

Change to Fees and Charges

Cabinet 9th February 2022

Agenda Item 8 - Medium Term Financial Strategy 2023-24 to 2025-26 and Budget 2022-23

Appendix 7 of the Budget papers – starting at page 107 of the agenda - gives details of the proposed fees and charges for off street car parking. Within the Budget Paper (page 19, paragraph 22) reference is made to an error on the charges for Headington and St Clements car parks which should have only be increased by 20p per hour but were increased by 50p per hour in the Consultation Budget paper approved by Cabinet in December.

Unfortunately, due to a formula error, although the increase is correctly shown in Appendix 7 as 20p per hour for these two car parks the charge for 2022-23 is shown as being increased incorrectly by 50p per hour.

The correct proposed charges for 2022-23 for St Clements and Headington car parks should be as follows:
