a person who raises a genuine concern relating to any of the above, where he/she honestly and reasonably believes it to be in the public interest to raise the concern.

This Policy should not be used for complaints relating to an individual's own personal circumstances, such as the way they have been treated at work. In those cases the Grievance Procedure should be used.

If a staff member is uncertain whether something is within the scope of this Policy they should seek advice from the Monitoring Officer.

This Policy does not form part of any employee's contract of employment and it may be amended at any time.

If an individual member of the public has a concern about services provided to him/her, it should be raised through the Council's complaints procedure.

Complaints of misconduct by Councillors are dealt with under a separate procedure and should be referred to the Council's Monitoring Officer.

25.3 Who can use this Policy?

This Policy is for all individuals, working at all levels of the organisation, including senior managers, officers, executive directors, employees, secondees, consultants, contractors, trainees, homeworkers, part time and fixed term, casual and agency staff and volunteers (collectively referred to as staff). Members of the public can use the Council's complaints procedure or complain to the ombudsman.

25.4 What does this Policy apply to?

This Policy applies to anything illegal, improper, unethical or wrong that is done by:

- staff
- councillors
- co-opted committee members
- anyone representing the Council
- partner organisations
- contractors, consultants or other suppliers

Examples would include a criminal offence, fraud or corruption, damage to the environment, safeguarding concerns, theft or misuse of public money, breach of a legal obligation, a failure to follow the Council's finance, contract or other rules or a deliberate attempt to conceal any of these things.

The Council has other policies and procedures, for example on recruitment and selection, discipline, grievances, bullying and harassment and diversity. The Whistleblowing Policy should only be used when other policies are inappropriate.

If an employee raises a disclosure whilst they are subject to another of the Council's procedures, for example, Disciplinary, Dispute Resolution, Capability or Absence Management Procedure, parallel investigations may be conducted. The Procedures already instigated will not, in most cases, be suspended. However, the employee's right to raise a concern under this Procedure will not be affected.

25.5 Purpose of Whistleblowing Policy

Any member of staff with serious concerns about any of the Council's work or activities are expected to blow the whistle. This policy document makes it clear that an employee can do so without fear of victimisation, subsequent discrimination or disadvantage. This Policy:

- encourages officers to blow the whistle within the Council rather than say nothing or take their concerns elsewhere
- protects whistle blowers from reprisals as long as they have acted honestly and in the public interest
- provides a procedure for whistle blowing
- ensures whistle blowers get a response
- gives advice on what to do if the response is not good enough.

25.6 Confidentiality

The Council hopes that staff will feel able to voice whistleblowing concerns openly under this Protocol. However, if a whistleblower wants to raise a concern confidentially, the Council will make every effort not to disclose their identity. If it is necessary for anyone investigating the concern to know the whistleblower's identity, this will be discussed with the whistleblower in advance.

The Council does not encourage staff to make disclosures anonymously. Proper investigation may be more difficult or impossible if the Investigating Officer cannot obtain further information from the whistleblower. It is also more difficult to establish whether any allegations are credible. Whistleblowers who are concerned about possible reprisals if their identity is revealed should come forward to the Monitoring Officer and appropriate measures can then be taken to preserve confidentiality.

If a whistleblower is in any doubt, they can seek independent advice from the independent charity, Protect, who offer a confidential advice line. Their contact details are at the end of this Policy.

25.7 How will the Council protect and support whistle blowers?

It is understandable that whistleblowers are sometimes worried about possible repercussions. The Council aims to encourage openness and will support staff who raise genuine concerns under this Policy, if they reasonably believe it to be in the public interest to do so, even if they turn out to be mistaken.

Staff must not suffer any detrimental treatment as a result of raising a concern or making a disclosure, provided it is made in the honest belief that it is in the public interest to do so. Detrimental treatment includes dismissal, disciplinary action, threats or other unfavourable treatment connected with raising a concern. If you believe that you have suffered any such treatment, you should inform the Monitoring Officer immediately. If the matter is not remedied you should raise it formally using the Council's Grievance Procedure.

