INTRODUCTION

It is important that you read this application pack in full before applying for a Hackney Carriage or Private Hire Drivers Licence. This application pack should be kept for future reference so that you are fully aware of the procedures for obtaining or renewing your licence, and the guidelines, criteria, conditions and regulations of the licence.

The Council licences Hackney Carriage and Private Hire drivers, vehicles and Private Hire Operators. The authority for doing so was adoption of the Local Government (Miscellaneous Provisions) Act 1976, Part 2, together with the Town Police Clauses Act 1847, and the Public Health Act 1875.

Appointments

Due to the high volume of drivers, vehicles, and new applicants, all applications to obtain or renew a licence must be made by way of a **pre-booked appointment** with the Licensing Officer.

New Licence

Licences shall be issued for a maximum duration of three years, or for a lesser period if you so require (this will be for a maximum duration of one year), subject to the applicant fulfilling all mandatory requirements set out in this application pack. In all cases a licence will only be issued subject to the Licensing Authority being satisfied that the applicant is "fit and proper" to be issued with the licence.

The Licensing Authority issues 2 types of driver licences:

- **Hackney Carriage & Private Hire Driver (Dual) Licence**
- **Private Hire Driver Licence**

Fit and Proper Person: A person who poses no threat to the general public, has a good knowledge of the City, is healthy, and is of a good character (including driving record) will be deemed fit and able to hold a licence.

Renewal of Licence

It is the responsibility of the licence holder to apply for the renewal of the licence at the appropriate time. Under no circumstances will licences be issued without full and satisfactory checks having first been carried out, including Medical Reports, DVLA Disclosure and Enhanced Disclosure & Barring Service Report. **To avoid delay, applicants are advised to submit an application no later than 8 weeks before the expiry of their current licence, by way of a pre-booked appointment with the Licensing Officer. A licence cannot be renewed unless all of the necessary checks have been completed.**

If you do not book an appointment before your current licence expires, a period of 12 months is permitted to allow you to reapply for a licence without having to undertake the requirements for New Applicants. However, you will be required to renew your Enhanced Disclosure & Barring Service Report, DVLA Disclosure and Medical Report.

Any licence holder seeking a three year licence will be required to renew their Enhanced Disclosure & Barring Services Report, DVLA Disclosure and Medical Report (unless the current medical does not expire within the 3 year licence period). If you are required to have a medical report every year you can apply for a 3 year licence. However, it is the licence holder's responsibility to provide a new medical report before the anniversary of the grant of the licence. If you fail to provide the new medical report your licence will be suspended until such time as the Licensing Officer determines that you are 'fit & proper' to continue to hold a licence with this Authority. All checks are in order to ensure that the Licensing Authority is satisfied that an applicant fulfills all requirements before a licence is granted.

From 2nd April 2018 no licence will be issued unless the licence holder has successfully completed the Safeguarding Awareness and Training hosted by the Oxfordshire County Council since 16th May 2016, and unless the licence holder has signed up to the DBS Update Service.

If you are already permitted to carry out the transportation of children on behalf of Oxfordshire County Council (i.e. hold a "School Badge") you will already possess the necessary Safeguarding Awareness and Training Certificate if it was issued after 16th May 2016.

Suitability

The Council reserves the right to require any applicant or existing licence holder to provide additional DVLA Disclosures, Enhanced Disclosure & Barring Service Reports or full Medical Reports if the Licensing Officer has reason to believe that such a person's circumstances may have changed since the application was made.

The Licensing Authority may get information about you from third parties, or give information to them to check the accuracy of information. This is to prevent or detect crime, or to protect public funds in other ways, permitted by legislation. These third parties include other local authorities and government departments.

The legislation states that the Council may grant a licence **ONLY** if it is satisfied that the person is fit and proper – **the onus is on the applicant to prove this, NOT the Council to demonstrate that they are not.**

Issuing / Suspending / Revoking / Withdrawing or Refusing to Renew a Licence

It must be clearly understood that the Hackney Carriage or Private Hire Drivers Licence is issued in good faith, and should any information supplied by the applicant prove to be false or misleading, the licence may be suspended. The licence may also be suspended if the drivers Department of Transport drivers licence is suspended or revoked by a Court of Summary Jurisdiction. Any caution, conviction or pending prosecution of any nature must be reported to the Licensing Officer regardless of nature, penalty or outcome immediately. The attention of drivers and applicants for a Drivers Licence is drawn to Section 61 of the Local Government (Miscellaneous Provisions) Act 1976, whereby a District Council may suspend, revoke, or refuse the renewal of a licence where the driver has been convicted of any offence involving dishonesty, indecency, violence or any other reasonable cause. The Council reserves the right to consider other matters which do not amount to a conviction but which they feel are likely to be relevant to whether or not the applicant is a fit and proper person. These considerations also apply when considering whether to renew a licence.

Right to Work in the UK

The Council has a duty to ensure that only those persons who are entitled to work in the UK are issued a licence to drive a licensed vehicle. For this reason all applicants (new and those applying to renew their existing licence) must provide evidence to show that they are entitled to work in the UK (without restriction; those persons who have restricted ability to work in the UK will NOT be granted a licence). If you are granted full entitlement to work for 12 months at a time, you will be required to resubmit your documents every 12 months to show that your entitlement has been renewed/extended. If, at any time, your entitlement is removed, your licence will be revoked. Further information regarding what documents you can submit with your application to show your entitlement are given later in this document, 'Prevention of Illegal Working', and can be obtained from the website: www.bia.homeoffice.gov.uk.

DVLA Disclosure

The grant / renewal of a licence is subject to a check being made with the Driver & Vehicle Licensing Agency (DVLA) in respect of any relevant driving convictions. This DVLA check is carried out at the time that the application is made or sooner if the Licensing Officer has reason to believe that it should be. If you have been granted a 3 year licence a random DVLA check may be carried out any time during the licence period to be determined by the Licensing Officer.

Enhanced Disclosure & Barring Service (DBS) Report

The grant / renewal of a licence is subject to an Enhanced Disclosure & Barring Service Report. The DBS check is carried out every 3 years or sooner if the Licensing Officer has reason to believe that it should be. All Licence Holders must sign up to the DBS Online Update Service (mandatory requirement from 2nd April 2018) and maintain the service which allows for instant online check to be carried out. The Service shall be used to run an annual background checks for the duration of the three year licences.

Medical Certificate

Before a licence can be issued the applicant must be certified fit to be a Hackney Carriage or Private Hire driver by his or her GP/Doctor. The approved form to be used for this purpose is included in this pack. Your GP/Doctor may charge a fee for this examination. Applicants are required to undergo a medical examination for periods according to the following age groups:
Aged to 65: every 6 years; Aged 65 or over: annually

NEW APPLICANT INFORMATION

A new applicant is a person who has not previously held a licence with this authority or whose licence had expired for 12 months or more before the application form was received by the Licensing Officer.

First time applicants must satisfy the following criteria before making the application:

- **DVLA Driving Licence** to drive a motor vehicle to be held (not being a provisional licence) issued in accordance with the Road Traffic Acts, for a period of not less than 24 months prior to the date of application.
- **English Language qualification** - competency in written and oral comprehension of the English Language before the grant of a Hackney Carriage or Private Hire Drivers Licence.
- **Driver Standards Agency or Oxford City Council Assessment for Hackney Carriage and Private Hire Vehicles** – provide evidence / certificate of pass.
- **Oxfordshire County Council Safeguarding Awareness Training** – provide evidence / certificate of pass.

If you meet the above criteria please see sections “Procedure for New Hackney Carriage/Private Hire Drivers Licence” (page 5) in order to see the list of documents you must produce before you book your appointments in the Council offices.

NOTE: A person already licensed by the Authority as a Private Hire Driver, who wishes to acquire a licence to drive Hackney Carriage vehicles, shall be subject to the criteria applicable to New Applicants, irrespective of what information is currently held regarding such a person by the Licensing Authority. Therefore any DVLA Disclosure, Enhanced Disclosure & Barring Service Report, Medical Report and Disability Awareness Training (if such training is not of the same level as in place at the time of the application being made) obtained whilst the applicant carried a Private Hire Driver licence, will not be accepted as the applicants means to prove his or suitability for a licence to drive Hackney Carriage vehicles, as the grant of such a licence is deemed to be the grant of a new licence.

