

Appendix 3: Legal considerations when making an Order

Section 59 of the Anti-Social Behaviour, Crime and Policing Act 2014 sets out the basis on which local authorities may make a PSPO. It provides as follows -

- (1) A local authority may make a public spaces protection order if satisfied on reasonable grounds that two conditions are met.
- (2) The first condition is that—
 - (a) activities carried on in a public place within the authority's area have had a detrimental effect on the quality of life of those in the locality, or
 - (b) it is likely that activities will be carried on in a public place within that area and that they will have such an effect.
- (3) The second condition is that the effect, or likely effect, of the activities—
 - (a) is, or is likely to be, of a persistent or continuing nature,
 - (b) is, or is likely to be, such as to make the activities unreasonable, and
 - (c) justifies the restrictions imposed by the notice.
- (4) A public spaces protection order is an order that identifies the public place referred to in subsection (2) (“the restricted area”) and—
 - (a) prohibits specified things being done in the restricted area,
 - (b) requires specified things to be done by persons carrying on specified activities in that area, or
 - (c) does both of those things.
- (5) The only prohibitions or requirements that may be imposed are ones that are reasonable to impose in order—
 - (a) to prevent the detrimental effect referred to in subsection (2) from continuing, occurring or recurring, or
 - (b) to reduce that detrimental effect or to reduce the risk of its continuance, occurrence or recurrence.
- (6) A prohibition or requirement may be framed—
 - (a) so as to apply to all persons, or only to persons in specified categories, or to all persons except those in specified categories;
 - (b) so as to apply at all times, or only at specified times, or at all times except those specified;
 - (c) so as to apply in all circumstances, or only in specified circumstances, or in all circumstances except those specified.
- (7) A public spaces protection order must—
 - (a) identify the activities referred to in subsection (2);
 - (b) explain the effect of [section 63](#) (where it applies) and [section 67](#);
 - (c) specify the period for which the order has effect.
- (8) A public spaces protection order must be published in accordance with regulations made by the Secretary of State.
