## **Procedure for dealing with planning applications at the Oxford City Planning Committee and Planning Review Committee**

Planning controls the development and use of land in the public interest. Applications must be determined in accordance with the Council's adopted policies, unless material planning considerations indicate otherwise. The Committee must be conducted in an orderly, fair and impartial manner. Advice on bias, predetermination and declarations of interests is available from the Monitoring Officer.

### **The following minimum standards of practice will be followed:**

1. All members of the Committee will have pre-read the officers' report. Committee members are also encouraged to view any supporting material and to visit the site if they feel that would be helpful. (In accordance with the guidance at 24.15 (Planning Code of Practice) in the Council's Constitution).
2. At the meeting the Chair may draw attention to this procedure. The Chair may also explain who is entitled to vote.
3. The sequence for each application discussed at Committee shall be as follows:
  - (a) the planning officer will introduce it with a short presentation;
  - (b) any objectors may speak for up to 5 minutes in total;
  - (c) any supporters may speak for up to 5 minutes in total;
  - (d) speaking times may be extended by the Chair, provided that equal time is given to both sides. Any non-voting City Councillors and/or Parish and County Councillors who may wish to speak for or against the application will have to do so as part of the two 5-minute slots mentioned above;
  - (e) voting members of the Committee may raise questions (which shall be directed via the Chair to the lead officer presenting the application, who may pass them to other relevant officers and/or other speakers); and
  - (f) voting members will debate and determine the application.
4. In determining an application Committee members should not:
  - (a) rely on considerations which are not material planning considerations in law;
  - (b) question the personal integrity or professionalism of officers in public;
  - (c) proceed to a vote if minded to determine an application against officer's recommendation until the reasons for overturning the officer's recommendation have been formulated including the reasons for refusal or the wording of any planning conditions; or
  - (d) seek to re-design, or negotiate amendments to, an application. The Committee must determine applications as they stand and may impose appropriate conditions.

### **Public requests to speak**

**Members of the public wishing to speak must notify the Committee Services Officer by noon on the working day before the meeting**, giving their name, the application/agenda item they wish to speak on and whether they are objecting to or supporting the application. Notifications can be made via e-mail or telephone, to the Committee Services Officer (details are on the front of the Committee agenda).

## **Written statements from the public**

**Any written statement that members of the public or Councillors wish to be considered should be sent to the planning officer by noon two working days before the day of the meeting. The planning officer will report these at the meeting.** Material received from the public at the meeting will not be accepted or circulated, as Councillors are unable to give proper consideration to the new information and officers may not be able to check for accuracy or provide considered advice on any material consideration arising. Any such material will not be displayed or shown at the meeting.

## **Exhibiting model and displays at the meeting**

Applicants or members of the public can exhibit models or displays of photos and/or pictures at the meeting or a room provided for that purpose as long as they notify the Committee Services Officer of their intention by noon two working days before the start of the meeting so that members can be notified. Applicants or members of the public are not permitted to exhibit photos and/or pictures in any electronic format.

## **Recording meetings**

This is covered in the general information above.

## **Meeting Etiquette**

All representations should be heard in silence and without interruption. The Chair will not permit disruptive behaviour. Members of the public are reminded that if the meeting is not allowed to proceed in an orderly manner then the Chair will withdraw the opportunity to address the Committee. The Committee is a meeting held in public, not a public meeting.

**This procedure is detailed in the Annex to part 24 of the Council's Constitution as agreed at Council in March 2023.**