CRITERIA FOR NEW APPLICANTS TO PROVE THEIR SUITABILITY

ENGLISH LANGUAGE COMPETENCY CRITERIA

It is a requirement of the Licensing Authority that you have an adequate knowledge of both written and spoken English, and must show proof of your competency by means of a relevant certificate / qualification at the time of submitting your application. For example a GCSE English Examination Certificate, a Certificate from a Language School, etc However, if the Licensing Officer is not satisfied with your spoken and written standard of the English language during your appointment, this may require you to gain a further certificate of competency from an English Language School, before your application can be considered further.

We are aware that not everyone will necessarily have a relevant qualification, or may not be able to find their Certificate. In order to assist you in meeting our criteria, please read the notes below:

- a) If you do not have any qualification in the English Language, you may wish to contact ESOL at Oxfordshire County Council Adult Learning on 01865 778827 to enroll in an English Language Course where you will be assessed as to your current level of competency, and informed of which course to enroll on, in order to become qualified. The Licensing Authority will accept “ESOL English: Entry Level 2” as a recognised qualification.
- b) Alternatively, you may wish to make your own arrangements with a School of Languages of your own choice; however, it is advisable to check the level of competency that you must attain.

DRIVER ASSESSMENT CRITERIA

It is a requirement that all new applicants pass the **Standard Driving Assessment for Private Hire Driver applicants or Oxford City Council's Taxi / Private Hire Driver Assessment** prior to submitting an application to the Council to become a licensed driver. The standard of the Assessments are set at a level suitable for a full driving licence holder. It is therefore higher than the learner driver test. Full details as to what the assessment consists of can be found online at: <http://www.oxforddirectservices.co.uk/drivingassessment> and you will also find further information about the assessments on the Council's website.

To book your local **Oxford City Council Driver Assessment for Taxi / Private Hire Driver Assessment**, please telephone 01865 252944 or visit the Council depot reception area at Marsh Road, Cowley, Oxford OX4 2HH. The frequency of the Council Driver Assessment is higher than that offered by the Driver Standards Agency.

MANDATORY SAFEGUARDING AWARENESS TRAINING

It is a pre-application requirement for all new applicants to attend the Oxfordshire County Council Safeguarding Awareness Training, and provide proof of this when submitting any new application for a Hackney Carriage or Private Hire Driver Licence with this Authority. The cost of the Mandatory Safeguarding Awareness Training is built into the New Applicant fee payable to Oxford City Council.

In order to arrange to take this training, you will need to go online to: <http://diversiti.uk/book-your-safeguarding-training/> and click onto the **'Book Your Safeguarding Training/Diversity UK'** website link and follow the instructions from there.

When on the Diversiti website you will be instructed to enter the following information:

- **Your Unique reference Number** - *Not applicable if you do not also hold an Oxfordshire County Council School Transport Services Badge*
- **Your Full Name**
- **Your Date of Birth**
- **The name of the District Council you are licensed with (if applicable)**
- **Name of Service Provider employer by (or will be employed by)**

You will be sent an email confirmation of your training course booking. Any reading to complete before the session or anything required to bring with you to the session will be included & explained on the email.

Upon completing the training you will be issued a Training Certificate which you will need to bring with you to your appointment with the Licensing Officer.

DVLA DISCLOSURE & DISCLOSURE & BARRING SERVICE REPORT CRITERIA

Oxford City Councils prime consideration is to the safety of the travelling public and part of the enquiries that the Licensing Officer is required to make before a Hackney Carriage or Private Hire Driver licence may be granted are to carry out checks on both of your driving licence and to check for any previous criminal convictions.

A Hackney Carriage or Private Hire Drivers Licence will not be issued to any new applicant who has not held a full United Kingdom driving licence carrying the applicant's current address, for a minimum of 24 months, or held a licence from another EEA state for a minimum of 24 months together with a DVLA counterpart showing the applicants current address. You must also provide a copy of your driving record in English to include motoring convictions. Applicants who hold a DVLA driving licence are required to agree to the provision of a check on their driving history, and the approved form is included in this Application Pack.

If the DVLA driving licence of an applicant is revoked with six or more penalty points during the first two years of passing the driving test, then a period of 24 months following the restoration of the licence must have passed before a Hackney Carriage or Private Hire driving licence can be considered.

You should also note that new applicants are normally not considered if they have more than 3 penalty points in the previous 12 months or in the previous 2 years have been convicted of a single offence carrying 5 points or more or offences totaling more than 6 points. Licences will not normally be granted until 2 years after any period of disqualification has expired.

You are required to complete an Enhanced Disclosure & Barring Service application and to sign up to the DBS Online Update Service (and from 2nd April 2018 this is a mandatory requirement for all licence holders to sign up to and maintain). If you have not been a resident in the UK for 5 years you will need to provide proof that you do not have a criminal record, such as a Certificate of Good Conduct from the country in which you have been resident (which must be in English) for the period you lived outside the UK.

The Disclosure & Barring Service check can take up to eight weeks to be issued even when all the forms are correctly completed, hence why we advise you to sign up to the DBS Update service in order to prevent delays to the issue of the licence. The DVLA check is carried out online, however, on rare occasions it may need posting to the DVLA and this can take up to 3 weeks to complete. Oxford City Council has a Code of Practice in respect of checks made through the Disclosure & Barring Service which will be made available upon request. The Enhanced Disclosure & Barring Service application form can be obtained by contacting the Licensing Team, or from our St Aldate's Chambers reception area.

Applicants who have been resident in the UK for less than five years from the date of application are required to provide an Enhanced Disclosure & Barring Services Report, Certificate of Good Conduct or an equivalent document from all countries in which they have lived within the previous five years, this is to be in English, at their own expense and in addition the Enhanced Disclosure & Barring Service Report. Any documentation produced must be verifiable, and sufficient to enable the Head of Community Services to make a decision in respect of the applicant's suitability to hold a Hackney Carriage or Private Hire drivers licence.

If you have been previously convicted of either criminal or motoring offences that may not necessarily prevent you from being granted a licence, as it will depend upon what the offences were for, and how long ago they occurred. **However, you should note that it is an offence not to declare such information on your application to the Council.** In cases where the Licensing Officer is unable to determine the grant of the licence, the matter will be referred to the General Purposes Licensing Casework Sub-Committee. You may wish to refer to the **Policy on the Relevance of Warnings, Offences, Cautions and Convictions** (which can be found within this Application Pack), which states the guidelines that Licensing Authority and the Courts will have regard to when determining an application.

Further information as to how to complete the Disclosure and Barring Service for which documents are acceptable to show to a Licensing Officer, and information about the DBS Update service can be found at Page 17 of this Pack.

MEDICAL REPORT CRITERIA

Before a licence can be issued the applicant must be **certified fit by his or her GP/Doctor** to be a Hackney Carriage or Private Hire driver. The approved Medical Report form to be used for this purpose is included in this Application Pack.

DISABILITY AWARENESS COURSE CRITERIA

New applicants are requested to attend a **"Disability Awareness"** training course held by the Council. The cost of this course is £45.00. This course must be attended prior to and licence being granted. You will be provided at your appointment with a date that the course can be taken.

KNOWLEDGE & SAFEGUARDING TEST CRITERIA

New applicants must also undertake a **Knowledge & Safeguarding Test** with this Authority. The test is devised so that applicants can prove that they have sufficient knowledge of the City of Oxford, the conduct required of licensed drivers and local traffic regulations. You are required to obtain a minimum mark of 80% (the test questions differ somewhat depending upon which driver licence is applied for).

SECTION	NUMBER OF QUESTIONS	
	HPD (DUAL)	PHD
A. Identification of Roads & Streets	20	20
B. Identification of Buildings & Locations	15	15
C. Rules & Regulations	10	5
D. Correct Routes	5	-
E. Equal Opportunities Awareness & Safeguarding	5	5
F. Disability Awareness	5	5

A minimum of 80% in each section is required to pass the test. The test lasts for 90 minutes and sections C, E and F are multiple choice. This means that you are given a number of possible answers to each question and you must decide the correct answer. If you fail the test you will be invited to take the test again after a further test fee has been paid, and then allocated a retest date.

