This could also involve raising the profile of the Oxford Living Wage on the City Council website and listing employers that have committed to paying it (agreed).</i> • Commit to a regional Living Wage.
Welfare team response to government welfare changes Customer Services (Helen Bishop, Paul Wilding)	<ul style="list-style-type: none"> • Support to people affected by the impacts of welfare reforms, people in receipt of Discretionary Housing Payments and those in rent arrears. Many of these interventions are transformative and focused on changing lives rather than just income streams. In some instances interventions last for over 12 months. The team has successfully moved around one third of the people they work with into sustainable jobs. These include people with multiple complex needs, those who face tough barriers such as the long term unemployed, and people wouldn't be expected to find a job in a government scheme such as parents with over four children who are affected by the bedroom tax. Restore have trained staff to recognise mental health issues. 	<ul style="list-style-type: none"> • Continue to develop a strong partnership approach so that interventions that change lives not just income streams are prioritised wherever possible. • Ensure all available DHP funding is used.
Financial Inclusion Customer Services (Helen Bishop, Paul	<ul style="list-style-type: none"> • Financial Inclusion Strategy. This has been described as the process which ensures a person's incoming money is maximised, their out-goings are controlled and they can exercise informed choices through access to basic financial 	<ul style="list-style-type: none"> • Ensure Financial Inclusion work is prioritised and funded over the medium term. • Move towards implementing a single view of debts owed to the Council.
