1. The purpose of this report is two-fold: a) to provide an update on the Council's planning appeal performance; and b) to list those appeal cases that were decided and also those received during the specified month.
2. The Government's Best Value Performance Indicator BV204 relates to appeals arising from the Council's refusal of planning permission and telecommunications prior approval refusals. It measures the Council's appeals performance in the form of the percentage of appeals allowed. It has come to be seen as an indication of the quality of the Council's planning decision making. BV204 does not include appeals against non-determination, enforcement action, advertisement consent refusals and some other types. Table A sets out BV204 rolling annual performance for the year ending 30 April 2013, while Table B does the same for the current business plan year, ie. 1 April 2013 to 30 April 2013.

Table A. BV204 Rolling annual performance (to 30 April 2013)

A.	Council performance		Appeals arising from Committee refusal	Appeals arising from delegated refusal

Dismissed	29	64%	5 (56%)	24 (67%)
<i>Total BV204 appeals</i>	45		9	36

Table B. BV204: Current Business plan year performance (1 April to 30 April 2013)

B.	Council performance		Appeals arising from Committee refusal	Appeals arising from delegated refusal

Dismissed	3	75%	1 (100%)	2 (67%)
<i>Total BV204 appeals</i>	4		1	3

3. A fuller picture of the Council’s appeal performance is given by considering the outcome of all types of planning appeals, i.e. including non-determination, enforcement, advertisement appeals etc. Performance on all appeals is shown in Table C.

Table C. All planning appeals (not just BV204 appeals): Rolling year to 30 April 2013

	Appeals	Percentage performance
Allowed	19	(36%)
Dismissed	33	64%
All appeals decided	52	
Withdrawn	0	

4. When an appeal decision is received, the Inspector’s decision letter is circulated (normally by email) to all the members of the relevant committee. The case officer also subsequently circulates members with a commentary on the decision if the case is significant. Table D, appended below, shows a breakdown of appeal decisions received during April 2013.
5. When an appeal is received notification letters are sent to interested parties to inform them of the appeal. If the appeal is against a delegated decision the relevant ward members receive a copy of this notification letter. If the appeal is against a committee decision then all members of the committee receive the notification letter. Table E, appended below, is a breakdown of all appeals started during April 2013. Any questions at the Committee meeting on these appeals will be passed back to the case officer for a reply.