LEARNING THE KNOWLEDGE & SAFEGUARDING

The City Council conducts the tests, it does not teach the knowledge & safeguarding, however to assist you a list of all rules and regulations, a summary of other laws applicable to Hackney Carriage and Private Hire, and information relating to safeguarding children and vulnerable people can be found within this Application Pack. Details as to the roads and landmarks that may be included in the Private Hire Driver Knowledge & Safeguarding Test and a wider understanding of safeguarding can be found on the Councils website at: www.oxford.gov.uk/taxilicensing

GRANT OF LICENCE TO NEW APPLICANT

Upon receipt of satisfactory DVLA, Enhanced DBS and Medical Report checks, and you having passed the Knowledge & Safeguarding Test, undertaken the Disability Awareness & Safeguarding Course, paid the full fee at your appointment with the Licensing Officer, and that all of your other documents were found to be satisfactory, you will be issued with a licence and badge (posted to your home address). If any information that you have not previously declared on your application form is found to have come to light upon receipt of the DVLA and / or DBS check, you may be refused a licence.

Should you wish to proceed with your application to become a licensed driver, you should refer to the section "**Procedure for New Hackney Carriage / Private Hire drivers licence**" which will give further information on what to do next.

What happens if my licence has not been issued 6 months after I apply? You will have to apply for another DBS and DVLA check at your own expense.

What happens if my licence hasn't been issued 12 months after I apply? Your application will be null and void and you will need to reapply.

 - Personal details (change of address, e-mail address, mobile number etc.)
 - Any Cautions, Convictions or points on your DVLA licence
 - Changes to your health

SAFEGUARDING: HUMAN TRAFFICKING – EXPLOITATION OF VULNERABLE PERSONS

Human Trafficking is the crime of moving a person (adult or child) from one place to another into conditions of exploitation, using deception, coercion, the abuse of power or the abuse of someone's vulnerability.

Unfortunately vulnerable persons can be "moved" by criminals who chose to have the journeys carried out in licensed vehicles, without the drivers having any reason to believe that such a person is a victim of such a crime.

Taxi and Private Hire Drivers are the eyes and ears of their communities through the work they do and the contacts they have, and if you are able to spot the signs of human trafficking and know how to report this crime, you can be a major force in tackling this terrible activity.

There are three main elements involved with Human Trafficking:

- **Movement:** recruitment, transportation, transfer, harbouring or receipt of people (adults or children).
- **Control:** threat, use of force, coercion, abduction, fraud, deception, abuse of power or vulnerability, or the giving of payments or benefits to a person in control of the victim.
- **Purpose:** exploitation of a person (adult or child), which includes prostitution and other sexual exploitation, forced labour, slavery or similar practices, street crime, forced marriage and the removal of organs forced to work, beaten, abused and too scared to escape.

HOW CAN YOU SPOT IF SOMEONE MAY BE VULNERABLE AND BEING EXPLOITED AND TRAFFICKED?

There are various tell-tale signals to look for. One sign on its own does not mean someone has been trafficked, but several signs together should give you cause for concern. Perhaps the person shows signs of the following:

- Does not know their home or work address
- Allows others to speak for them when addressed directly
- Live or travel in a group, sometimes with other persons who do not speak the same language
- They are collected very early and/or returned late at night on a regular basis
- May have inappropriate clothing for the work they are performing, and/or a lack of safety equipment
- Their physical appearance may show signs of injury, malnourishment, unkempt
- They may be isolated from the local community and/or appear to be under the control or influence of others
- Have no cash of their own
- Be known to work at a brothel and be frequently moved from one site to another

HOW TO REPORT YOUR CONCERNS?

If you suspect that a person (adult or child) is vulnerable and may be the victim of abuse, exploitation and/or trafficking, you can report your concerns in confidence by telephoning:

- **Thames Valley Police:** 101 (or if an emergency 999)
- **Crimestoppers:** 0800 555 111

WHY DO I NEED TO KNOW ABOUT SAFEGUARDING?

Everyone is becoming aware of the well-publicised issues relating to Child Sexual Exploitation and Human Trafficking that have occurred throughout the country. These are abhorrent crimes, and the Licensing Authority has a duty to assist the Taxi and Private Hire Trade and the public in tackling this issue, and to protect those who are vulnerable and / or being exploited. We need the help of taxi and private hire drivers and operators to identify those who commit these crimes, and protect those who most need our help.

This page and our website are devoted to helping you as a license holder or applicant to be aware of those who may be vulnerable or being exploited, and questions relating to this subject are posed within the Local Knowledge & Safeguarding Test that all new applicants must undertake as part of the criteria for the grant of a licence.

However, there is always more that can be done by everyone to help promote a better understanding of this subject, and we hope that this page and our website will assist you in being able to identify those at risk, how to protect those who may be vulnerable or being exploited, how to ensure that your actions do not negatively contribute to such persons becoming victims, and to whom to report your concerns.

WHERE CAN I FIND MORE INFORMATION ON SAFEGUARDING?

A full page devoted to Safeguarding, designed with help from the National Working Group and Oxfordshire County Council can be found on the Council website: <http://www.oxford.gov.uk/PageRender/decB/TaxiandPrivateHireSafeguarding.htm>

If you are a new applicant, many of the questions posed in the Local Knowledge & Safeguarding Test will be more familiar to you if you have studied our online Safeguarding page. As an existing licence holder, the information on the website will help you identify and support those persons in most need of help, and in turn support the authorities in tackling these abhorrent crimes and protecting the most vulnerable in our society.

TRANSPORTING DISABLED PASSENGERS

Customer Care starts from the moment that the customer hires the vehicle. There should be good customer relations between the driver and the customer. Talking to the customer to check what they require will make it quick and easy to give them a better service. Many disabled people have at some time experienced well-intentioned but clumsy assistance that has caused them discomfort and pain. The way a driver gives the best possible service to each customer will vary for each customer and the type of disability that they have. **Always** ask what help (if any) a customer may need. Make sure you are familiar with any access and safety equipment in your vehicle. **Ask the customer if they are all right before you start the journey.**

If the passenger is in a wheelchair you should always:-

- Pull up as close as possible to the kerb;
- Always use the ramps;
- If necessary, tip up the back seat to give more space to manoeuvre the wheelchair;
- Insist that the passenger travels in the correct position as recommended by the vehicle manufacture.

The wrong travelling position is unsafe;

- Always make sure that the brakes of the wheelchair are on;
- Be polite and ask before touching or moving a passenger;
- **Always secure** the wheelchair and ask if the passenger needs help to fasten the seat belt provided;
- If it has been raised, lower the back seat if the passenger would prefer it;
- Avoid sudden braking or acceleration;
- Bring the wheelchair out of the vehicle backwards down the ramp (unless otherwise recommended by the vehicle manufacture) and ask if the passenger would like the brakes on once they have been unloaded;
- Leave the passenger in a safe and convenient place, which enables them to move away independently.

When taking a person in a wheelchair up a kerb you should place your foot on one of the tipping levers (which project from the back of the wheelchair at ankle height) and pull the wheelchair onto its back wheels. Pull the wheelchair onto its back wheels so that its front wheels are level with the kerb and follow with the back.

When taking a person in a wheelchair down a kerb, again place your foot on the tipping lever and pull the wheelchair onto its back wheels. Gently lower the wheelchair down the kerb so that both of the rear wheels touch the ground at the same, then lower the front wheels.

This method should only be used for kerbs and single steps; where there is a flight of steps; two people are needed for safety.

Although all Oxford City Council Hackney Carriage vehicles are wheelchair accessible you should be aware that they are not accessible to all wheelchair users. There are a number of wheelchair designs that are either too large for the ramps and to fit through the doorway or are unable to be manoeuvred when inside the vehicle. There are also some passengers whose size and build, or nature of disability (i.e. those passengers requiring extended leg rests) that precludes them from safely using a Hackney Carriage vehicle. **However you cannot refuse to take a passenger in a wheelchair if your vehicle can safely take it. It is against the law and the conditions attached to a drivers licence to refuse a wheelchair passenger. It could lead to prosecution and your Hackney Carriage driver's licence being revoked.**

HOW TO ENSURE THE SAFETY OF WHEELCHAIR USERS

Both the restraint system for the wheelchair and the safety belt for the passenger **must be used on every occasion**. Failure to do so may render you liable in the event of an accident and could affect your insurance cover.