Staff must not threaten or retaliate against whistleblowers in any way. Any staff member involved in such conduct is likely to be subject to disciplinary action. In

some cases the whistleblower could have a right to sue them personally for compensation in an Employment Tribunal, and also for the Council to potentially be vicariously liable for their actions.

The Council will protect whistle blowers from reprisals as long as they had a reasonable belief that the allegations were true and made them in good faith. Reprisals will be treated seriously as a disciplinary offence and dealt with through the disciplinary procedure. Where workers blow the whistle but do not cite the Policy they will still be protected under it.

The Council will try to minimise any difficulties resulting from whistle blowing. For example, it will advise whistle blowers about the procedure if they have to act as witnesses.

25.8 External Disclosures

The aim of this Policy is to provide an internal mechanism for reporting, investigating and remedying any wrongdoing in the workplace. In most cases a whistleblower should not find it necessary to alert anyone externally.

The law recognises that in some circumstances it may be appropriate for a whistleblower to report their concerns to an external body such as a regulator. It will very rarely, if ever, be appropriate to alert the media. The Council strongly encourages whistleblowers to seek advice before reporting a concern to anyone external. The independent whistleblowing charity, Protect, operates a confidential helpline. They also have a list of prescribed regulators for reporting certain types of concern. Their contact details are at the end of this Policy.

Whistleblowing concerns usually relate to the conduct of staff, but they may sometimes relate to the actions of a third party, such as a customer, supplier or service provider. In some circumstances the law will protect a whistleblower if they raise the matter with the third party directly. However, the Council encourages whistleblowers to report such concerns internally first.

25.9 Untrue allegations

Workers will not suffer reprisals for making allegations that turn out to be untrue, as long as they had a reasonable belief that the allegations were true and made them in the public interest.

Allegations that are made without a reasonable belief as to their truth or made maliciously or not made in the public interest are likely to be treated as a disciplinary offence and dealt with through the disciplinary procedure.

25.10 Role of trade unions and professional associations

Workers can raise concerns themselves or ask their trade union or professional association to act on their behalf. Whistleblowers can bring a trade union or professional association representative or a friend with them to meetings.

25.11 How do members of staff blow the whistle?

- (a) Saying that the whistle blowing procedure is being used

The whistle blower should wherever possible make it clear from the start that they want to use the whistle blowing procedure.

- (b) Putting concerns in writing

Whistleblowers should wherever possible put their concerns in writing, giving as much detail and including relevant dates. Whistleblowers are not expected to prove that their allegations are true but they need to show that there are reasons for raising their concern and it was made in the public interest. If a whistleblower does not feel they can put their concerns in writing, they can be interviewed instead (25.10(c)).

- (c) Who should whistle blowers go to with their allegations?

It is hoped that in many cases staff will be able to raise any concerns with their line manager or Head of Service. They may be able to agree a way of resolving concerns quickly and effectively.

Where the matter is more serious, or staff feel that their line manager or Head of Service has not addressed the concern or if they prefer not to raise it with them for any reason they should contact one of the following: the Chief Executive, the Monitoring Officer, the Head of Financial Services, the Investigations Manager, or the Head of Business Improvement.

If the whistleblower suspects fraud or corruption, they can also go to the Council's internal auditors, BDO, or to the Council's appointed external auditors who are currently Ernst and Young, LLP.

Chief Executive – Caroline Green – cgreen@oxford.gov.uk

Monitoring Officer – Susan Sale – ssale@oxford.gov.uk

Head of Financial Services – Nigel Kennedy – nkennedy@oxford.gov.uk

Investigations Manager – Scott Warner – swarner2@oxford.gov.uk

Internal Auditors – Yasmin Ahmed, BDO – Yasmin.ahmed@bdo.co.uk

External Auditors – Adrian Balmer, Ernst and Young – abalmer@uk.ey.com

25.12 How will the Council respond to whistleblowing?

- (a) Notification of allegation

Upon receipt of an allegation under this Policy the person receiving the allegation must immediately notify in writing the Monitoring Officer, the Head of Financial Services and the Head of Business Improvement (unless the allegation relates to one or more of them) of the nature of the disclosure made.

