We're looking at why the increase in usage by target groups appears to have slowed down last quarter, including the way usage is measured, the effect of weather conditions, and the deteriorating state of Temple Cowley Pool, as well as what more we could do to publicise what's available and make it more attractive.</p> <p>"The Council and Fusion remain determined to meet and exceed the 5% target, as we have in previous years. However, until the reasons for</p>	<p>Board Member for Leisure Services.</p> <p>Recommendation sent 8<sup>th</sup>. October 2013.</p>