- In the interest of the comfort and safety of both the passenger and yourself, the ramps or equipment supplied by the vehicle manufacturer must be used to board a passenger using a wheelchair.
- Passengers using wheelchairs must **never** travel facing sideways or at an angle. It is not possible to secure the wheelchair or adequately protect the passenger in either position. A wheelchair must be positioned in the designated space allotted by the vehicle manufacturer.
- The wheelchair restraint mechanism must always be attached to the rearmost main upright tubes on opposite sides of the wheelchair frame in a position that does not allow it to fall off or slide down. The restraint must never be attached to wheels, spokes or footplates. A wheelchair must be secured as specified and using the equipment supplied by the vehicle manufacturer.
- The brakes on the wheelchair must always be applied during the journey. You should remember that the brakes alone are not sufficient for wheelchair restraint. They do however give a little lateral stability during the journey, which provides reassurance for passengers.
- The wheelchair restraint mechanism isolating switch must always be in the "off" position before the journey begins. If it is left in the "on" position the wheelchair is still unrestrained.
- It is important to remember that the wheelchair restraint mechanism offers no security to the passenger. It is a legal requirement for passengers to wear seatbelts provided. Unless they hold a medical exemption certificate.
- Wheelchairs must always be taken out of the vehicle backwards (unless otherwise recommended by the vehicle manufacture).

EQUALITY ACT 2010

HOW DOES THIS AFFECT HACKNEY CARRIAGE AND PRIVATE HIRE VEHICLE DRIVERS?

There are some changes in the law which will come into effect in October 2010 which might affect you. The Equality Act 2010 includes provisions relating specifically to Hackney Carriages and Private Hire vehicles and disability. The Government brought into force several provisions of the Act in October 2010 and other provisions will come into force at a time yet to be determined.

The information below provides details of the provisions that are currently in place in relation to Hackney Carriages and Private Hire vehicles, and what the implications are for Hackney Carriage and Private Hire vehicle drivers; and details of the further measures that are due to be implemented at a future date yet to be determined. In effect 2 duties are placed on drivers:

- 1) **To assist passengers in wheelchairs (if you drive a wheelchair accessible vehicle); and**
- 2) **To carry guide dogs / assistance dogs.**

DUTIES ON DRIVERS TO ASSIST PASSENGERS IN WHEELCHAIRS

The Equality Act places duties on the drivers of designated wheelchair accessible Hackney Carriages and Private Hire vehicles to provide physical assistance to passengers in wheelchairs.

The duties apply to the driver of any wheelchair accessible Hackney Carriages and Private Hire vehicles which are on the licensing authority's list of "designated vehicles". Oxford City Council will be maintaining a list of designated vehicles (in effect this is all Hackney Carriage Vehicles licensed by the Council) and therefore the following duties will apply to you.

The duties being placed on the drivers of designated wheelchair accessible Hackney Carriages and Private Hire vehicles are (under Section 165 of The Equalities Act 2010):

- **To carry the passenger while in a wheelchair**
- **Not to make any additional charge for doing so**
- **If the passenger chooses to sit in a passenger seat, to carry the wheelchair**
- **To take such steps as are necessary to ensure that the passenger is carried in safety and reasonable comfort; and**
- **To give the passenger such "mobility assistance" as is reasonably required.**

WHAT DOES MOBILITY ASSISTANCE MEAN?

Mobility assistance essentially means helping passengers who use wheelchairs by providing physical assistance.

- **To enable the passenger to get into or out of the vehicle;**
- **If the passenger wishes to remain in the wheelchair, to enable the passenger to get into and out of the vehicle while in the wheelchair;**
- **To load the passenger's luggage into or out of the wheelchair;**
- **If the passenger does not wish to remain in the wheelchair, to load the wheelchair into or out of the vehicle.**

LISTS OF WHEELCHAIR ACCESSIBLE VEHICLES

Section 167 of the Act allows licensing authorities to maintain a list of "designated vehicles", that is, a list of wheelchair accessible Hackney Carriages and Private Hire vehicles licensed in their area. The consequence of being on this list is that the driver must undertake the duties in section 165.

GUIDE DOGS / ASSISTANCE DOGS

Duties are also placed on Hackney Carriages and Private Hire drivers and on Private Hire Vehicle operators to carry guide dogs and other assistance dogs will transfer from the Disability Discrimination Act 1995 to the Equality Act 2010. Any person who is currently exempt from the duty to carry an assistance dog on medical grounds will continue to be exempt. That is because we have made a change in the law so that all existing exemption certificates and all existing exemption notices remain in force as though they had been made under the Equality Act 2010.

WHAT IF I HAVE A MEDICAL CONDITION WHICH PREVENTS ME FROM CARRYING OUT EITHER OR BOTH OF THESE DUTIES?

The new Act allows for exemptions from the duties on medical grounds or if the driver's physical condition makes it impossible or unreasonably difficult for him or her to comply with these duties. It is the responsibility of drivers who require an exemption to apply for one from their licensing authority.

WHO DECIDES IF A DRIVER IS EXEMPT?

The local licensing authority decides if a driver should be exempt from the duties.

WHAT IF THE LICENSING AUTHORITY SAYS THAT I AM OK TO CARRY OUT THE DUTIES AND I DISAGREE?

The legislation allows a driver to appeal to the magistrates' court within 28 days if the licensing authority decides not to issue an exemption certificate.

HOW WILL PASSENGERS KNOW THAT I AM EXEMPT FROM THE DUTIES TO ASSIST PASSENGERS?

The licensing authority will issue you with a special Exemption Notice which exempted drivers must display on their vehicles in order that passengers will know that the driver is exempt from one of more duties.

I HAVE AN EXEMPTION CERTIFICATE (MOBILITY ASSISTANCE) AND / OR SPECIAL NOTICE (CARRYING OF GUIDE DOGS) WHICH SAYS THAT IT WAS ISSUED UNDER THE DISABILITY DISCRIMINATION ACT 1995 – DO I HAVE TO GET A NEW ONE?

No, you do not have to get a new certificate; the certificate which you have been granted remains valid until its expiry date.

I DO NOT HAVE ANY EXEMPTION FROM PROVIDING MOBILITY ASSISTANCE AND / OR CARRYING GUIDE DOGS OR ASSISTANCE DOGS AT PRESENT, HOW DO I APPLY FOR AN EXEMPTION FROM HAVING TO FULFIL THESE DUTIES?

You will need to contact the Licensing Team by telephoning 01865 252565 or by emailing licensing@oxford.gov.uk to inform an Officer of your request, and for the necessary application form to be sent to you. When submitting your completed form, you will be required to provide evidence from your Medical Practitioner supporting your application and substantiating the medical reasons applicable to your request.

Your application will be determined by the Licensing Manager, and if successful you will be issued with the relevant Exemption Notice to display within the vehicle.

Upon receipt of the Disclosure Report you will need to either send or deliver the original Disclosure Report to the Licensing Authority at this office (please mark your envelope: Private & Confidential, F.A.O. Licensing Officer, Taxi Licensing) or send a scan of the entire Disclosure Report to licensing@oxford.gov.uk clearly identifying your name on your email and, if held, your badge number.

The Licensing Authority no longer receives its own copy of the Disclosure. At your appointment you will be handed an "Information Chit" advising you what to do when you receive your DBS Disclosure. Please note that a licence and badge cannot be issued until we have received and processed your DBS Disclosure. When issued, the licence and badge will be posted to your home address.

POLICY ON THE RELEVANCE OF WARNINGS, OFFENCES, CAUTIONS AND CONVICTIONS

Consideration of the Grant, Renewal, Suspension or Revocation of Hackney Carriage and Private Hire Driver's Licences, Vehicle Licences, and Private Hire Operator Licences.