(b) Appointment of an officer to investigate

The person receiving the complaint will agree, in consultation with the Monitoring Officer, the Head of Financial Services and the Head of Business Improvement how (unless the allegation relates to one or more of them) the allegation will be investigated and write to the whistleblower within 10 working days. The letter should:

- acknowledge that the whistleblower has used the Whistleblowing Policy
- say how their concern will be dealt with and how long they think this will take
- tell them whether any initial enquiries have been made
- say what further action will be taken (or say why no further action will be taken)
- Tell them they have the right to bring someone with them to any meetings they have to attend about the allegation.

(c) Interviews

If the whistleblower has not put their concerns in writing, they may be interviewed. The whistleblower may bring a colleague or Union representative to any meetings held under this Policy. The companion must respect the confidentiality of the disclosure and any subsequent investigation. A summary of the interview will be made which should be signed by the person conducting the interview and the whistle blower.

(d) Further action

After preliminary investigation the Council will take further action if the investigation officer decides it would be in the public interest to do so. Further action may include:

- Arranging an investigation by management or internal auditors
- Arranging a disciplinary process
- Referring allegations to the police
- Referring allegations to the external auditor
- Arranging an independent inquiry if the allegations are very serious or complicated

(e) Response to whistle blowers at the end of the investigation

The Council will aim to keep the whistleblower informed of the progress of the investigation and its likely timescale. However, sometimes the need for confidentiality may prevent the giving of specific details of the investigation or any disciplinary action taken as a result. Any information given about the investigation should be treated as confidential. If the law allows, the Council will tell the whistle blower the outcome of any investigation within 10 working days of it ending.

(f) Support

Whistleblowers are encouraged to obtain support and advice that may include their trade union representative or HR team contact, a designated representative for bullying and harassment or the charity *Protect*, the whistleblowing charity, which provides a confidential independent advice line for whistleblowers. Contact details are:

25.13 Taking concerns further

While the Council cannot always guarantee the outcome the whistleblower is seeking, it will deal with the concern raised fairly and in an appropriate way, and in compliance with Human Rights and Equalities legislation.

If a whistleblower is not satisfied with the way in which their disclosure has been handled, they can raise it with one of the other key contacts mentioned above.

If a worker has sought advice and feels it is right to raise their concerns outside the Council, people they could approach include their local Council, their local councillor, the external auditor, the health and safety executive, a government department, a solicitor, the police, an MP or a relevant professional body or regulatory organisation.

If a worker does raise their concerns outside the Council, they must do it without passing on confidential information. The Monitoring Officer can give advice on this.

25.14 Monitoring and reporting

The Head of Financial Services will report to each meeting of the Audit and Governance Committee on the number (if any) of whistle blowing complaints made as part of the Council's anti-fraud and corruption awareness framework.

25.15 Responsibility for this Policy

The Monitoring Officer has overall day to day operational responsibility for this Policy and how it is used and how the Policy is working.

All staff are responsible for the success of this Policy and should ensure that they use it to disclose any suspected danger or wrongdoing. Staff are invited to comment on this Policy and suggest ways in which it might be improved. Comments, suggestions and queries should be addressed to the Monitoring Officer.

* If there is any doubt as to whether the complaint could be considered to be whistleblowing the manager must refer it as such.
 ** Unless the complaint is about one or more of the Designated Officers when it should be referred to an Executive Director or the Chief Executive.
 This is an overview only and should be used in conjunction with the Whistleblowing Policy. Designated Officers are Head of Business Improvement, Head of Financial Services and Monitoring Officer.

 - (i) Members who fail to attend more than four meetings of Council in the municipal year except when a serious medical condition is the reason for absence;
 - (ii) Members who fail to attend an induction for newly elected councillors. A newly elected councillor is any councillor who was not holding City Council office at the time of the election in question.

A councillor may elect to forego any part of their entitlement to an allowance under this scheme by providing written notice to the Monitoring Officer.

26.6 Repayment of allowances

Where allowances have been paid in advance for a period during which a councillor no longer holds a role to which an SRA applies or is no longer a councillor, those allowances will be repaid.

