Dear Mr Brokenshire,

### **Adoption of the IHRA working definition of anti-Semitism**

I am writing in response to Sajid Javid's January 2017 letter that requested local authorities follow Government's suit in adopting the International Holocaust Remembrance Alliance working definition of anti-Semitism.

The issue has been raised recently here in Oxford and I am pleased to confirm formally on behalf of Oxford City Council that we support the IHRA definition as part of our commitment to tackle anti-Semitism and associated hate crimes in our city.

Yours sincerely

Councillor Susan Brown