Introduction

Hackney Carriage and Private Hire have a specific role to play in an integrated transport system. They are able to provide services in situations where public transport is either not available (for example in rural areas, or outside "normal hours" of operation such as in the evenings or on Sundays). The Hackney Carriage/Private Hire vehicles play an integral part in the dispersal of people to support the night time economy.

It is the Council's wish to facilitate well-run and responsible businesses which display sensitivity to the wishes and needs of the general public. Its purpose, therefore, is to prevent licences being given to or used by those who are not suitable people taking into account their driving record, their driving experience, their sobriety, mental and physical fitness, honesty, and that they are people who would not take advantage of their employment to cause distress, harm or suffering to any passenger or other person.

It is important that the Council's powers are used to ensure that Hackney Carriages and Private Hire vehicles in the City are safe and comfortable and that the powers are exercised in compliance with the European Convention on Human Rights.

Licensing Objectives

The Licensing Authority will carry out its Hackney Carriage and Private Hire licensing functions with a view to promoting the following licensing objectives:

- **Safety and health of drivers and the public;**
- **The promotion of a professional and respected Hackney Carriage and Private Hire trade;**
- **To prevent crime and disorder and to protect consumers;**
- **Improve the local environment, economy and quality of life; and**
- **To promote the aims and vision of Oxford City Council and its Partners.**

The aim of the licensing process, in this context, is to regulate the Hackney Carriage and Private Hire trade in order to promote the above objectives. In promoting these licensing objectives the Authority will expect to see licence holders and applicants continuously demonstrate they can meet or exceed specifications set by the Council.

Status

In exercising its discretion in carrying out its regulatory functions, the Council will have regard to this policy document and the objectives set out above. Notwithstanding the existence of this policy and any other relevant Council policy, each case will be considered on its own merits.

Where it is necessary for the Authority to depart substantially from this policy, clear and compelling reasons will be given for doing so. The purpose of this document is to formulate guidelines which detail the Council's current stance on the relevance of warnings, offences, cautions and convictions in respect of applications for the grant of new licences, and the renewal of existing Hackney Carriage and Private Hire vehicle driver's, operator's and proprietor's licences, and the maintaining of such licences.

The Council expects licence holders to comply with the conditions and regulations pertaining to the licence immediately. It is acknowledged, however, that certain provisions may place financial obligations on existing licence holders and accordingly the Council is prepared to permit a transitional period which will be determined by officers acting under delegated powers, during which necessary changes must be made.

The aim of the licensing regime to which these guidelines relate is not to punish the applicant twice for an offence (which includes a caution or a conviction), but to ensure that public safety is not compromised. The objective of the licensing regime is to ensure that, so far as possible, those licensed to drive Hackney Carriages and Private Hire vehicles are suitable persons to do so, namely that they are safe drivers with good driving records and adequate experience, sober, mentally and physically fit, and honest; and that they are persons who would not take advantage of their position to abuse, assault or defraud customers.

These guidelines will be taken into account by the Licensing Officers when processing applications.

Enforcement Procedures

It is this Authority's policy to deal with enforcement matters relating to an applicant or existing licence holders by means of Licensing Officers, the Head of Community Services, the General Purposes Licensing Casework Sub-Committee and the Courts. The expectation of the Authority is that any person who seeks the grant of a licence, or who holds a licence, meets with our definition of a "fit and proper" person. Hackney Carriage and Private Hire drivers maintain close contact with the public and are therefore not expected to behave or act in a manner that may:

- **cause any person to take offence at their actions**
- **cause any person to believe their actions are inappropriate**
- **cause any person to fear of their physical safety**
- **cause any person to doubt their integrity**
- **brings in to disrepute the integrity of the Council for having granted such a person a licence**
- **fail to adhere to the conditions and regulations pertaining to the licence**

Any complaints or enforcement measures are dealt with in the first instance by the Licensing Officers by way of a tiered and cumulative "Warning" system. Any failures on the part of an applicant or existing licence holder to uphold the Licensing Objectives or to adhere to the conditions and regulations pertaining to the licence may result in any of the following actions (including Officers requesting that additional background checks be carried out):

- **the issue of a warning (appropriate to the incident reported)**
- **the issue of a higher level of warning (appropriate to the incident reported and having regard to the history of the licence holder)**
- **the request for an interview to be held in accordance with the Police and Criminal Evidence Act 1984**
- **the issue of a Formal Caution**
- **the referral of the matter to the Head of Community Services**
- **the referral of the matter to the General Purposes Licensing Casework Sub-Committee**
- **the referral of the matter to the Law and Governance department for consideration of prosecution**

Conviction: Judicially determining that someone is guilty of a crime

General Purposes Licensing Casework Sub-Committee: A committee having powers given to it by the General Purposes Licensing Committee of the Council, to determine the suitability of an applicant to be granted a licence or existing licence holder to maintain a licence, when the Head of Community Services is unable to determine whether such a person meets the Authority's definition of a "fit and proper" person.

This type of vehicle cannot ply for hire (stand in a rank, wait without a booking in a "prominent position" giving rise to the impression that the vehicle is available for hire, or undertake a journey that has not been pre-booked by the hirer with the Private Hire Operator).

Proprietor: The person in possession of a Hackney Carriage or Private Hire vehicle licence.

Operator: This means a business that makes provision for the invitation or acceptance of bookings for a Private Hire vehicle.

Refusal: To decide not to give something

(Within this Policy any reference to refusal will also be a reference to revocation or suspension).

Revoke: To take something away permanently.

Suspend: To take something away temporarily.

Advisory Warning: Either verbally given or a letter advising that although an offence, caution or conviction was not serious enough to have warranted a First Level Warning, the offence committed is unacceptable and has caused concern to the Council as to the suitability to hold such a licence. If, in the future, similar behaviour is illustrated, the consequences could be more severe, possibly leading to an escalation in the level of warning issued, or the suspension of the licence.

First Level Warning: A letter advising that although an offence, caution or conviction was not serious enough to have warranted a Second Level Warning, the offence committed is unacceptable and has caused concern to the Council as to the suitability to hold such a licence. If, in the future, similar behaviour is illustrated, the consequences could be much more severe, possibly leading to the suspension of the licence

Second Level Warning: A letter advising that although an offence, caution or conviction was not serious enough to have warranted the refusal, suspension or revocation of the licence, the offence committed is unacceptable and has caused concern to the Council as to the suitability to hold such a licence. If, in the future, similar behaviour is illustrated, the consequences could be much more severe, possibly leading to the suspension of the licence.

Final Warning: A letter advising that although an offence, caution or conviction was not serious enough to have warranted the refusal, suspension or revocation of the licence, the offence committed is unacceptable and has caused concern to the Council as to the suitability to hold such a licence. If, in the future, similar behaviour is illustrated, the licence holder should expect the matter to be met with the suspension / revocation of his/her licence.

Councillor Warning: A Decision issued by the General Purposes Licensing Casework Sub-Committee (likely to also include additional conditions being imposed on a licence) advising that although an offence, caution or conviction, and / or accumulation of Warnings issued by the Licensing Officers was not serious enough to have warranted the refusal, suspension or revocation of the licence, the offence committed is unacceptable and has caused concern to the Council as to the suitability to hold such a licence. If, in the future, similar behaviour is illustrated, the licence holder should expect the matter to be met with the suspension / revocation of his/her licence.

Introduction to the Guidelines Relating to the Relevance of Convictions Powers and Duties

The Local Government (Miscellaneous Provisions) Act 1976 and Town Police Clauses Act 1847 (as amended), Road Safety Act 2006 (Sections 52-53) places on Oxford City Council (the "Authority") the duty to carry out its licensing functions in respect of Hackney Carriage and Private Hire vehicles. The Rehabilitation of Offenders Act 1974 is summarised at Appendix 1.0. However, Hackney Carriage and Private Hire drivers are listed as regulated occupations within the Rehabilitation of Offenders Act 1974 (Exceptions) Order (Amendment) (No2) 2002. No conviction is categorised as spent under this Order. All categories that criminal offences fall into are deemed to be relevant to the role of a Private Hire and Hackney Carriage driver. In order to assess an individual's suitability to hold a licence, this Authority requires all applicants to provide an Enhanced Disclosure & Barring Service Report and a DVLA Disclosure; and the Authority will take into account all endorsement penalty points, cautions and convictions when considering an application for a driver's licence, irrespective of offence, sentence imposed or age when the offence is committed. All motoring and criminal offences must be declared on the application form. Any failure to declare any endorsement penalty points, offences, cautions or convictions either when making an application, or within 7 days of receipt of their issue, may lead to the appropriate enforcement actions being taken in regard to the suitability of such a person being considered "fit and proper" to hold a licence issued by the Authority.

