

SCRUTINY WORK PLAN February 2017 - June 2017

Published on: 16/02/17

The Scrutiny Committee agrees a work plan every year detailing selected issues that affect Oxford or its inhabitants. Time is allowed within this plan to consider topical issues as they arise throughout the year as well as decisions to be taken by the City Executive Board. This document represents the work of scrutiny for the remainder of the 2016-17 council year and will be reviewed monthly by the Scrutiny Committee.

ഗ

The work plan is based on suggestions received from all elected members and senior council officers. Members of the public can also contribute topics for inclusion in the scrutiny work plan by completing and submitting our <u>suggestion form</u>. See our <u>get involved webpage</u> for further details of how you can participate in the work of scrutiny.

The following criteria will be used by the Scrutiny Committee to evaluate and prioritise suggested topics:

- Is the issue controversial / of significant public interest?
- Is it an area of high expenditure?
- Is it an essential service / corporate priority?
- Can Scrutiny influence and add value?

Some topics will be considered at Scrutiny Committee meetings and others will be delegated to two standing panels. Items for more detailed review will be considered by time-limited review groups.

The Committee will review the Council's <u>Forward Plan</u> at each meeting and decide which executive decisions it wishes to comment on before the decision is made. The Council also has a "call in" process which allows decisions made by the City Executive Board to be reviewed by the Scrutiny Committee before they are implemented.
