

FORWARD PLAN FOR THE PERIOD MAY - SEPTEMBER 2014

The Forward Plan gives information about all executive decisions (including "key decisions") the City Executive Board is expected to take over the forthcoming four-month period. It also contains information about key decisions, and decisions of significance to be taken by other council committees, and by Council itself, that Council officers are expected to take over the forthcoming four-month period. A "key decision", except in special or urgent circumstances, cannot be taken unless it has appeared in the Forward Plan for 28 days before the key decision is made. The Forward Plan also contains information about matters that are likely to be taken in private.

Key decisions

A key decision as defined in Regulations means an executive decision which is likely:-

- “(a) To result in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council’s budget for the service or function to which the decision relates; or
- (b) To be significant in terms of its effects on communities living or working in an area comprising two or more wards in the council’s area.

The guidance figures for significant items in financial terms as far as the City Council is concerned is £500,000.

Private meetings

Part or the whole or some or all of the matters in this Forward Plan may be taken at a meeting not open in part or in whole to the press or public on one of the grounds in the Local Government (Access to Information) (Variation) Order 2006. Where a matter is likely to be taken in whole or in part in private, this is indicated in the details about that matter.

Making representations on matters or objections to taking matters in private

If you wish to make representations about any matter listed in the Forward Plan, or about taking any part of a matter in private then you must contact us at least 7 working days before the decision is due to be made. This can be done:-
