1. Briefly describe the aims, objectives and purpose of the policy

The overriding objectives of the leisure management contract are:

- To develop world-class leisure facilities and to improve the value for money they offer;
- To reduce the overall subsidy for leisure services, prior to 2009 the subsidy per user was one of the most expensive in the country;
- Alongside the benefits of a successful contract such as increased participation, an upward cycle of continued improvement, and an improved public realm, there is also a surplus share arrangement that encourages the Council to support Fusion Lifestyle to exceed their contractual financial targets and provide further leisure investment.

The quality and service standards are high and facilities will be accessible with diverse and with inclusive programmes.

- Charging at market rate for those that can afford and running a highly cost effective service so that a surplus is created to fund a progressive concessions programme.
- Central part of the Corporate Plan for 2016-2020

The vision for delivery of leisure facility provision is to:

- Continuously improve the service for all users
- Reduce the subsidy per user
- Have greater energy efficiency from the leisure facilities
- Provide modern world-class leisure facilities to enhance the quality of life for everyone.

<p>2. Are there any associated objectives of the policy, please explain</p>	<p>The Leisure Facility Review (May 2009) detailed the Council's strategic approach to developing a city wide leisure offer that includes all facilities irrespective of ownership across the city. The review detailed a sustainable way forward for our leisure facilities.</p> <p>The Leisure & Wellbeing Strategy 2015 to 2020 is the services overarching strategy; the delivery of the strategy is supported by the Green Space Strategy, the Playing Pitches Strategy and the Youth Ambition Strategy. The strategy has three priorities:</p> <p>Objective 1 – A world class leisure offer The leisure offer is anywhere sport and physical activity can take place. Alongside traditional facilities such as leisure centres it includes parks, community centres, waterways, children's centres, business premises and community buildings such as churches and village halls.</p> <p>Objective 2 – Our focus sports This strategy continues to designate <i>focus sports</i>. The Sport Team will remain focused on creating innovative and inclusive sporting pathways that drive up participation through a joined up leisure offer.</p> <p>Objective 3 – Partnership working Much of the progress in recent years has been achieved through effective partnership working and taking a place leadership approach to increasing physical activity levels. The Council's Sport and Leisure team have an excellent reputation; this has helped bring in external funding and resulted in far greater outcomes being achieved and this approach needs to be built on.</p>