26.7 Maternity, Paternity, Adoption or Parental Leave

Any councillor wishing to take a period of maternity, paternity, adoption or parental leave will continue to receive the basic allowance. For a period of non-attendance at qualifying meetings to extend beyond six months full council would first need to grant a special dispensation under Section 85 of the Local Government Act 1972.

Where a qualifying councillor in receipt of a special responsibility allowance wishes to take a leave of absence from the duties for which they receive the special responsibility allowance due to maternity, paternity, adoption or parental leave it will be at the discretion of the councillor affected to determine whether they wish to temporarily step down from their role. If so, they can receive maternity, paternity, adoption or parental leave payments equivalent to half of the special responsibility allowance(s) to which they are entitled for a period of up to six months. Only Councillors who have been in receipt of a special responsibility for at least three months before the date their leave of absence commences will qualify for maternity, paternity, adoption or parental leave payments in respect of that special responsibility. These payments are not contingent on the councillor being re-appointed to their previous role(s) at the end of their period of absence.

An application should be made to the Monitoring Officer for maternity, paternity, adoption or parental leave payments during a period of absence from a special responsibility and the affected member will have to relinquish all relevant duties and responsibilities to their replacement member for the full duration of the cover period. They may however continue to pass on knowledge to their replacement member on an informal basis and this contribution is recognised by the payment

of reduced allowances during a period of maternity, paternity, adoption or parental leave for up to six months. Any member choosing to step down from the Cabinet to take a period of absence will no longer be a member of the Cabinet until such time as they are re-appointed to the Cabinet. Membership of the Cabinet is limited to ten councillors.

26.8 Allowances for child and other dependants' care

Councillors can claim for the actual costs incurred by them in making arrangements for the care of children or other dependants to attend:

- Council
- The Cabinet
- Any Council committee or sub-committee
- Any outside bodies the Council has appointed them to
- Conferences and seminars agreed by the Head of Law and Governance
- Meetings with directors or officers agreed by the Head of Law and Governance
- Any other events agreed by the Head of Law and Governance

Councillors can claim the actual cost of this care as long as the carer has been paid at least the Oxford Living Wage and invoices/receipts are provided. Where the carer is employed at a level below the Oxford Living Wage the councillor can still claim if they provide evidence of making top up payments to the provider up to the level of the Oxford Living Wage.

The maximum that any member can claim for carers' allowances in any financial year is £1,306. This figure will increase annually in line with the rate of increase in the Oxford Living Wage. In special circumstances this level may be increased by the Head of Law and Governance after consultation with the Committee and Member Services Manager.

26.9 Allowances for travel

No travel allowance will be paid for journeys inside the City of Oxford boundary other than those agreed in advance by the Monitoring Officer as a reasonable adjustment for a councillor with a permanent or temporary disability (26.10) or as an exemption for a councillor with a low income. Travel allowances will only be available for the following events, agreed in advance, which take place outside of the city boundary:

- Conferences and seminars agreed by the Head of Law and Governance
- Meetings with directors or officers agreed by the Head of Law and Governance
- Any other events agreed by the Head of Law and Governance.

Any claims relating to events taking place outside the Oxford city boundary should be agreed in advance and be in line with the staff rates for travel allowances. Best

use should be made at all times of travel concessions arranged by the Committee and Member Services Team.

Councillors are encouraged to make the right choices about travelling on business, including consideration of whether a journey is really necessary. Walking and cycling are encouraged where possible, as these are the most carbon and cost efficient methods of travel; followed by public transport.

Reimbursement for travel outside the UK will not be allowed with the exception of pre-arranged events for the Lord Mayor which will be limited to two trips per year for the Lord Mayor, or representative, and consort.

Any additional requests from the civic office holders will be dealt with by the Head of Law and Governance. Any agreement would then be subject to the availability of a budget to pay for the travel.

A councillor may apply to the Head of Law and Governance for a maximum of £1,000 per year (1 April to 31 March) to allow for additional expenses if they are unemployed or on a low income and affordability is a barrier to them performing their role as a councillor. This could include travel expenses for council business within the city of Oxford boundary. In assessing claims the Head of Law and Governance will review the councillor's Register of Interests and may request further documentation such as proof of ongoing entitlement to working age benefits (other than Child Benefit). Councillors' entitlement to these allowances would be reviewed annually and councillors would be expected to inform the Head of Law and Governance if they stopped receiving a qualifying benefit.