Suitability

The legislation states that the Council may grant a licence **ONLY** if it is satisfied that the person is fit and proper – **the onus is on the applicant to prove this, NOT the Council to demonstrate that they are not.**

Where sufficient and appropriate enforcement measures have been taken by the Licensing Officers, in relation to a licence holder who has displayed a propensity to fail to adhere to the conditions and regulations pertaining to his or her licence, their suitability to hold a licence may be placed before the General Purposes Licensing Casework Sub-Committee to determine. It is therefore advisable for all new applicants and existing licence holders to be familiar with the content of this Policy on the Relevance of Warnings, Offences, Cautions and Convictions, and with the criteria, conditions and regulations specific to the licence that they hold.

Full details of the criteria, conditions and regulations relating to the Taxi Licensing function can be found in the following documents:

- **Hackney Carriage & Private Hire Driver Licence Application Pack**
- **Hackney Carriage & Private Hire Vehicle Licence Application Pack**
- **Private Hire Operator Licence Application Pack**

Alternatively, the Council provides all such relevant information on it's website at: www.oxford.gov.uk/taxilicensing

Offences, Cautions and Convictions

The Licensing Officer is required to look at any past indicators (convictions, including formal cautions, fixed penalties, speeding offences, etc) that may affect a person's suitability to hold a Hackney Carriage/Private Hire driver's licence and consider the possible implications of granting such a licence to that person.

The imposition of a fixed penalty in place of a prosecution under any enactment may be considered a relevant indicator of suitability. In addition, applicants must disclose any recent formal cautions they have received and any pending matters. The disclosure of any conviction will not necessarily prevent an applicant from being issued a licence. However, all convictions, spent or live, will be assessed.

Cautions are included under the definition of 'convictions' and they will also be taken into consideration. Although these are generally not as serious as convictions, they can give some indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence. The Licensing Officer will bear in mind that a caution is given where there is sufficient evidence for a prosecution and guilt has been admitted. Cautions will be taken in to consideration for a period of five years.

Penalty notices are similar to fixed penalties, but are issued for a wide range of offences of an anti-social nature, including behaviour likely to cause harassment, alarm or distress to others, drunk and disorderly behaviour in a public place, destroying or damaging property up to the value of £500, retail theft under £200, sale of alcohol to a person under 18 years of age, selling alcohol to a drunken person or using threatening words or behaviour. This will be viewed in an appropriate light given the nature of the offence.

The Licensing Officer may refer to the Rehabilitation of Offenders Act 1974 as part of their assessment of the convictions. A summary of the Act is provided at Appendix 1.0. The fact that a conviction is not yet spent under the Act may be relevant in the determination. However, the Exemption Order means that for all practical purposes, it is as if the Rehabilitation of Offenders Act had never been passed for licensed drivers. Therefore Licensing Officers may disregard the Act if they consider it necessary in a particular case.

If a Court or the Police have found as a matter of fact that a person has committed an offence, that person cannot then say to the Licensing Officer that he / she did not commit the offence; and if they seek to do so, their representations will not be taken into consideration. The applicant can, however, explain any mitigating factors that led to them committing the offence and the Licensing Officer can take these into account in deciding whether the applicant is a fit and proper person to hold or be granted a licence. Such cases may be referred to the Licensing Sub-Committee for determination. **In the case of offences that have led to a term of imprisonment, the periods given will run from the date that the full sentence awarded by the court would have been completed.**

A "Fit and Proper Person"

When considering whether someone should serve the public, the range of passengers that a driver may carry should be borne in mind. For example, elderly people, unaccompanied children, the disabled, those who have had too much to drink, lone women, foreign visitors and unaccompanied property. Some areas give rise to particular concern, including:

- **Honesty and trustworthiness** – drivers often have knowledge that a customer is leaving a house empty; they have opportunities to defraud drunken, vulnerable or foreign people or to steal property left in cars. They must not abuse their position of trust.
- **Not abusive** – drivers are often subject to unpleasant or dishonest behaviour. The Council does not consider that this excuses any aggressive or abusive conduct on the part of the driver. Drivers are expected to avoid confrontation, and to address disputes through the proper legal channels. In no circumstances should they take the law into their own hands.
- **A good and safe driver** – Passengers paying for a transport service rely on their driver to get them to their destination safely. They are professional drivers and should be fully aware of all Road Traffic legislation and conditions attached to the licence. A person who has committed an offence and has to wait a period of time before being accepted as a Hackney Carriage or Private Hire driver is more likely to value his/her licence and act accordingly.

Protecting the Public

The over-riding consideration for the Licensing Officer is to protect the public. Having considered and applied the appropriate guidelines, the Licensing Officer will determine each case on its own merits.

History

The Licensing Officer may take into account a persons' history whilst holding a licence, from this or any other authority. The Licensing Officer may take into account, in deciding whether a person is a fit and proper person to hold (or to continue to hold) a licence, such matters as the record of complaints about them, also their compliance with Licence conditions and their willingness to co-operate with the reasonable requests of Licensing Officers.

Best Practice Guidance

In formulating this policy, advice contained in the Taxi and Private Hire Vehicle Licensing Best Practice Guidance issued by the Department for Transport, and the advice provided by the Institute of Licensing has been taken into account.

GUIDELINES RELATING TO THE RELEVANCE OF WARNINGS, OFFENCES, CAUTIONS AND CONVICTIONS

GENERAL POLICY

1. Each case will be decided on its own merits.
2. A person with a current conviction for serious crime need not be permanently barred from obtaining a licence but should be expected to remain free of conviction for 3 to 5 years, according to the circumstances, before an application is entertained. Some discretion may be appropriate if the offence is isolated and there are mitigating circumstances. However, the overriding consideration must be the protection of the public.
3. In the case of offences that have led to a term of imprisonment, whether or not suspended, the periods given will run from the date that the full sentence awarded by the court would have been completed.
4. Cautions will be taken in to consideration for a period of five years.
5. A new applicant is a person who has not previously held a licence with this authority or whose licence had expired for 12 months before the application form was received in the Taxi Licensing Office.
6. Warnings issued by the Licensing Officers shall be considered relevant to the determination of the suitability of all applicants and existing licence holders with regard to the grant or continuation of a licence issued by the Authority.

The following examples afford a general guide on the action to be taken where convictions are admitted.

Driving & Traffic Offences

Private Hire and Hackney Carriage drivers are considered professional drivers and must be aware of the safety of their passengers and the safety of their vehicles at all times.

Any traffic offences show a lack of responsibility whilst driving either due to the maintenance and safety of their vehicle or in the manner of their driving.

Convictions for traffic offences should not necessarily prevent a person from proceeding with an application. However, the number, type and frequency of an offence will be taken into account. In some cases it may be appropriate to issue a licence together with a strong warning as to future driving conduct. If a significant history of offences is disclosed, an application may be refused. Whilst the imposition of a Fixed Penalty Notice does not lead to a conviction, it nevertheless attracts penalty points to a DVLA licence. The Council considers 'death by careless driving' or 'death by dangerous driving' to be a very serious and you should therefore refer to the **Major Traffic Offences** section. For information on alcohol and drug related offences see **Drunkness & Drugs** sections.

New applicants should not normally be considered if they have acquired more than three penalty points within the twelve months prior to the application for the grant of a licence; or they have in the previous two years been convicted of any single offence which resulted in a points penalty of five or more points, or offences totalling more than six points.

If sufficient points have been accrued or offences committed resulting in a period of disqualification of the applicant's DVLA driving licence then an application for a Hackney Carriage or Private Hire driver licence may not normally be considered until a period of twenty-four months has elapsed following its restoration and a warning should be issued as to future conduct.

If the DVLA driving licence of an applicant or an existing driver is revoked following the acquisition of six or more points during the first two years since passing the DVLA driving test, then a period of 24 months following the restoration of the licence must have elapsed before a Hackney Carriage or Private Hire driving licence may be applied for.

Drivers already licensed who are convicted during the course of the licence of any single offence which results in a penalty of five or more points or acquires nine or more penalty points, should be interviewed and may be referred to the Licensing Sub-Committee.

When a driver who is already licensed with this authority is disqualified from holding or obtaining a DVLA driving licence, the licence will be suspended. A period of 24 months following the restoration of the licence must have elapsed before a Hackney Carriage or Private Hire driving licence application may be considered. The driver may be required to appear before the General Purposes Licensing Casework Sub-Committee before the licence is reinstated.

Drivers already licensed and applicants awaiting the grant of a licence must inform the Taxi Licensing office within 7 days of any conviction.

For existing licence holders, a guideline is provided below in relation to penalty points:

5 or less penalty points: For 5 or fewer points on an applicant's driving licence, a licence will usually be granted, with an advisory warning.

6 or more penalty points: Where any applicant has 6 or more penalty points on their driving licence the Licensing Officer will usually consider granting the licence with a written warning unless exceptional circumstances justify a refusal.

"Totting Up" under S35 Road Traffic Offenders Act 1988: Where an applicant has been disqualified under the "totting up" procedure, the Licensing Officers will normally consider refusal until there has been a **period of 12 months** free of relevant convictions. If an applicant has agreed "exceptional hardship" and avoided disqualification, refusal will still be considered and a **period of 12 months** free of relevant convictions required.

Motor Insurance Offences

An isolated incident in the past should not necessarily bar an applicant from being issued a licence; however, the Council takes a serious view of motor insurance offences. More than one conviction for these offences should raise serious doubts as to an applicant's suitability to hold a Hackney Carriage or Private Hire licence. In this instance, at **least 3 years** after restoration of the DVLA driving licence should elapse before an applicant, who has been disqualified from driving for an insurance offence, can be considered.

Major traffic offences

E.g. dangerous driving, drive whilst disqualified, fail to stop after an accident, using a handheld mobile telephone whilst driving, no insurance, careless driving, using vehicle with defective brakes/tyres/steering wheel etc. If the applicant has been convicted of one isolated major traffic offence a **period of 12 months** free of convictions will usually be expected prior to consideration of grant.

If the applicant has been convicted of two or more major traffic offences then a licence will not normally be granted until the applicant has completed at least a **period of 2 years** free from conviction. This period may increase where the combination of offences are considered to increase the risk to the public.

We consider 'death by careless driving' or 'death by dangerous driving' to be a very serious offence. If the applicant has been convicted of such an offence a **period of 3 years** free of convictions will usually be expected prior to consideration of an application. In all such cases, the matter will be determined by the General Purposes Licensing Casework Sub-Committee.

Plying for Hire

A serious view is taken of this offence, particularly since the vehicle will almost certainly have been carrying fare-paying passengers whilst uninsured. The offence is making one's vehicle available for public hire whilst using a licensed Private Hire vehicle. It is not appropriate for Private Hire drivers to park in prominent positions (i.e. where people are likely to congregate, locations with a high level of footfall, near a taxi rank), without a pre-booked journey having been provided by the Private Hire Operator. If witnessed by the Licensing Officer, the licence holder should expect further enforcement measures to be taken against them, including a full inspection of the driver and vehicle against the conditions relating to both licences.

The Licensing Officer may request from the Private Hire Operator details of all bookings given to the driver, and further evidence if required that would assist with the Licensing Officer's case. If a Private Hire Operator is complicit in allowing the driver to book a journey, rather than the passenger book the journey directly with the Operator, the Operator should expect for the Licensing Officer to undertake any necessary enforcement measures against the company itself.

The Licensing Authority regularly carries out what are known as "Test Purchase" Operations, where attempts are made to ascertain whether individual licence holders and Private Hire Operators knowingly ply for hire. If any licence holder is found to be non-compliant with regard to this matter during such an operation, they should expect the matter to result in a prosecution against them in the Courts. If convicted by the Court of a single offence of plying for hire, the licence holder will be required to appear before the General Purposes Licensing Casework Sub-Committee, where the licence holder should expect to receive a revocation of their licence.

If a licence is revoked a period of twenty-four months should have elapsed before any application is considered.

Drunkness (With Motor Vehicle)

A serious view should be taken of convictions of driving or being in charge of a vehicle while under the influence of alcohol. A conviction for this offence should raise grave doubts as to the applicants' fitness to hold a licence and at least 3 years should elapse (after the restoration of the driving licence) before an application for a licence is considered.

If there is any suggestion that the applicant is an alcoholic, a special medical examination should be arranged before the application is entertained. If the applicant is found to be an alcoholic a period of 5 years should elapse after treatment is complete before a further licence application is considered.

Drunkness (Not in Motor Vehicle)

An isolated conviction for drunkness need not debar an applicant from gaining a licence. However, more than one conviction for drunkness could indicate a medical problem necessitating critical examination.

Drugs

A serious view should be taken of this type of offence. An applicant with a conviction or caution for any drug related offence should be required to show a period of at least 3 years free of conviction or caution before an application is entertained, or 5 years after detoxification treatment if he/she was an addict.

Any person convicted of supplying drugs should not be considered for the grant of a licence for at least 5 years following conviction. If the applicant has received a custodial sentence, the 5 years should be counted from the completion of the full sentence. If a licence is granted, the applicant should be warned of the serious consequences of driving a motor vehicle whilst under the influence of drugs.

Police Bail / Released Under Police Investigation

Hackney Carriage and Private Hire drivers are expected to adhere to this Policy's definition of a "fit and proper" person. A person who already holds a licence with the Authority, if arrested for an alleged offence, and subsequently released by the Police on bail or under investigation, depending upon the nature of the alleged offence, should expect to have their licence suspended by the Head of Community Services. The suspension shall remain in force until such time as the case is resolved by either the Police or by the Courts.

Police Recommendation

Hackney Carriage and Private Hire drivers maintain close contact with the public, often carrying unaccompanied and vulnerable passengers, and are therefore expected to adhere to this Policy's definition of a "fit and proper" person. Any person who is charged by the Police for an alleged offence, who in the view of the Police Officer represents a threat to the safety and well-being of the public, should expect to have their licence suspended by the Head of Community Services. The suspension shall remain in force until such time as the case is resolved by either the Police or by the Courts.

Indecency Offences

As Hackney Carriage and Private Hire vehicle drivers often carry unaccompanied passengers. Applicants with any cautions or convictions for indecent exposure, indecent assault, importuning, or any of the more serious sexual offences, should be refused a Hackney Carriage or Private Hire drivers licence until they can show a substantial period (at least 5 years) free of such offences before being considered to hold a licence. Any applicant with a single caution or conviction of this kind should expect to have their application determined by the General Purposes Licensing Casework Sub-Committee. A person with more than once caution or conviction for any indecency offence would not normally be considered to be a suitable applicant. A person who already holds a licence with this Authority, if charged with any indecency offence may expect to have their licence immediately suspended until the case is resolved by either the Police or by the Courts.

No application will be considered from a person currently on the Sex Offender's Register.

Violence

As Hackney Carriage and Private Hire vehicle drivers maintain close contact with the public, a firm line should be taken with applicants who have convictions for any form of offence that involves violence of any description. At least 3 years free of such convictions should be shown before an application is entertained and even then a strict warning should be given.

Offences involving breaches of public order should be treated seriously even if the case resulted in the applicant being bound over. More than one offence of this nature may indicate a propensity for this type of behaviour and at least three years free of conviction should be shown before an application is entertained.

Dishonesty

Hackney Carriage and Private Hire vehicle drivers are expected to be persons of trust. The widespread delivery of unaccompanied property is indicative of the trust that business people place in drivers. Moreover, it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal fare etc.

