Oxfordshire Recovery and Renewal Network	Priority level: High Preferred Forum: Scrutiny
To seek Oxford City Council approval for the development of a system wide framework and a shared approach and priorities for recovery and renewal from the COVID-19 period. This is being put forward for adoption by all Oxfordshire Councils and other statutory partners to reinforce the strong operational collaboration extended and established through the pandemic. The framework seeks to connect sector and organisational specific recovery planning, linking existing plans and strategies. It focuses in particular on shared economic recovery that leads to shared prosperity, better health and wellbeing and stronger communities - underpinned by measures to tackle climate change and address inequalities.	
Food Strategy	Priority level: High Preferred Forum: Scrutiny
Development of a Countywide Food strategy, working with key partners such as Good Food Oxford, Oxfordshire County Council, Oxfordshire District Council and the Community Food system within the City.	

That addresses the causes of food poverty as part of our wider anti-poverty work. This should include the following:

Taking into account:

- o The National Food Strategy;
- o The considerable work undertaken by this Council to address inequality and to tackle food poverty during the pandemic;
- o Being a signatory to the Oxford Good Food Charter;
- o The excellent work of Oxford's voluntary sector to tackle food poverty;
- o Recommendations on achieving a self-sustaining community food system and Council's role in supporting this.

- Bringing together the views and knowledge of our food network partners to better understand the current root causes of food poverty, and a shared action plan to implement meaningful solutions.
- Tackling child food poverty by campaigning to address holiday hunger, increasing take up of free school meals and access to food larders for families with children.
- Continuing to use relationships with supermarkets to divert surplus food to those in need and minimise waste to help eliminate Oxford's contribution to climate change by 2040 or sooner, in line with the Zero Carbon Oxford Charter and recommendations of the Citizens' Assembly on Climate Change.
