Introduction

1. The purpose of this report is to seek agreement to the licence fees and charges that should apply for 2020/21, for those activities where the Council has discretion. This report does not cover the fees for Licensing and Gambling Act activities, which are reported separately to the Licensing and Gambling Acts Committee.
2. The fees and charges detailed within this report and found at **Appendix 1** relate solely to the functions of the General Licensing Team. A further report will be provided to Members in relation to the fees and charges related to the functions of the Miscellaneous Licensing Team.
3. The statutory principle in relation to the setting of fees is that they should be reasonable, proportionate and not exceed the cost of the procedures and formalities of the relevant licensing scheme, including staffing, training, administration, testing, inspections, hearings, and regulation.

4. Licence fees set by the Council and administered in the General Licensing function consist of Commercial Events, Hackney Carriage and Private Hire, Road Closure Orders, Scrap Metal Dealers and Sex Establishments.

Commercial Events and events with no commercial element (including street parties)

5. The making of Temporary Road Closure Orders under the Town Police Clauses Act 1847 is a discretionary service and the Council may make a charge for carrying it out, as long as the charge does not exceed the costs to the Authority.
6. A number of Road Closure applications have been made in the last year for events involving a commercial element, such as for Christmas Market, Little Clarendon Street Market, Art Market, North Parade Market, Christmas Light Festival etc.
7. A number of Road Closure applications have been submitted in the last year for street parties which do not include a commercial element. Such closures are community and local residents based.
8. The proposed fees can be found in **Appendix 1**.

Hackney Carriage and Private Hire Licence Fees and Charges

9. Amendments to some of the ‘Additional Charges’ section has been proposed to recover Authority costs. Those can be found in **Appendix 1**.

Scrap Metal Dealers

10. The licensing of Scrap Metal Dealers and collectors is an executive function which is the responsibility of Cabinet. Therefore the setting of fees does not fall to this Committee. The fees for this function can be found in Appendix 1 for Members to note.

Sex Establishments and Sexual entertainment venues

11. The fee for a Licence Variation / Transfer application for the sex establishment and sexual entertainment venues have been recalculated in line with the new and renewal application fees. Those can be found in **Appendix 1**.

Financial implications

12. The Council is responsible for collecting licence fees for these functions. Predicted income from licence fees is included in the Council’s budget estimates for 2020/21.

Legal issues

13. The power to levy fees is contained in the legislation relevant to each function or in the Local Government Act 2003 in relation to discretionary services. Fees and charges should reasonably represent the costs of carrying out the function.
