Urban Forest Strategy	Priority level: High Preferred Forum: Scrutiny
The trees and vegetation that make up the urban forest provide a range of benefits such as habitat for biodiversity, carbon storage and flood protection. This strategy is for the whole city, not just City Council land and seeks to protect what we have, increase what we have, and engage communities and stakeholders in the process. The strategy has a target to increase the overall canopy cover for Oxford using the “right tree, right place” principle. The strategy highlights specific areas where there is particularly low canopy cover or where benefits can be maximised.
