

2. Meeting Housing Needs

Improving Oxford residents' access to affordable and high-quality homes in good environments that are close to jobs and facilities

Oxford City Council Corporate Plan Priorities 2016-2020

Tackle the city's housing crisis by promoting high quality development in the city and in locations near to Oxford with good transport links working in partnership with developers, universities, businesses and neighbouring District Councils to build the homes that Oxford needs.

Build more affordable homes in partnership with developers, housing associations, universities and the health sector to meet the needs of different income groups and types of employment in the city, including those on low incomes and those who are vulnerable.

Improve conditions for private tenants by actively enforcing standards for private rented housing and managing the impact on neighbourhoods of Houses in Multiple Occupation (HMOs).

Improve homes for our existing tenants by refurbishing our properties above national standards, making homes more energy efficient and improving the general environment of our estates.

Tackle homelessness and rough sleeping by securing appropriate accommodation and support for those affected.
