1. The purpose of this report is two-fold:
 - i. To provide an update on the Council's planning appeal performance; and
 - ii. To list those appeal cases that were decided and also those received during the specified month.

Best Value Performance Indicator BV204

2. The Government's Best Value Performance Indicator BV204 relates to appeals arising from the Council's refusal of planning permission and telecommunications prior approval refusals. It measures the Council's appeals performance in the form of the percentage of appeals allowed. It has come to be seen as an indication of the quality of the Council's planning decision making. BV204 does not include appeals against non-determination, enforcement action, advertisement consent refusals and some other types. Table A sets out BV204 rolling annual performance for the year ending 30 April 2017, while Table B does the same for the current business plan year, ie. 1 April 2016 to 31 March 2017.

Table A	Council performance		Appeals arising from Committee refusal	Appeals arising from delegated refusal
	No.	%	No.	No.
Allowed	20	41.67%	4	16
Dismissed	28	58.33%	5	23
Total BV204 appeals	48	100%	7	41

All Appeal Types

3. A fuller picture of the Council's appeal performance is given by considering the outcome of all types of planning appeals, i.e. including non-determination, enforcement, advertisement appeals etc. Performance on all appeals is shown in Table C.

Table C	Appeals	Performance
Allowed	28	45.16%
Dismissed	34	54.84%
All appeals decided	62	100%
Withdrawn	3

Rolling year 1 June 2015 to 31 May 2016**

4. When an appeal decision is received, the Inspector's decision letter is circulated (normally by email) to the committee chairs and ward councillors. If the case is significant, the case officer also subsequently circulates committee members with a commentary on the appeal decision. Table D, appended below, shows a breakdown of appeal decisions received during **May 2016**.
5. When an appeal is received notification letters are sent to interested parties to inform them of the appeal. The relevant ward members also receive a copy of this notification letter. Table E, appended below, is a breakdown of all appeals started during **May 2016**. Any questions at the Committee meeting on these appeals will be passed back to the case officer for a reply.
6. All councillors receive a weekly list of planning appeals (via email) informing them of appeals that have started and been decided, as well as notifying them of any forthcoming hearings and inquiries.
