Dear Councillors

Audit Progress Report - 2013-14

We are pleased to attach our Audit Progress Report.

The purpose of this report is to provide the Audit and Governance Committee with an overview of the stage we have reached in your 2013-14 audit and ensure our audit is aligned with the Committee's expectations.

Our audit will be undertaken in accordance with the requirements of the Audit Commission Act 1998, the Code of Audit Practice, the Audit Commission Standing Guidance, auditing standards and other professional requirements.

We brought our Audit Fee Letter to the June 2013 Audit and Governance Committee.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audit.

Yours faithfully

Mick West

1. Planned work

Meetings

We will continue regular meetings with key officers as part of our ongoing audit process including:

- ▶ Fortnightly meetings with key finance staff during the opinion audit visit to discuss significant risks around the accounts, and updates on our work
- ▶ Quarterly meetings with the Executive Director of Organisation Development and Corporate Services and Senior Finance Officers to discuss the significant risks faced by the Council and our approach and progress with the audit

Walk throughs and tests of control

We have completed the majority of our walk throughs. We have reviewed the work of Internal Audit where appropriate. We have reviewed drafts of the Internal Audit reports we highlighted we were waiting for in our last progress report. We will complete our reviews of the final versions when we are next on site.

Where we plan to rely on controls we are now selecting the controls that we will test. To date our work has not identified any issues that we need to bring to your attention as those charged with governance.

Value for money assessment

We have started our assessment for our value for money work in line with the Audit Commission's specified criteria and areas of focus. We reported risks in our audit plan which came to the February Audit and Governance Committee and there are no further issues or risks from our ongoing review to raise at this stage.

Financial statements

We updated our risk assessment for our financial statement work in our last progress report with the addition of a significant risk on the NDR appeals provision. We have not identified any further risks.

Claims and returns certification 2013-14

We have started work on the certification of your 2013-14 claims and returns. We have started work on your housing benefit subsidy claim and this should allow us to complete our work before the November deadline.

We plan to complete our work on the pooling of housing capital receipts return in August 2014.

We are no longer required to carry out Audit Commission certification work for the national non-domestic rates return or council tax benefits in the benefits subsidy claim. The Audit Commission certification scale fee has been revised to £35,275 to reflect these changes.

2. Timetable

Audit and Governance Committee Timeline

We have set out below a timetable showing the key stages of the audit, including the value for money work and the work on Whole of Government Accounts, and the deliverables we have agreed to provide to you through the 2013-14 Audit and Governance Committee cycle.

We will provide formal reports to the Audit and Governance Committee throughout our audit process as outlined below. Where required, we will issue an Interim Report, summarising the findings from our audit at that stage. From time to time matters may arise that require immediate communication with the Committee and we will discuss them with the Committee Chair as appropriate.

Following the conclusion of our audit we will prepare an Annual Audit Letter in order to communicate to the Council and external stakeholders, including members of the public, the key issues arising from our work.
