## Monthly Planning Appeals Performance Update – April 2011

1. The purpose of this report is three-fold: a) to provide an update on the Council's planning appeal performance; b) to list those appeal cases that were decided and also those received during the specified month; and c) to report on outcome of applications for awards of costs in relation to appeals, both for and against the Council, over the previous financial year.
2. The old Best Value Performance Indicator BV204 relates to appeals arising from planning application refusals. It measures the Council's appeals performance in the form of the percentage of appeals allowed. It is an indication of the quality of the Council's planning decision making. BV204 does not include appeals against non-determination, enforcement action, advertisement consent refusals and some other types. Table A sets out BV204 rolling annual performance for the year ending 30 April 2011, while Table B does the same for the current business plan year, ie. 1 April 2011 to 30 April 2011.

Table A. BV204 Rolling annual performance (to 30 April 2011)

A.	Council performance		Appeals arising from Committee refusal	Appeals arising from delegated refusal
	No.	%	No.	No.
Allowed	17	(35%)	9 (64%)	8 (24%)
Dismissed	31	65%	5 (36%)	26 (76%)
<i>Total BV204 appeals</i>	48		14	34

Table B. BV204: Current Business plan year performance (1 April to 30 April 2011)

B.	Council performance		Appeals arising from Committee refusal	Appeals arising from delegated refusal
	No	%	No.	No.
Allowed	1	(50%)	0(0%)	1 (100%)
Dismissed	1	50%	1(100%)	0 (0%)
<i>Total BV204 appeals</i>	2		1	1

3. A fuller picture of the Council's appeal performance is given by considering the outcome of all types of planning appeals, i.e. including non-determination, enforcement, advertisement appeals etc. Performance on all appeals is shown in Table C.

Table C. All planning appeals (not just BV204 appeals): Rolling year to 30 April 2011

	Appeals	Percentage performance
Allowed	25	(34%)
Dismissed	48	66%
All appeals decided	73	
Withdrawn	8	

4. When an appeal decision is received, the Inspector's decision letter is circulated to all the members of the relevant committee. The case officer also subsequently circulates members with a commentary on the decision if the case is significant. Table E, appended below, shows a breakdown of appeal decisions received during April 2011.
5. When an appeal is received notification letters are sent to interested parties to inform them of the appeal. If the appeal is against a delegated decision the relevant ward members receive a copy of this notification letter. If the appeal is against a committee decision then all members of the committee receive the notification letter. Table F, appended below, is a breakdown of all appeals started during April 2011. Any questions at the Committee meeting on these appeals will be passed back to the case officer for a reply.

#### Awards of costs

6. Applications can be made by either side for an award of costs on the basis of unreasonable behaviour e.g. failure to provide evidence and / or any necessary statement/s to adequately substantiate case / reasons for refusal; withdrawal of appeal or individual reasons for refusal late on in the process; lack of co-operation with other party, failing to attend proceedings etc. causing undue delays and resulting in wasted expense to the other party.
7. In 2010/11 two applications for awards of costs against the Council were upheld by Inspectors. Two awards of costs were made in favour of the Council. Actual levels of costs in all cases have not been finalised to date. **Table D** sets out in detail all applications for awards costs in 2010/11.
