

Suggested City Executive Board response to the recommendations of the Scrutiny Committee on air quality provided by the Board Member for A Clean Green Oxford

Recommendation	Agreed?	Comment
1. That the City Council continues to seek to comply with the current EU air quality targets in the event that the UK Government chooses to introduce less-stringent targets after leaving the EU.	Y	
2. That the City Council should promote and raise public awareness of initiatives to improve air quality in Oxford such as the Low Emissions Zone.	Y	
3. That the City Council gathers empirical evidence of the impacts of boat emissions on air quality and works in partnership with partners to identify solutions.	Y	
4. That further consideration is given to whether tree planting should form part of the City Council's approach to improving air quality in Oxford.	Y	
5. That the City Council works with the Transport Authority in order to achieve air quality objective levels in the worst areas (e.g. St. Clements).	Y	
6. That the City and County Council encourage shoppers to utilise sustainable methods of transport when the Westgate Shopping Centre reopens in autumn 2017.	Y
