

FORWARD PLAN

March 2019 – December 2019

Published on: 08/03/19

What is the Forward Plan?

The Forward Plan gives information about all the decisions (key and non-key) that the City Executive Board (CEB) is expected to take over the next year. For completeness, the Forward Plan also includes important decisions which will be taken by the full Council.

Each item on the Forward Plan shows either a provisional or confirmed date for when it will be considered by CEB. Where possible, report authors will keep to the dates shown, however, it may be necessary for some provisional items to be rescheduled.

The Forward Plan is published on the Council's website on the first working day of the month. However, it is subject to regular revision and new issues or changes to existing issues will be posted on the website as soon as they are known.

The Forward Plan includes:

- a short description of the decision to be made
- who will make the decision
- when the decision will be made
- details of the planned consultation with local people and other stakeholders
- contact details for further information

What is a Key decision?

A key decision is an executive decision which is likely:

- to result in the council incurring expenditure of more than £500,000; or
- to be significant in terms of its effects on communities living or working in an area comprising of two or more wards.

A key decision, except in special or urgent circumstances, cannot be taken unless it has appeared in the Forward Plan for 28 days before the decision is made.

Inspection of documents

The agenda papers (including the reports and background papers) for CEB meetings are available 5 working days before the meeting on the council website:

<http://www.oxford.gov.uk>

The Forward Plan is available to view at the Town Hall.

Private meetings

The majority of the decisions taken by the CEB are made in the "open session" of a meeting when the press or public have the right to attend. However, some or all, of the information supporting decisions in the Forward Plan may be confidential and as such it will be taken in the "private session" a meeting when the press or public are excluded. Items that will be taken in "private session" are marked in this plan and the reason for doing so given.

If you object to an item being taken in private, or if you wish to make representations about any matter listed in the Forward Plan, then please contact Committee & Member Services at least 7 working days before the decision is due to be made:
