PDR001: Percentage of major and non-major planning applications determined within target	Adrian Arnold	70%	98%	No comment provided.
NI 156: Limit our use of temporary accommodation at 2015 levels	Stephen Clarke	120 Number	84 Number	This is an excellent result, against a target of less than 120 households in temporary accommodation. Reducing or maintaining the number of households in temporary accommodation is a challenging target in a very difficult external environment, where the demand for services remains high, and the ability to find suitable accommodation, at affordable rents, locally is increasingly difficult. This result is testament to the continued exceptional homeless prevention work and temporary accommodation management undertaken by Housing Needs teams.
LP119: The number of people taking part in our youth ambition programme	Ian Brooke	4500 Number	6155 Number	This has been a successful year for the YA program and we have exceeded our target. This has mainly been due to a positive summer program (including funded programs) that was better promoted, within a prolonged good weather period. In addition the youth ambition team managed to achieve The National Youth Agency's quality assurance for our program, which is a great achievement for a district Council.
LP220: Number of people using leisure centres	Ian Brooke	536, 953 Number	775,703 Number	Our leisure provider reported strong annual growth for active participation visits and increased overall visits Year On Year. An independent audit of Fusions data concluded that figures reported to the Council are identified as good practice and no findings were raised on this area.

CoS030: Percentage of adults who are physically active	Ian Brooke	65%	71.50%	Sport England's Active Lives Survey results show that Oxford City is now the least inactive district Council area in the Country. The Council's Active Communities team lead on the work in this area supported by a multitude of partners including the huge amount of work undertaken by the voluntary sector. The team have just achieved "Outstanding" in their external Quest audit (the UK quality assurance scheme). This is the highest level of award and we are the first city/district to achieve this.
LG002: IER household response rate	Lindsay Cane	96%	96.08%	This is an annual measure and was last updated in January 2019.
ED002: The reduction of the Council's carbon footprint (CO2/y)	Jo Colwell	429 Tonnes	446 Tonnes	Fuel MicroCHP installations completed at Windale House and Northbrook House est 4tCO2/year in total. 100kWp Solar car port installation at Leys pools now due to commence 29 Apr - and completion mid May. Closed billing validation queries - year to date = 242 successfully closed queries equivalent to avoided spend of £32,016.32
