The Scrutiny Committee agrees a work plan every year detailing selected issues that affect Oxford or its people.

Time is allowed within this plan to consider topical issues as they arise throughout the year as well as decisions to be taken by the Cabinet.

The plan sets out the work of scrutiny for this council year and will be reviewed at each meeting of the Scrutiny Committee.

The plan is based on suggestions received from all elected members and senior officers. Members of the public can also contribute topics for inclusion in the scrutiny work plan by completing and submitting our [suggestion form](#). See our [get involved webpage](#) for further details of how you can participate in the work of scrutiny.

Some topics will be considered at Scrutiny Committee meetings and others will be delegated to standing panels. Items for more detailed review will be considered by time-limited review groups.

The Committee will review the Council's [Forward Plan](#) at each meeting and decide which Cabinet decisions it wishes to comment on before the decision is made. The Council also has a "call in" process which allows decisions made by the Cabinet to be reviewed by the Scrutiny Committee before they are implemented.