26.10 Reasonable adjustments

A councillor may apply to the Monitoring Officer for a maximum of £1,000 per year (1 April to 31 March) to allow reasonable adjustments to be made to meet their needs should they have a temporary or permanent disability.

The Monitoring Officer has the discretion to increase the amount available to each qualifying councillor appropriate to their requirements if necessary.

26.11 How to claim allowances

Councillors do not have to submit claims for the basic and special responsibility allowances. These are paid automatically, in 12 instalments in line with the corporate payment schedule set by the Council's payroll team.

Councillors need to submit claims for care and travel on the forms provided. These should be accompanied by receipts/invoices and must be sent to the Committee and Members' Services Manager. Claims for care, and travel will only be paid if they are made within two months of the meeting (unless the Head of Law and Governance agrees there is a good reason for the delay). Councillors are paid in line with the corporate payment schedule set by the Council's payroll team.

26.12 Indexing of allowances in the scheme

Councillor's basic allowances will increase annually from 01 April 2024 onwards at the same rate as the percentage cost of living uplift in the local pay settlement for local government employees for that year.

If a criminal offence is considered to have been committed further action may be taken to assist in the prosecution of the offender(s).

If you do not understand the implications of this policy or how it may apply to you, seek advice from your line manager (or in the case of councillors the Head of Law and Governance).

- Where GCSx email is available to connect the sender and receiver of the email message, this must be used for all external email use and must be used for communicating “OFFICIAL and above” material.
- In no circumstances is automatic forwarding of email permitted. Auto-forwarding affords no control or protection against the accidental forwarding of personal, private, or sensitive information out of the Council, and as a consequence, leaves the Council open to the risk of potential data breaches and fines.

27.15 Internet use

- Provided it does not interfere with your work, the Council permits personal use of the internet in your own time (for example during your lunch break).

27.17 Government Connect & Information Protection

Information Protective Marking (IPM) is an information security classification scheme that requires the prominent marking of information and documents with a short standard wording that indicates how the information should be handled from a security point of view.

A document should be protectively marked either if there would be significant impact to the Council if the confidentiality, integrity or availability of the document was compromised. If you are the 'originator' of a document or record (i.e. the author or someone responsible for receiving and / or distribution) then you are responsible for adding a protective marking if it is not already marked.

- All information assets, where appropriate, must be assessed and classified by the owner in accordance with the HMG Security Policy Framework (SPF). (Appendix 1).
- Information sent via the Government Connect Secure Extranet (GCSx) must be labelled appropriately using the SPF guidance. (Appendix 1).
- Access to information assets, systems and services must be conditional on acceptance of the Acceptable Use Policy.
- OFFICIAL information must not be disclosed to any other person or organisation via any insecure methods including paper based methods, fax and telephone.
- Disclosing OFFICIAL classified information to any external organisation is also prohibited, unless via the GCSx email.
- Where GCSx email is available to connect the sender and receiver of the email message, this must be used for all external email use and must be used for communicating OFFICIAL material.
- The disclosure of OFFICIAL classified information in any way other than via GCSx email is a disciplinary offence.

Appendix 1 – HMG Security Policy Framework

All information assets must be classified and labelled in accordance with the HMG Security Policy Framework (SPF). The classification will determine how the document should be protected and who should be allowed access to it. Any system subsequently allowing access to this information should clearly indicate the classification.

The SPF requires information assets to be protectively marked into one of 3 classifications. HMG operates a Classification Policy to identify and value information according to its sensitivity and to drive the right protections. This comprises three levels: OFFICIAL, SECRET and TOP SECRET for which there are distinct security arrangements. OFFICIAL covers most of the day-to-day business of government, service delivery, commercial activity and policy development.

Further details can be found here:

<https://www.gov.uk/government/publications/security-policy-framework>

Appendix 2 – Exclusions

This policy excludes non-electronic forms of data and information which shall be subject to non-ICT policies within the Council.
