What is the Forward Plan?

The Forward Plan gives information about all decisions the Cabinet is expecting to take and significant decisions to be made by Council or other Council committees over the next four months.

It also contains information about decisions of significance to be taken in the forthcoming year.

What information is in the plan?

Each item shows either a provisional or confirmed date for when it will be considered by Cabinet. Where possible report authors will keep to the dates shown, but it may be necessary for items to be rescheduled.

An up to date Forward Plan is published on the Council's website monthly. New issues or changes to existing issues are set out in each plan or may be added directly to the website in between publication dates.

The Forward Plan includes:

- a short description of the decision to be made

- when the decision will be made
- contact details for further information

What is a key decision?

- To result in the council incurring expenditure of more than £750,000 or
- To be significant in terms of its effects on communities living or working in an area comprising of two or more wards.

A key decision, except in special or urgent circumstances, cannot be taken unless it has appeared in the Forward Plan for 28 days before the decision is made.
