**Draft response provided by the Board Member for Leisure and Housing (Deputy Leader)**

<b><i>Recommendation</i></b>	<b><i>Agree?</i></b>	<b><i>Comment</i></b>
Recommendation 1: That further work is undertaken to accelerate the consistent scheduling of time appropriate female only pool sessions in Blackbird Leys, and that a date is provided for when this will be done.	Yes	Fusion are very aware of the need and benefits of adding a further ladies only session and they are now finalising how they can adjust the swimming programme accordingly. We expect that this new session will start in the next few months.