Overseas visitors can be confused by the change in currency and become "fair game" for an unscrupulous driver. For these reasons a serious view should be taken of any conviction involving dishonesty. In general, a period of 3 to 5 years free of conviction or if a custodial sentence, 3 to 5 years from the completion should be required before entertaining an application.

Failure to declare endorsement penalty points, offences, cautions and convictions is regarded as a serious matter, whether it is through the omission of such incidents when submitting an application to the Authority, or by not informing the Authority within 7 days of receipt of their issue.

Any person, who fails to declare on his or her application any such issues, should expect their application to be referred to the General Purposes Licensing Casework Sub-Committee, to determine their suitability to hold a licence.

Complaints Made Against Drivers

Complaints are frequently made against Hackney Carriage and Private Hire drivers. Such complaints include refusal to assist a disabled passenger, use of abusive language or refusal to accept a fare. Such complaints should be investigated and dealt with by the Licensing Officer, and if the complaint is serious enough, the applicant may be invited to make representations. At the Officer's discretion the applicant may be requested to attend an interview.

The Licensing Officer will consider the conduct of licence holders, taking into account the circumstances surrounding any alleged incident, and the realities of the profession, where drivers are often the subject of unwarranted abuse from members of the public.

The Licensing Officer will consider the history of all complaints made against the driver to assess any patterns and if deemed appropriate request additional background checks be carried out. If a pattern is identified, then the Officer will consider whether the driver is fit and proper person to hold such a licence, and the matter referred to the Licensing Sub-Committee for determination.

Warnings Issued By The Licensing Officers

The Licensing Officers carry out the day to day enforcement functions of the Licensing Authority. They deal with complaints made about licence holders, and carry out enforcement operations throughout the City. Such operations include the inspection of Hackney Carriage vehicles at the ranks, the checking of licensed drivers for adherence to the conditions attached to the driver, vehicle and operator licences, and checking that licence holders are complying with the relevant regulations pertaining to the licence.

Any failures on behalf of the licence holder to adhere to the criteria, conditions and regulation pertaining to the licence, are dealt with by way of Warnings. It is this Authority's policy to provide advice and education to the licensed trade in order to meet the licensing objectives as described in this Policy.

The levels of Warning issued by the Licensing Officers are proportionate to the incidents that they deal with, however should a licence holder be found to be continually failing to meet with the requirements of their licence, the level of Warning shall be escalated, until such time as the Licensing Officer has no alternative other than to refer the matter to the Head of Community Services, the General Purposes Licensing Casework Sub-Committee, or the Law and Governance department.

A licence holder who has shown a propensity to fail to adhere to the conditions and regulations pertaining to his or her licence, should expect to have additional condition imposed on the licence to ensure compliance. In certain cases the consequences could be much more severe and the licence holder should expect the matter to be dealt with by way of the suspension or revocation of his or her licence.

In cases where the licence is revoked, a period of 24 months must elapse before a further application may be made to the Authority. Should an applicant submit an application before 24 months has elapsed, he or she should expect the application to be refused by the Head of Community Services.

Any applicant or licence holder, who is issued with a Warning by the Licensing Officer and disagrees with that decision, has a right of appeal by way of written complaint, to the Licensing Team Leader within **21 days of the Warning being issued**.

Conclusion

Any applicant having a previous or current conviction should not necessarily prevent them from obtaining a Hackney Carriage or Private Hire licence. A person who has committed an offence and who is made to wait for a rehabilitation period to lapse prior to their application being accepted is more likely to value their licence and act accordingly. However, there are certain offences that are considered so serious that they will usually prevent a person obtaining or keeping a licence.

It is this Authority's policy to consider the safety, protection and well-being of the general public by ensuring all licensed drivers are safe and competent drivers and are able to maintain their vehicles to an acceptable standard. The main purpose of the Licensing Officer's assessment is to ensure the public safety; not to punish or financially penalise licence holders. By applying these guidelines, the Council is seeking to maintain the high standard of quality of Hackney Carriage and Private Hire drivers, operators and proprietors in the City, which in turn maintains the good reputation of the taxi industry and the high quality of service to the travelling public.

Any applicant refused a licence on the grounds that the Licensing Officer is not satisfied he/she is a fit and proper person to hold such a licence, or who has had their licence suspended or revoked and disagrees with that decision, has a right of appeal by way of written complaint, to the Magistrates' Court within **21 days of the notice of decision**.

APPENDICES

Appendix 1.0: Table of Rehabilitation of Offenders Act

The Rehabilitation of Offenders Act 1974 provides that after a certain lapse of time, convictions for offences are to be regarded as "spent". Set out below are some examples of when convictions become "spent". Please note that it is from **the date of conviction** that the time commences for the Rehabilitation of Offenders Act.

The table below shows the Rehabilitation Periods as determined by the age of the individual and how they were dealt with at the time of conviction or disposal

Sentence /disposal	Rehabilitation period if aged 18 or over when convicted / disposal administered	Rehabilitation period if aged under 18 when convicted / disposal administered
A custodial sentence of over 48 months	Never spent	
A custodial sentence of over 30 months but not exceeding 48 months	7 years from the date on which the sentence (including any licence period) is completed	42 months from the date on which the sentence (including any licence period) is completed
A custodial sentence of over 6 months but not exceeding 30 months	48 months from the date on which the sentence (including any licence period) is completed	24 months from the date on which the sentence (including any licence period) is completed
A custodial sentence of up to 6 months	24 months from the date on which the sentence (including any licence period) is completed	18 months from the date on which the sentence (including any licence period) is completed
Fine	12 months from the date of the conviction in respect of which the fine was imposed	6 months from the date of the conviction in respect of which the fine was imposed
Community order	12 months from the last day on which the order has effect	6 months from the last day on which the order has effect
Simple, caution, youth caution	Spent immediately	
Compensation order	On discharge of the order (i.e. when it is paid in full)	

The period of time which must elapse in other cases before the conviction becomes "spent" may vary considerably according to the nature of the offence and other circumstances. **The rehabilitation period may, for example, be extended by the commission of a further offence during the rehabilitation period.**

DVLA ONLINE LICENCE CHECK

View Driving Licence (VDL) / Check Driving Licence (CDL)

DVLA has reviewed their driver enquiry services to align with the government strategy for supplying cost effective electronic and digital services. As a result of that, from 1st December 2018, the Driver Licence Check (DLC) service will be discontinued. The DVLA Mandate Form D906 will no longer be valid. That means the Authority will be unable to use that service to carry out DVLA driving Licence checks for new / renewal Hackney Carriage and/ or Private Hire Drivers Licence applications.

From 1st December 2018 the Licensing Authority shall carry out DVLA driving licence checks via View Driving Licence (VDL) information service and the Check Driving Licence (CDL) service.

VIEW OR SHARE YOUR DRIVERS LICENCE INFORMATION

You can use this service to:

- view your driving record, for example vehicles you can drive
- check your penalty points or disqualifications
- create a licence 'check code' to share your driving record with someone

The 'check code' will be valid for 21 days

All applicants for new / renewal of Hackney Carriage and/ or Private Hire Drivers Licence are required to use the DVLA View Driving Licence (VDL) information service and generate a 'Check Code' in order to allow the Licensing Authority to carry out check on their driving history.

In cases where that has been an "**Isolated Seizure**" – an applicant must: Have been free of epileptic attacks for the last five years, have not taken any anti-epileptic medication during this five year period, have undergone a recent assessment by a Neurologist, and have satisfactory results from the Neurologists investigation.

- iv. Every 12 months, you will need to arrange to be medically examined. At the time of this examination, the doctor will need to review your blood glucose records for the previous 3-month period.
 - v. The cost of the examination is to be met by the licence holder.
 - vi. You must have no other debarring complications of diabetes such as a visual field defect.
3. **Eyesight:** All drivers, for whatever category of vehicle, must be able to read a registration mark fixed to a motor vehicle and containing letters and figures 79 millimetres high and 50 millimetres at a distance of 20 metres, or at a distance of 20.5 metres where the characters are 79 millimetres high and 57 millimetres wide and, if glasses or contact lenses are required to do so, these must be worn while driving.

In addition, an applicant who has not held a vocational Driver's licence before must by law have:
